The Routledge International Handbook of the Place of Religion in Early Childhood Education and Care *Routledge* Understanding the place of religion in Early Childhood Education and Care is of critical importance for the development of cultural literacy and plays a key role in societal coherence and inclusion. This international handbook provides a comprehensive overview of the place of religion in the societal educational arenas of the very youngest children across the globe. Drawing together contributions from leading international experts across disciplinary backgrounds, it offers a critical view of how to approach the complexities around the place of religion in Early Childhood Education and Care. Through its four parts, the book examines the theoretical, methodological, policy and practice perspectives and explores the complex intersections of transmission of "cultural heritage" and "national values" with the diverse, changing societal contexts. Each chapter contributes to an increased understanding of how the place of religion in Early Childhood Education and Care can be understood across continents, countries and educational systems. The Routledge International Handbook of the Place of Religion in Early Childhood Education and Care is an essential resource for academics, researchers, students and practitioners working in Early Childhood Education, Sociology of Childhood, Religious Education and other related fields The Conservator The Catholic Bible, Personal Study Edition *Oxford University Press* Informative... The New American Bible Revised Edition: The New American Bible Revised Edition (NABRE) brings to culmination the work of nearly 100 scholars, including translators, editors, and a subcommittee of Catholic bishops who provided extensive review of the biblical text over a period of many years. The NABRE is the first major amendment to the New American Bible translation since 1991. It features: *The first update of the Old Testament since 1970, taking into account recent archaeological and textual discoveries. *Complete revision of the Psalter. Thomas Muentzer, a Destroyer of the Godless The Making of a Sixteenth-century Religious Revolutionary Om den kristne kommunist Thomas Muentzer (ca. 1490-1525) Blood Meridian Or the Evening Redness in the West *Vintage* 25th ANNIVERSARY EDITION • An epic novel of the violence and depravity that attended America's westward expansion, Blood Meridian brilliantly subverts the conventions of the Western novel and the mythology of the Wild West—from the bestselling, Pulitzer Prize-winning author of The Road Based on historical events that took place on the Texas-Mexico border in the 1850s, it traces the fortunes of the Kid, a fourteen-year-old Tennessean who stumbles into the nightmarish world where Indians are being murdered and the market for their scalps is thriving. Mediating Human Rights Media, Culture and Human Rights Law *Routledge* Drawing on social-legal, cultural and media theory, this book is one of the first to examine the media politics of human rights. It examines how the media construct the story of human rights, investigating what lies behind the apparent media hostility to human rights and what has become of the original ambition to establish a human rights culture. The human rights regime has been high on the political agenda ever since the Human Rights Act 1998 was enacted. Often maligned in sections of the press, the legislation has entered popular folklore as shorthand for an overbearing government, an overzealous judiciary and exploitative claimants. This book examines a range of significant factors in the mediation of human rights, including: Euroscepticism, the war on terror, the digital reordering of the media landscape, , press concerns about an emerging privacy law and civil liberties. Mediating Human Rights is a timely exploration of the relationship between law, politics and media. It will be of immense interest to those studying and researching across Law, Media Studies, Human Rights, and Politics. Reading Mark in Context Jesus and Second Temple Judaism *Zondervan Academic* Over the last several decades, the Jewishness of Jesus has been at the forefront of scholarship and students of the New Testament are more than ever aware of the importance of understanding Jesus and the Gospels in their Jewish context. Reading Mark in Context helps students see the contour and texture of Jesus' engagement with his Jewish environment. It brings together a series of accessible essays that compare and contrast viewpoints, theologies, and hermeneutical practices of Mark and his various Jewish contemporaries. Going beyond an introduction that merely surveys historical events and theological themes, this textbook examines individual passages in Second Temple Jewish literature in order to illuminate the context of Mark's theology and the nuances of his thinking. Following the narrative progression of Mark's Gospel, each chapter in this textbook (1) pairs a major unit of the Gospel with one or more sections of a thematically-related Jewish text, (2) introduces and explores the historical and theological nuances of the comparative text, and (3) shows how the ideas in the comparative text illuminate those expressed in Mark. The Apocrypha and Pseudepigrapha of the Old Testament, Volume One Apocrypha *Apocryphile Press* The most esteemed body of books left out of the Bible, the Old Testament Apocrypha is of interest to historians, religious scholars, and ordinary laypeople alike. For more than 70 years this version, edited by R.H. Charles, has been the definitive critical edition. Out of print for years, Apocryphile Press is proud to make it available once more to scholars and the curious. Cecil B. DeMille's Hollywood *University Press of Kentucky* " ""Far and away the best film book published so far this year.""