## The Money Mafia

### A World in Crisis

Trine Day **Exposing perceived fault lines in our banking and financial systems and explaining how unemployment could be cut in half in two years and worldwide prosperity restored, this book argues the existence of exotic energy sources to replace fossil fuels and consequently recommends an immediate end to fracking and offshore drilling for oil. It further urges an immediate worldwide mobilization to replace the energy source in every car, truck, tractor, ship, airplane, and house on Earth in seven years in a desperate effort to save the planet from further overheating. The book blasts government secrecy, and more than 65 years of supposed lies and disinformation, and demands full disclosure of what they know about visitors from other realms and their technology and the extent of their collaboration, including any treaties that may have been signed by them. With more than 65 years of participation in and observation of political and economic systems—beginning with the Great Depression, extending through World War II, the postwar era of hope for a better life, the Cold War, the subjugation of democracy by oligarchy, and the subtle but continuous militarization of America—Paul T. Hellyer analyzes what he believes has gone wrong with the world and its economy and suggests radical measures to introduce a universal culture of peace and cooperation.**

## The Vatican Exposed

### Money, Murder, and the Mafia

Prometheus Books **Over 50 billion dollars in securities. Gold reserves that exceed those of industrialized nations. Real estate holdings that equal the total area of many countries. Opulent palaces containing the world's greatest art treasures. These are some of the riches of the Roman Catholic Church. Yet in 1929 the Vatican was destitute. Pope Pius XI, living in a damaged, leaky, pigeon-infested Lateran Palace, could hear rats scurrying through the walls, and he worried about how he would pay for even basic repairs to unclog the overburdened sewer lines and update the antiquated heating system. How did the Church manage in less than seventy-five years such an incredible reversal of fortune? The story here told by Church historian Paul L. Williams is intriguing, shocking, and outrageous. The turnaround began on February 11, 1929, with the signing of the Lateran Treaty between the Vatican and fascist leader Benito Mussolini. Through this deal Mussolini gained the support of the staunchly Catholic Italian populace, who at the time followed the lead of the Church. In return, the Church received, among other benefits, a payment of \$90 million, sovereign status for the Vatican, tax-free property rights, and guaranteed salaries for all priests throughout the country from the Italian government. With the stroke of a pen the pope had solved the Vatican's budgetary woes practically overnight, yet he also put a great religious institution in league with some of the darkest forces of the 20th century. Based on his years of experience as a consultant for the FBI, Williams produces explosive and never-before published evidence of the Church's morally questionable financial dealings with sinister organizations over seven decades through today. He examines the means by which the Vatican accrued enormous wealth during the Great Depression by investing in Mussolini's government, the connection between Nazi gold and the Vatican Bank, the vast range of Church holdings in the postwar boom period, Paul VI's appointment of Mafia chieftain Michele Sindona as the Vatican banker, a billion-dollar counterfeit stock fraud uncovered by Interpol and the FBI, the "Ambrosiano Affair" called "the greatest financial scandal of the 20th Century" by the New York Times, the mysterious death of John Paul I, profits from an international drug ring operating out of Gdansk, Poland, and revelations about current dealings. For both Catholics and non-Catholics this troubling expose of corruption in one of the most revered religious institutions in the world will serve as an urgent call for reform.**

## Mafia Life

### Love, Death, and Money at the Heart of Organized Crime

Oxford University Press **The Japanese Yakuza. The Chinese Triads. The Sicilian Cosa Nostra. The Calabrian N'Drangheta. The New York Mafia. The Russian Vory -v -Vakone.** Today, mafias operate across the globe, with hundreds of thousands of members and billions of dollars in revenue. From Hong Kong to New York, these vast organizations spread their tentacles into politics, finance and everyday life. But what is it like to belong to the Mafia? How do you join? What does it do to your loved ones? How do you make it to the top? And what happens if you break the rules? Criminologist Federico Varese draws on a lifetime's research to give us access to some of the world's most secretive societies. Mixing reportage with case studies and historical insights, this is the story of mafia as it really is: filled with boredom and drama, death and disaster, ambition and betrayal. Infiltrating initiation ceremonies from Russia to England, visiting exclusive gambling clubs in Macau and Mafia summits in Dubai luxury hotels, Varese builds up a unique picture of life in the mafia from the inside.

