Funding Your Ministry

An In-Depth, Biblical Guide for Successfully Raising Personal Support

Tyndale House Publishers, Inc. An In-Depth, Biblical Guide for Successfully Raising Personal Support Break through the fundraising fears and financial barriers keeping you from full-time ministry. Funding Your Ministry will answer your questions and put you on the biblical path for recruiting and maintaining donor support. Updated, Third Edition International funding coach Scott Morton has expanded his popular resource with new sections on: social media, email best practices, proven principles for gospel-workers around the globe, stewardship and budget management, and a leader's guide for encouraging fundraisers. Funding Your Ministry will help you become a joyful and courageous fundraiser, develop a Biblical view of requesting support, build long-term donor relationships, overcome fundraising blind spots, strengthen your stewardship, and reach over 100% of your goal.

Blindspots

Leading Your Team and Ministry to Full Funding

Blindspots is full of stories of fundraising frustrations in leadership from my life and from the lives of leaders around the world who have had missteps, successes, and hard lessons learned. I'll also walk through six stories of leaders in the Bible who have guided me along the way. I pray that this book will help you avoid unnecessary mistakes, lead your staff well in funding, and embrace your role in leading your staff. In Blindspots, we'll explore You: Blindspots in Your Personal Outlook | Your Team: Blindspots as You Lead Others | Your Methods: Blindspots in Your Fundraising Practices | Your Organization: Blindspots in Your Organizational Structure and Systems.

God's Presence in Your Fundraising

Whether you are beginning your life in ministry or have much experience, God's Presence in Your Fundraising: 40 Readings and Prayers will help you maintain intimacy with Christ during the inevitable ups and downs of fundraising. After hearing a few "no's," fundraisers can be tempted to give up, press harder into their own strength, or try crazy funding schemes. It's time for a fresh look at the Scriptures. Written by one who has been there, God's Presence in Your Fundraising is your daily companion in Christ-centered funding.

A Fresh, Biblical Approach to Personal Support Raising

A fresh, biblical approach to personal support raising for full time Christian workers.

Everything the Bible Says About Money

Bethany House "A gathering of all the Bible's references to money, including verses on spending, saving, earning, tithing, lending, wealth, and poverty. Also provides very brief context and commentary" -

New English Canaan of Thomas Morton

Project Management

Case Studies

John Wiley & Sons A new edition of the most popular book of project management case studies, expanded to include more than 100 cases plus a "super case" on the Iridium Project. Case studies are an important part of project management education and training. This Fourth Edition of Harold Kerzner's Project Management Case Studies features a number of new cases covering value measurement in project management. Also included is the well-received "super case," which covers all aspects of project management and may be used as a capstone for a course. This new edition: Contains 100-plus case studies drawn from real companies to illustrate both successful and poor implementation of project management Represents a wide range of industries, including medical and pharmaceutical, aerospace, manufacturing, automotive, finance and banking, and telecommunications Covers cutting-edge areas of construction and international project management plus a "super case" on the Iridium Project, covering all aspects of project management Follows and supports preparation for the Project Management Professional (PMP®) Certification Exam Project Management Case Studies, Fourth Edition is a valuable resource for students, as well as practicing engineers and managers, and can be used on its own or with the new Eleventh Edition of Harold Kerzner's landmark reference, Project Management: A Systems Approach to Planning, Scheduling, and Controlling. (PMP and Project Management Professional are registered marks of the Project Management Institute, Inc.)

Like a Mighty Wind

New Leaf Publishing Group "When we believe the Bible as it is, we will see the power of God move in our lives and in our community as it did centuries ago in Bible times." -Mel Tari Translated into dozens of languages, with millions of copies sold, Like a Mighty Wind remains a beloved classic from global evangelist Mel Tari. Recounting the incredible story of revival on the island of Timor during 1965 in the midst of political turmoil, the book is an amazing testament to the power of faith and the reality of God's power to work miracles in modern times. The Spirit of God that swept across the island "like a mighty wind" continues today throughout Indonesia although persecution of Christians is all too common. The story of God's powerful revival in this region remains a testament to the truth of God's Word, and serves as a reminder to all believers that the Spirit of God manifests in our world now as it did in the earliest days of the Church.

Never Do Fundraising Again

A Paradigm Shift from Donors to Life-Long Partners

Createspace Independent Pub "Never Do Fundraising Again contains proven strategies and skills for building and maintaining support. It's filled with powerful stories from the author's lives and others who use the biblical principles." -- book cover.

