KEY=MYTH - RAFAEL GRIFFITH

Kung Fu Cult Masters Wallflower Press Chinese Martial Arts films have captured audiences' imaginations around the world. In this wide-ranging study, Hunt looks at the mythic allure of the Shaolin Temple, the 'Clones' of Bruce Lee, gender-bending swordswomen, and the knockabout comedy of Sammo Hung, bringing new insights to a hugely popular and yet critically neglected genre. 12 photos.

Spinegrinder The Movies Most Critics Won't Write About SCB Distributors First came video and more recently high definition home entertainment, through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available, today's fan of horror and exploitation movies isn't necessarily educated on paths well-trodden — Universal classics, 1950s monster movies, Hammer — as once they were. They may not even be born and bred on DAWN OF THE DEAD. In fact, anyone with a bit of technical savvy (quickly becoming second nature for the born-clicking generation) may be viewing MYSTICS IN BALI and S.S. EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H.G. Lewis, so-called "godfather of gore," carries the same stripes as Alfred Hitchcock, "master of suspense." SPINEGRINDER is one man's ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema, of a sort that most critics won't care to write about. One opinion; 8,000 reviews (or thereabouts).

Bruce Lee 94 Success Facts - Everything You Need to Know about Bruce Lee Emereo Publishing This Bruce Lee Biography Takes It One Step Further. This book is your ultimate resource for Bruce Lee. The genre, however, can be very confusing: films often have several titles, and many of the stars have more than one pseudonym. In an effort to clarify some of the confusion, the authors have included all the information available to them on almost 3,300 films. Each entry includes a listing of the production company, the cast and crew, distributors, running times, reviews with star ratings whenever possible, and alternate film titles. A list of film series and one of the stars' pseudonyms, in addition to a 7,900 name index, are also included. Illustrated. **Mythologies of Martial Arts** [Rowman & Littlefield](#) Mythologies of Martial Arts is an introduction to the key myths and ideologies around martial arts in contemporary popular culture internationally. It is the first book to draw together practical experience and seminal texts across a multitude of disciplines to offer original insights into the complex, contradictory world of martial arts. It is an accessible but theoretically sophisticated book aimed at student, scholars and anyone interested in martial arts practice. **The Whitewash** [Univ. of Queensland Press](#) It sounded like a good idea at the time: A Hollywood

spy thriller, starring, for the first time in history, an Asian male lead. With an estimated \$350 million production budget and up-and-coming Hong Kong actor JK Jr, who, let's be honest, is not the sharpest tool in the shed, but probably the hottest, *Brood Empire* was basically a sure thing. Until it wasn't. So how did it all fall apart? There were smart guys involved. So smart, so woke. So woke it hurts. There was top-notch talent across the board and the financial backing of a heavyweight Chinese studio. And yet, *Brood Empire* is remembered now not as a historical landmark of Asian representation that smashed the bamboo ceiling in Hollywood, but rather as a fiasco of seismic proportions. *The Whitewash* is the definitive oral history of the whole sordid mess. Unofficial. Unmasked for. Only intermittently fact-checked, and featuring a fool's gallery of actors, producers, directors, film historians and scummy click-bait journalists, to answer the question of how it all went so horribly, horribly wrong. **Bruce Lee A Life** Simon & Schuster "The first noteworthy treatment of its subject—and a definitive one at that...Fascinating narrative threads proliferate" (The New York Times Book Review). The most authoritative biography—featuring dozens of rarely seen photographs—of film legend Bruce Lee, who made martial arts a global phenomenon, bridged the divide between Eastern and Western cultures, and smashed long-held stereotypes of Asians and Asian-Americans. Forty-five years after Bruce Lee's sudden death at age thirty-two, journalist and bestselling author Matthew Polly has written the definitive account of Lee's life. It's also one of the only accounts; incredibly, there has never been an authoritative biography of Lee. Following a decade of research that included conducting more than one hundred interviews with Lee's family, friends, business associates, and even the actress in whose bed Lee died, Polly has constructed a complex, humane portrait of the icon. Polly explores Lee's early years as a child star in Hong Kong cinema; his actor father's struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up; his beginnings as a martial arts teacher, eventually becoming personal instructor to movie stars like James Coburn and Steve McQueen; his struggles as an Asian-American actor in Hollywood and frustration seeing role after role he auditioned for go to a white actors in eye makeup; his eventual triumph as a leading man; his challenges juggling a sky-rocketing career with his duties as a father and husband; and his shocking end that to this day is still shrouded in mystery. Polly breaks down the myths surrounding Bruce Lee and argues that, contrary to popular belief, he was an ambitious actor who was obsessed with the martial arts—not a kung-fu guru who just so happened to make a couple of movies. This is an honest, revealing look at an impressive yet imperfect man whose personal story was even more entertaining and inspiring than any fictional role he played onscreen. **AsiaPacifiQueer Rethinking Genders and Sexualities** University of Illinois Press This interdisciplinary collection examines the shaping of local sexual cultures in the Asian Pacific region in order to move beyond definitions and understandings of sexuality that rely on Western assumptions. The diverse studies in *AsiaPacifiQueer* demonstrate convincingly that in the realm of sexualities, globalization results in creative and cultural admixture rather than a unilateral imposition of the western values and forms of sexual culture. These essays range across the Pacific Rim and encompass a variety of forms of social, cultural, and personal expression, examining sexuality through music,

