ADRENALIZED

LIFE, DEF LEPPARD, AND BEYOND

Simon and Schuster A revelatory, redemptive, and “wild...juicy” (Rolling Stone) memoir from the lead guitarist of the legendary hard rock band Def Leppard—the first ever written by one of its members—chronicling the band’s extraordinary rise to superstardom and how they maintained it for three decades. Meet Phil Collen. You may know him as the lead guitarist in Def Leppard, whose signature song “Pour Some Sugar on Me” is still as widely enjoyed as when it debuted in 1988. Maybe you’ve heard of him as the rock star that gave up alcohol and meat more than twenty-five years ago. Most likely you’ve seen him shirtless—in photos or in real life—flaunting his impeccably toned body to appreciative female fans. But it wasn’t always like this. Collen worked his way up from nothing, teaching himself guitar from scratch and logging it out in London-based pub bands for years; that is, until Def Leppard formed and transformed from unknowns to icons, from playing openers in near-empty arenas to headlining in those same stadiums and selling them out every night. But as Collen discovered, true overnight success is a myth. Like the other band members, he had to struggle and fight his way to the top; in the end, he says, “our work ethic saved us.” Just as it still does. *Adrenalized* is an amazing underdog tale featuring a bunch of ordinary working-class lads who rose to mega-stardom, overcoming incredible obstacles—such as drummer Rick Allen losing an arm in a car crash and the tragic death of guitarist Steve Clark, Phil’s musical soul mate. Featuring personal, never-before-seen photos of Collen and his band mates on stage and off, *Adrenalized* is a fascinating account of the failures, triumphs, challenges, and rock-solid dedication it takes to make dreams come true.

DEF LEPPARD

THE DEFINITIVE VISUAL HISTORY

Chronicle Books Def Leppard's unstoppable, anthemic hard rock has earned it sales of more than 65 million albums worldwide and a legion of dedicated fans. This fully authorized visual history of the band follows them from the new wave of British heavy metal to their massive Pyromania and Hysteria albums to the sustained power of their records and tours today. Legendary rock photographer Ross Halfin has been shooting Def Leppard since 1978, and his candid and definitive pictures have helped capture and shape the image of the band. Def Leppard includes more than 450 classic and unseen photographs, along with text from Halfin and stories and commentary by the band members and others.

DEF LEPPARD

THE SHOCKING TRUTH!

Def Leppard are an English rock band formed in 1977 in Sheffield, England, UK, as part of the new wave of the British heavy metal movement. The members of the group's longest lasting line-up since 1992, have been Joe Elliott (lead vocals), Rick Savage (bass, backing vocals), Rick Allen (drums, backing vocals), Phil Collen (guitars, backing vocals), and Vivian Campbell (guitars, backing vocals). The band's greatest success came between the early 1980s and the early 1990s. Their 1981 album, *High 'n' Dry*, was produced by Robert John "Mutt" Lange, who helped them begin to define their style, the L.P.'s standout track "Bringin' On the Heartbreak" becoming one of the first rock videos played on MTV in 1982. The band's next studio album, *Pyromania*, was released in January 1983, with "Photograph" and "Rock of Ages" as the lead singles, the L.P. being certified diamond (10× platinum), in the U.S.. In 2003, the album was ranked # 384 on Rolling Stone's 500 Greatest Albums of All Time. Def Leppard's 4th L.P., *Hysteria*, released in 1987, topped the UK and U.S. album charts. As of 2009, it had exceeded the success of *Pyromania*, being certified 12× platinum for sales of over 12 million in the U.S., having gone on to sell over 25 million copies worldwide. The L.P. produced 7 hit singles, including the U.S. Billboard Hot 100 # 1 "Love Bites", "Pour Some Sugar on Me", "Hysteria", "Armageddon It", "Animal", "Rocket", and "Women". Their next studio album, *Adrenalize*, the first following the death of guitarist Steve Clark, topped the UK and U.S. charts in 1992, producing several hit singles, including "Let's Get Rocked" and "Have You Ever Needed Someone So Bad". The following year's, *Retro Active*, included the acoustic hit single "Two Steps Behind" then their greatest-hits album *Vault*, issued in 1995, featured the UK hit "When Love & Hate Collide". Def Leppard have sold more than 100 million records worldwide, being one of only 5 rock bands with 2 original studio L.P.s which have sold over 10 million copies in the U.S. The group were ranked No. 31 in VH1's "100 Greatest Artists of Hard Rock" and ranked No. 70 in the "100 Greatest Artists of All Time".