## Nothing But Money

### How the Mob Infiltrated Wall Street

Penguin **Forced out of the work-hard, play-hard world of Wall Street following the Crash of '87, financial analyst Cary Cimino was determined to maintain his lifestyle of luxury and ease. Under the guidance of dubious businessman Jeffrey Pokross, Cimino embarked on an illegitimate underground career as a "financial adviser" to naïve investors. Cimino's small-time operation soon spiraled into a large-scale crime ring when he and Pokross were reunited and met with Mafia wiseguy Robert Lino. Together, and with the support of organized crime families, the three men devised a high-risk, high-return scheme to extort millions of dollars from a bevy of unsuspecting stockbrokers and investors—all in the name of the Mob. This is the uncut, untold story of one of the most elaborate conspiracies to rock Wall Street's rigid foundation—a story centered around the Mafia, murder, and a load of money.**

## Cutthroat Mafia

### Money by the Bundles

**MACHO JAMES** heads a crew of angry, cold blooded savages that are hell-bent on crushing kingpins and other dopeboys in order to establish themselves at the top of the drug game in B-More. As the crew rises in the hierarchy of a vicious and unscrupulous underworld of killers, Macho gets caught up in the glitz and glamour of the profession. When the money and the irresistible women become an addiction, Macho's loyalty to his fam is tested. At the height of his power, Macho James shares control of the city with **PRESTON**, his Day One comrade. Together, they conquer all competition. Until Macho James violates their pact by falling for Preston's sister, **LASHAWN**, who was supposed to have been off limits. Will this forbidden love lead to deathly consequences? Meanwhile, Preston has bedded a woman who is connected to a mortal enemy. Will the entire **CUTTHROAT MAFIA** get dismantled by the lustful desires of the two men that are the shot callers of the crew? Will Macho James and Preston turn against each other when the pressure mounts? Or will killers remain killers, and partners remain tight, in the face of the most serious threat they've ever faced?

## Beer Money

### A Tale of the Iowa City Beer Mafia

Post Hill Press **German, Czech, and Irish immigrants poured into America in the mid-1800s. They brought their language and traditions with them...and their love of brewing and drinking beer. In 1881, Iowa City was a bustling town full of immigrants. The population was exploding, and that meant two things: Fortunes were being made overnight and trouble was afoot. Three large breweries had taken root, sprouting strong and proud in the "Northside" neighborhood. In one generation the brewers became wealthy and powerful men. They also came to be known as "The Beer Mafia." The more powerful the brewers grew, the more passionate the ladies of the Women's Christian Temperance Union became about abolishing alcohol altogether. They took their fight to the saloon, the street, and the Statehouse, preaching prohibition. Conrad Graf, J.J. Englert and John Dostal thought of themselves as honest businessmen capitalizing on America's explosive growth by simply providing a product people wanted. Vernice Armstrong thought they were selling sin and destroying everything that made America great, one beer at a time. She made it her mission in life to bring them down, but they weren't about to go down without a fight. Blending real-life historical figures with compelling fictional characters, Beer Money is the story of how the brewers and "Teetotalers" slammed head-on into each other, turning the prairie red with blood. This is a tale of how the seemingly innocuous love of brewing and drinking beer became the flashpoint, sparking events that would shape America for a generation.**

## Money Logging

### On the Trail of the Asian Timber Mafia

Schwabe AG **Money Logging** investigates what Gordon Brown has called 'probably the biggest environmental crime of our times'—the massive destruction of the Borneo rainforest by Malaysian loggers. Historian and campaigner Lukas Straumann goes in search not only of the lost forests and the people who used to call them home, but also the network of criminals who have earned billions through illegal timber sales and corruption. Straumann singles out Abdul Taib Mahmud, current governor of the Malaysian state of Sarawak, as the kingpin of this Asian timber mafia, while he shows that Taib's family—with the complicity of global financial institutions—have profited to the tune of 15 billion US dollars. **Money Logging** is a story of a people who have lost their ancient paradise to a wasteland of oil palm plantations, pollution, and corruption—and how they hope to take it back.

