But Lipuš, a member of the Slovene ethnic minority indigenous to Austria's southernmost province of Carinthia, wrote his novel in Slovene and aimed it not just at Austrian society's hidebound clericalism, but also at its intolerance of the ethnic other in its midst. When Austrian novelist and fellow Carinthian Peter Handke resolved in the late 1970s to explore his Slovene roots, the first book he picked up was Lipuš's *Young Tjaž*, which served as his *Badeker* through the Slovene language, and which he faithfully translated into German and published in 1981. **The Via Francigena. 1000 Kilometres on Foot from the Gran San Bernardo to Rome The Rogue Or, The Life of Guzman de Alfarache The Exercises of St Ignatius Loyola in the Western Tradition Gracewing Publishing** "The Exercises of St. Ignatius" draws on rediscovered materials, as well as on extensive familiarity with the Western spiritual tradition, to explore Ignatian spirituality's indebtedness to the tradition as well as its departure from it. **The Countryside Game Phaidon Press** Encourages readers to relate their adventures aloud as illustrations unaccompanied by text take them on a journey through the countryside. **First Magic Painting Garden First Magic Painting** A new strand in the bestselling Usborne Magic Painting range, specially designed for little children to bring garden bugs, animals and plants to life with a sweep of a brush. A Good Place Candlewick Press From the creator of *Maisy*, a joyful picture book with a gentle environmental message finds four insect friends in search of a good place to live. Bee, Ladybug, Beetle, and Dragonfly are looking for somewhere to live. And each has a different want: Bee loves flowers, Ladybug prefers leaves, Beetle is fond of dead wood, and Dragonfly likes ponds. But every time they find what seems like the perfect spot—with beautiful flowers, a tiny pond, some dead wood, or gorgeous green leaves—they discover it's underfoot, near traffic, or otherwise not safe. Will these four friends ever find a good place? *Lucy Cousins* brings her bold artwork and endearing characters to an inviting story that leads to a dazzling conclusion, showing children that even in an urban environment, encouraging wildlife and natural ecosystems can create a healthy and beautiful habitat for all of us.

Norton** The most pedagogically innovative text and media for the western civilizations course now more current, more global, and more interactive." **Monsoon Gardners Books** Photojournalistic essay on the monsoon season of the Eastern hemisphere **Forever Burn** Tatum Everley is a freshman at Western Michigan University. Due to an emotionally and psychologically abusive past relationship, Tate struggles from Complex-Post Traumatic Stress Disorder. She has been working on controlling her symptoms and flashbacks, but when she meets Axel Burne at a fraternity party, who is notorious for sleeping around and getting into fights, she tries her best to dodge the bullet. Axel starts to become intrigued by Tate, but she's better off choosing Lucas- the sweet guy who has been trying to take her out since orientation. But even though Lucas is the better option, Axel keeps reappearing. Tate continues to try to stay away from him, but it starts becoming harder to, and as she gets closer to him, things start to get way out of hand. If Tate wants her happy ending and her sanity intact, then she has to push through the hardships and maintain control over her disorder. **30 Bangs The Shaping of One Man's Game from Patient Mouse to Rabid Wolf Createspace Indie Pub Platform** Erotic memoir **Odes Knopf** Following the Pulitzer prize-winning collection *Stag's Leap*, Sharon Olds gives us a stunning book of odes. Opening with the powerful and tender "Ode to the Hymen," Olds addresses and embodies, in this age-old poetic form, many aspects of love and gender and sexual politics in a collection that is centered on the body and its structures and pleasures. The poems extend parts of her narrative as a daughter, mother, wife, lover, friend, and poet of conscience that will be familiar from earlier collections, each episode and memory burnished by the wisdom and grace and humor of looking back. In such poems as "Ode to My Sister," "Ode of Broken Loyalty," "Ode to My Whiteness," "Blow Job Ode," and "Ode to the Last Thirty-Eight Trees in New York City Visible from This Window," Olds treats us to an intimate examination that, like all her work, is universal, by turns searing and charming in its honesty. From the bodily joys and sorrows of childhood to the deaths of those dearest to us, Olds shapes the world in language that is startlingly fresh, profound in its conclusions, and life-giving for the reader. **Next Nature Actarbkhauser**
