## Norwegian Wood

**Vintage** A magnificent coming-of-age story steeped in nostalgia, Norwegian Wood blends the music, the mood, and the ethos that were the sixties with a young man's hopeless and heroic first love. Toru, a serious young college student in Tokyo, is devoted to Naoko, a beautiful and introspective young woman, but their mutual passion is marked by the tragic death of their best friend years before. As Naoko retreats further into her own world, Toru finds himself drawn to a fiercely independent and sexually liberated young woman. Stunning and elegiac, Norwegian Wood first propelled Haruki Murakami into the forefront of the literary scene.

# News of Norway

## Conversational Norwegian Quick and Easy

### The Most Innovative Technique to Learn the Norwegian Language

**Yatir Nitzany** Have you always wanted to learn how to speak Norwegian but simply didn't have the time? Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If your desire is to learn complicated grammatical rules or to speak perfectly proper and precise Norwegian, this book is not for you. However, if you need to actually hold a conversation while on a trip to Norway, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc., can come later. This is one of the several, in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses its unique language technology to actually enable you to speak and understand native speakers in the shortest amount of time possible. No more depending on volumes of books of fundamental, beginner, intermediate, and advanced levels, all with hundreds of pages in order to learn a language. With *Conversational Norwegian Quick and Easy*, all you need are forty-six pages. Learn Norwegian today, not tomorrow, and get started now!

## Following God One Yes at a Time Overcoming the 6 Barriers That Hold You Back

**Harvest House Publishers** Everyone experiences dry times in their spiritual lives. Noted speaker Connie Cavanaugh offers a wealth of insights to help believers find Jesus' living water during desert times. Connie shares five obstacles that hinder faith

and then provides action steps readers can take to reestablish a vibrant relationship with God so that... when doubt strikes, they can use biblical truths to keep their faith strong. when they feel out of touch, they'll know how to say yes to God and persevere. when they feel inadequate, they can be sure God believes in them. when they believe they've failed, they can be confident God will redeem their efforts. when they slip from "fearing God" to being afraid, they will know God loves them and will help them. Offering strong encouragement, Following God One Yes at a Time gives readers what they need to triumph through Jesus Christ.

## Moon Norway

Savor sustainable salmon at Michelin-starred restaurants, taste farm-to-table delicacies, or mingle with the locals at a neighborhood pub. See the impressive restored vessels at the Viking Ship Museum or trek to the best spots to see the mystical aurora borealis dance across the sky Discover the real Norway with expert insight from Norwegian transplant David Nikel Full-color photos and detailed maps throughout Helpful tools including a Norwegian phrasebook, packing suggestions, and travel tips for international visitors, families with kids, seniors and LGBTQ+ travelers Detailed background on the landscape, climate, wildlife, and culture With Moon Norway's practical tips and local insight, you can experience the best of Norway. Exploring more of Northern Europe? Try Moon Copenhagen & Beyond or Moon Iceland.

## Norway Wasn't Too Small

### A Fact-Based Novel about Darkness and Survival

**Rowman & Littlefield** Norway didn't have many Jews—but it had enough to attract Hitler's attention. It's 1940 in Norway, and one Jewish family would rather be thinking of anything else. Budding artist Rebekka Davidson sketches the soldiers filling the school and streets, while her cousin Harald Rosenberg learns that he'd rather read about Hitler's politics than experience them. Talented musician Ingrid Rosenberg prepares to go to her dream school while experiencing the wonders of first love—with the nephew of the leader of the local Nazis. Together, the family will do whatever it takes to return to normal life...but will it be enough? By the end of the

war, Norway had lost a higher percentage of its Jews than almost any other country in Europe. This story, inspired by the author's own experience growing up Jewish in 1940s Norway, brings readers both young and old into the touching struggles of one incredible family. Norway wasn't too small for Hitler, and for some families, it was everything.

Testing the Spoken English of Young Norwegians

A Study of Testing Validity and the Role of Smallwords in Contributing

## to Pupils' Fluency

**Cambridge University Press** This book reports on a two-part study: the validation of a test of spoken English for Norwegian secondary school pupils and the corpus-based investigation of the role played by 'smallwords', such as 'well', 'sort of', and 'you know', in bringing about fluency. The first study builds on the Messickian six central aspects of construct validity to produce a practical framework for test validation. It identifies potential sources of invalidity in the test being examined particularly relating to 'fluency'. The second study sets about to explore the concept of fluency, and to expose the extent to which it is acknowledged in the literature to be associated with smallwords, albeit under other names. The findings from the corpus study are drawn on to propose new elements to include in descriptors of fluency, and the implications of the study for classroom practices are discussed.

## History of the Norwegian People in America

**Minneapolis, Minn. : Augsburg Publishing House** Background history of Norway, immigration, organizations and people in Norweigna-America.

## Norwegian: An Essential Grammar

**Routledge** Norwegian: An Essential Grammar is a reference guide to the most important aspects of contemporary Norwegian as used by native speakers. The Grammar presents a fresh and accessible description of the language. Explanations are clear, free from jargon and often accompanied by exercises. The book gives a simple, step-by-step presentation of the grammatical systems of Norwegian and demonstrates and explains usages which have proved difficult for those learning the language in the past. It is clearly laid-out for easy reference making it accessible for those at a beginner/intermediate level. This is the ideal reference source for all learners, whether studying independently or in a class.

## this bridge we call home

## radical visions for transformation

**Routledge** More than twenty years after the ground-breaking anthology *This Bridge Called My Back* called upon feminists to envision new forms of communities and practices, Gloria E. Anzaldúa and AnaLouise Keating have painstakingly assembled a new collection of over eighty original writings that offers a bold new vision of women-of-color consciousness for the twenty-first century. Written by women and men--both "of color" and "white"--this bridge we call home will challenge readers to rethink existing categories and invent new individual and collective identities.

