THE BOOK ON MEDIUMS

GUIDE FOR MEDIUMS AND INVOCATORS

Cosimo, Inc. A companion to his first book, *The Spirits' Guide*, *The Book on Mediums* explains how to apply Allan Kardec's principles of his practical science of spiritism in order to become a medium. His aim is to teach interested readers, those who believe in the existence of the spirit world, and people with a strong desire to communicate with the dead how to cultivate their sensitivity to the paranormal. It is a serious undertaking, and Kardec warns his reader to approach the subject with a scholarly mind and pure intentions. For those who are willing, there is a whole new world just waiting to be experienced. French scholar HIPPOLYTE LEON DENIZARD RIVAIL (1804-1869), aka Allan Kardec, was a longtime teacher of mathematics, astronomy, and other scientific disciplines before turning to the paranormal. He founded the Parisian Society of Psychologic Studies, and founded and edited the monthly magazine *La Revue Spirite*, *Journal of Psychologic Studies*. He is also the author of *The Gospel as Explained by Spirits* (1864).

THE WEISER FIELD GUIDE TO THE PARANORMAL

ABDUCTIONS, APPARITIONS, ESP, SYNCHRONICITY, AND MORE UNEXPLAINED PHENOMENA FROM OTHER REALMS

Weiser Books An A-to-Z resource on paranormal phenomena, with illustrations. Stranded motorists on a lonesome road are rescued by angels. The phone rings with a call from beyond the grave. A blood-sucking predator is sighted in the south of Texas. The Weiser Field Guide to the Paranormal is your gateway into the world beyond the known. Covering topics from cryptids to psychics, telekinesis to telepathy, this concise, alphabetized handbook will guide you through the eerie, the undeniable, and the strange world of the paranormal. Once upon a time, events like ghost sightings were commonplace. Parlors were redecorated to accommodate seance rituals, and ghost stories poured from the culture. Psychic occurrences and abilities might have been feared and disliked, but they were accepted as a normal part of life. Today, we are experiencing a resurgence of all things paranormal. Join paranormal investigator and psychic Judith Joyce as she delves into this world with haunting detail and illuminating clarity. Joyce touches on all of the major aspects of paranormal phenomena, and more. Do you have telepathic powers? Can the Ouija board really speak from the Other Side? Use this paranormal primer to find out.

PSYCHIC INTUITION

EVERYTHING YOU EVER WANTED TO ASK BUT WERE AFRAID TO KNOW

Red Wheel/Weiser Author Nancy du Tertre, "the Skeptical Psychic™," takes you on a journey to find the answer to these questions and more in *Psychic Intuition*. She became psychic in mid-life after years of intensive study and training, and is now a believer that everyone has the potential to tap into their intuition and understand the world at a deeper level. *Psychic Intuition* bridges the gap between skeptics who can analyze but don't experience psychic phenomena, and believers who have the experiences but lack the

ability to analyze. This book explains, for the first time, how psychic ability works in the brain.

WOO-WOO: BECOMING A PSYCHIC AT FIFTY

Lulu.com What does Woo-Woo mean? It means kind of crazy, "out there," unexpected--and wonderful! At the age of 50, Jan Alm suddenly began receiving messages from her deceased mother. Mediumship led to healing, then to channeling and animal communication--and a whole new kind-of-crazy, "out there," unexpected, and wonderful adventure!

A REPUBLIC OF MIND AND SPIRIT

A CULTURAL HISTORY OF AMERICAN METAPHYSICAL RELIGION

Yale University Press In the nineteenth and early twentieth centuries, Mexicans and Americans joined together to transform the U.S.-Mexico borderlands into a crossroads of modern economic development. This book reveals the forgotten story of their ambitious dreams and their ultimate failure to control this fugitive terrain. Focusing on a mining region that spilled across the Arizona-Sonora border, this book shows how entrepreneurs, corporations, and statesmen tried to domesticate nature and society within a transnational context. Efforts to tame a 'wild' frontier were stymied by labour struggles, social conflict, and revolution. *Fugitive Landscapes* explores the making and unmaking of the U.S.-Mexico border, telling how ordinary people resisted the domination of empires, nations, and corporations to shape transnational history on their own terms. By moving beyond traditional national narratives, it offers new lessons for our own border-crossing age.

