THE SACRED FIRE OF THE PHOENIX

A JOURNEY INTO THE WORLD WITHIN

22 Lions There's a sacred and hidden path inside each one of us, a path of mysteries and amazing manifestations, where nothing is impossible, not even our wildest spiritual creations. This is the realm of impossibilities, where imagination is carried away by a spiritual insight, which is here referred as the phoenix. The allegory inside this book takes us to a subconscious realm, that can lead us to the most uplifting and unknown side of ourselves, but also to other realities as well, namely, the ones that are parallel to ours, and also other dimensions and galaxies. It is with this allegory of the phoenix that we understand the role of the dragons and serpents of our planet, and how they interfere in the Tao of our existence. As a dance of forces, vibrations of different natures, these symbols and concepts take us to the deepest truth within, of who we are and how far can we go. This is a book about the adventures of our soul, the journey within that so many Shamans live to explore. It's also about a path that all spiritualists and gurus have experienced, a path that some have called nirvana, enlightenment or awaking, but few have ever had the ability to fully describe in a way that can be perceived by the common mortal. The Native Americans have often told us about the spirit of the eagle that keeps guard over the spiritual world. This eagle, or big bird, is representative of another living force, which is the phoenix, the bird of fire. This is why many mystics of ancient times believed that only fire could take souls to another world. The fire purifies the body, but the most potent fire comes from within, as an energy that we burn with our conscious awareness. This is the fire that Buddhists, Taoists and Hindus persist in awakening from within, commonly using disciplines created specifically for this purpose, such as yoga, chikung and meditation. This fire represents the power of our own spirituality, which most people are unaware to possess. As mortals and genetically manipulated slaves of a few alien species, we've lost the physical capability to ignite it. But the phoenix can help us reach it, through the spiritual nature that is within each one of us. The one who can ride the phoenix, can travel very far, to amazing lands. And these are the ones that often come back, when they choose to, as our prophets and religious leaders. This book describes their journey to Valhalla, Heaven, Paradise, or more simply, the Laboratory of God.

THE THIRD KINGDOM

SWORD OF TRUTH - A RICHARD AND KAHLAN NOVEL

Tor Fantasy Terry Goodkind returns to the lives of Richard Rahl and Kahlan Amnell—in *The Third Kingdom*, the direct sequel to his #1 New York Times bestseller *The Omen Machine*. Richard saw the point of a sword blade sticking out from between the man's shoulder blades. He spun back toward Richard after throwing the woman out the opening, ready to attack. It seemed impossible, but the man looked unaffected by the blade that had impaled him through the chest. It was then, in the weak light from the fire pit off to the side, that Richard got his first good look at the killer. Three knives were buried up to their brass cross-guards in the man's chest. Only the handles were showing. Richard saw, too, the broken end of a sword blade jutting out from the center of the man's chest. The point of that same blade stuck out from the man's back. Richard recognized the knife handles. All three were the style carried by the men of the First File. He looked from those blades that should have killed the big man, up into his face. That was when he realized the true horror of the situation, and the reason for the unbearable stench of death.

CELTIC FIRE

HIGHLAND CELTS SERIES -

Createspace Independent Publishing Platform **When ancient gods ruled and Druids kept Faith alive, the Celts thrived as a democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied**

everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

THE HUGUENOT SWORD

For Faith. For Friendship. For Freedom. In the time of Louis XIII and Cardinal Richelieu, when being a Protestant could mean death, The Huguenot Sword roamed the streets of Paris by night, defending those faithful to the young heretical religion. The nobility scorned them as ruffians, to the oppressed Protestants they were saviors, but to the Cardinal Guards they were a pestilence needing to be terminated. The situation becomes desperate when those in power launch a bold plan to destroy the group. One wrong move can be fatal. But the ordeal of Paris pales in comparison to the possible annihilation of their faith and people at the battle of La Rochelle.

BACK TO VENICE

Michael Grant Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win

her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.