cinema, the media, shifts in popular rhetoric, comics and magazines, and historical studies. By investigating complex processes of localization, interregional borrowing, and hybridization, the contributors underscore the mutual transformation of gender and sexuality in both Asian Pacific and Western cultures. Contributors are Ronald Baytan, J. Neil C. Garcia, Kam Yip Lo Lucetta, Song Hwee Lim, J. Darren Mackintosh, Claire Maree, Jin-Hyung Park, Teri Silvio, Megan Sinnott, Yik Koon Teh, Carmen Ka Man Tong, James Welker, Heather Worth, and Audrey Yue. **The Myth of the Lost Cause Why the South Fought the Civil War and Why the North Won** Simon and Schuster *History isn't always written by the winners... Twenty-first-century controversies over Confederate monuments attest to the enduring significance of our nineteenth-century Civil War. As Lincoln knew, the meaning of America itself depends on how we understand that fratricidal struggle. As soon as the Army of Northern Virginia laid down its arms at Appomattox, a group of Confederate officers took up their pens to refight the war for the history books. They composed a new narrative—the Myth of the Lost Cause—seeking to ennoble the sacrifice and defeat of the South, which popular historians in the twentieth century would perpetuate. Unfortunately, that myth would distort the historical imagination of Americans, north and south, for 150 years. In this balanced and compelling correction of the historical record, Edward Bonekemper helps us understand the Myth of the Lost Cause and its effect on the social and political controversies that are still important to all Americans.* **Straitjacket Sexualities Unbinding Asian American Manhoods in the Movies** Stanford University Press *Depictions of Asian American men as effeminate or asexual pervade popular movies. Hollywood has made clear that Asian American men lack the qualities inherent to the heroic heterosexual male. This restricting, circumscribed vision of masculinity—a straitjacketing, according to author Celine Parreñas Shimizu—aggravates Asian American male sexual problems both on and off screen. Straitjacket Sexualities: Unbinding Asian American Manhoods in the Movies looks to cinematic history to reveal the dynamic ways Asian American men, from Bruce Lee to Long Duk Dong, create and claim a variety of masculinities. Representations of love, romance, desire, and lovemaking show how Asian American men fashion manhoods that negotiate the dynamics of self and other, expanding our ideas of sexuality. The unique ways in which Asian American men express intimacy is powerfully represented onscreen, offering distinct portraits of individuals struggling with group identities. Rejecting "macho" men, these movies stake Asian American manhood on the notion of caring for, rather than dominating, others. Straitjacket Sexualities identifies a number of moments in the movies wherein masculinity is figured anew. By looking at intimate relations on screen, power as sexual prowess and brute masculinity is redefined, giving primacy to the diverse ways Asian American men experience complex, ambiguous, and ambivalent genders and sexualities.* **Bruce Lee A Life** 'For anyone interested in Lee's legacy, this is a roundhouse kick of a biography' - *The Sunday Times* 'At last, Bruce Lee has the powerful biography he deserves... It will thrill Lee's fans and fascinate the unfamiliar' - Jonathan Eig, author of *Ali: A Life and Luckiest Man: The Life and Death of Lou Gehrig* 'Meticulously researched' - Jimmy McDonough, author of *Shakey: Neil Young's Biography* and *Soul Survivor: A Biography of Al Green* 'You won't find a better match for a biographer with his subject than Matthew Polly and Bruce Lee... A definitive biography, told