THE DEF LEPPARD STORY

ANIMAL INSTINCT

Music Sales Corporation

SON OF A MILKMAN

MY CRAZY LIFE WITH TESLA

Post Hill Press Brian Wheat is far from your typical rock star. As bassist for the multi-platinum band, Tesla, he's enjoyed the spoils of success and lived the sex, drugs, and rock 'n' roll lifestyle to the hilt. But it came at a cost, one that took years to repair. In this deeply honest and utterly revealing memoir, Wheat sheds light on the many challenges he faces, including bulimia, weight issues, and the crippling anxiety and depression caused by his conditions. Just like the songs his legendary band made, this is no-nonsense, blue-collar storytelling at its best. While revealing the vulnerable human behind the bass guitar, this autobiography also offers tremendous stories of life on the road, and collaborations and encounters with legendary figures like his pals in Def Leppard, David Lee Roth, Alice Cooper, and Paul McCartney. *Son of a Milkman* will entertain, surprise, and inspire longtime fans of this enduring band.

FARGO ROCK CITY

A HEAVY METAL ODYSSEY IN RURAL NORTH DAKOTA

Simon and Schuster The year is 1983, and Chuck Klosterman just wants to rock. But he's got problems. For one, he's in the fifth grade. For another, he lives in rural North Dakota. Worst of all, his parents aren't exactly down with the long hairstyle which rocking requires. Luckily, his brother saves the day when he brings home a bit of manna from metal heaven, SHOUT AT THE DEVIL, Motley Crue's seminal paean to hair-band excess. And so Klosterman's twisted odyssey begins, a journey spent worshipping at the heavy metal altar of Poison, Lita Ford and Guns N' Roses. In the hilarious, young-man-growing-up-with-a-soundtrack-tradition, *FARGO ROCK CITY* chronicles Klosterman's formative years through the

lens of heavy metal, the irony-deficient genre that, for better or worse, dominated the pop charts throughout the 1980s. For readers of Dave Eggers, Lester Bangs, and Nick Hornby, Klosterman delivers all the goods: from his first dance (with a girl) and his eye-opening trip to Mandan with the debate team; to his list of 'essential' albums; and his thoughtful analysis of the similarities between Guns 'n' Roses' 'Lies' and the gospels of the New Testament.