# Verdi Means Value in Norwegian

**AuthorHouse** I chuckled quite a few times reading these stories and imagining Grandpa telling them. Eric Gilbertson MIT 2008, 2010 Grandpa's book is fun to read. It's just amazing all that Grandpa went through as a line man on the telephone company. It makes hiking up Mount Washington in January seem like hiking along the beach. Matthew Gilbertson MIT 2008, 2010 Grandpa doesn't talk about the fighting during the World War II. He talks about the many towns he went through and the people he met. He thinks more about the good things and experiences rather than dwelling on any bad ones he might have had. Jacob Gilbertson St Vincent College 2012

## Norway to Hide

## A Passport to Peril Mystery

**Simon and Schuster** Sure, Jackie Thum's newly published novel might not be Hemingway, but bad reviews from her fellow travelers have Emily Andrew's transgender ex-husband (Jackie was formerly Jack) steaming like a sauna. It's a dismal start to their Scandinavian tour, and group leader Emily is getting that sinking feeling in Helsinki: something fishy this way comes. When Jackie's most outspoken critic, a Floridian from a picture-perfect gated community called The Hamlets, is found dead, suspicion falls on Jackie -- who surprises everyone with an airtight alibi. But when another guest turns up dead, Emily realizes there is a killer hiding among them. Herrings, both red and pickled, abound on a Norwegian fjord cruise -- and Jackie is suddenly nowhere to be found. With her mother arranging a wedding disaster for Emily back home in Iowa, Emily must somehow salvage her nuptials from overseas while icing a killer -- before someone else meets a nasty Finnish.

## Snow Treasure

**Scholastic Inc.** Grade Level 5.5, Book# 85, Points 4.

## Norway

## Center And Periphery

**Westview Press** A discussion of the political system of Norway focusing on political parties, democracy and accountability in one of the richest countries in the world that still is anchored in an egalitarian culture with a strong local base and facing the challenge of a dynamic Europeization process.

# Norway

**Gareth Stevens** An overview of Norway that includes information on geography, history, government, language, culture, and current issues.

# Anthropologists at Home in North America

# Methods and Issues in the Study of One's Own Society

**Cambridge University Press** The issue of practising anthropology in one's own society is the focus of this volume of seventeen essays, originally published in 1981. The contributions, written by US and Canadian anthropologists, deal with methods, theories and styles of doing research in North America. Rich and sometimes candid descriptions of the strategies and orienting concepts employed to order the data and the research experience made this book a contribution to both theory and method. Traditionally, the research domains of anthropologists have been societies and cultures other than their own. Research by anthropologists in their own societies received renewed emphasis partly because of a heightened awareness of social problems. This book examines how innovative scholars applied anthropology to non-traditional research questions in urban and rural society, in health and education systems, and in the field of contract anthropology.

# Norway, and the Norwegians

# In Two Volumes

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

# Folktales of Norway

**University of Chicago Press** Often lacking the clear episodic structure of folktales about talking animals and magic objects, legends grow from retellings of personal experiences. Christiansen isolated some seventy-seven legend types, and many of these are represented here in absorbing stories of St. Olaf, hidden treasures,

witches, and spirits of the air, water, and earth. The ugly, massively strong, but slow-witted trolls are familiar to English-speaking readers. Less well-known, but the subject of an enormous number of legends, are the more manlike yet sinister "huldre-folk" who live in houses and try to woo human girls. These tales reflect the wildness of Norway, its mountains, forests, lakes, and sea, and the stalwart character of its sparse population. "The translation is excellent, retaining the traditional Norwegian style . . . the tales themselves will also appeal to the interested layman."—Library Journal

## Moon Oslo

**Moon Travel** One of Europe's fastest growing cities, Oslo is brimming with art, culture, and outdoor adventure. Discover the best of Norway's colorful capital with Moon Oslo. # Norwegian

## An Essential Grammar

**Psychology Press** *Norwegian: An Essential Grammar* is a reference guide to the most important aspects of contemporary Norwegian as used by native speakers. The Grammar presents a fresh and accessible description of the language. Explanations are clear, free from jargon and often accompanied by exercises. The book gives a simple, step-by-step presentation of the grammatical systems of Norwegian and demonstrates and explains usages which have proved difficult for those learning the language in the past. It is clearly laid-out for easy reference making it accessible for those at a beginner/intermediate level. This is the ideal reference source for all learners, whether studying independently or in a class.

## The Norway Campaign and the Rise of Churchill 1940

**Pen and Sword** *While the campaign in Norway from April to June 1940 was a depressing opening to active hostilities between Britain and Nazi Germany, it led directly to Churchill's war leadership and The Coalition. Both were to prove decisive in the long term.* This well researched work opens with a summary of the issues and personalities in British politics in the 1930s. The consequences of appeasement and failure to re-arm quickly became apparent in April 1940. The Royal Navy, which had been the defence priority, found itself seriously threatened by the Luftwaffe's control of the skies. The economies inflicted on the Army were all too obvious when faced by the Wehrmacht. Losses of men and equipment were serious and salutary. As the Author describes, the campaign itself was fought in three phases: the landings in support of the Norwegians, the evacuation from Central Norway which led to Chamberlain's resignation and, finally, the campaign in the North which remained credible until the fall of France. At the same time he covers the political background and activity in London and cabinet in-fighting. The Norway Campaign and the Rise of Churchill 1940, with its informed mix of politics and war fighting, provides a well informed and balanced overview of the opening campaign of the Second World War and its immediate and wider consequences. As featured in the Dover Express, Folkestone Herald and Essence Magazine.