with passion and punch' - Brian Jay Jones, author George Lucas: A Life and Jim Henson: The Biography. More than forty years after Bruce Lee's sudden death at age 32, journalist and author Matthew Polly has written the definitive account of Lee's life. It's also one of the only accounts; incredibly, there has never been an authoritative biography of Lee. Following a decade of research that included conducting more than one hundred interviews with Lee's family, friends, business associates and even the mistress in whose bed Lee died, Polly has constructed a complex, humane portrait of the icon. There are his early years as a child star in Hong Kong cinema; his actor father's struggles with opium addiction and how that turned Bruce into a troublemaking teenager who was kicked out of high school and eventually sent to America to shape up; his beginnings as a martial arts teacher, eventually becoming personal instructor to movie stars like Steve McQueen; his struggles as an Asian-American actor in Hollywood and frustration seeing role after role he auditioned for go to a white actors in eye makeup; his eventual triumph as a leading man; his challenges juggling a sky-rocketing career with his duties as a father and husband; and his shocking end that to this day is still shrouded in mystery. Polly breaks down the myth of Bruce Lee and argues that, contrary to popular belief, he was an ambitious actor who was obsessed with martial arts--not a great kung-fu master who just so happened to make a couple of movies. The book offers an honest look at an impressive yet flawed man whose personal story was even more entertaining and inspiring than any fictional role he played on-screen. Praise for Matthew Polly 'Hypnotic...Tapped Out manages to humanize a sport once demonized as "human cockfighting" by deconstructing the stereotype of the martial-arts tough guy.' - The New York Times 'Tapped Out is a knockout for MMA fans, who will laugh at the intimate portraits Polly sketches of some of the sport's most famous personalities. But it also works for those not familiar with the sport...You won't be disappointed.' - OpposingViews.com 'A delight to read.' - TheFightNerd.com 'Polly's self-deprecation in the painful learning process stands out as much as the witty prose. His delivery is Plimpton-esque.' - ESPN.com 'Smoothly written . . . Polly has a good eye for characters.' - Publishers Weekly

Chinese Martial Arts and Media Culture Global Perspectives Rowman & Littlefield Signs and images of the Chinese martial arts genre are increasingly included in the media of global popular culture. As tropes of martial arts are not restricted to what is constructed as one medium, one region, or one (sub)genre, neither are the essays in this collection.

Historical Dictionary of Hong Kong Cinema Rowman & Littlefield Publishers Hong Kong cinema began attracting international attention in the 1980s. By the early 1990s, Hong Kong had become "Hollywood East" as its film industry rose to first in the world in per capita production, was ranked second to the United States in the number of films it exported, and stood third in the world in the number of films produced per year behind the United States and India. This second edition of Historical Dictionary of Hong Kong Cinema contains a chronology, an introduction, and an extensive bibliography. The dictionary section has over 600 cross-referenced entries on directors, producers, writers, actors, films, film companies, genres, and terminology. This book is an excellent resource for students, researchers, and anyone wanting to know more about Hong Kong cinema. **Black Belt** The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them

