---

**GREEK MYTHOLOGY**

---

**GODS AND HEROES BROUGHT TO LIFE**

---

Pen and Sword History Greek mythology isn't the equivalent of the Bible or the Qur'an. There is no standardized version of any myth. Myths aren't sacred. Whether you happen to be Homer, Aeschylus, Sophocles, Euripides or any other Greek, or even you or me, every myth is yours to tell and interpret any way you like. Just to give one example. An oracle has decreed that Oedipus will kill his father and marry his mother. In Homer's version, Oedipus carries on ruling in Thebes when he discovers he has fulfilled the oracle, whereas in the version that Sophocles gives us in his play Oedipus the King, Oedipus blinds himself and goes into voluntary exile. That said, certain details are unalterable. Oedipus has to be ignorant of the fact that the man whom he kills is his father and that the woman whom he marries is his mother, he has to fulfill the awful prophecy of the oracle, and he has to come to a realization of what he has done afterwards. But everything else is pretty much up for grabs. Greek mythology is very much alive and well in the contemporary world. There are many narrative versions of the myths currently available, but this book will do something very different: it will give the characters the chance to tell their stories in their own words. In so doing, it will give both gods and humans the opportunity to reflect upon their life stories and, in places, justify their actions. In this way they will come across as real people, just as they are, say,

in the plays of the dramatists.

## **THE WISDOM OF THE MYTHS**

---

### **HOW GREEK MYTHOLOGY CAN CHANGE YOUR LIFE**

---

Harper Collins "A marvelously wise and expansive book. . . . Ferry writes with warmth, wit, and energy; one could call his prose conversational, but it's rare to have a conversation quite this wonderful." — Boston Globe A fascinating journey through Greek mythology that explains the myths' timeless lessons and meaning Heroes, gods, and mortals. The Greek myths are the founding narratives of Western civilization: to understand them is to know the origins of philosophy, literature, art, science, law, and more. Indeed, as Luc Ferry shows in this masterful book, they remain a great store of wisdom, as relevant to our lives today as ever before. No mere legends or clichés ("Herculean task," "Pandora's box," "Achilles heel," etc.), these classic stories offer profound and manifold lessons, providing the first sustained attempt to answer fundamental human questions concerning "the good life," the burden of mortality, and how to find one's place in the world. Vividly retelling the great tales of mythology and illuminating fresh new ways of understanding them, *The Wisdom of the Myths* will enlighten readers of all ages.

---

## **THE LIFE OF A GREEK AMERICAN**

---

AuthorHouse This biography is more about the people who have surrounded me than about myself. With this biography, I intend to show all the following: How my environment affected me as a Greek American; the interplay I had with my parents who had come from Greece; my parents' faith and how it influenced me; the difficulties Greek immigrants had and how they overcame them; the strong belief a Greek immigrant had for education and how it impelled him to drive his children to get a good education; the way immigrants entertained themselves with home celebrations, dances, and picnics; and the relationship Greek Americans had with one another. In summary, the purpose of this biography is to show how Greek culture was established within American culture and was impressed upon me. This book is built around a thread that traces the development of the life of the immigrants in America. Do not look in it for the development of my life, but rather look in it to see the development of the Antonakos family in America. Look at the life of the Antonakoses in Mani, their immigration to America, and their progress in America. Look at their material development and how they used it to obtain higher education for their children. Then note how, through the use of this education, they obtained good positions in the professional world. It is fervently hoped that all immigrants in America from all nations of the world will establish their culture in America as the ones who had come here earlier. The greatness of America will continue to remain as long as this peaceful blending of cultures continues to occur. This biography is written purely chronologically. The persons, places, and events are recorded

chronologically in my story as they actually occurred in my life. Accept them as they are recorded, and don't attempt to group different parts of my story together in any unique way.

