THE PIANO GUYS - CHILL

FOR PIANO AND CELLO

Hal Leonard (*Personality*). The Piano Guys say of their 2021 album *Chill*, "We hope this album is the kind of music your mind needs -- familiar melodies couched in a context musically engineered to help your mind CHILL, crowd out the clutter, and instead hold onto the good things. To be powerful. It doesn't take peaks in volume and fast paced motion running every which way at once. Power can come from simply being still. Being CHILL." This matching digital folio presents all 13 tracks in artist-approved piano/cello arrangements that match the recordings with a separate cello part. Songs include: Anyone * Grow As We Go * I Will Always Love You * My Girl * Someone like You * Stressed Out * Sweet Child O' Mine * Unchained Melody * You Are the Reason * and more.

SCORING THE SCREEN

THE SECRET LANGUAGE OF FILM MUSIC

Hal Leonard Corporation (*Music Pro Guides*). *Today, musical composition for films is more popular than ever. In professional and academic spheres, media music study and practice are growing; undergraduate and postgraduate programs in media scoring are offered by dozens of major colleges and universities. And increasingly, pop and contemporary classical composers are expanding their reach into cinema and other forms of screen entertainment. Yet a search on Amazon reveals at least 50 titles under the category of film music, and, remarkably, only a meager few actually allow readers to see the music itself, while none of them examine landmark scores like Vertigo , To Kill a Mockingbird , Patton , The Untouchables , or The Matrix in the detail provided by Scoring the Screen: The Secret Language of Film Music . This is the first book since Roy M. Prendergast's 1977 benchmark, Film Music: A Neglected Art , to treat music for motion pictures as a compositional style worthy of serious study. Through extensive and unprecedented analyses of the original concert scores, it is the first to offer both aspiring composers and music educators with a view from the inside of the actual process of scoring-to-picture. The core thesis of Scoring the Screen is that music for motion pictures is indeed a language , developed by the masters of the craft out of a dramatic and commercial necessity to communicate ideas and emotions instantaneously to an audience. Like all languages, it exists primarily to convey meaning . To quote renowned orchestrator Conrad Pope (who has worked with John Williams, Howard Shore, and Alexandre Desplat, among others): "If you have any interest in what music 'means' in film, get this book. Andy Hill is among the handful of penetrating minds and ears engaged in film music today."*

THE GREAT HARMONICA SONGBOOK

THE ENCYCLOPEDIA OF FILM COMPOSERS

Rowman & Littlefield *For more than a century, original music has been composed for the cinema. From the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition, music has been an integral element of most films. By the late 1930s, movie studios had established music departments, and some of the greatest names in film music emerged during Hollywood's Golden Age, including Alfred Newman, Max Steiner, Dimitri Tiomkin, and Bernard Herrmann. Over the decades, other creators of screen music offered additional memorable scores, and some composers—such as Henry Mancini, Randy Newman, and John Williams—have become household names. The Encyclopedia of Film Composers features entries on more than 250 movie composers from around the world. It not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail. Each entry includes Biographical material Important dates Career highlights Analysis of the composer's musical style Complete list of movie credits This book brings recognition to the many men and women who have written music for movies over the past one hundred years. In addition to composers from the United States and Great Britain, artists from dozens of other countries are also represented. A rich resource of movie music history, The Encyclopedia of Film Composers will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores.*

MOVIE SONGS - SUPER EASY SONGBOOK

EASY LISTENING AND FILM SCORING 1948-78

Routledge *Composers, arrangers, conductors, session musicians, and executives worked in easy listening and scoring, complicating an academic focus that lionizes film music while ignoring or deriding easy listening. This book documents easy listening's connections with film music, an aspect overlooked in academic and popular literature. Fueled by the rise of the LP and home entertainment, easy listening became the largest midcentury commercial music market, generating more actual income for the record business than 7- inch singles. Easy listening roped in subgenres including classical, baroque, jazz, Latin, Polynesian, "exotica," rock, Broadway, and R&B, appropriated and reinterpreted just as they were for cinema. Easy listening provided opportunities in orchestral music for conservatory- trained composers. Major film composers such as Henry Mancini and Michel Legrand had a prodigious output of easy listening albums. Critics fault easy listening for structural racisms, overlooking its evolution and practitioners. Easy listening helped destabilize a tripartite record business that categorized product as race records, old time records, or general popular music. Charlie Parker's with Strings records altered the direction of jazz, profoundly influencing other performers, encouraging bold crosspollinations, and making money. The influence of technology and historical contexts of music for work and leisure are explored. Original interviews and primary sources will fascinate scholars, historians, and students of cinema, television, film scoring, and midcentury popular music.*

SILENT MELODY

A PIED PIPER RETELLING

When the Pied Piper came, only three children remained. One was deaf and one was blind. Being deaf meant life was hard for Adelaide in thirteenth century Germany. However, it also saved her from the Pied Piper's music. When the children were stolen, she was left behind. Now she and her blind friend risk everything to free the children trapped in an eternal dance. But to rescue them she must face the Heartless Queen, who will do anything to keep them, and survive her twisted games. Adelaide finds she has no choice but to trust the man she should hate and hope he is not playing games of his own.If she fails, the children will be lost forever. The ebook version of Silent Melody is exclusive to the Enchanted Kingdoms box set until June to raise money for the charity Puzzle Peace United.

UNCHAINED MELANIE

THE PERFECT, LIGHT-HEARTED, FEEL-GOOD ROMANCE TO SETTLE DOWN WITH

Random House *Let bestselling author Judy Astley sweep you away with this uplifting, laugh-out-loud romance. Perfect for fans of Jenny Colgan, Milly Johnson and Trisha Ashley. "Warm, funny, unerringly true to life" - Katie Fforde "A light, enjoyable read you won't be able to resist warming to" - Daily Mail "With sharp dialogue that will have you laughing out loud, and well drawn characters to boot, this is an enjoyable light read" - Sunday Mirror "Really enjoyable...very amusing" -- ***** Reader review "I loved it" -- ***** Reader review ***** IS THERE LIFE AFTER MARRIAGE? When Melanie finds herself single again after years of being one half of a couple, her friends predict loneliness, frustration, disaster and her parents are convinced she's a failure in life. But Melanie is overwhelmingly excited to be able to do her own thing - she plans a programme of behaving badly, after a lifetime of behaving properly. With her daughter off to university and ex-husband Roger married off at last - to his lamentably young girlfriend - she has a Free House, and she intends to make the most of it. But is the single life quite all it's cracked up to be?*

ALFRED'S BASIC ADULT PIANO COURSE

LESSON BOOK

Alfred Music Publishing *More than 3-million adult students have learned to play the piano using this well-sequenced course.