with information about every style of self-defense in the world - including techniques and strategies. In addition, Black Belt produces and markets over 75 martial arts-oriented books and videos including many about the works of Bruce Lee, the best-known martial arts figure in the world. **Hong Kong Documentary Film** Edinburgh University Press Described as the 'lost genre', the tradition of documentary film making in Hong Kong is far less known than its martial arts films. However documentary film has always existed in Hong Kong and often trenchantly represents its troubled relationship to itself, China and the west. Including the period of colonial film-making, the high points of television documentary and the tradition of independent documentary film-making, this book is the first to present a comprehensive study of this lost genre. It explores the role of public-service television (including representations of the massacre at Tiananmen Square) and presents critical analysis of key films. Based on original archival research, it will be an invaluable resource for students and academics who work in the fields of film studies, colonial studies and Hong Kong cinema. **Collective Myths and Decivilizing Processes** LIT Verlag Münster Collective myths shape and frame contemporary communication processes as well as the collective subconscious. International contributors from the humanities and social sciences focus on interdependencies between collective myths and decivilizing processes in China and the United States, global economics, and recent technological advances. They highlight long-term de-/civilizing processes also for the globally important survival units India and Turkey, and the violently contested border areas of Afghanistan and Pakistan. **Films of Fury The Kung Fu Movie Book** Eirini Press From Bruce Lee to James Bond, Jackie Chan to Jet Li, Enter the Dragon to Kung Fu Panda, kung fu films remain a thrilling part of movie-lovers' lives. Now the acknowledged pioneer in the genre presents his magnum opus on the subject, incorporating information and revelations never before seen in America. From the ancient Peking Opera origins to its superhero-powered future, Ric Meyers reveals the loony, the legendary, and everything in between. This vivid, action-packed book may delight, surprise, fascinate, and even enlighten you with a personal V.I.P. tour through the wondrous world of the most ridiculously exhilarating movies ever made. **Bruce Lee - Unabridged Guide** Tebbo Complete, Unabridged Guide to Bruce Lee. Get the information you need--fast! This comprehensive guide offers a thorough view of key knowledge and detailed insight. It's all you need. Here's part of the content - you would like to know it all? Delve into this book today!..... : Bruce Lee (traditional : 李小龍) (born Lee Jun-fan; 27 November 1940 - 20 July 1973) was a Hong Kongese actor, martial arts instructor, philosopher, film director, film producer, screenwriter, founder of Jeet Kune Do, and the son of Cantonese opera star Lee Hoi-Chuen. ...He is noted for his roles in five feature-length films: Lo Wei's *The Big Boss* (1971) and *Fist of Fury* (1972); *Way of the Dragon* (1972), directed and written by Lee; Warner Brothers' *Enter the Dragon* (1973) and *The Game of Death* (1978), both directed by Robert Clouse. ... After a year into his Wing Chun training, most of Yip Man's other students refused to train with Lee after they learnt of his ancestry (his mother was half Chinese and half Caucasian) as the Chinese generally were against teaching their martial arts techniques to non-Asians. ...Lee felt the system he now called Jun Fan Gung Fu was even too restrictive, and eventually evolved into a philosophy and martial art he would come to call Jeet Kune Do or the Way of the Intercepting Fist. There

is absolutely nothing that isn't thoroughly covered in the book. It is straightforward, and does an excellent job of explaining all about Bruce Lee in key topics and material. There is no reason to invest in any other materials to learn about Bruce Lee. You'll understand it all. *Inside the Guide: Bruce Lee*, Ed Parker, *Eclecticism*, *Dragon: The Bruce Lee Story* (video game), *Dragon: The Bruce Lee Story*, Donnie Yen, Donald Teare, David Carradine, Dan Inosanto, *Culture of Hong Kong*, Cultural icon, *Crunch* (exercise), *Colosseum*, *Cinema of Hong Kong*, Chuck Norris, Choy Li Fut, Chinese martial arts, *Chinese Gung-Fu: The Philosophical Art of Self Defense*, Chinatown, Oakland, Cheng Chao-an, Chen Zhen (fictional character), *Bruceploitation*, Bruce Lee statue in Hong Kong, Bruce Lee filmography, *Bruce Lee Lives*, *Bruce Lee Library*, *Bruce Lee* (video game), *Bruce Lee* (comics), *Bruce Lee: The Man Only I Knew*, *Bruce Lee: The Man*, *The Myth*, *Bruce Lee: Return of the Legend*, *Bruce Lee: Quest of the Dragon*, *Bruce Lee: A Warrior's Journey*, *Bruce Lee*, *My Brother*, *Bruce Lee's Fighting Method*, Brandon Lee, Bolo Yeung, *Black Belt* (magazine), *Avenue of Stars*, Hong Kong **100**