## **RECIPES, TALES, AND MORE FROM MY GREEK AMERICAN LIFE**

---

In Tradition! Pam shares her personal collection of time-honored, home-cooked Greek and American recipes; heartwarming memories; and an array of colorful photos that together define her lifelong adventure with food. Throughout, she pays tribute to her mother—the one who inspired her passion and appreciation for what she values most—culture, food, friends, and family. Ninety-five mouthwatering recipes record this journey—from Appetizers, Soups, Salads, and Breads to Vegetables, Fish and Poultry, Meat, and Sweets. Delight in the tender succulence of Lamb and Vegetable Stew braised in garlic, onion, and white wine; the creamy lusciousness of Custard with Phyllo and Syrup; or the savory goodness of Baked Lima Bean and Tomato Casserole cooked with olive oil, tomatoes, and parsley. Additionally, be enticed by some American classics, such as the sweet aroma of warm Cinnamon Coffee Cake; the tomatoey, meaty pleasure of Pam's special Chili; or the piquant, citrusy flavor of Crazy Lemon Cake. Accompanied with charming tales, Tradition! promises to inspire and entertain. Also included are these special sections: The Be-Attitudes of Cooking, where you will learn the real secrets behind every successful dish; Being At-Ease with Phyllo, a primer to calm your jittery nerves about working with this fine pastry dough, and A Walk Through the Year: Your Guide to Seasonal Produce—a month-by-month listing of fresh, seasonal produce to assist with your menu planning. Sprinkled with images from her travels to Greece, Tradition! is more than a cookbook. It's an exploration into a Greek American life.

## **GREEK AMERICANS**

---

---

---

### **STRUGGLE AND SUCCESS**

---

Routledge This is an engrossing account of Greek Americans--their history, strengths, conflicts, aspirations, and contributions. Blending sociological insight with historical detail, Peter C. and Charles C. Moskos trace the Greek-American experience from the wave of mass immigration in the early 1900s to today. This is the story of immigrants, most of whom worked hard to secure middle-class status. It is also the story of their children and grandchildren, many of whom maintain an attachment to Greek ethnic identity even as they have become one of America's most successful ethnic groups. As the authors rightly note, the true measure of Greek-Americans is the immigrants themselves who came to America without knowing the language and without education. They raised solid families in the new country and shouldered responsibilities for those in the old. They laid the basis for an enduring Greek-American community. Included in this completely revised edition is an introduction by Michael Dukakis and chapters relating to the early struggles of Greeks in America, the Greek Orthodox Church, success in America, and the survival and expansion of Greek identity despite intermarriage. This work will be of value to scholars of ethnic studies, those interested in Greek culture and communities, and sociologists and historians.

## MY LITTLE SKINNY GREEK LIFE

---

---

---

---

### ON LIBERTY STREET

---

---

From eating delicious spanakopita and other Greek delights prepared in his mother's home kitchen, to treacherous bicycle hill climbing and frightening high diving, Michael Skopes whisks you away to his idyllic childhood in 1950s-60s Morris, Illinois. As seen through the eyes of a maturing first generation Greek boy, My Little Skinny Greek Life paints a multi-faceted picture of immigrants adapting to life in Middle America with both success and failure. Skopes relates how his parents brought rich traditions in language, religion, and family to the United States from their ancestral roots in the rugged, northern mountains of Greece, giving Skopes and his sisters the rich opportunity to blend the old with the new. His collection of dramatic and comedic escapades is flavored with fun, courage, and just plain ol' childhood recklessness. Whether catching his first professional baseball game at Chicago's Comiskey Park, heading out to grab a gallon of chocolate ripple or chocolate chip ice cream on Sunday evenings, or reenacting the Civil War on the Franklin School playground during recess, Skopes relates his tales with the warm glow of nostalgia. Witty, sparkling, and rich with the memories of yesteryear, My Little Skinny Greek Life takes you back to the good old days and the glorious possibilities of youth.