Disciplined by Grace

This insightful and practical book demonstrates that the Christian life is to be lived the same way it began at salvation all by God's grace through faith in Jesus Christ. When first published, DISCIPLINED BY GRACE received the following endorsement from Dr. Lewis Sperry Chafer, founder of Dallas Theological Seminary: One feature in the doctrine of grace which has been so greatly neglected is the life which is to be lived unto God after one is saved by grace. . . . DISCIPLINED BY GRACE covers this ground and meets this need in a wonderful way. It should be read by every Christian. I commend it most heartily. In a formal review of DISCIPLINED BY GRACE, Dr. Chafer also wrote: Mr. Strombeck has exercised his peculiar ability to make the truth about divine grace clear and simple. Twenty-one short, crisp chapters on as many phases of this inexhaustible theme are presented. . . . Read this book carefully, and all the writings of Mr. Strombeck. This is the earnest, serious recommendation of the reviewer.

How I Became a Quant

Insights from 25 of Wall Street's Elite

John Wiley & Sons Praise for How I Became a Quant "Led by two top-notch quants, Richard R. Lindsey and Barry Schachter, How I Became a Quant details the quirky world of quantitative analysis through stories told by some of today's most successful quants. For anyone who might have thought otherwise, there are engaging personalities behind all that number crunching!" --Ira Kawaller, Kawaller & Co. and the Kawaller Fund "A fun and fascinating read. This book tells the story of how academics, physicists, mathematicians, and other scientists became professional investors managing billions." --David A. Krell, President and CEO, International Securities Exchange "How I Became a Quant should be must reading for all students with a quantitative aptitude. It provides fascinating examples of the dynamic career opportunities potentially open to anyone with the skills and passion for quantitative analysis." --Roy D. Henriksson, Chief Investment Officer, Advanced Portfolio Management "Quants"--those who design and implement mathematical models for the pricing of derivatives, assessment of risk, or prediction of market movements--are the backbone of today's investment industry. As the greater volatility of current financial markets has driven investors to seek shelter from increasing uncertainty, the quant revolution has given people the opportunity to avoid unwanted financial risk by literally trading it away, or more specifically, paying someone else to take on the unwanted risk. How I Became a Quant reveals the faces behind the quant revolution, offering you?the?chance to learn firsthand what it's like to be a?quant today. In this fascinating collection of Wall Street war stories, more than two dozen quants detail their roots, roles, and contributions, explaining what they do and how they do it, as well as outlining the sometimes unexpected paths they have followed from the halls of academia to the front lines of an investment revolution.

Funding Your Ministry

Searching and Seizing Computers and Obtaining Electronic Evidence in Criminal Investigations

Finding What Works in Health Care

Standards for Systematic Reviews

National Academies Press Healthcare decision makers in search of reliable information that compares health interventions increasingly turn to systematic reviews for the best summary of the evidence. Systematic reviews identify, select, assess, and synthesize the findings of similar but separate studies, and can help clarify what is known and not known about the potential benefits and harms of drugs, devices, and other healthcare services. Systematic reviews can be helpful for clinicians who want to integrate research findings into their daily practices, for patients to make well-informed choices about their own care, for professional medical societies and other organizations that develop clinical practice guidelines. Too often systematic reviews are of uncertain or poor quality. There are no universally accepted standards for developing systematic reviews leading to variability in how conflicts of interest and biases are handled, how evidence is appraised, and the overall scientific rigor of the process. In Finding What Works in Health Care the Institute of Medicine (IOM) recommends 21 standards for developing high-quality systematic reviews of comparative effectiveness research. The standards address the entire systematic review process from the initial steps of formulating the topic and building the review team to producing a detailed final report that synthesizes what the evidence shows and where knowledge gaps remain. Finding What Works in Health Care also proposes a framework for improving the quality of the science underpinning systematic reviews. This book will serve as a vital resource for both sponsors and producers of systematic reviews of comparative effectiveness research.

No Man is an Island

Shambhala Publications This volume is a stimulating series of spiritual reflections which will prove helpful for all struggling to find the meaning of human existence and to live the richest, fullest and noblest life. --Chicago Tribune

