JOKES AND STORIES FROM THE MAN WHO KEEPS AMERICA LAUGHING

Penguin Every year, Reader's Digest readers send in tens of thousands of jokes and funny anecdotes, in their quest for a \$100 check and, as an extra benefit, eternal glory: to have their joke published in the world's best-read magazine. One man is stopping them from their quest. Andy Simmons. It takes a sense of humor. And Andy certainly has that. Not only is he the arbiter of all things funny in Reader's Digest; he is their Mark Twain, Bill Cosby, and even their David Sedaris. In other words, Andy is the guy Reader's Digest turns to whenever they need a funny story all of America can appreciate. He's perfect for the job. Andy takes great delight in the funny and oddball side of everyday life. In Now That's Funny!, Andy presents his most popular, funniest writings on all things America, some exclusive and all-new, some taken from the award-winning pages of Reader's Digest. You'll discover the Andy that goes out and tries things. His first-person tales of taking dance lessons, participating in a Revolutionary War reenactment, and even taking stand-up comedy lessons are some of the funniest articles to ever appear in Reader's Digest. Then you discover the Andy that observes America. His roundups of dumb criminals, crazy lawsuits, ridiculous excuses and out-of-touch scientific research will have you roaring with laughter -- and feeling much better about yourself. Then there's Andy, the family man. You'll laugh out loud as he goes in search of his inner macho --or for the next stop on his vacation, if only he can find the directions. And Andy's observations on marriage and fatherhood are as accurate as they are funny. Finally, there's Andy the jokester. Here are tales from the job of trying to think, act, and be funny every workday, no matter what the dog did this morning on the rug. Tales of his sit-downs with comic legends from Robin Williams to Woody Allen will have you in stitches. Andy also shares his favorite jokes -- many of them too edgy for printing in Reader's Digest! Add it up, and it's a book filled with hundreds of feel-good, laugh-out-loud moments about life in these United States -- exactly the type of reading we need today!

ROBIN WILLIAMS - WHEN THE LAUGHTER STOPS 1951-2014

Kings Road Publishing With his twinkling eyes, boundless energy and unrivalled natural wit, Robin Williams was the comedian who brought laughter to a generation. Through roles in cherished films such as Mrs. Doubtfire, Jumanji, Aladdin and Hook, he became the genial face of family comedy. His child-like enthusiasm was infectious, sweeping viewers away. Allied to his lightning-quick improvisation and ability to riff lewdly off any cue thrown at him, Robin was that rare thing - a true comic genius who appealed to adults and children equally. He could also play it straight, and empathetic depth came to him naturally. A poignant performance in Good Will Hunting won him an Academy Award whilst his masterfully

chilling turn in psychological thriller *Insomnia* shocked audiences and hinted at a darker side. What truly caught the imagination, though, was his good-heartedness. Warmth radiated from him on-screen, but he was legendary for his off-screen acts of selfless generosity. Where most Hollywood A-listers demand outrageous pampering in their contract riders, he always insisted that the production company hire a full quota of homeless people to help make his movies. But behind the laughter lay a deeply troubled man, and tragedy would follow. At midday, on 11 August 2014, Robin Williams was pronounced dead at his California home. The verdict was suicide. He had battled depression and addiction for many years and was allegedly beset by financial difficulties. Virginia Blackburn's sensitive and thoughtful biography celebrates his genius and warmth, but also attempts to understand what could have driven such a gentle and gifted man to so tragic an end. This is Robin Williams, the life, the laughter, and the deep sorrow of the man who made the world smile.

Excerpt: Woody Allen (born Allan Stewart Konigsberg; December 1, 1935) is an American screenwriter, director, actor, comedian, author, playwright, and musician whose career spans over half a century. He began as a comedy writer in the 1950s, penning jokes and scripts for television and also publishing several books of short humor pieces. In the early 1960s, Allen started performing as a stand-up comic, emphasizing monologues rather than traditional jokes. As a comic, he developed the persona of an insecure, intellectual, fretful nebbish, which he insists is quite different from his real-life personality. In 2004, Comedy Central ranked Allen in fourth place on a list of the 100 greatest stand-up comics, while a UK survey ranked Allen as the third greatest comedian. By the mid-1960s Allen was writing and directing films, first specializing in slapstick comedies before moving into more dramatic material influenced by European art cinema during the 1970s. He is often identified as part of the New Hollywood wave of filmmakers of the mid-1960s to late '70s. Allen often stars in his own films, typically in the persona he developed as a standup. STRANDED AT THE DRIVE-IN

THE 100 BEST TEEN MOVIES

Orion Acclaimed writer of This is Uncool and Popcorn turns his attention to the (first ever) look at the teen movie Everyone undergoes some kind of teenage trauma, and a fundamental way of coping, or rite of passage, is the teen movie. Yet until now there has been no book that explores this successful movie sub-genre with any depth. Step forward Garry Mulholland, who, taking his cue from his previous, hugely acclaimed pop culture list books (This is Uncool and Fear of Music), seeks to create a pantheon of the very finest teen movies, or in Garry Mulholland's words: "I'll be doing what film critics have been loathe to do since the 1950s, and taking the entire subculture of teen movies seriously, making a constant and compelling argument that Grease and A Nightmare on Elm Street tell us a great deal more about modern life and human nature than Citizen Kane and The Godfather." From Kes to Fame, Badlands to the Breakfast Club, and National Lampoon's Animal House to Twilight, Garry Mulholland re-evaluates a much maligned genre, and brings it all back again: the good, the bad and the traumatic.