---

### TRANSFORM YOUR HEALTH THE MEDITERRANEAN WAY WITH MY FAMILY'S CENTURY-OLD RECIPES

---

---

BenBella Books, Inc. Debbie Matenopoulos grew up in a traditional Greek household, eating delicious, authentic Greek cooking that her family had passed down for generations. When Debbie started her television career in New York on The View, she began eating a standard American diet. Despite carefully limiting how much she ate, she found herself gaining weight and losing energy. Debbie moved on to anchor and special correspondent positions at E! News and TV Guide Channel, then to many other roles that had her on the go all the time. It was only when she returned to her traditional Greek diet that she found herself easily—and healthily—realizing her natural weight and regaining the stamina she had as a teenager. In It's All Greek to Me: Transform Your Health the Mediterranean

Way with My Family's Century-Old Recipes, Debbie shares 120 of her family's traditional Greek recipes and adds her own touch to make them even healthier and easier to prepare. After tasting Debbie's dishes, such as her mouthwatering version of Spanakopita and her take on Fasolatha, you'll be amazed that these delicious foods are good for you. Debbie even includes tips on how to adapt her recipes to meet any dietary needs, so all readers can enjoy her hearty meals. With a foreword by Dr. Michael Ozner, one of the nation's leading cardiologists, the recipes in It's All Greek to Me adhere to the healthiest diet on the planet: the traditional Mediterranean Diet. Modern science is catching up to what Greeks have known for millennia: health comes from eating natural, whole-food ingredients that haven't been processed or pumped full of hormones, antibiotics, or preservatives. Let It's All Greek to Me bring your friends and family together to share in the experience of a Greek meal and way of life. Opa! A portion of all proceeds will benefit the ALS Association.

---

## **THE GREEK FIRE**

---

### **AMERICAN-OTTOMAN RELATIONS AND DEMOCRATIC FERVOR IN THE AGE OF REVOLUTIONS**

---

Cornell University Press The Greek Fire examines the United States' early global influence as the fledgling nation that inserted itself in conflicts that were oceans away. Maureen Connors Santelli focuses on the American fascination with and involvement in the Greek Revolution in the 1820s and 1830s. That nationalist movement incited an American philhellenic movement that pushed the borders of US interests into the eastern Mediterranean and infused a global perspective into domestic conversations concerning freedom and reform. Perceiving strong cultural, intellectual, and racial ties with Greece, American men and women identified Greece as the seedbed of American democracy and a crucial source of American values. From Maryland to Missouri and Maine to Georgia, grassroots organizations sent men, money, and supplies to aid the Greeks. Defending the modern Greeks from Turkish slavery and oppression was an issue on which northerners and southerners agreed. Philhellenes, often led by women, joined efforts with benevolence and missionary groups and together they promoted humanitarianism, education reform, and evangelism. Public pressure on the US Congress, however, did not result in intervention on behalf of the Greeks. Commercial interests convinced US officials, who wished to cultivate commercial ties with the Ottomans, to remain out of the conflict. The Greek Fire analyzes the role of Americans in the Greek Revolution and the aftermath of US involvement. In doing so, Santelli revises understandings of US involvement in foreign affairs, and she shows how diplomacy developed at the same time as Americans were learning what it meant to be a country, and what that country stood for.

## **COOKING GREEK, BECOMING AMERICAN**

---

---

---

---

### **FORTY YEARS AT SEATTLE'S CONTINENTAL RESTAURANT**

---

---

McFarland When Taso G. Lagos began to memorialize his family's beloved Greek restaurant The Continental, he wrestled with 40 years of history and a clientele that stretched for generations. His family bought into the operation without a clue how to run an eatery, yet in time they became linchpins of their Seattle neighborhood. Customers became friends, and meals turned into memories. It wasn't only the food or the company, though. The Continental also served as an entry point into mainstream culture for a family who had just arrived in the United States as Greek immigrants a few years prior. While the Lagosos cooked and cared for many people, they also learned valuable lessons about what it means to be "American." This memoir illuminates life in a Greek restaurant through the experiences of one member of a restauranteur family. It also emphasizes the role of restaurants as vital social institutions that often provide immigrants with a dynamic space for acculturation. Readers will learn the many ways a family restaurant adds culture and richness to a community.