## Dirty Money

### Swiss Banks, the Mafia, Money Laundering, and White Collar Crime

## Mafia

### Money and Politics in Sicily, 1950-1997

Museum Tusulanum Press **Salvo was a Mafioso, but he did not traffic in narcotics, he did not run weapons, he did not kill anyone and he did not take part in the 'ordinary' Mafia activities. Antonio Salvo was a businessman, one of the wealthiest business men in Sicily. He took an interest in all important lines of business and had close political connections at the highest levels in Rome. Antonio Salvo represented another, but not less important side of the Mafia. He was a central part of the far-reaching network of economic and political interests that dominated Sicily through decades. All the threads of the network came together in one place: the Mafia. This book analyses the economic and political activities of the Mafia on the basis of the latest source material and explains how the Mafia has succeeded in surviving, protecting, and flourishing in post-war Italy.**

### The Money the Mob and Wall Street

Xlibris Corporation **Wall Street today is focused laser-like on producing fast, huge profits principally for the benefit of financial firms' top executives. The Money, the Mob and Wall Street is the story of Wade Simon, a standout basketball player from UNLV, who, after graduating from college, goes to work on Wall Street and eventually becomes the CEO of a Wall Street brokerage firm. There he is introduced to the world of fast-talking scam artists and white-collar criminals. The story takes you into the canyons of lower Manhattan and the backroom financial chop shops, where you will meet members of organized crime and their associates. You will see firsthand how the mob owns or controls brokerage firms on Wall Street through front men. You will meet Angelo Santino—an old-world Mafia don, who, after retiring from a life of street crime, became attracted to the easy money of Wall Street—and his partner, Albert Kline—a Wall Street executive whose only goal in life was to make money, without regard for the people he had to cheat to accomplish that. The author has taken a serious subject and added his own sense of humor. The Money, the Mob and Wall Street allows you to see the dark side of the financial industry while taking you on a sometimes funny but adrenaline-filled ride through a neighborhood few of us ever get to see: Wall Street.**

## Prohibition Made the Mafia

### The Men - the Money - the Mob

**"Prohibition made the Mafia." This statement has been shared many times over the years. While it is not completely accurate, there is no denying that the impact of Prohibition accelerated the power and profits of every major crime family during the Prohibition years. I discovered my fascination with the "good old days," the Roaring Twenties, Prohibition, and the exciting times and characters that painted the history of the industry I became a part of. I quickly developed an interest in the history of Prohibition, gangsters, and their involvement in the whiskey business, before during and after the Prohibition years. I spent 40 years, my entire working lifetime, in the "whiskey business." As I evolved from a Southern Baptist upbringing to being partners with an ex-felon friend of Meyer Lansky and Vincent "Jimmy Blue Eyes" Alo, my attitude and values changed. The larceny in my heart easily won out over my religious youth. I stumbled into my first job at a major liquor distributor in Texas after a three-year stint in the Army--and never looked back. This is the story of my research into the colorful gangsters and the illicit sides of the liquor business. Included are some stories of my brushes with some of the known and not-so-well-known people and families that prospered during Prohibition and beyond. Many of those families still drive the sometimes loved, sometimes hated, always tolerated whiskey business.**