THE FANS HAVE THEIR SAY #9 DEF LEPPARD

'STEEL-CITY' ROCK STARS

Independently Published Growing up in Plymouth, Devon - in the UK - my friends and I listened to solely one type of music, ROCK!!! Raised on the staple musical diet of Black Sabbath, AC/DC, Whitesnake, KISS, Blue Oyster Cult, Judas Priest, Saxon, Deep Purple, Motorhead and more, we formed a little gang of friends with similar tastes. We were all very happy to go to our local record shop and buy cassette tapes of the latest releases or buy the vinyl and then tape it off and swap with our friends. We would sit in the local parks with our 'ghetto blasters' blaring out riff upon riff of the best albums that were available to us at the time - favourites included 'If You Want Blood You've Got It' by AC/DC, 'Rock and Roll Over' by KISS, 'Wheels of Steel' by Saxon 'British Steel' by Judas Priest, 'Ready an' Willing' by Whitesnake and 'Heaven and Hell' by Black Sabbath. AND THEN IN 1979 IT ALL BEGAN TO CHANGE... The British music scene was in a bit of turmoil. Prog Rock had died at the hands of Punk & New Wave music and Classic Rock had been shoved to back of the musical cupboard and the 'rock youth' of the day wanted something else, something new and the young bands that started springing up all over the UK at the time were about to provide it. The phrase 'NWOBHM' was coined by Geoff Barton at Sounds music paper in the UK, to cover this new and exciting musical genre and then it started from there. NWOBHM or the New Wave of British Heavy Metal encompassed a new energy for rock, all young bands - no old fogies!! The lyrics were exciting, all about fantasy, adventure and horror. The speed was faster, taking elements of punk and lots of 'chugging' riffs and flash drum solos. Bands started to get noticed all over the country and became a part of this movement - Diamond Head from Stourbridge, Saxon from Barnsley, Iron Maiden from Leyton and a small band of talented young boys from Sheffield - Def Leppard. Originally formed in Sheffield in '77 - aged between 14 and 18 - they were probably one of the youngest of the NWOBHM movement, but one of the bands - along with Iron Maiden - that has had the longevity of a successful career, despite several well documented internal band tragedies. By the time their first album 'On Through the Night' was released to some critical acclaim in 1980 (hitting the top 15 in the UK charts) they had begun to develop a style that combined the NWOBHM with American influences and this would be the shape of things to come. The band were accused of 'selling out' to the American market, but after several US tours supporting the likes of Pat Travers, AC/DC and Ted Nugent, the fan-base began to multiply on both sides of the pond. With the following album releases of 'High 'n' Dry' and 'Pyromania' the fan following just grew and grew, with 'Pyromania' selling 6 million copies in 1983 alone, but mega success was just around the corner with the follow up album 'Hysteria' selling over 12 million albums to date in the US alone - 12,000,000 equals 12 times Platinum. Suffering the near fatal limb removing accident of Rick Allen and the death of Steve Clark by alcohol poisoning mixed with prescription drugs, the band has carried on. A band of brothers, sticking together for each other and giving Rick time to learn to drum more with his feet and remaining arm - something that most bands wouldn't have done; most bands would have replaced him, but the camaraderie in this band is second to none and so they stayed together, supporting each other through difficult times. More hit albums and dozens of top 40 singles have followed and still they are successful, each album doing well and each tour selling out. With their 3rd Download Festival headline appearance now completed and under their belt and their Las Vegas vacancy coming up, things are still looking up for the boys and they will continue to be as successful, they are an unstoppable musical force.

CHRISTGAU'S CONSUMER GUIDE: ALBUMS OF THE '90S

Macmillan A long-time rock critic, the chief music critic for The Village Voice offers an insightful overview of the music of the 1990s, discussing rock, rap, country, world music, and more, and grading albums from A+ works to the total failures. Original. 25,000 first printing.

ADRENALIZED

LIFE, DEF LEPPARD, AND BEYOND

Atria Books A revelatory and redemptive memoir from the lead guitarist of the legendary band Def Leppard—the first book ever written by one of its members—chronicling the band's extraordinary rise to superstardom and how they've maintained it for three decades. Meet Phil Collen. You may know him as the lead guitarist in Def Leppard, whose signature song "Pour Some Sugar on Me" is still as widely enjoyed as when it debuted in 1988. Maybe you've heard of him as the rock star who gave up alcohol and meat more than twenty-five years ago. Most likely you've seen him shirtless—in photos or in real life—flaunting his impeccably toned body to appreciative female fans. But it wasn't always like this. Collen worked his way up from nothing, teaching himself guitar from scratch as a teenager by imitating his heroes. He slogged it out in London-based pub bands for years, long before Def Leppard formed and transformed from unknowns to icons (all thanks to a little album called Pyromania), from playing openers in near-empty arenas to headlining in those same stadiums and selling them out every night. But as Collen discovered, true overnight success is a myth. Like the other band members, he had to struggle and fight his way to the top; in the end, he says, "our work ethic saved us." Just as it still does. This is Collen's story, starting with his first real taste of success and wild rock and roll excess as a member of the seminal glam rock outfit Girl. But once he joins Def Leppard, it's also an amazing underdog tale featuring a bunch of ordinary working-class lads who rose to mega-stardom, overcoming incredible obstacles—such as drummer Rick Allen losing an arm in a car crash and the tragic death of guitarist Steve Clark, Phil's musical soul mate, who lost his fight with alcoholism. Featuring personal, never-before-seen photos of Collen and his band mates on stage and off, Adrenalized is a fascinating account of the failures, triumphs, challenges, and rock-hard dedication it takes to make dreams come true.