MY SWORD FOR A SCALPEL

Before Alabama became a state, it was already being occupied. Many Indians lived here and most were sent west to Oklahoma by Andrew Jackson amidst the "Trail of Tears." Many Caucasian people settled Alabama after coming here with Andrew Jackson to fight the Creeks and Choctaws. After that campaign reached conclusion, many soldiers just stayed. East Jefferson County became the home of some, plus others came in wagon trains as squatters to Springville, Chalkville, and Trussville. After one generation, these communities plus dozens of others were populated by adventure seeking people from the Northern areas. Benton Berryhill was one such immigrant. He was killed as a tree being cut fell on him, leaving a grown married son who fostered Franklin, Jeb, and Jenny. By the time these children were older teens, the Civil war had begun and soon would engulf all of the Southern states and involved thousands of Rebel and Yankee soldiers. It is understandable that feelings ran so high, and boys by the score were soon off at war. Jeb Berryhill was high strung and a Confederate through and through. He was one of the first Jefferson County boys to enlist. Later, Franklin, who hated slavery, the war and the feelings of his neighbors, felt obligated to also join. He started as a private in the Confederacy and fought in scores of conflicts and major battles. He was also indoctrinated as surgeons helper and later became a full fledged doctor as well as a fighting soldier. Franklin survived the war, but Jeb did not. Their father traveled to Champions Hill in Mississippi to retrieve Jeb's body. Franklin had risen to the rank of Captain Surgeon. After the bloody, death filled, tragic war was finished, Franklin, convinced he wanted to become a civilian doctor, finished his education attained his goal, and then helped to establish Birmingham, the largest city in the state. This Novel describes most of the major battles of the awful war. It follows the Berryhill family from their arrival in Jefferson County up until Franklin's old age. Read about the bloody battles of Gettysburg, Shiloh, Chickamauga, Vicksburg, and Chattanooga. Plus many others. Learn of Robert E. Lee, Braxton Bragg, Nathan Bedford Forrest, Fighting Joe Wheeler, Jeb Stuart, Stonewall Jackson, and James Longstreet. Plus, Ulysses Grant, Old Brains Halleck, William T. Sherman, Abraham Lincoln and his Emancipation Proclamation, William Rosecrans, Daniel McCook, John Schofield, and George Armstrong Custer. By reading "My Sword for a Scalpel" the Civil War enthusiast can renew previous learning. Novice readers can hear about what happened at various important places. The Novel is generally

entertaining plus informative. Hundreds of places and men were actual participants while a few others were added for emphasis and explanation.

DIVINE VENGEANCE

BOOK 2, TRIAL OF FIRE TRILOGY

Createspace Independent Publishing Platform **Divine Vengeance** weaves intrigue and drama through the accurate and volatile historical events of the Cathar wars in thirteenth century France. What starts as offering a helping hand, soon turns into organized aid for fleeing heretics. Now Raimon is captured attempting to sabotage the trebuchet Malvoisine, and he is to be burned at the stake...along with 180 heretics...and the woman he loves. It led to the dark years of the Inquisition and set a concerning tone that influenced Western thought for centuries. Action, intrigue, geography, an era of history rife with contradictions, and an unrequited love. Join the adventure!

Nearly everyone twists words, events, and situations to their own advantage, to place themselves in the best possible light. Men often have ulterior motives and hidden agendas. But there will be no hiding from the presence of the Lord on that solemn Day of Judgement. Purity of Heart will prepare you for that day and spare you loss at the judgement seat of Christ, so that you may receive your full reward. TROPICAL DEPRESSION

CreateSpace **"As enjoyable as a day at the beach." That's how USA TODAY**

summed up this hilarious and big-hearted romp in the Florida sunshine. When Murray Zelman, a.k.a. The Bra King, pops another Prozac and heads to the Keys, he has nothing much in mind beyond a quixotic hope of winning back his first wife, Franny, whom he dumped years before. But when he forms an unlikely friendship with Tommy Tarpon, the last remaining member of an obscure Indian tribe, another plan also starts shaping up in his fevered brain. Why not open up Key West's first casino? Why not? Well, how about because the Mafia, in league with some of the nastiest politicians you will ever meet, is determined to kill anyone who tries? Somehow, Murray, Tommy, and Franny didn't think of that until they were in way too deep. Laugh along as they improvise a manic and ever more desperate campaign to keep their casino dreams--and themselves--alive.