## Money Mafia

In the streets, a loyal hustler rides hard for his plug, but does the ideology apply when the plug is a woman? MUSA, the head of MONEY MAFIA has risen to the top with his most loyal goons, ACE, BRIM and SHOOTA. The trio of hittas each have committed an ultimate sacrifice, helping Musa attain the power he possesses in the game. Now their bond is about to get tested. Money Mafia is about their business, and the one thing the crew doesn't tolerate is a threat to their success. So, when something threatens to bring them down, Musa must appoint someone to stand in his place until the threat is taken care of. But when Musa chooses Ace, the only female of the crew to take charge in his absence, tensions rises and it could lead to an inbred war. Brim and Shoota question Ace's ability to take on the role that they believe is better fitted for a man. But Musa refuses to relieve Ace of her leadership role. Will Brim and Shoota become their sister's keeper or will they allow envy and egos to fester until it destroys everything the crew has built?

## House of Trump, House of Putin

### The Untold Story of Donald Trump and the Russian Mafia

**Penguin THE NEW YORK TIMES BESTSELLER** “The story Unger weaves with those earlier accounts and his original reporting is fresh, illuminating and more alarming than the intelligence channel described in the Steele dossier.”—The Washington Post **House of Trump, House of Putin** offers the first comprehensive investigation into the decades-long relationship among Donald Trump, Vladimir Putin, and the Russian Mafia that ultimately helped win Trump the White House. It is a chilling story that begins in the 1970s, when Trump made his first splash in the booming, money-drenched world of New York real estate, and ends with Trump’s inauguration as president of the United States. That moment was the culmination of Vladimir Putin’s long mission to undermine Western democracy, a mission that he and his hand-selected group of oligarchs and Mafia kingpins had ensnared Trump in, starting more than twenty years ago with the massive bailout of a string of sensational Trump hotel and casino failures in Atlantic City. This book confirms the most incredible American paranoias about Russian malevolence. To most, it will be a hair-raising revelation that the Cold War did not end in 1991—that it merely evolved, with Trump’s apartments offering the perfect vehicle for billions of dollars to leave the collapsing Soviet Union. In **House of Trump, House of Putin**, Craig Unger methodically traces the deep-rooted alliance between the highest echelons of American political operatives and the biggest players in the frightening underworld of the Russian Mafia. He traces Donald Trump’s sordid ascent from foundering real estate tycoon to leader of the free world. He traces Russia’s phoenix like rise from the ashes of the post-Cold War Soviet Union as well as its ceaseless covert efforts to retaliate against the West and reclaim its status as a global superpower. Without Trump, Russia would have lacked a key component in its attempts to return to imperial greatness. Without Russia, Trump would not be president. This essential book is crucial to understanding the real powers at play in the shadows of today’s world. The appearance of key figures in this book—Paul Manafort, Michael Cohen, and Felix Sater to name a few—ring with haunting significance in the wake of Robert Mueller’s report and as others continue to close in on the truth.

## Citizen Spy

### The Mob, Money-Laundering and Murder

**Titletown Pub** **Virtually all Confidential Informants are criminals who are saving themselves from something. However, Robert W. Morgan, the person assigned the code name 'Star,' was no criminal. Instead, he was a rising filmmaker out of Florida who, as a loving father, objected to the sale of drugs on his daughter's schoolyard. When the local police brushed off his complaint, he took on that street dealer and by a peculiar twist of fate launched a personal vendetta. In time, he would assist in exposing the brains of the Mafia's most brilliant international cartel. The major players included the infamous mobsters Joseph Bonanno, Meyer Lansky, and John Charles Piazza III, all with solid links to the Five Families. Under the combined aegis of the DEA and the FBI, Star penetrate deeper into what would prove to be the most sophisticated money-laundering scheme in the history of international crime. Citizen Spy is Morgan's personal story.**