Entertainers Who Changed America: An Encyclopedia of Pop Culture Luminaries [2 volumes] **An Encyclopedia of Pop Culture Luminaries** [ABC-CLIO](#) This fascinating and thought-provoking read challenges readers to consider entertainers and entertainment in new ways, and highlights figures from outside the worlds of film, television, and music as influential "pop stars."

Striking Distance Bruce Lee and the Dawn of Martial Arts in America [University of Nebraska Press](#) In the spring of 1959, eighteen-year-old Bruce Lee returned to San Francisco, the city of his birth. Although the martial arts were widely unknown in America, Bruce encountered a robust fight culture in the Bay Area, populated with talented and trailblazing practitioners such as Lau Bun, Chinatown's aging kung fu patriarch; Wally Jay, the innovative Hawaiian jujitsu master; and James Lee, the Oakland street fighter. Regarded by some as a brash loudmouth and by others as a dynamic visionary, Bruce spent his first few years back in America advocating for a modern approach to the martial arts, and showing little regard for the damaged egos left in his wake. The year of 1964 would be an eventful one for Bruce, in which he would broadcast his dissenting worldview before the first great international martial arts gathering, and then defend it by facing down Wong Jack Man—Chinatown's young kung fu ace—in a legendary behind-closed-doors showdown. These events were a catalyst to the dawn of martial arts in America and a prelude to an icon. Based on over one hundred original interviews, *Striking Distance* chronicles Bruce Lee's formative days amid the heated martial arts proving ground that thrived on San Francisco Bay in the early 1960s.

Chinese Film Stars [Routledge](#) This volume of original essays fills a significant research gap in Chinese film studies by offering an interdisciplinary, comparative examination of ethnic Chinese film stars from the silent period to the era of globalization. Whereas studies of stars and stardom have developed considerably in the West over the past two decades, there is no single book in English that critically addresses issues related to stars and stardom in Chinese culture. *Chinese Film Stars* offers exemplary readings of historically, geographically and aesthetically multifaceted star phenomena. An international line up of contributors test a variety of approaches in making sense of discourses of stars and stardom in China and the US, explore historical contexts in which Chinese film stars are constructed and transformed in