### **THE INTRIGUING LIFE OF A GREEK ORTHODOX PRIEST: A SEARCH FOR TRUTH, A DISCOVERY OF HOPE AND ACCEPTANCE**

---

Lulu Press, Inc Author Albert Demos has long held the powerful desire to treat all human beings equally. The influence of a friend from early childhood carried him through many difficulties and instilled in him a deep desire to seek fairness and truth in all aspects of life. His is a journey that took him from the era of the Freedom Riders in the sixties through the tragedy of 9/11 and up to the election of the first African American president of the United States. Along the way, Demos gained insight into the human experience and understanding of the frailties, strengths, imperfections, and marvels of human nature. He recalls historical events, national controversies, and authentic struggles of the everyday people he has served over decades of ministry. Demos's pastoral words urge all of us to see one another as siblings in our common bond of humanity. This memoir tells the story of one man's lifelong search for truth as he sought meaningful awareness of the real world around him and within him.

---

### **EDUCATING GREEK AMERICANS**

---

---

---

### **HISTORICAL PERSPECTIVES AND CONTEMPORARY PATHWAYS**

---

Springer Nature *This edited collection considers Greek American formal and informal educational efforts, institutions, and programs,*

broadly conceived, as they evolved over time throughout the United States. The book's focus on Greek Americans aims to highlight the vast array of educational responses to local needs and contexts as this distinct, yet, heterogeneous immigrant community sought to maintain its linguistic, cultural, and religious heritage for over one hundred years. The chapters in this volume amend the scholarly literature that thus far has not only overlooked Greek American educational initiatives, but has also neglected to recognize and analyze the community's persistence in sustaining them. This book is an important contribution to an understanding of Greek Americans' long overdue history as a significant diaspora community within an American context.

---

## **AMERICAN INDEPENDENT**

---

Intellect Books With high-profile Academy Award nominations and an increasing number of big-name actors eager to sign on to promising projects, independent films have been at the forefront in recent years like never before. But the roots of such critical and commercial successes as *The Hurt Locker* and *Precious* can be traced to the first boom of independent cinema in the 1960s, when a raft of talented filmmakers emerged to capture the attention of a rapidly growing audience of young viewers. A thorough overview of a thriving area of cultural life, *Directory of World Cinema: American Independent* chronicles the rise of the independent sector as an outlet for directors who challenge the status quo, yet still produce accessible feature films that not only find wide audiences but enjoy considerable box office appeal—without sacrificing critical legitimacy. Key directors are interviewed and profiled, and a sizeable selection of films are referenced and reviewed. More than a dozen sub-genres—including African American cinema, queer cinema, documentary, familial dysfunction, and exploitation—are individually considered, with an emphasis on their ability to engage with tensions inherent in American society. Copious illustrations and a range of research resources round out the volume, making this a truly comprehensive guide. At a time when independent films are enjoying considerable cultural cachet, this easy-to-use yet authoritative guide will find an eager audience in media historians, film studies scholars, and movie buffs alike.

---

## **THE GOLDEN AGE OF THE CLASSICS IN AMERICA**

---

Harvard University Press In a masterful study Carl Richard explores how the Greek and Roman classics became enshrined in American antebellum culture. For the first time, knowledge of the classics extended beyond aristocratic males to the middle class, women, African Americans, and frontier settlers. The Civil War led to a radical alteration of the educational system in a way that steadily eroded the preeminence of the classics.