--National Board of Review Cecil B. DeMille was the most successful filmmaker in early Hollywood history. Cecil B. DeMille's Hollywood is a detailed and definitive chronicle of the screen work that changed the course of film history and a fascinating look at how movies were actually made in Hollywood's Golden Age. Drawing extensively on DeMille's personal archives and other primary sources, Robert S. Birchard offers a revealing portrait of DeMille the filmmaker that goes behind studio gates and beyond DeMille's legendary persona. In his forty-five-year career DeMille's box-office record was unsurpassed, and his swaggering style established the public image for movie directors. DeMille had a profound impact on the way movies tell stories and brought greater attention to the elements of decor, lighting, and cinematography. Best remembered today for screen spectacles such as The Ten Commandments and Samson and Delilah , DeMille also created Westerns, realistic "chamber dramas," and a series of daring and highly influential social comedies. He set the standard for Hollywood filmmakers and demanded absolute devotion to his creative vision from his writers, artists, actors, and technicians. Pulpit Friction Reawakening the Church's Voice in a Political Wilderness *WestBow Press* We live in an increasingly hostile political climate, and even within the church we can find the signs of political division. Yet the truth of the matter is that political dialogue has been around for millennia—even in the epic tales of Abraham, Joseph, and Moses—and the social and political issues during the time of Jesus's public ministry are not that different from those we are encountering presently. Pulpit Friction looks at the challenges facing the church today as it seeks to strike a balance between its prophetic call and the political and social issues causing so much turmoil in our world. Author Ken Kinton offers both biblical and historical insights in an attempt to help Christians and the secular world live more harmoniously. In order for the church to have a meaningful impact on our nation's political process, it needs to contribute to the political integrity of the process. By learning more about the church's role in shaping political discourse, we as Christians can together become agents of positive change. In Reading Romans in Context a team of Pauline scholars go beyond a general introduction that surveys historical events and theological themes and explore Paul's letter to the Romans in light of Second Temple Jewish literature. In this non-technical collection of short essays, beginning and intermediate students are given a chance to see firsthand what makes Paul a distinctive thinker in relation to his Jewish contemporaries. Following the narrative progression of Romans, each chapter pairs a major unit of the letter with one or more thematically related Jewish text, introduces and explores the theological nuances of the comparative text, and shows how these ideas illuminate our understanding of the book of Romans. Ten Essays for a Friend E. de Jongh 65 Catholic World Apocrypha The Century Dictionary: The Century dictionary A Dictionary of the Bible: Feign-Kinsman A Dictionary of the Bible: Feign-Kinsman Atheist Universe The Thinking Person's Answer to Christian Fundamentalism *Simon and Schuster* Using logic, common sense, philosophy, ethics, history, and science, the author rebuts every argument that claims to "prove" the existence of God. IS THERE REALLY A GOD? OR DOES GOD EXIST ONLY IN OUR HEADS? IS THE BIBLE TRULY GOD'S WORD? OR IS IT A JUMBLE OF FANCIFUL MYTHS? Atheist Universe details why God is unnecessary to explain the universe's diversity, organization and beauty. Using simple, straightforward logic, this book rebuts every argument that claims to "prove" God's existence. A comprehensive primer for countering today's religious dogma, Atheist Universe addresses all the historical and scientific questions, including: •What is atheism, and why is it so misunderstood? •If God is a myth, then how did the universe appear? •Without God, is there an objective "right" and "wrong"? •What is the meaning of life without God? •Is there evidence of Jesus's miracles and resurrection? •Can atheists explain "near death" experiences and medical miracles? •Can science and the Bible realistically be reconciled? •What is the behind-the-scenes relationship between politics and religion? "An admirable work." —Richard Dawkins "David's work will be very useful for anyone combating harmful religious beliefs. Americans have built an empire on the idea of "race," a falsehood that damages us all but falls most heavily on the bodies of black women and men—bodies exploited through slavery and segregation, and, today, threatened, locked up, and murdered out of all proportion. What is it like to inhabit a black body and find a way to live within it? And how can we all honestly reckon with this fraught history and free ourselves from its burden? *Between the World and Me* is Ta-Nehisi Coates's attempt to answer these questions in a letter to his adolescent son. Coates shares with his son—and readers—the story of his awakening to the truth about his place in the world through a series of revelatory experiences, from Howard University to Civil War battlefields, from the South Side of Chicago to Paris, from his childhood home to the living rooms of mothers whose children's lives were taken as American plunder. Beautifully woven from personal narrative, reimagined history, and fresh, emotionally charged reportage, *Between the World and Me* clearly illuminates the past, bravely confronts our present, and offers a transcendent vision for a way forward. A Dictionary of the Bible Volume II, Part II (I - Kinsman) *The Minerva Group, Inc.* For over a century the ten-volume Dictionary of the Bible has been the definitive reference. "It is a Dictionary of the Old and New Testaments, together with the Old Testament Apocrypha, according to the Authorized and Revised English Versions, and with constant reference to the original tongues. ... Articles have been written on the names of all Persons and Places, on the Antiquities and Archaeology of the Bible, on its Ethnology, Geology, and Natural History, on Biblical Theology and Ethic, and even on the obsolete or archaic words occurring in the English Versions." James Hastings (1852-1922) was a distinguished scholar and pastor. He was founder and editor of the Expository Times and is also well known for editing the Encyclopaedia of Religion and Ethics, the Dictionary of Christ and the Gospels, and the Dictionary of the Apostolic Church.