THE SPIRIT BOOK

THE ENCYCLOPEDIA OF CLAIRVOYANCE, CHANNELING, AND SPIRIT COMMUNICATION

Visible Ink Press This reference explores Qabalah, Sibyls, Fairies, Poltergeists; phenomena such as intuition and karma; objects useful in the attempt to cross the divide, including tarot cards, flower reading, and runes; and related practices such as Shamanism, transfiguration, meditation, and mesmerism. It covers the history of Spiritualism as well as offshoots such as Kardecism, channeling, fraud, psychic research, and possession; and also reports on investigations of contemporary manifestations.

THE AMERICAN BOOKSELLERS GUIDE

JOHN OF GOD

THE BRAZILIAN HEALER WHO'S TOUCHED THE LIVES OF MILLIONS

Simon and Schuster "I am the happiest man in the world because God entrusted me with this mission." In *John of God: The Brazilian Healer Who's Touched the Lives of Millions*, a seemingly average rancher from Abadiânia, Brazil, offers a powerful message of love, compassion, and hope for humanity. João Teixeira de Faria, the healer and medium known as John of God, allows "spirit doctors" to take over his body three times a week to miraculously treat the thousands of people from all over the world who come in need of remedy. John of God has fulfilled his mission as a medium for more than forty-eight years, making numerous pilgrimages around the world. Drawn by the hope of instantaneous healing, over eight million believers have proceeded in front of him throughout his life, as tens of thousands journey to Brazil each year to see John of God and his home, the Casa de Dom Inácio de Loyola, which is designed to accommodate hundreds of visitors each day. Despite all the media attention paid to this inter-nationally praised healer, little has been revealed about his personal life. Translator Heather Cumming and photographer Karen Leffler have traveled with John of God and chronicled his life and work. What began as an endeavor to document the testimonials of his remarkable healings has now become the first complete, authorized portrait of his world. Stirring words and vivid photographs -- many of which capture the haunting spiritual energy that surrounds John of God and the Casa -- take us on an affecting and deeply personal journey with the humble medium who offers hope for people with none. The result is an intimate portrait of an ordinary individual in extraordinary circumstances and a reading experience that will bring readers of every persuasion closer to their faith. To learn more about John of God and his mission, go to www.beyondword.com and www.friendsofthecasa.org.

TALKING TO THE OTHER SIDE: A HISTORY OF MODERN SPIRITUALISM AND MEDIUMSHIP

A STUDY OF THE RELIGION, SCIENCE, PHILOSOPHY AND MEDIUMS THAT ENCOMPASS THIS AMERICAN-MADE RELIGION

iUniverse Since its birth in 1848, Spiritualism as a religion, science, and philosophy has experienced great highs and lows. At the center of this purely American-made modern-religious movement are "mediums"-the people who are able to communicate, in some way, with spirit entities that are no longer on the earth plane. Based on three years of on-site investigation, and a plethora of data and research collected on the modern Spiritualist movement in America, *Talking to the Other Side* focuses upon the ethno-religious aspects of the religion, mediumship, and the mediums themselves. The first four chapters offer an expansive review of the history of

religion in America, mediumship, and the Spiritualist movement. Chapters 5-7 comprise the research and data that were compiled and analyzed based on fieldwork analysis, a comprehensive questionnaire, personal interviews, and published literature on the topic of Spiritualism and mediumship. According to Spiritualist mediums, "people don't die, bodies do." Talking to the Other Side offers a contemporary look into the lives and backgrounds of the mediums who bridge this world and the Spirit world, connecting those who have passed over with those they left behind.