## Mafia

## Inside the Dark Heart

[Random House](#) The pre-dawn arrests of the last remaining mafiosi in December 2008 signalled the end of the Sicilian Mafia as we know it. In *Mafia: Inside the Dark Heart*, A.G.D. Maran charts the complete history of the world's most infamous criminal organisation, from its first incarnation as an alternative form of local government in the Sicilian countryside and arguable force for 'good' to the more familiar form that has been immortalised in films such as *The Godfather*, and its final defeat after a long-awaited change of attitude by the Italian government. The author has used his many Italian contacts and a decade of exhaustive research to bring to life the story of the Sicilian Mafia while also exploring the links to the Cosa Nostra in America. Along the way, he asks many provocative questions, including: Why was Lucky Luciano, the father of modern organised crime, freed from a life sentence in America and deported to Italy, allowing him to organise the international drug trade? Was the Mafia involved in the death of Pope John Paul I? Why did the Mafia murder Roberto Calvi, known as God's Banker? What is the relationship between the Mafia and Freemasonry? Why did successive Italian governments fail to tackle the Mafia? Why did it take 40 years to find the Last Godfathers? These and many other riveting issues are covered in Maran's refreshing new take on a perennially enthralling subject.

## The Laundry Man

[Penguin Global](#) *The Laundry Man* by Ken Rijock - Memoirs of a multi-million money launderer - Mr Nice meets Catch Me If You Can 'Extraordinary' Mail on Sunday 'A remarkable story of an ordinary man caught up in an extraordinary life' Underground Book Club Meet Ken Rijock. Twice decorated Vietnam veteran. High flying lawyer. And one of the world's biggest money launderers. In 1980s Miami Ken Rijock was the middle man between the Columbians and the Mafia flooding America's streets with cocaine and marijuana. Every Friday, carrying hundreds of thousands of dollars in a tattered suitcase, he would fly by private jet to a tax haven in the Caribbean. Rijock's operation was responsible for 'cleaning' over \$200 million of dirty cash. And all the time he was in love with a cop. It finally came crashing down when a client testified against him. He agreed go undercover for the FBI, and he now works with banks and governments to track the new generation of money launderers. Set in the evocative world of Miami Vice, *The Laundry Man* is a classic true crime story. Kenneth Rijock is a financial crime consultant based in Miami. He has more than 25 year's experience in the field of money laundering, as a practising laundryman, financial compliance consultant, and trainer/lecturer to law and intelligence agencies including the FBI. He has testified three times before US Congress committees. Rijock is a veteran of the conflict in Vietnam and Cambodia, and holds the Combat Infantryman's Badge and Bronze Star Medal.

## Son of the Mob

[Little, Brown Books for Young Readers](#) Vince Luca is just like any other high school guy. His best friend, Alex, is trying to score vicariously through him; his brother is a giant pain; and his father keeps bugging him to get motivated. There is just one thing that really sets him apart for other kids—his father happens to be the head of a powerful crime organization. Needless to say, while Vince's family's connections can be handy for certain things (like when teachers are afraid to give him a bad grade), they can put a serious crimp in his dating life. How is he supposed to explain to a girl what his father does for a living? But when Vince meets a girl who finally seems to be worth the trouble, her family turns out to be the biggest problem of all. Because her father is an FBI agent—the one who wants to put his father away for good.

## Organized Crime in Chicago

## Beyond the Mafia

[University of Illinois Press](#) This book provides a comprehensive sociological explanation for the emergence and continuation of organized crime in Chicago. Tracing the roots of political corruption that afforded protection to gambling, prostitution, and other vice activity in Chicago and other large American cities, Robert M. Lombardo challenges the dominant belief that organized crime in America descended directly from the Sicilian Mafia. According to this widespread "alien conspiracy" theory, organized crime evolved in a linear fashion beginning with the Mafia in Sicily, emerging in the form of the Black Hand in America's immigrant colonies, and culminating in the development of the Cosa Nostra in America's urban centers. Looking beyond this Mafia paradigm, this volume argues that the development of organized crime in Chicago and other large American cities was rooted in the social structure of American society. Specifically, Lombardo ties organized crime to the emergence of machine politics in America's urban centers. From nineteenth-century vice syndicates to the modern-day Outfit, Chicago's criminal underworld could not have existed without the blessing of those who controlled municipal, county, and state government. These practices were not imported from Sicily, Lombardo contends, but were bred in the socially disorganized slums of America where elected officials routinely franchised vice and crime in exchange for money and votes. This book also traces the history of the African-American community's participation in traditional organized crime in Chicago and offers new perspectives on the organizational structure of the Chicago Outfit, the traditional organized crime group in Chicago.

