Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 Luke: An Introduction and Study Guide All Flesh Shall See God's Salvation Bloomsbury Publishing Greg Carey's guide equips readers to develop their own informed assessments of Luke's Gospel. The book begins with an inductive exposition of Luke's singular approach to composing a story about Jesus, examining its use of Mark, clues to its social setting, and its distinctive literary strategies. Recognizing that many readers approach Luke for theological and religious reasons, while many others do not, a chapter on 'Spirit' addresses Luke's presentation of the God of Israel, how the Gospel ties salvation to the person of Jesus, and how the problems of sin and evil find their resolution in the kingdom of God and in community of those who follow Jesus. A chapter on 'Practice' examines the Gospel's vision for human community. While many readers find a revolutionary message in which women, the poor, Gentiles and sinners find themselves included and blessed in Luke's Gospel, this volume calls attention to inconsistencies and tensions within the narrative. Luke does speak toward inclusion, Carey argues, but not in a revolutionary way. Could it be that the Gospel promises more than it delivers? Carey suggests that Luke speaks to people of relative privilege, challenging them toward mercy and inclusion rather than toward fundamental social change. An Epilogue reflects upon contemporary readers of Luke, most of whom enjoy privilege in their own right, and how they may respond to Luke's story. Trailer Life Public Accounts for the Fiscal Year Ended ... Jazz Age Cocktails History, Lore, and Recipes from America's Roaring Twenties NYU Press How the Prohibition law of 1920 made alcohol, savored in secret, all the more delectable when the cocktail shaker was forced to go "underground" "Roaring Twenties" America boasted famous firsts: women's right to vote, jazz music, talking motion pictures, flapper fashions, and wondrous new devices like the safety razor and the electric vacuum cleaner. The privations of the Great War were over, and Wall Street boomed. The decade opened, nonetheless, with a shock when Prohibition became the law of the land on Friday, January 16, 1920, when the Eighteenth Amendment banned "intoxicating liquors." Decades-long campaigns to demonize alcoholic beverages finally became law, and America officially went "dry." American ingenuity promptly rose to its newest challenge. The law, riddled with loopholes, let the 1920s write a new chapter in the nation's saga of spirits. Men and women spoke knowingly of the speakeasy, the bootlegger, rum-running, black ships, blind pigs, gin mills, and gallon stills. Passwords ("Oscar sent me") gave entrée to night spots and supper clubs where cocktails abounded, and bartenders became alchemists of timely new drinks like the Making Whoopee, the Petting Party, the Dance the Charleston. A new social event—the cocktail party staged in a private home—smashed the gender barrier that had long forbidden "ladies" from entering into the gentlemen-only barrooms and cafés. From the author of Gilded Age Cocktails, this book takes a delightful new romp through the cocktail creations of the early twentieth century, transporting readers into the glitz and (illicit) glamour of the 1920s. Spirited and richly illustrated, Jazz Age Cocktails dazzles with tales of temptation and temperance, and features charming cocktail recipes from the time to be recreated and enjoyed. Mrs. Keppel and Her Daughter A Biography St. Martin's Griffin Alice Keppel, the married lover of Queen Victoria's eldest son and great-grandmother to Camilla Parker-Bowles, was a key figure in Edwardian society. Hers was the acceptable face of adultery. Discretion was her hallmark. It was her art to be the king's mistress and yet to laud the Royal Family and the institution of marriage. Formidable and manipulative, her attentions to the king brought her wealth, power, and status. Her daughter Violet Trefusis had a long tempestuous affair with the author and aristocrat Vita Sackville-West, during which Vita left her husband and two sons to travel abroad with Violet. It was a liaison that threatened the fabric of Violet's social world, and her passion and recalcitrance in pursuit of it pitted her against her mother and society. From memoirs, diaries, and letters, Diana Souhami portrays this fascinating and intense mother/daughter relationship in Mrs. Keppel and Her Daughter. Her story of these women, their lovers, and their lovers' mothers, highlights Edwardian - and contemporary - duplicity and double standards and goes to the heart of questions about sexual freedoms.