## **CLASSIC MEDITERRANEAN SOUL FOOD RECIPES**

---

Skyhorse 2020 finalist for the prestigious Next Generation Indie Book Awards! 65 Deliciously Authentic Recipes Straight from Mama's Kitchen My Big Fat Greek Cookbook is a comprehensive, contemporary overview of Greek food, recipes, and family culture as documented by the son of a Greek immigrant as his mother neared the end of her life. "This Greek eating tragedy has a beginning (appetizer), a middle (main course), and an end (dessert)," Christos shared. "As my Mama is in her final act, it's fitting that a quarter of her recipes are desserts. Bon appétit! Kali Orexi! (Insert the sound of breaking plates here . . .)" This is more than just a list of ingredients or series of steps, of course. It's filled with simple recipes, gorgeous photographs, traditional meals, memories, and tidbits of information that draw family and friends to Greek tables time and again. It has everything from iconic egg-lemon sauce to rich soups, sweet pies, and traditional delicacies like rabbit stew and octopus with pasta, accompanied by tales of Greek history and insight into cultural nuances. Recipes include: Meatballs (keftedes) Lentils (fatkes) Stuffed vegetables (gemistra) Spinach pie (spanakopita) Tzatziki Spaghetti with cheese (makaronia me tyri) Roast lamb (arni sto fourno) Moussaka Apple cake (milopita) Ride pudding (rizogalo) And more! With stunning photographs throughout and 65 deliciously authentic recipes, this book is a peek into a Greek family that has achieved what so many of us yearn for: a fuller, more meaningful, and joyful life, lived simply and nourished on real, delicious Greek meals that you can access anywhere with this cookbook on hand.

## **BOOK REVIEW DIGEST**

---

---

### **THE CAMBRIDGE COMPANION TO GREEK MYTHOLOGY**

---

---

Cambridge University Press Professor Roger Woodard brings together a group of the world's most authoritative scholars of classical myth to present a thorough treatment of all aspects of Greek mythology. Sixteen original articles guide the reader through all aspects of the ancient mythic tradition and its influence around the world and in later years. The articles examine the forms and uses of myth in Greek oral and written literature, from the epic poetry of 8th century BC to the mythographic catalogues of the early centuries AD. They examine the relationship between myth, art, religion and politics among the ancient Greeks and its reception and influence on later society from the Middle Ages to present day literature, feminism and cinema. This Companion volume's comprehensive coverage makes it ideal reading for students of Greek mythology and for anyone interested in the myths of the ancient Greeks and their impact on western tradition.

---

---

### **AMERICA, THE LAND OF MY DREAMS**

---

---

#### **THE ODYSSEY OF A GREEK IMMIGRANT**

---

---

This narrative bears the sub-title "The Odyssey of a Greek Immigrant", for besides narrating the biography of the author, it attempts to evaluate American life as he has witnessed it during the last fifty-three years. His observations & comments are entirely his own, & leave it to the reader to draw his own conclusions. The author's main thesis is that American education went astray because it has side-tracked Classical education, the basis of Western Culture, & is sailing along without a rudder. The author believes that just as occurred at the end of the Middle Ages, Western Man must go back to the study of the ancient Greeks & Romans & see how life of these ancients can be of help to him. The author is convinced that by judiciously studying these ancients, & especially the writings of the ancient Greeks, Modern Man will realize how man was freed from the shackles of authority & despotism, & how the Greek philosophers & scientists picked man & set him on his feet; how the Greek writers such as Aeschylus, Sophocles & Euripides placed man on a pedestal & examined every phase of his being; how Socrates & Plato came to the conclusion that the unexamined life is not worth living; how Homer & Hesiod developed our idea of language; & how the Ionian & Attic philosophers gave us our rudiments of Science. All this & more we owe to the spirit of the ancient Greeks, the first people who tried to liberate the human mind.

---

## **HOW PLATO AND PYTHAGORAS CAN SAVE YOUR LIFE**

---

### **THE ANCIENT GREEK PRESCRIPTION FOR HEALTH AND HAPPINESS**

---

Conari Press University professor, psychotherapist and recovering former nightclub owner Dr. Nicholas Kardaras presents a mind blowing, reality rocking, and life changing approach to Greek philosophy. Having once owned celebrity-studded NY nightclubs where he had mingled with the likes of JFK, Jr., Uma Thurman and Tom Cruise, Kardaras would emerge from that glamorous-yet-self-destructive world to discover the powerful and transformative teachings of his ancient ancestors. To his amazement, he learned that ancient Greek philosophy, contrary to popular misconceptions, was not a dry and academic pursuit, but a vibrant and holistic transformative practice. In *How Plato and Pythagoras Can Save You're your Life*, Dr. Kardaras breathes new life into those ancient teachings as he incorporates some of the most cutting edge advances in the fields of quantum mechanics and consciousness research to validate the insights and wisdom of the ancient Greek sages. As he guides readers through an array of contemplative practices designed to help them live a more meaningful life, Kardaras warns the reader to be prepared because they just might also "catch a glimpse of that trippy realm called Ultimate Reality".