## Mob Rules

### What the Mafia Can Teach the Legitimate Businessman

Penguin **The Mob** is notorious for its cruel and immoral practices, but its most successful members have always been extremely smart businessmen. Now, former mobster Louis Ferrante reveals its surprisingly effective management techniques and explains how to apply them-legally-to any legitimate business. As an associate of the Gambino family, Ferrante relied on his instincts to pull off some of the biggest heists in U.S. history. By the age of twenty-one, he had netted millions of dollars for his employers. His natural talent for management led Mafia bosses to rely on him. After being arrested and serving an eight-and-a-half-year prison sentence, Ferrante went straight. He realized that the Mob's most valuable business lessons would allow him to survive and thrive in the real world. Now he offers eighty-eight time-tested Mafia strategies, including: \* Go get your own coffee!: Respecting the chain of command without being a sucker. \* The walls have ears: Never bad-mouth the boss. \* Is this phone tapped?: Watch what you say every day. \* How to bury the hatchet-but not in someone's head. \* Don't split yourself in half: The wrong decision is better than none at all. \* Don't build Yankee stadium, just supply the concrete: Spotting new rackets. \* Leave the gun, take the cannolis...and beware of hubris. Ferrante brings his real-life experiences to the book, offering fascinating advice that really works and sharing behind-the-scenes episodes almost as outrageous as those occurring on Wall Street every day.

### The Complete Idiot's Guide to the Mafia

Penguin Offers a comprehensive overview of the world's most notorious criminal organization, tracing the history of the Mafia, changes in the ranks and power following the conviction of key members, and their diverse roles in cities across the United States.

### The Root of All Evil

### The Problem of Debt-Based Money

When the Mafia make money they use the same plates, paper and ink as the government. They include the same security features and use the same serial numbers. Even to the most trained eyes this counterfeit currency is physically indistinguishable from the real thing. This being the case, why - exactly - is this Mafia money a crime? Who are its victims? Why should we care? The answers to these questions draw us into the fraud at the heart of our contemporary financial system; a fraud so vast in its scope yet so cleverly disguised that almost all of us treat it as normal while less than one in a million ever sees it. It is the fraud of debt-based money. In *The Root of all Evil*, social scientist Tim Watkins walks us through the way the debt-based money system operates, and explains the dire consequences that await us if we refuse to change the way our money works.

### Hollywood and the Mob

### Movies, Mafia, Sex and Death

Bloomsbury Publishing From its earliest days, the Mafia has sought to make a fast buck from the American film industry. Stories of intimidation, threats and violence mingle with those of glamour and excess. In this stunning story of infamy and ballsy enterprise, Tim Adler tells the secret history of Al Capone, Sam Giancana and John Gotti's attempts to infiltrate the studio lots. However, although they have controlled the moguls and the money, the Mob learned how to be cool from classic films like *The Godfather* and characters like Tony Soprano, leaving them forever intertwined in

both fact and fiction.

## The Pizza Connection

### Lawyers, Money, Drugs, Mafia

A behind-the-scenes tour of the longest-running criminal trial ever to be held in a federal court -- the so-called Pizza Connection trial, which pitted the full resources of the U.S. government against 22 Mafia defendants accused of a \$1.65 billion heroin-smuggling and money-laundering conspiracy that stretched from Sicily to Brooklyn to Brazil to a chain of pizzerias. What happens when the stakes are so high that truth and justice take second place in the heat to win? The roster of names reads like a Who's Who of crime and the law, including Rudolph Giuliani, now mayor of NY, then the U.S. Attorney for the Southern District of NY and the invisible maestro of the entire prosecution.