relation to changing sociopolitical conditions, and consider issues of performance and identity specific to individual stars through chapter-by-chapter case studies. The essays explore a wide range of topics such as star performance, character type, media construction, political propaganda, online discourses, autobiographic narration, as well as issues of gender, genre, memory and identity. Including fifteen case studies of individual Chinese stars and illustrated with film stills throughout, this book is an essential read for students of Chinese film, media and cultural studies. **A Companion to Hong Kong Cinema** [John Wiley & Sons](#) A Companion to Hong Kong Cinema provides the first comprehensive scholarly exploration of this unique global cinema. By embracing the interdisciplinary approach of contemporary film and cultural studies, this collection navigates theoretical debates while charting a new course for future research in Hong Kong film. Examines Hong Kong cinema within an interdisciplinary context, drawing connections between media, gender, and Asian studies, Asian regional studies, Chinese language and cultural studies, global studies, and critical theory Highlights the often contentious debates that shape current thinking about film as a medium and its possible future Investigates how changing research on gender, the body, and sexual orientation alter the ways in which we analyze sexual difference in Hong Kong cinema Charts how developments in theories of colonialism, postcolonialism, globalization, neoliberalism, Orientalism, and nationalism transform our understanding of the economics and politics of the Hong Kong film industry Explores how the concepts of diaspora, nostalgia, exile, and trauma offer opportunities to rethink accepted ways of understanding Hong Kong's popular cinematic genres and stars **SPIN** From the concert stage to the dressing room, from the recording studio to the digital realm, SPIN surveys the modern musical landscape and the culture around it with authoritative reporting, provocative interviews, and a discerning critical ear. With dynamic photography, bold graphic design, and informed irreverence, the pages of SPIN pulsate with the energy of today's most innovative sounds. Whether covering what's new or what's next, SPIN is your monthly VIP pass to all that rocks. **Black Belt** The oldest and most respected martial arts title in the industry, this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self-defense in the world - including techniques and strategies. In addition, Black Belt produces and markets over 75 martial arts-oriented books and videos including many about the works of Bruce Lee, the best-known martial arts figure in the world. **Man At The Cross** [Xlibris Corporation](#) MAN AT THE CROSS seeks simply to awaken the feminine intuitive side of the human race which seems to be dormant in our male-dominated society because it comes to the conclusion that if we are to learn lessons from the past in order to affect much needed change, looking at the structure of ancient societies that were peaceful and in harmony with God and nature, it was the woman who was at the head. And if she was not at the head she had equal power in these societies. This book does this through an honest soul-searching approach to looking at our past history. It is prophetic, profound and insightful in its reach from the United States, Europe, the Caribbean and everywhere else in between. The reader is sure to be engaged as the author moves naturally to and from the voice of a layman to prophetic wisdom as Reverend speaking here from this pulpit which compels all to listen and pay attention. **Bruce Lee Fighting Spirit** [Pan Macmillan](#)

'This belting read pulls off the nifty trick of making the kung fu legend's spiritual and combat ideas accessible' Maxim 'Truly gets under the skin of this iconic figure' Film Review In the 1970s Bruce Lee emerged as the world's greatest fighting star - an accolade he has kept ever since. He battled to succeed in America in spite of the racial prejudice that denied him a starring role, eventually making films in Hong Kong that turned him into a star - the highest-paid movie star of his day. His controversial death, at the age of thirty-two when he was at the height of his powers, has given him a James-Dean style enduring appeal. In *Bruce Lee - Fighting Spirit*, Bruce Thomas has written a complete account not only of Lee's life and death, but of the fighting philosophy he developed (jeet kune do) which made him the greatest exponent of martial arts in modern times. In this updated edition he reassesses Lee's skills and examines the enduring impact of his legacy - on action films and martial arts today. As an icon Bruce Lee's popularity continues to grow and this book is a fitting tribute to an extraordinary man whose achievements have never been surpassed. 'An endlessly stimulating account of Lee's life and times' Loaded **Bruce Lee's Fighting Method Advanced Techniques** Black Belt Communications Part of the Bruce Lee's Fighting Method series, this book teaches how to perform jeet kune do's devastating strikes and exploit an opponent's weaknesses with crafty counterattacks like finger jabs and spin kicks. **Hong Kong Cinema The Extra Dimensions** Bloomsbury Publishing This is the first full-length English-language study of one of the world's most exciting and innovative cinemas. Covering a period from 1909 to 'the end of Hong Kong cinema' in the present day, this book features information about the films, the studios, the personalities and the contexts that have shaped a cinema famous for its energy and style. It includes studies of the films of King Hu, Bruce Lee and Jackie Chan, as well as those of John Woo and the directors of the various 'New Waves'. Stephen Teo explores this cinema from both Western and Chinese perspectives and encompasses genres ranging from melodrama to martial arts, 'kung fu', fantasy and horror movies, as well as the international art-house successes. **Awesome Asian Americans 20 Stars Who Made America Amazing** Immedium Enjoy the best children's anthology of noteworthy Asian Americans. This compelling collection features 20 profiles with 60 action-packed, color illustrations. It's about time - rebel girls, rad women, little leaders, and great guys are Asian American too! Readers will enjoy learning about 20 groundbreaking citizens who have contributed to the USA. - Dwayne "The Rock" Johnson (actor) - Bruce Lee (martial artist) - Mindy Kaling (comedy writer) - Jeremy Lin (basketball player) - Lea Salonga (singer) - Steven Chu (Nobel prize winning physicist) - Yuri Kochiyama (activist) - Sammy Lee (Olympic diver) - Helen Zia (journalist) - Tyrus Wong (artist) - Chrissy Teigen (model/entrepreneur) - David Chang (chef) - Satya Nadella (Microsoft CEO) - Dr. Jane Luu (astronomer) - Daniel K. Inouye (senator/soldier) - Dolly Gee (lawyer/judge) - Shahid Khan (business owner) - Victoria Manolo Draves (Olympic diver) - Sono Osato (dancer) - Flossie Wong-Staal (scientist) These profiles of compelling personalities, men and women from diverse backgrounds and vocations, are brought to life with fantastic color illustrations. Immigrants and their children continue to enrich America's culture. Discover important chapters of U.S. history not covered in school textbooks, and the marvelous accomplishments of these trailblazers. Challenged by racism, prejudice, and stereotypes, these pioneers forged ahead and became

