The Gift of the Magi *The Floating Press* The Gift of the Magi is a treasured short story written by O. Henry. A young and very much in love couple can barely afford their one-room apartment, let alone the extra expense of getting Christmas presents for one another. But each is determined to show their love for the other in this traditional time of giving; each sells a thing they hold most dear in order to afford a present, with poignant and touching results that capture their love for one another. Song of the Brook Box and Cox A Romance of Real Life Lost Spring Stories of Stolen Childhood *Penguin Group* Case studies of economically disadvantaged children and their labor in different Indian industries. La Belle Dame Sans Merci Politics in India Since Independence Textbook in Political Science for Class XII Anne Frank's Tales from the Secret Annex A Collection of Her Short Stories, Fables, and Lesser-Known Writings, Revised Edition *Bantam* Hiding from the Nazis in the "Secret Annexe" of an old office building in Amsterdam, a thirteen-year-old girl named Anne Frank became a writer. The now famous diary of her private life and thoughts reveals only part of Anne's story, however. This book completes the portrait of this remarkable and talented young author. Tales from the Secret Annex is a complete collection of Anne Frank's lesser-known writings: short stories, fables, personal reminiscences, and an unfinished novel. Here, too, are portions of the diary originally withheld from publication by her father. By turns fantastical, rebellious, touching, funny, and heartbreaking, these writings reveal the astonishing range of Anne Frank's wisdom and imagination--as well as her indomitable love of life. Anne Frank's Tales from the Secret Annex is a testament to this determined young woman's extraordinary genius and to the persistent strength of the creative spirit. Ozymandias A poetry broadside letterpress printed as a commission in Centaur metal type with the "My name is Ozymandias ..." line across the page in larger size Imprint Shadow (in large and small caps). "Of | stone" is set in white Gill Sans Light Shadowed on the top right, and a line of red rules separates the text of the poem from the colophon. The Canterville Ghost By Oscar Wilde *BEYOND BOOKS HUB* This is Oscar Wilde's tale of the American family moved into a British mansion, Canterville Chase, much to the annoyance of its tired ghost. The family -- which refuses to believe in him -- is in Wilde's way a commentary on the British nobility of the day -- and on the Americans, too. The tale, like many of Wilde's, is rich with allusion, but ends as sentimental romance... The Ransom of Red Chief *The Creative Company* Two men kidnap a mischievous boy and request a large ransom for his return. Gandhi His Life and Message for the World *Penguin* This is the extraordinary story of how one man's indomitable spirit inspired a nation to triumph over tyranny. This is the story of Mahatma Gandhi, a man who owned nothing-and gained everything. The Portrait of a Lady *Penguin UK* 'A Khushwant Singh short story is not flamboyant but modest, restrained, well-crafted...Perhaps his greatest gift as a writer is a wonderful particularity of description'—London Magazine Khushwant Singh first established his reputation as a writer through the short story. His stories—wry, poignant, erotic and, above all, human—bear testimony to Khushwant Singh's remarkable range and his ability to create an unforgettable PBI - World. Spanning over half a century, this volume contains all the short stories Khushwant Singh has ever written, including the delightfully tongue-in-cheek 'The Maharani of Chootiapuram', written in 2008. 'Khushwant's stories enthrall...[He has]an ability akin to that of Somerset Maugham...the ability to entertain intelligently'—PBI - India Today 'His stories are better than [those of] any PBI - Indian writing in English—Times of PBI - India 'The Collected Short Stories leaves the reader in a delightful, inebriated trance'—Sunday Chronicle 'He is not an ordinary short story writer...[Collected Stories] is delightful reading'—Hindustan Times Lakhmir Singh's Science for Class 6 *S. Open-Economy Macroeconomics *Springer* The integration of market economies is one of the most remarkable features of international economics, which has important implications for macroeconomic performance in open economies. Equally important is the declining relevance of the real versus the monetary theory dichotomy. These papers focus on those aspects of monetary policy which relate to credibility and non-neutrality; the domestic adjustment to foreign shocks; the interdependence of open economies and their strategic interactions. An important section is also devoted to the innovative modelling of exchange rate dynamics. The Diary of a Young Girl *Anchor* THE DEFINITIVE EDITION • Discovered in the attic in which she spent the last years of her life, Anne Frank's remarkable diary has since become a world classic—a powerful reminder of the horrors of war and an eloquent testament to the human spirit. Updated for the 75th Anniversary of the Diary's first publication with a new introduction by Nobel Prize-winner Nadia Murad "The single most compelling personal account of the Holocaust ... remains astonishing and excruciating."—The New York Times Book Review In 1942, with Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. For the next two years, until their whereabouts were betrayed to the Gestapo, they and another family lived cloistered in the "Secret Annex" of an old office building. Cut off from the outside world, they faced hunger, boredom, the constant cruelties of living in confined quarters, and the ever-present threat of discovery and death. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. Endymion, a Poetic Romance Enchiridion *Courier Corporation* A first-century Stoic, Epictetus argued that we will always be happy if we learn to desire that things should be exactly as they are. India and the Cold War UNC Press Books** This collection of essays inverts the way we see the Cold War by looking at the conflict from the perspective of the so-called developing world, rather than of the superpowers, through the birth and first decades of India's life as a postcolonial nation. Contributors draw on a wide array of new material, from recently opened archival sources to literature and film, and meld approaches from diplomatic history to development studies to explain the choices India made and to frame decisions by its policy makers. Together, the essays demonstrate how India became a powerful symbol of decolonization and an advocate of non-alignment, disarmament, and global governance as it stood between the United States and the Soviet Union, actively fostering dialogue and attempting to forge friendships without entering into formal alliances. Sweeping in its scope yet nuanced in its analysis, this is the authoritative account of India and the Cold War. Contributors: Priya Chacko, Anton Harder, Syed Akbar Hyder, Raminder Kaur, Rohan Mukherjee, Swapna Kona Nayudu, Pallavi Raghavan, Srinath Raghavan, Rahul Sagar, and Waheguru Pal Singh Sidhu. **Professional Ethics and Human Values Firewall Media The Communist Party of India A Short History**