ROCK CANDY: DEF LEPPARD

THE CLASSIC YEARS: 1980-1992

From their humble schoolboy origins in England's workaday Sheffield to the pinnacle of rock superstardom, Def Leppard has forged its own path, defying the expectations of critics, the music industry, and even their own fanbase. Rock Candy takes up the Leppard story and follows the British heavy metal quintet from its earliest rehearsals through its peak as the gods of Eighties rock, missing none of the drama that inhabits the tale along the way - drummer Rick Allen's terrible 1984 accident, which cost him his left arm; struggles with alcoholism and substance abuse; and, most tragically, the death of founding lead guitarist Steve Clark in 1991. Included in this volume are the stories behind the songs, from the anthems "Rock of Ages" and "Let's Get Rocked" to radio gems "Photograph" and "Pour Some Sugar on Me" to power ballads like "Love Bites" and "Bringin' on the Heartbreak", as well as the making of the classic albums Pyromania, Hysteria, and others. A must-have for any Leppard fan, this latest Rock Candy entry not only tells the band's story; it celebrates the music that defined a decade.

THIS DAY IN MUSIC

AN EVERY DAY RECORD OF MUSICAL FEATS AND FACTS

Australian chart book 1970-1992.

APPETITE FOR DESTRUCTION

THE MICK WALL INTERVIEWS

Orion Whether it's hanging around with Marillion's Fish in Berlin, seeing Whitesnake fail to ignite 1985's Rock in Rio, talking through old times with Jimmy Page in his Berkshire pile or following Ozzy Osbourne to Moscow, there isn't a rock luminary that Wall hasn't cross-examined or kept the flame burning with at some point over the last thirty years. Here, amongst several pieces, he catches Lars Ullrich just on the cusp of world domination; has dinner with Ritchie Blackmore on the eve of a Deep Purple comeback; and is up all night in LA with W. Axl Rose. APPETITE FOR DESTRUCTION gathers together Wall's journalism for Kerrang!, for whom he was the star writer in their eighties heyday. It also features brand-

new introductions to all the pieces, written with maybe less hair but also the benefit of twenty years' hindsight.

THE JACK FACTOR

AN EXCERPT FROM FARGO ROCK CITY

Simon and Schuster Originally published in Fargo Rock City and now available both as a stand-alone essay and in the ebook collection Chuck Klosterman on Rock, this essay is about Chuck's favorite heavy metal albums.

Includes: Animal * Bringin' On the Heartbreak * Let's Get Rocked * Pour Some Sugar on Me * Rock Brigade * Too Late for Love * and more.

DENIM AND LEATHER

THE RISE AND FALL OF THE NEW WAVE OF BRITISH HEAVY METAL

Hachette UK In the late 1970s, aggressive, young bands are forming across Britain. Independent labels are springing up to release their music. But this isn't the story of punk. Forget punk. Punk was a flash in the pan compared to this. This is the story of the New Wave of British Heavy Metal, a musical movement that changed the world. From this movement - given the unwieldy acronym NWOBHM - sprang streams that would flow through metal's subsequent development. Without NWOBHM there is no thrash metal, no death metal, no black metal. Without the rise of Iron Maiden, NWOBHM's standard bearers, leading the charge to South America and to South Asia, metal's global spread is slower. Without the NWOBHM bands - who included Def Leppard, Motorhead, Judas Priest, Diamond Head and many others - the international uniform of heavy metal - the 'battle jacket' of a denim jacket with sleeves ripped off, and covered with patches (usually sewn on by the wearer's mum), worn over a leather biker jacket - does not exist: 'Denim and leather brought us all together,' as Saxon put it. No book has ever gathered together all the principals of British heavy rock's most fertile period: Jimmy Page, Rick Allen, Michael Schenker, Robert John 'Mutt' Lange, Ritchie Blackmore, Rick Savage, Phil Collen, David Coverdale, Cronos, Biff Byford, Joe Elliott, Rob Halford, Ian Gillan, Phil Mogg, Robert Plant, Tony Wilson, Lars Ulrich, Pete Waterman to name a few. In Denim and Leather, these stars tell their own stories - their brilliant, funny tales of hubris and disaster, of ambition and success - and chart how, over a handful of years from the late 1970s to the early 1980s, a group of unlikely looking blokes from the provinces wearing spandex trousers changed heavy music forever. This is the definitive story about the greatest days of British heavy rock.

THE BILLBOARD BOOK OF TOP 40 HITS

New York : Billboard Books Features information on all the pop singles and artists who have hit the Billboard charts since 1955.