### Me, the Mob, and the Music

### One Helluva Ride with Tommy James & The Shondells

Simon and Schuster Now in paperback, after five hardcover printings, Tommy James's wild and entertaining true story of his career—part rock & roll fairytale, part valentine to a bygone era, and part mob epic—that “reads like a music-industry version of Goodfellas” (The Denver Post). Everyone knows the hits: “Hanky Panky,” “Mony Mony,” “I Think We're Alone Now,” “Crimson and Clover,” “Crystal Blue Persuasion.” All of these songs, which epitomize great pop music of the late 1960s, are now widely used in television and film and have been covered by a diverse group of artists from Billy Idol to Tiffany to R.E.M. Just as compelling as the music itself is the life Tommy James lived while making it. James tells the incredible story, revealing his complex and sometimes terrifying relationship with Roulette Records and Morris Levy, the legendary Godfather of the music business. Me, the Mob, and the Music is a fascinating portrait of this swaggering, wildly creative era of rock 'n' roll, when the hits kept coming and payola and the strong-arm tactics of the Mob were the norm, and what it was like, for better or worse, to be in the middle of it.

### The 'Ndrangheta and Sacra Corona Unita

### The History, Organization and Operations of Two Unknown Mafia Groups

Springer This book covers two lesser known but important members of the Italian Mafia: the 'Ndrangheta and the Sacra Corona Unita. Italian criminal organizations, in particular Mafia, are one of the most commonly researched organized crime groups, usually focusing on the Sicilian Mafia, Cosa Nostra, or the Neapolitan Mafia, Camorra. However, Italy has other two other Mafias, one in Apulia, Sacra Corona Unita, and the other in Calabria, 'Ndrangheta. Although an extensive literature is available on Cosa Nostra and Camorra, less is known about the other two organizations, particularly their operations in the United States. Territory is one of the most important elements in the Mafia because the criminal organization operates its signoria territoriale, controlling every illegal activity in its sphere of action. This territorial power goes beyond the Italian boundaries reaching the United States of America and other non-European countries, with the mere aim of developing their drug/weapon deals and money laundering businesses. Mafia, therefore, is not a uniquely Italian phenomenon as it might appear, but a worldwide phenomenon, affecting many societies and economies. This unique volume is its interest into a field as yet completely provides new information about the 'Ndrangheta and Sacra Corona Unita written by an interdisciplinary group of Italian scholars. It covers organizational, hierarchic, and operative aspects: that is, the role that they have in politics, in their own families, in business relations in Italy and abroad. It also highlights the particular role that Cosa Nostra and Camorra had in their development. This work will be of interest to criminology researchers studying organized crime, corruption, money laundering and trafficking, as well as researchers from related fields, such as political science, economics, and international relations.

### Money Mafia

### A Date with Destiny

Createspace Independent Publishing Platform In the mean streets of New York City success is measured in dollars and cents, life and death. For Money Mafia this cannot be more true. But when jealousy and greed rears its ugly head, friends become enemies, love turns to hate, and only the strong will be left standing. It isn't long before the men who are married to the game find out that she is an unforgiving mistress, who cares only for herself. Keyshaun, the defacto leader of Money Mafia, realizes that this is no future. This leaves him only one option. Kill or be killed, or fold and flee. An epic street story about love and lust, envy and greed, murder and deceit, that will leave you turning pages non-

stop. In the end who will be left standing. Will it be Money Mafia? Or will everything they have worked so hard for go up in smoke? Everything rest on Keyshaun. But that's only if he can survive his date with Destiny.