TIME

ROBIN

Henry Holt and Company From New York Times culture reporter Dave Itzkoff, the definitive biography of Robin Williams - a compelling portrait of one of America's most beloved and misunderstood entertainers. From his rapid-fire stand-up comedy riffs to his breakout role in Mork & Mindy and his Academy Award-winning performance in Good Will Hunting, Robin Williams was a singularly innovative and beloved entertainer. He often came across as a man possessed, holding forth on culture and politics while mixing in personal revelations - all with mercurial, tongue-twisting intensity as he inhabited and shed one character after another with lightning speed. But as Dave Itzkoff shows in this revelatory biography, Williams's comic brilliance masked a deep well of conflicting emotions and self-doubt, which he drew upon in his comedy and in celebrated films like Dead Poets Society; Good Morning, Vietnam; The Fisher King; Aladdin; and Mrs. Doubtfire, where he showcased his limitless gift for improvisation to bring to life a wide range of characters. And in Good Will Hunting he gave an intense and controlled performance that revealed the true range of his talent. Itzkoff also shows how Williams struggled mightily with addiction and depression - topics he discussed openly while performing and during interviews - and with a debilitating condition at the end of his life that affected him in ways his fans never knew. Drawing on more than a hundred original interviews with family, friends, and colleagues, as well as extensive archival research, Robin is a fresh and original look at a man whose work touched so many lives.

Do you think you're funny? Do you want to turn your sense of humor into a career? If the answer is yes, then Judy Carter's The Comedy Bible is for you. She helps readers first determine which genre of comedy writing or performing suits them best and then directs them in developing, refining, and selling their work. Using the hands-on workbook format that was so effective in her bestselling first book, Stand-Up Comedy: The Book, Carter offers a series of day-by-day exercises that draw on her many years as a successful stand-up comic and the head of a nationally known comedy school. Also included are practical tips and advice from today's top comedy professionals—from Bernie Brillstein to Christopher Titus to Richard Lewis. She presents the pros and cons of the various comedy fields—stand-up, script, speech and joke writing, one-person shows, humor essays—and shows how to tailor your material for each. She teaches how to find your

DO YOU TALK FUNNY?

7 COMEDY HABITS TO BECOME A BETTER (AND FUNNIER) PUBLIC SPEAKER

BenBella Books, Inc. Public speaking can be terrifying. For David Nihill, the idea of standing in front of an audience was scarier than cliff jumping into a thorny pit of spiders and mothers-in-law. Without a parachute or advanced weaponry. Something had to change. In what doesn't sound like the best plan ever, David decided to overcome his fears by pretending to be an accomplished comedian called "Irish Dave" for one full year, crashing as many comedy clubs, festivals, and shows as possible. One part of the plan was at least logical: he was already Irish and already called Dave. In one year, David went from being deathly afraid of public speaking to hosting a business conference, regularly performing stand-up comedy and winning storytelling competitions in front of packed houses. And he did it by learning from some of the best public speakers in the world: stand-up comedians. *Do You Talk Funny?: 7 Comedy Habits to Become a Better (and Funnier) Public Speaker* shows how the key principles of stand-up comedy can be applied to your speaking engagements and presentations to make you funnier, more interesting, and better looking. (Or at least two of the three.) Whether you are preparing for a business presentation, giving a wedding toast, defending your thesis, raising money from investors, or simply want to take on something you're afraid of, this book will take you from sweaty to stage-ready. You'll learn how to: - Craft a story and content that your audience will want to listen to - Find the funniest parts of your material and how to get to them faster - Deal with stage fright - Master the two most important parts of your performance: timing and delivery Ten percent of the author's proceeds from this book will go to Arash Bayatmakou via Help Hope Live until he is fully back on his feet and thereafter to one of the many facing the same challenges after suffering a severe spinal cord injury.

A VERY PUNCHABLE FACE

A MEMOIR

Crown "Saturday Night Live head writer and Weekend Update co-anchor, Colin Jost, has six sets of stitches on his face alone. He's been punched in at least four different sketches on Saturday Night Live, including once by his boss, Lorne Michaels. But if there's one trait that makes someone well suited to comedy, it's being able to take a punch—metaphorically and, occasionally, physically. From growing up as an overweight kid in a family of firefighters on Staten Island to commuting three hours a day to high school and "seeing the sights" (like watching a Russian woman throw a stroller off the back of a ferry) to attending Harvard while Facebook was created (and choosing comedy instead!), Colin shares how he has navigated the world like a "slightly smarter Forrest Gump." You'll also discover things about Colin that will surprise and confuse you. You'll go behind the scenes at SNL (where he's written some of the most iconic sketches and characters of the past fifteen years) and Weekend Update (where he's been "the white guy next to Leslie Jones.") And you'll experience the life of a touring stand-up comedian—from performing in rural cafeterias at noon to opening for Dave Chappelle at Radio City Music Hall. For every accomplishment (hosting the Emmys), there is a setback (hosting the Emmys). And for every absurd moment (watching paramedics give CPR to a raccoon), there is an honest, emotional one (recounting his mother's experience on the scene of the Twin Towers' collapse on 9/11.) A Very Punchable Face reveals the brilliant mind behind some of the dumbest sketches on television and lays bare the heart and humor of a hardworking guy—with a face you can't help but want to punch."--