Collen worked his way up from nothing, teaching himself guitar from scratch as a teenager by imitating his heroes. He slogged it out in London-based pub bands for years, long before Def Leppard transformed from unknowns to icons, from playing openers in near-empty arenas to headlining in those same stadiums. But as Collen discovered, true overnight success is a myth. Like the other band members, he had to struggle and fight his way to the top; in the end, he says, "our work ethic saved us." This is Collen's story--an underdog tale featuring a bunch of ordinary working-class lads who rose to mega-stardom, and an account of the failures, triumphs, challenges, and rock-hard dedication it takes to make dreams come true.--Adapted from book jacket.

CHUCK KLOSTERMAN ON ROCK

A COLLECTION OF PREVIOUSLY PUBLISHED ESSAYS

Simon and Schuster From Fargo Rock City; Sex, Drugs, and Cocoa Puffs; Chuck Klosterman IV; and Eating the Dinosaur, these essays are now available in this ebook collection for fans of Klosterman's writing on rock music.

MOGULS AND MADMEN

Simon and Schuster Jory Farr, a Pulitzer Prize nominee for his popular-music criticism, presents a haunting, behind-the-scenes view of some of the most influential and controversial people in this strange world. In Moguls and Madmen, you'll meet Geffen Records A & R hotshot Tom Zutaut, the man who signed Guns N' Roses and tried to turn Nymphs lead singer and she-demon Inger Lorre into the next star of grunge rock - but found he got more than he bargained for. And you'll enter the hostile world of Jerry Heller and Eazy-E, two gansta-rap moguls - one white, the other black - who sell misogyny and violence to the youth of America.

THE COLLECTOR'S GUIDE TO HEAVY METAL: THE SEVENTIES

Apogee Books "The Collector's Guide To Heavy Metal" was a mammoth of a book crammed with 3700 reviews of metal records through the decades. It elicited much discussion, including close to 70 reviews at the book's Amazon page and counting. Now it is being split into three volumes focusing on the '70s, '80s and '90s respectively with an additional 700-800 reviews added to the 70's. In "The Collector's Guide To Heavy Metal -- Volume I: The Seventies", Martin crams the pages full of reviews and recollections of rarities and monster catalogues from 70s bands not covered in the seminal original tome. As well, many of the original reviews get complete overhauls as Martin re-evaluates the classics and adds trivia tidbits that make these records come to life. Join Martin's Seventies Appreciation Society and check out dozens of bands and hundreds of albums you won't see covered in any other rock anthology. This indeed is the book that brings back to the printed page, long-lost acts that rocked hard for their times, bands that built the foundation for the mountainous heavy metal sound of today. Monster Records, the king at finding the super obscure stuff, have provided an exclusive CD sampler for which includes material from some or all of the following: Sorcery, Truth And Janey, Ultra, Cain, Poobah, Negative Space and Survivor.

33 1/3 REVOLUTIONS PER MINUTE

A CRITICAL TRIP THROUGH THE ROCK LP ERA, 1955-1999

Rowman & Littlefield Whether you're a lifelong collector or have only just gotten hip to the vinyl revival, navigating the vast landscape of rock albums can be a daunting prospect. Enter Mike Segretto and his mammoth 33 1/3 Revolutions Per Minute, a history of the rock LP era told through a very personal selection of nearly 700 albums. Beginning with the birth of rock and roll in the 1950s, Segretto moves through the explosive innovations of the 1960s, the classic rock and punk albums of the 1970s, the new wave classics of the 1980s, and the alternative revolution of the 1990s, always with an eye to both the iconic and the ephemeral, the failed experiments and the brilliant trailblazers. It's all here: everything from the classics (Sgt. Pepper's Lonely Hearts Club Band, Purple Rain, Nevermind, and countless other usual suspects) to such oddities as albums by Johnny "Guitar" Watson, P. P. Arnold, The Dentists, and Holly Golightly. Throughout, Segretto reveals the perpetual evolution of a modern art form, tracing the rock album's journey from a vehicle for singles and filler sold to kids, through its maturation into a legitimate, self-contained medium of expression by 1967, and onward to its dominance in the '70s, '80s, and '90s. Whether you read it from cover to cover, seek out specific albums, or just dip in at random and let the needle fall where it may, 33 1/3 Revolutions Per Minute is a fun, informative, and unapologetically opinionated read.