## The Life of the Mafias

The Japanese Yakuza. The Chinese Triads. The Sicilian Cosa Nostra. The Calabrian `Ndrangheta. The New York Mafia. The Russian Vory -v -Vakone. Today, mafias operate across the globe, with hundreds of thousands of members and billions of pounds in revenue. From Hong Kong to New York, these vast organisations spread their tentacles into politics, finance, films and everyday life. But what is it like to belong to the Mafia? How do you join? What does it do to your loved ones? How do you make it to the top? How do you manage a Mafia? And what happens if you break the rules? Criminologist Federico Varese draws on a lifetime's research to give us access to some of the world's most secretive societies. Mixing reportage with case studies and historical insights, this is the story of mafia as it really is: filled with boredom and drama, death and disaster, ambition and betrayal. Infiltrating initiation ceremonies from Russia to England, visiting exclusive gambling clubs in Macau and Mafia summits in Dubai luxury hotels, Varese builds up a unique picture of life in the mafia from the inside.

## Blood Money

[Ballantine Books](#) "Thomas Perry just keeps getting better," said Tony Hillerman, about *Sleeping Dogs*--and in this superb new novel by one of America's best thriller writers, Jane Whitefield takes on the mafia, and its money. Jane Whitefield, the fearless "guide" who helps people in trouble disappear, make victims vanish, has just begun her quiet new life as Mrs. Carey McKinnon, when she is called upon again, to face her toughest opponents yet. Jane must try to save a young girl fleeing a deadly mafioso. Yet the deceptively simple task of hiding a girl propels Jane into the center of horrific events, and pairs her with Bernie the Elephant, the mafia's man with the money. Bernie has a photographic memory, and in order to undo an evil that has been growing for half a century, he and Jane engineer the biggest theft of all time, stealing billions from hidden mafia accounts and donating the money to charity. Heart-stopping pace, fine writing, and mesmerizing characters combine in *Blood Money* to make it the best novel yet by the writer called "one of America's finest storytellers," (San Francisco Examiner).

## Dirty Dealing

## The Untold Truth about Global Money Laundering, International Crime and Terrorism

[Kogan Page Publishers](#) Highly organised gangs, from the Italian Mafia to the Japanese Yakuza, infiltrate every corner of the globe: and money laundering is at the heart of their business. *Dirty Dealing* exposes the awesome scale and scope of global money laundering and its filtration into the world's legitimate business structures. Leading expert Peter Lilley reveals how the money is obtained, how it is "washed", and how organizations can detect and prevent money laundering. Highly topical, this fully revised and updated edition provides thorough examination on the funding of terrorism. Packed with incredible stories, shocking facts and telling detail, *Dirty Dealing* brings home the global scale of crime. Invaluable appendixes provide a country-by-country guide to specific local issues, types of crime and legislation, and a directory of websites offering further information on money laundering and related issues.

## When the Mob Ran Vegas: Stories of Money, Mayhem and Murder

[Berklie Press](#) What is it about Las Vegas that captivates us? Is it how the skim worked at the Stardust and how millions of dollars walked out the door uncounted? Or what really happened when Frank Sinatra threw a chair at the casino

boss of the Sands? Did you ever hear the story about how some very bad Vegas guys rigged the gin rummy games at the Friars Club and took a bunch of famous people to the cleaners? Howard Hughes had some weird notions about the Silver Slipper and put his money where his paranoia was. It's all Vegas, and it is fascinating history. Vegas in the '50s and '60s was indeed another world. Those were the days when small-time gamblers like me, in town with my wife for a weekend of shows and great food, could ride down the elevator at one of the Strip hotels with Lucille Ball, have an A table at the Versailles Room at the Riviera to see Rowan and Martin, with Edie Adams opening, and laugh until it hurt when Buddy Hackett played the old Congo Room at the Sahara. Behind the scenes, the Mob ran Vegas in those days. And stories abound. Through years of study and interviews and just talking to people from all strata of Las Vegas comes this book, a glimpse into the money, mayhem, and murders of early Vegas.