INVISIBLE HOSTS

PERFORMING THE NINETEENTH-CENTURY SPIRIT MEDIUM'S AUTOBIOGRAPHY

SUNY Press Provides a rhetorical analysis of female spirit mediums' autobiographies in the historical and social contexts of Victorian-era America. Invisible Hosts explores how the central tenets of Spiritualism influenced ways in which women conceived of their bodies and their civic responsibilities, arguing that Spiritualist ideologies helped to lay the foundation for the social and political advances made by women in the late nineteenth and early twentieth centuries. As public figures, female spirit mediums of the Victorian era were often accused of unfeminine (and therefore transgressive) behavior. A rhetorical analysis of nineteenth-century spirit mediums' autobiographies reveals how these women convinced readers of their authenticity both as respectable women and as psychics. The author argues that these women's autobiographies reflect an attempt to emulate feminine virtues even as their interpretation and performance of these virtues helped to transform prevailing gender stereotypes. She demonstrates that the social performance central to the production of women's autobiography is uniquely complicated by Spiritualist ideology. Such complications reveal new information about how women represented themselves, gained agency, and renegotiated nineteenth-century gender roles.

RECYCLED LIVES

A HISTORY OF REINCARNATION IN BLAVATSKY'S THEOSOPHY

Oxford University Press A sizeable minority of people with no particular connection to Eastern religions now believe in reincarnation. The rise in popularity of this belief over the last century and a half is directly traceable to the impact of the nineteenth century's

largest and most influential Western esoteric movement, the Theosophical Society. In *Recycled Lives*, Julie Chajes looks at the rebirth doctrines of the matriarch of Theosophy, the controversial occultist Helena Petrovna Blavatsky (1831-1891). Examining her teachings in detail, Chajes places them in the context of multiple dimensions of nineteenth-century intellectual and cultural life. In particular, she explores Blavatsky's readings (and misreadings) of Spiritualist currents, scientific theories, Platonism, and Hindu and Buddhist thought. These in turn are set in relief against broader nineteenth-century American and European trends. The chapters come together to reveal the contours of a modern perspective on reincarnation that is inseparable from the nineteenth-century discourses within which it emerged, and which has shaped how people in the West tend to view reincarnation today.

COSMIC HEALING

A SPIRITUAL JOURNEY WITH AARON AND JOHN OF GOD

North Atlantic Books With the onset of sudden profound deafness at the age of 29, Barbara Brodsky set out on a quest to understand the nature of illness and healing, examining the interrelationship of mind and body and our capacity to transcend limitation. Asking the questions What is healing? Who and what heals? Why do some people heal while others do not? she discusses karma and free will, our habit of identifying with a limited sense of self, and our potential for greater healing. A longtime Buddhist practitioner who began meditation in the '60s, Brodsky discovered a new path on her healing journey when she began channeling the spirit Aaron in 1989. Based on three decades of meticulously kept journals, *Cosmic Healing* weaves together Brodsky's Buddhist teachings, channeled material from Aaron, exercises for the reader, and an account of her experiences with the healer known as John of God (João Teixeira de Faria) at his teaching center, Casa de Dom Inácio, in Brazil. While *Cosmic Healing* is channeled in part and has deep roots in traditional dharma, it is at heart a universal story of human growth and discovery. Old beliefs limit us every day. But as Brodsky discovered and teaches, we can learn to recognize such limiting beliefs, transcend them, and live a deeper truth. From the Trade Paperback edition.

THE MEDIUM AND DAYBREAK

THE ACCIDENTAL SANTERA

A NOVEL

Macmillan A one-of-a-kind novel that plunges readers into the secrets of Afro-Cuban Santería—a world of fascinating beauty, pulsating

rhythms, and great mystery. Gabrielle Segovia, Ph.D., is struggling to build a career as a Latina scientist, cope with her third miscarriage, and resuscitate her marriage to fellow biology professor Benito Cruz. Becoming a santera is not in her plans. But everything changes when her best friend, the feisty Patricia Muñoz, drags her into a French Quarter voodoo shop during a conference in New Orleans. When Gabrielle gets home to the San Francisco Bay Area, the predictions from her on-a-whim reading begin to come true. That's when she learns she hails from a long line of practitioners of Santeria, the religion created when Yoruba slaves combined their ancient rituals with Catholicism. Out of desperation to become a mother and save both her job and her marriage, Gabrielle turns to Puerto Rican relatives living in Miami she hasn't seen since she was a child. She finds herself warmly embraced by three generations of Segovia santeras and drawn into their world of séances, sacred drums, and ritual animal sacrifice. Unexpectedly marked for initiation by the gods and goddesses of the Yoruba pantheon, Gabrielle must decide whether she can bring herself to answer the call. And, if she chooses, commit to the seemingly contradictory life of a scientist who is also a santera. In this powerful debut novel, Irete Lazo captures a vibrant world still unknown to many and relates a journey that is at once funny, heart-wrenching, and, ultimately, triumphant.