role models for generations to come. Parents and children will enjoy learning about these compelling personalities. These captivating chapters make great reading for any hour, from book reports to bedtime stories. Teachers and librarians will use this contemporary collection as a relevant resource and an accessible reference. Artist Juan Calle's 60 dynamic color illustrations bring these fascinating and informative portraits to life. "I really enjoyed your book, a great mix of Asian-Americans from different fields and countries, with many types of stories that should inspire young readers. I learned a lot! - Milton Chen, Senior Fellow, George Lucas Educational Foundation

Asian Cinemas A Reader and Guide [University of Hawaii Press](#) Asian cinema is an area of increasing interest in Anglo-US film studies while Asian films are now widely distributed and popular with western audiences. The fascination with Asian cinema must be examined in the context of a complex and often problematic relationship between western scholars, students, viewers and Asian films. This book, therefore, examines a number of detailed case studies (such as the films of Ozu, Bruce Lee, Hong Kong and Turkish cinema, Hindi melodramas, Godzilla films, Taiwanese directors and Fifth Generation Chinese cinema) and uses them in order to investigate the limitations of Anglo-US theoretical models and critical paradigms. By engaging the readers with familiar areas of critical discourse (such as postcolonial criticism, 'national cinema', 'genre', 'authorship' and 'stardom') the book aims to introduce within such contexts the 'unfamiliar' case studies which will be explored in depth and detail. The advantage of such an approach is that it works with the dynamics of familiarity/unfamiliarity and resists the temptation to construct Asian cinemas as a gallery of exotic objects that might be particularly fascinating but remain deeply distant and foreign. Book jacket.

Bowker's Complete Video Directory 50 Martial Arts Myths [new media entertainment ltd](#) Presents and refutes various myths about the martial arts and gives detailed information about the various disciplines for martial arts teachers, students, and enthusiasts.

Time Out Film Guide [Penguin Group](#) This guide covers every aspect of world cinema from Russian silents to Ealing comedies, classic documentaries to Japanese animated films, B-movie horror and major British and American releases since 1968. More than 660 new reviews are included in the 2002 edition, which covers the 2000/2001 Oscar and Bafta awards, prizes from the Berlin, Cannes and Venice festivals and a discussion of the topic Home entertainment: where are we now? The guide also includes the cinema centenary and Time Out readers' Top One Hundred polls.

Paperback Oxford English Dictionary [Oxford University Press](#) This fully updated edition offers over 120,000 words, phrases, and definitions. It covers all the words you need for everyday use, carefully selected from the evidence of the Oxford English Corpus, a databank of 21st century English, containing over 2 billion words. The Factfinder centre section gives quick-reference entries on topics including famous people, countries, and science. Includes 3 months' access to Oxford Dictionaries Pro at [oxforddictionaries.com](#).