Asset Recovery Handbook

A Guide for Practitioners, Second Edition

World Bank Publications Developing countries lose billions each year through bribery, misappropriation of funds, and other corrupt practices. Much of the proceeds of this corruption find 'safe haven' in the world's financial centers. These criminal flows are a drain on social services and economic development programs, contributing to the impoverishment of the world's poorest countries. Many developing countries have already sought to recover stolen assets. A number of successful high-profile cases with creative international cooperation has demonstrated that asset recovery is possible. However, it is highly complex, involving coordination and collaboration with domestic agencies and ministries in multiple jurisdictions, as well as the capacity to trace and secure assets and pursue various legal options—whether criminal confiscation, non-conviction based confiscation, civil actions, or other alternatives. This process can be overwhelming for even the most experienced practitioners. It is exceptionally difficult for those working in the context of failed states, widespread corruption, or limited resources. With this in mind, the Stolen Asset Recovery (StAR) Initiative has developed and updated this Asset Recovery Handbook: A Guide for Practitioners to assist those grappling with the strategic, organizational, investigative, and legal challenges of recovering stolen assets. A practitioner-led project, the Handbook provides common approaches to recovering stolen assets located in foreign jurisdictions, identifies the challenges that practitioners are likely to encounter, and introduces good practices. It includes examples of tools that can be used by practitioners, such as sample intelligence reports, applications for court orders, and mutual legal assistance requests. StAR—the Stolen Asset Recovery Initiative—is a partnership between the World Bank Group and the United Nations Office on Drugs and Crime that supports international efforts to end safe havens for corrupt funds. StAR works with developing countries and financial centers to prevent the laundering of the proceeds of corruption and to facilitate more systematic and timely return of stolen assets.

Field Guide for SPACE

Taking SPACE is the daring, intentional act of spending extended time with God in solitude and wonder. This field guide is meant to be a companion as you fight for times of listening and remembering. Each story, quote, and scripture is meant to be a prompt. Use them as a starting point as you venture into the unknown quiet spaces where you will encounter the still, small voice of God.

Child Protective Services

A Guide for Caseworkers

From the Preface: This manual, *Child Protective Services: A Guide for Caseworkers*, examines the roles and responsibilities of child protective services (CPS) workers, who are at the forefront of every community's child protection efforts. The manual describes the basic stages of the CPS process and the steps necessary to accomplish each stage: intake, initial assessment or investigation, family assessment, case planning, service provision, evaluation of family progress, and case closure. Best practices and critical issues in casework practice are underscored throughout. The primary audience for this manual includes CPS caseworkers, supervisors, and administrators. State and local CPS agency trainers may use the manual for preservice or inservice training of CPS caseworkers, while schools of social work may add it to class reading lists to orient students to the field of child protection. In addition, other professionals and concerned community members may consult the manual for a greater understanding of the child protection process. This manual builds on the information presented in *A Coordinated Response to Child Abuse and Neglect: The Foundation for Practice*. Readers are encouraged to begin with that manual as it addresses important information on which CPS practice is based—including definitions of child maltreatment, risk factors, consequences, and the Federal and State basis for intervention. Some manuals in the series also may be of interest in understanding the roles of other professional groups in responding to child abuse and neglect, including: Substance abuse treatment providers; Domestic violence victim advocates; Educators; Law enforcement personnel. Other manuals address special issues, such as building partnerships and working with the courts on CPS cases.

Rob Roy

The Innocent Man

Murder and Injustice in a Small Town

Dell Publishing Company Presents the real-life case of Ron Williamson, a mentally ill former baseball player who was wrongfully convicted and sentenced to death for the 1982 murder of a twenty-one-year-old woman in his Oklahoma hometown.

Budgeting for a Healthy Church

Aligning Finances with Biblical Priorities for Ministry

Zondervan Many pastors conceive of the church budget as primarily a financial tool, but in fact it is primarily a pastoral tool. A church's philosophy of ministry is locked into its budget, and so the budget will either stifle or accelerate any attempts to move a congregation toward a biblical model of church health. As such, the church budget is a far more potent pastoral tool than many church leaders realize. *Budgeting for a Healthy Church* examines each section of the budget in light of Biblical principles to show how a church budget can lock in healthy approaches to ministry. Whereas most books on church budgeting are "how" books, explaining how the budgeting process should work, this is a "what" book, helping church leaders determine the pastoral implications of what they choose to fund in their budgets.

Letters on Demonology and Witchcraft

Mark's Other Gospel

Rethinking Morton Smith's Controversial Discovery

Wilfrid Laurier Univ. Press Did the evangelist Mark write two versions of his gospel? According to a letter ascribed to Clement of Alexandria, Mark created a second, more spiritual edition of his gospel for theologically advanced Christians in Alexandria. Clement's letter contains two excerpts from this lost gospel, including a remarkably different account of the raising of Lazarus. Forty-five years of cursory investigation have yielded five mutually exclusive paradigms, abundant confusion, and rumours of forgery. Strangely, one of the few things upon which most investigators agree is that the letter's own explanation of the origin and purpose of this longer gospel need not be taken seriously. *Mark's Other Gospel: Rethinking Morton Smith's Controversial Discovery* calls this pervasive bias into question. After thoroughly critiquing the five main paradigms, Scott G. Brown demonstrates that the gospel excerpts not only sound like Mark, but also employ Mark's distinctive literary techniques, deepening this gospel's theology and elucidating puzzling aspects of its narrative. This mystic gospel represents Mark's own response to the Alexandrian predilection to discover the essential truths of a philosophy beneath the literal level of revered texts.

