In that time he has driven, dined, drunk and laughed, all at other people's expense. In this memoir he looks back at his life and career, from his early days as a cub reporter, through his halcyon time as a Fleet Street motoring hack in the 1980s, up to his reign as one of the country's best-known and thirstiest regional journalists. Roy has always been notoriously outspoken and he holds back nothing in this book, which includes tales of his failed marriages, his rows with press officers, and his incident with Nigel Mansell, although the lawyers later asked for this to be removed. If you've ever wondered what it takes to forge a career writing about cars in the face of setbacks, cutbacks and uncooperative barmen, How To Be A Motoring Journalist will tell you everything you want to know, and some things you don't.* **Twelve Years a Slave** [Prabhat Prakashan](#) "Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt **Sophia Princess, Suffragette, Revolutionary** [Bloomsbury Publishing USA](#) *Follows the princess who, at the age of thirty-one, secretly went to India and returned as a revolutionary to fight for Indian Independence, the welfare of Indian soldiers in World War I, and, above all, women's suffrage.* **Peppa Pig Peppa Plays Cricket** [Ladybird](#) *It is a very sunny day. The Development of Armoured Forces, Their Tactics and Operational Potential** [Arms & Armour](#) *This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.* **Sissy Dreams: From Boyfriend to Girlfriend** [Paul Zante](#) *Receiving a text from Sasha, my girlfriend, at work was always risky. In a volatile political climate, Ishy Din opens a timely window into a strand of British Muslim life that often remains unseen. The plot follows four friends who, every year, meet on the anniversary of their mate's death for a game of pool and a few drinks. As they excavate the past and measure their own lives, secrets are revealed and allegiances shift as quickly as the drinks are downed. Can they put to rest their guilt over the untimely death of their friend? And will their friendship survive the final betrayal? One of the very few plays written both by and about British Muslims, Snookered explores their camaraderie, life decisions, and their self identity within their close-knit Muslim community of extended families and network of friends. The sharp, pace-filled dialogue captures the Punjabi-English urban patois that is currently developing in northern towns but is rarely seen onstage. The result is that the characters are both alive and relevant, and moments of sharp wit collide with emotionally searing exchanges. Developed by the theatre company Tamasha, whose manifesto is to explore British Asian perspectives and identities, Snookered is unafraid to feature difficult and significant themes such as religion, drug addiction, misogyny, poverty and racism. Against this backdrop, Snookered is first and foremost a psychologically detailed but razor-sharp depiction of young men finding their paths in life, whilst navigating what it means to be young, British and Muslim.* **Reshoring of Manufacturing Drivers, Opportunities, and Challenges** [Springer](#) *This book examines key aspects of the increasingly important phenomenon of reshoring - the decision of companies to reverse offshoring by bringing manufacturing back from overseas. Henna Rub is a precocious teenager whose wheeler-dealer father never misses a business opportunity and whose sumptuous Calcutta marriage to wealthy romantic Ricky-Rashid Karim is achieved by an audacious network of lies. Ricky will learn the truth about his seductive bride, but the way is already paved for a future of double lives and deception--family traits that will filter naturally through the generations, forming an instinctive and unspoken tradition. Even as a child, their daughter Shona, herself conceived on a lie and born in a liar's house, finds telling fibs as easy as ABC. But years later, living above a sweatshop in South London's Tooting Bec, it is Shona who is forced to discover unspeakable truths about her loved ones and come to terms with what superficially holds her family together--and also keeps them apart--across geographical, emotional and cultural distance. Roopa Farooki has crafted an intelligent, engrossing and emotionally powerful Indian family saga that will stay with you long after you've read the last page.* **Alberunis India** [Wentworth Press](#) *This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Told in alternating chapters from perspectives spanning more than a century apart, read the riveting 19th century first-hand account of Harriet Jacobs and the modern-day eyewitness account of Timothy Ballard. Harriet Jacobs was an African-American, born into slavery in North Carolina in 1813. She thwarted the sexual advances of her master for years until she escaped and hid in the attic crawl space of her grandmother's house for seven years before escaping north to freedom. She published an autobiography of her life, Incidents in the Life of a Slave Girl, which was one of the first open discussions about sexual abuse endured by slave women. She was an active abolitionist, associated with Frederick Douglass, and, during the Civil War, used her celebrity to raise money for black refugees. After the war, she worked to improve the conditions of newly-freed slaves. As a former Special Agent for the Department of Homeland Security who has seen the horrors and carnage of war, Timothy Ballard founded a modern-day "underground railroad" which has rescued hundreds of children from being fully enslaved, abused, or trafficked in third-world countries. His story includes the rescue and his eventual adoption of two young siblings--Mia and Marky, who were born in Haiti. Section 2 features the lives of five abolitionists, a mix of heroes from past to present, who call us to action and teach us life lessons based on their own experiences: Harriet Tubman--The "Conductor"; Abraham Lincoln--the "Great Emancipator"; Little Mia--the sister who saved her little brother; Guesno Mardy--the Haitian father who lost his son to slave traders; and Harriet Jacobs--a teacher for us all.* **Python Programming Using Problem Solving Approach** *Python Programming is designed as a textbook to fulfil the requirements of the first-level course in Python programming.