EXPERIMENTAL SPIRITISM

A philosophical view of the Spiritism world, a guide for Mediums and Invocators. Special instruction of the spirits on the theory of all kinds of manifestations. Difficulties and dangers that are to be encountered in the practice of spiritism. This is a professional reproduction of a book published in 1874.

AFFECT, GENDER AND SEXUALITY IN LATIN AMERICA

Springer Nature This book emphasizes the significance of affects, feelings and emotions in how we think about politics, gender and sexuality in Latin America. Considering the complex and even contradictory social processes that the region is experiencing today, many Latin American authors are turning to affect to find a key to understand our present situation, to revisit our history, and to imagine new possibilities for the future. This tendency has shown such a specificity and sometimes departure from northern productions that it compels us to focus more deeply on its own arguments, methods, and critical contributions. This volume features essays that explore the particularities of Latin American ways of thinking about affect and how they can shed new light into our understanding of, gender, sexuality and politics.

GUIDED BY SPIRIT

A JOURNEY INTO THE MIND OF THE MEDIUM

iUniverse AN INVITATION TO A JOURNEY What do spirit mediums themselves think about what they do? What do scientists and Spiritualists think about "messages from the spirit world?" We are a social scientist and a psychotherapist who have spent ten years answering these questions. Acting as mediums ourselves, we question and marvel at our own experiences. To learn more, we interviewed 40 mediums and studied the lives of 80 others. Journey with us...INTO THE MIND OF THE MEDIUM.

SUPERNATURAL ENTERTAINMENTS

VICTORIAN SPIRITUALISM AND THE RISE OF MODERN MEDIA CULTURE

Penn State Press In *Supernatural Entertainments*, Simone Natale vividly depicts spiritualism's rise as a religious and cultural phenomenon and explores its strong connection to the growth of the media entertainment industry in the nineteenth century. He frames the spiritualist movement as part of a new commodity culture that changed how public entertainments were produced and consumed. Starting with the story of the Fox sisters, considered the first spiritualist mediums in history, Natale follows the trajectory of spiritualism in Great Britain and the United States from its foundation in 1848 to the beginning of the twentieth century. He demonstrates that spiritualist mediums and leaders adopted many of the promotional strategies and spectacular techniques that were being developed for the broader entertainment industry. Spiritualist mediums were indistinguishable from other professional performers, as they had managers and agents, advertised in the press, and used spectacularism to draw audiences. Addressing the overlap between spiritualism's explosion and nineteenth-century show business, Natale provides an archaeology of how the supernatural became a powerful force in the media and popular culture of today.

RELIGION

BEYOND A CONCEPT

Fordham Univ Press What do we talk about when we talk about "religion"? Is it an array of empirical facts about historical human civilizations? Or is religion what is in essence unpredictable--perhaps the very emergence of the new? In what ways are the legacies of religion--its powers, words, things, and gestures--reconfiguring themselves as the elementary forms of life in the twenty-first century?

Given the Latin roots of the word religion and its historical Christian uses, what sense, if any, does it make to talk about "religion" in other traditions? Where might we look for common elements that would enable us to do so? Has religion as an overarching concept lost all its currency, or does it ineluctably return--sometimes in unexpected ways--the moment we attempt to do without it? This book explores the difficulties and double binds that arise when we ask "What is religion?" Offering a marvelously rich and diverse array of perspectives, it begins the task of rethinking "religion" and "religious studies" in a contemporary world. Opening essays on the question "What is religion?" are followed by clusters exploring the relationships among religion, theology, and philosophy and the links between religion, politics, and law. Pedagogy is the focus of the following section. Religion is then examined in particular contexts, from classical times to the present Pentacostal revival, leading into an especially rich set of essays on religion, materiality, and mediatization. The final section grapples with the ever-changing forms that "religion" is taking, such as spirituality movements and responses to the ecological crisis. Featuring the work of leading scholars from a wide array of disciplines, traditions, and cultures, *Religion: Beyond a Concept* will help set the agenda for religious studies for years to come. It is the first of five volumes in a collection entitled *The Future of the Religious Past*, the fruit of a major international research initiative funded by the Netherlands Organization for Scientific Research.