Serving As Senders

Authentic It is plain even from Paul's own writings that other presentations of the Christian message than his own were current during his apostolic career. With some of these other presentations he is quite happy; against others he found it necessary to put his readers on their guard. In these four studies originally presented as the inaugural series of Didsbury Lectures at the British Isles Nazarene College Manchester F.F. Bruce discusses what we know about the history of non-Pauline Christianity in the first century. Judiciously drawing upon material from the whole of the New Testament he relates it to other early Christian literature in order to provide a highly readable outline of an important area. But as he warns this book does not study the literature for its own sake. Instead it focuses on the leaders of early non-Pauline Christianity with their associates from whom the literature provides indispensable evidence. The topics covered are Chapter 1 Peter and the Eleven Chapter 2 Stephen and Other

What the Bible Actually Says About Money

31 Meditations

Outreach, Incorporated (DBA Equip Press) Does God Want You to be Wealthy? It is said that the Bible has over 2000 verses about money, but does it say you are out of God's will if you are not wealthy? Most of us have strong opinions about money, but let's admit our opinions originated from parents, church or our common sense. Rarely do we study Bible verses on money. For your spiritual growth, you owe it to yourself to take a few minutes each day for a month and discover first-hand what the Bible actually teaches about money. So let's start with 31 verses—not 2000. Fasten your seatbelt and enjoy the ride! "31 Meditations gives biblical answers to the financial questions no one talks about. Scott Morton brings fresh insight to scriptures I've read dozens of times." --Colorado Ministry Practitioner Scott Morton is The Navigators' International Funding Coach. He has served in collegiate ministry, metro ministry, as Director of Staff Funding, as U.S. Vice President of Development. As International Funding Coach, he trains international ministry leaders and mentors young business-people.

The Hawk That Dare Not Hunt by Day

BJU Press Amid political turmoil and threats of plague, young Tom Barton accepts the risks of helping William Tyndale publish and smuggle into England the Bible he has translated into English.

What Universities Owe Democracy

JHU Press "This book identifies four distinct functions of American higher education that colleges and universities have acquired over the past two hundred years and that are integral to liberal democracy: social mobility, citizenship education, the discovery and communication of knowledge, and the cultivation of a pluralistic society. Each chapter takes up one of these functions to analyze and assess"--

Daring to Live on the Edge

The Adventure of Faith and Finances

YWAM Publishing "Loren Cunningham's dream began with a vision--waves of young people moving out across the continents announcing the Good News of Jesus Christ. Decades later, Loren's vision has grown into an interdenominational movement of Christians from around the world who are dedicated to presenting the gospel to this generation. Loren speaks and teaches internationally, and his missionary travels have taken him to every nation on earth. Loren Cunningham illustrates that trusting God in every area, including finances, is not just for those Christians called into "full-time" ministry. Every Christian, regardless of vocation, can enter into the adventure of living by faith by firmly committing to obey God's will. A Christian who has experienced God's provision will be spoiled for the ordinary.

Deceived by Shame, Desired by God

Navpress Publishing Group Learn how the healing love of God can bring good out of your darkest, most shameful secrets.

Married for God

Making Your Marriage the Best It Can Be

Crossway A Good Marriage Begins with God. It is our natural tendency to seek personal happiness and satisfaction in marriage. We often give our own needs, wants, and goals first priority. But what is God's design for our marriages? With clarity and conviction, Christopher Ash turns us away from marriage for ourselves and toward marriage in the service of God. With practical applications for everyday life, Ash shows us God's purposes and patterns for every part of the marriage relationship. By realigning our hopes, expectations, and goals for marriage according to the Bible, we will discover the deep joy and lasting fulfillment that comes from a God-centered marriage.

Troopships of World War II

"This book contains authentic photographs and salient facts covering 358 troopships used in World War II. In addition, other vessels of miscellaneous character, including Victory and Liberty type temporary conversions for returning troops, are listed in the appendices ..."--Pref.

When Money Goes on Mission

Fundraising and Giving in the 21st Century

Moody Publishers Build high-trust ministry partnerships that are effective and joy-filled We've all seen fundraising and giving done poorly, but how do we get it right? Rob Martin was a grant maker for over twenty years and has been in and around the world of funding for a long time. He shares all that he's learned about fundraising and giving in today's world, the do's and don't, and how it can be a mutual blessing to all parties involved. He will teach you: how the paradigm of giving is changing in the 21st century how to craft a vision that donors will hear and appreciate how to build strong, successful relationships between donors and fundraisers This is an essential read for any Christian who gives or receives money. Ministry partnerships can be robust relationships that bring immense joy and remind us of our unity in Christ; this book will show you how.