Bruce Lee: The Man Only I Knew Bruce Lee Artist of Life Inspiration and Insights from the World's Greatest Martial Artist [Tuttle Publishing](#) "Bruce Lee was known as an amazing martial artist, but he was also a profound thinker. He left behind seven volumes of writing on everything from quantum physics to philosophy." — John Blake, CNN Named one of TIME magazine's "100 Greatest Men of the Century," Bruce Lee's impact and influence has only grown since his untimely death in 1973.

Part of the seven-volume Bruce Lee Library, this installment of the famed martial artist's private notebooks allows his legions of fans to learn more about the man whose groundbreaking action films and martial arts training methods sparked a worldwide interest in the Asian martial arts. Bruce Lee Artist of Life explores the development of Lee's thoughts about Gung Fu (Kung Fu), philosophy, psychology, poetry, Jeet Kune Do, acting, and self-knowledge. Edited by John Little, a leading authority on Lee's life and work, the book includes a selection of letters that eloquently demonstrate how Lee incorporated his thought into actions and provided advice to others. Although Lee rose to stardom through his physical prowess and practice of jeet kune do—the system of fighting he founded—Lee was also a voracious and engaged reader who wrote extensively, synthesizing Eastern and Western thought into a unique personal philosophy of self-discovery. Martial arts practitioners and fans alike eagerly anticipate each new volume of the Library and its trove of rare letters, essays, and poems for the light it sheds on this legendary figure. This book is part of the Bruce Lee Library, which also features: Bruce Lee: Striking Thoughts Bruce Lee: The Celebrated Life of the Golden Dragon Bruce Lee: The Tao of Gung Fu Bruce Lee: Letters of the Dragon Bruce Lee: The Art of Expressing the Human Body Bruce Lee: Jeet Kune Do **Remembering Bruce The Enduring Legend of the Martial Arts Superstar** The world was electrified in 1973 when Enter the Dragon was released. Western audiences had never seen a screen hero with such charisma, on screen presence and athletic grace. Sadly, its star, Bruce Lee, died three weeks before its release -- yet, on the basis of Enter the Dragon and four other Hong Kong productions, Bruce Lee has become an immortal icon, a man with a following that reaches every corner of the globe with an almost religious fervor. What is it about Bruce Lee that captures the attention of so many? Remembering Bruce reveals the real Bruce Lee, a passionate man whose martial arts skill and philosophical teachings have attracted generations to his message. More than an actor, Bruce Lee was a teacher who inspired countless people to honestly express themselves and become better human beings. Remembering Bruce examines Lee's legacy not just as a star and martial artist, but as a teacher and motivator. Each chapter explores a different side of Bruce Lee: -- A martial artist whose almost superhuman abilities transformed the sport -- A movie star, the first international Asian star (and his complete filmography) -- The philosopher, and the source of his values, beliefs and discipline -- The family man, devoted husband and father -- His legend, and information on the new Bruce Lee Historical Society -- The legacy, including college courses taught on his philosophical concepts. Of the many books on Bruce Lee, most deal with the mechanics of his art or are repetitive biographies. Remembering Bruce is special. Written by an educated fan who is also a martial artist, Remembering Bruce unveils the truth behind the Bruce Lee myth: that Bruce Lee was much more than a chop-socky actor -- indeed, that he was an innovative thinker, a great mind of his time whose legacy will endure. **Videohound's Golden Movie Retriever, 1993** The people have spoken--and it's thumbs-up for Video Hound! With 21,000 videos reviewed and rated, this is "the best darn video-movie guide there is". (The Niagara Gazette). Used as the database of choice for Blockbuster Video's new "Movie Guide". **International Dictionary of Films and Filmmakers: Actors and actresses** Saint James Press Contains over two thousand entries, arranged alphabetically within four volumes, that

provide information about significant films, actors and actresses, directors, and writers and production artists in North American, British, and West European cinematic history. Includes photographs and indexes.