---

### **GROWING UP GREEK IN ST. LOUIS**

---

Arcadia Publishing Since the beginning of the 20th century, St. Louis' Greek-American community has been a vibrant part of the city's fabric. Through a series of vivid personal accounts of growing up in two worlds during the post-WWII era, *Growing Up Greek in St. Louis* explores the challenges faced by Greek-Americans as they sought to preserve a rich cultural heritage while assimilating to American ways. From a detailed account of her Grandmothers' struggles during the occupation of Greece during WWII and the Asia Minor Holocaust to the first hand experiences faced by Greek-American children in Greek school, the celebration of name days, and the ever-present "evil eye," the book captures the sense of tradition, history, hospitality (philotimo), and community so vital to the Greek experience.

---

### **MY LIFE AS ATHENA**

---

### **THE PRIVATE MEMOIRS OF A GREEK GODDESS**

---

CreateSpace *Athena, Goddess of Wisdom and Warcraft*. Brilliant, strong and pure... Or so they say. Born the daughter of Zeus, Athena springs out of her father's head, clad as a warrior and brandishing her weapons with skill. Smart, gutsy and rebellious, she is a misfit in

an age that demands that females be gentle and submissive. Undaunted, Athena fights to prove herself and assert her independence, but her autonomy comes at an unexpected price. When she wins patronage of the city of Athens in a battle of wits, Athena comes into her own and matures into the brilliant goddess that we know from legend. However, Greek mythology itself has been deliberately sanitized. It hides a darker story in which Athena must make difficult choices and outwit the other gods to protect herself and those she loves. The golden age of ancient Greece is eventually threatened by a new military power growing in the west. When the Roman legions arrive, greedy for Greece's wealth and offering to adopt the Greek gods as their own, Athena and her fellow gods have a diabolical choice to make: Do they stand by the Greek people, or betray them to safeguard their own interests? In defiance of her father's wishes, Athena rebels one last time and sets forth to change the course of human history itself. Author Daphne Ignatius takes us inside the mythology and reveals a personal side of Athena that can't be found in textbooks. For the first time, we delve into her world and see civilization unfold through divine eyes. \*\*\*\*\* "Creating a story about Athena is no small feat and the author created an unforgettable read." - Diana L, Amazon Top 500 Reviewer "The characters and the world she (the author) has created are great. Readers who love mythology will love this one." - A Creative Mind

---

## CHILDREN OF THE GREEK CIVIL WAR

---

---

---

---

## REFUGEES AND THE POLITICS OF MEMORY

---

---

University of Chicago Press At the height of the Greek Civil War in 1948, thirty-eight thousand children were evacuated from their homes in the mountains of northern Greece. The Greek Communist Party relocated half of them to orphanages in Eastern Europe, while their adversaries in the national government placed the rest in children's homes elsewhere in Greece. A point of contention during the Cold War, this controversial episode continues to fuel tensions between Greeks and Macedonians and within Greek society itself. Loring M. Danforth and Riki Van Boeschoten present here for the first time a comprehensive study of the two evacuation programs and the lives of the children they forever transformed. Marshalling archival records, oral histories, and ethnographic fieldwork, the authors analyze the evacuation process, the political conflict surrounding it, the children's upbringing, and their fates as adults cut off from their parents and their homeland. They also give voice to seven refugee children who poignantly recount their childhood experiences and heroic efforts to construct new lives in diaspora communities throughout the world. A much-needed corrective to previous historical accounts, *Children of the Greek Civil War* is also a searching examination of the enduring effects of displacement on the lives of refugee children.