THE SPIRITUALIST MOVEMENT: SPEAKING WITH THE DEAD IN AMERICA AND AROUND THE WORLD [3 VOLUMES]

SPEAKING WITH THE DEAD IN AMERICA AND AROUND THE WORLD

ABC-CLIO At once controversial and intriguing, Spiritualism has spread from the United States to become a global movement. Bringing together perspectives from within the movement and without, this unique collection treats readers to insights about Spiritualism's history, belief, and practice. • Documents Spiritualism's history as it grew from a small 19th-century movement in upstate New York to a global presence • Takes an interdisciplinary approach that includes psychic research, as well as more traditional fields • Discusses human experiences that have been documented across cultures and throughout history • Explores the Spiritualist movement in nations as diverse as Italy, France, Australia, Germany, Denmark, the United Kingdom, Canada, and the United States

THE ART OF CHANNELING

MODERN METHODS FOR TRUE TELEPATHIC & SPIRIT COMMUNICATION

Llewellyn Worldwide *Innovative Mediumship Techniques Everyone Can Use* Introducing a new method of channeling, this hands-on

book shows you how to receive messages from any kind of spirit. Medium Jenny Tyson shares easy and accurate ways to communicate with spirits of the dead, angels, ghosts, nature and animal spirits, extraterrestrials, and even the universal mind that is the source of all knowledge. From esoteric rituals to paranormal investigations, this beginner-friendly book can be used in a variety of settings and provides much higher accuracy than traditional channeling methods. Jenny teaches you how to choose the best spirit type for your situation, format your questions to remove biases, and conduct a successful session. You'll explore fascinating case studies, spirit board and dowsing techniques, group practice, trance channeling, and more. Also suitable as a companion to *The Art of Scrying & Dowsing*, this book gives you access to the secrets of the universe.

EMPIRES AND AUTONOMY

MOMENTS IN THE HISTORY OF GLOBALIZATION

UBC Press Globalization is one of the most significant developments of our time. But which elements of contemporary globalization and forms of autonomy are novel and which are merely continuations of long-standing trends? This book brings together a distinguished group of scholars who focus on historical moments that involved the establishment or protection of autonomy, moments that inevitably involved friction. By examining the dialectic between globalization and autonomy at historical junctures ranging from the Chinese occupation of Tibet in 1720 to the meeting between Reagan and Gorbachev that led to the end of the Cold War, this volume provides novel insights into the changes overtaking our contemporary world.

THE FLYING PHOENIX

ASPECTS OF CHINESE SECTARIANISM IN TAIWAN

Princeton University Press Anthropologist David Jordan and Daniel Overmyer, a historian of religions, present a joint analysis of the most important group of sectarian religious societies in contemporary Taiwan: those that engage in automatic writing seances, or worship by means of the phoenix" writing implement. Originally published in 1986. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

THERE IS AN ELEPHANT IN YOUR LIVING ROOM

Page Publishing Inc The Journey What you are about to read is the journey that I took close to a decade ago. This book is really my diary about the investigations I made of a group of mediums and their work. Little did I know that I would also begin to experience phenomenon of a spiritual nature. I made a choice to continue to experience and study and found myself in the need to write down all the experiences that I had so I could later examine them. I found the process and the drama of the soul as they leave their present existence and enter into a new dimension, which is the spiritual world. You will read what I went through, and I learned that life does not end with death but is rather a transformation of the spirit I found that the spirit retains his identity as well as the mind. This journey has taken many turns and continues to this day. I decided to make this information available to all that would wish to read it.
