This is true in the present no less than when the Greek and Roman myths were created. The struggles to redefine gender roles and identities in our own time are inevitably reflected in our interpretations and retellings of these classical myths. Using the new lenses provided by gender studies and diverse forms of feminism, Lillian Doherty re-examines some of the major approaches to myth interpretation in the twentieth century: psychological, ritualist, 'charter', structuralist and folklorist. She also explores 'popular' uses of classical mythology - from television and comic books to the evocation of goddesses in Jungian psychology. **The House of Mirth** Lindhardt og Ringhof Witty socialite Lily Bart has expensive tastes. This thought-provoking text is perfect for fans of novels such as Henry James' 'The Portrait of a Lady'. Edith Wharton (1863-1937) was an American author. Her major works include "The Age of Innocence" (1920), "Ethan Frome" (1911), and "The House of Mirth" (1905). Tagore's Brahmacharya Ashram, founded in 1901 in Shantiniketan, and the Geheeb's Odenwaldschule, established in Germany in 1910 (thereafter the Ecole d'Humanité in Switzerland, established in 1934 after the couple fled Nazi Germany), emerged from vastly different cultural backgrounds and social exigencies. Yet, they recognized striking similarities between their educational endeavours. The meeting also initiated a close association between India and Germany, with the Geheeb's attracting many Indian intellectuals and Indophile Germans to their schools. This book explores the areas where the lives of the Geheeb's and Tagore, and their respective circles, overlap. Rather than being a biography, a history, or a comprehensive description, this study is a comparison of Tagore and the Geheeb's and their schools. Making use of the repository of unpublished correspondence available at the Ecole's archive, the author studies the Indo-German cultural exchanges in the early twentieth century that were initiated by these three educators and their pedagogical vision. **The Daily Show (The Book) An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests** Grand Central Publishing NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. An eye-opener to readers into the universality and importance of myth in human history and culture."—William E. Paden, Chair, Department of Religion, University of Vermont For as long as human beings have had language, they have had myths. Mythology is our earliest form of literary expression and the foundation of all history and morality. Now, in *Parallel Myths*, classical scholar J. F. Bierlein gathers the key myths from all of the world's major traditions and reveals their common themes, images, and meanings. *Parallel Myths* introduces us to the star players in the world's great myths—not only the twelve Olympians of Greek mythology, but the stern Norse Pantheon, the mysterious gods of India, the Egyptian Ennead, and the powerful deities of Native Americans, the Chinese, and the various cultures of Africa and Oceania. Juxtaposing the most potent stories and symbols from each tradition, Bierlein explores the parallels in such key topics as creation myths, flood myths, tales of love, morality myths, underworld myths, and visions of the Apocalypse. Drawing on the work of Joseph Campbell, Mircea Eliade, Carl Jung, Karl Jaspers, Claude Lévi-Strauss, and others, Bierlein also contemplates what myths mean, how to identify and interpret the parallels in myths, and how mythology has influenced twentieth-century psychology, philosophy, anthropology, and literary studies.
