**Rogue Alpha Wolf Shifter Romance** [Nokay Press, LLC](#) *One touch made her crave him. Her shocking choice will change everything. Biology student Laura Prince lands a plum internship deep in the Michigan wilderness. When she discovers a lone black wolf with piercing gold eyes in the forest, she feels a connection to him she can't explain. Stranger still, no one believes what she saw was real. Then, she encounters Malcolm Devane -- a very real, tall, dark, brooding stranger with hauntingly familiar golden eyes. Laura is drawn to Mal in ways she knows are dangerous. But, when everything Laura has worked for gets torn away, he's the only one she can turn to. Exiled from his native pack lands, Mal is on a mission of redemption. If he can bring down a rival Alpha wolf and reclaim his pack, he just might get the chance to return home. But when he meets Laura, she stirs a dark passion in him he thought he could never have again. He knows instantly that she's his fated mate but it may be the very thing that gets her killed. For a powerful enemy with nothing left to lose won't hesitate to hurt Laura to get to Mal. Even though Mal knows the safest thing to do is walk away, the dark wolf inside him may be too strong to deny. Reader's Note: Each book in the Wild Lake Wolves series is a full length, standalone, cliffhanger free, super sexy, werewolf shifter romance. You can read them in any order but the smoking hot events within each are interconnected and happen chronologically. These wolves like it rough! If you're not into that, you might want to sit this one out. However if you like hot, dominant, alpha male werewolf shifters and the kickass heroines who will do anything to please them, then one-click away and enjoy the ride! Book Themes: Wolf shifter romance, werewolf, werewolves, shapeshifters, new adult and college romance, fated mates, claimed mates, strong alpha male, strong female character* **Decadent Penguin** *The second novel in the Wicked Lovers series from New York Times and USA Today bestselling author Shayla Black The boss' innocent daughter. A forbidden favor he can't refuse... How can a virgin seeking happily-ever-after with a hot pop star who has a penchant for threesomes win her fantasy man? Kimber Edgington desperately needs a plan to convince Jesse McCall, who's been her friend and secret crush since they spent a summer together as teenagers, that they are meant for each other. But all the tabloid stories about his sexual escapades make her feel oh-so inadequate. Determined to prove she's woman enough for Jesse, Kimber turns to bodyguard Deke Trenton for sexual education. Bold and brash, Deke warns Kimber that playing with him is playing with fire. But he can't bear to imagine the innocent beauty in someone else's arms. So Deke and his super-sexy friend, Luc, take Kimber under their wings and dangerously close to the edge of ecstasy. Though she's saved herself for Jesse, Kimber soon learns, he's not the man adept at stoking her aching, endless need. That's Deke, and he can't resist when Kimber begs for more--and more... **Kimber Book One of the Elyrian Chronicles** Do you like The Hunger Games, The Maze Runner, or the Divergent Series? Get ready to fall in love with the characters in a stunning new dystopian series that will take you from the depths of an underground city to a surface world scarred by war and ravaged by solar winds. Join Kimber on a dangerous journey through the wasteland of post-World War III America in search for the evidence of inhumane genetic experimentation that could free her people from a life of lies and servitude. KIMBER is sure to keep you on the edge of your seat and leave you begging for books II, III, and the Elyrian prequels! Don't miss the epic NEW BOOK TRAILER BELOW! Description: Twenty years ago, a solar storm ravaged the Earth's ozone layer. Of the 11 billion people on the planet, only 200 managed to seek refuge from the radiation by disappearing underground. With the bonds of oxygen obliterated, the damage to the ozone was irreversible. Every living thing exposed wilted and died, leading to global extinction. The year is now 2209, and what's left of humanity is trying to rebuild in Inanna, a cave city that is harboring Mankind's last hope. The designers of Inanna knew that human body would be too fragile to ever compete with the piercing gamma rays on the surface and were secretly contracted by the American government to preserve life at ANY cost. So began the sanctioned grafting of human DNA with the genomes of Earth's most radiation-resistant animal species. The lines of morality are blurred in a chaotic race against time, a race to build an Ark for the salvation of life itself. Kimber is one of 23. She, her brothers, and her sisters are the first of their kind, a brand-new subspecies of humans called Auroras. Named for the colorful magnetic phenomenon of the heavens, the Aureoreans come of age in a city where they are forced to answer a life-changing question: Are they Inannian citizens or are they slaves? "I have had the honor to be one of the first to read KIMBER... it is SO GOOD! This series is seriously starting to get EPIC. If you like trilogies like The Hunger Games, The Maze Runner, or Mortal Engines, I think you will love this book!"--Hannah Cerney-Brooks "KIMBER will definitely keep you on the edge of your seat! The book looks at the lives of a special race of enhanced humans that you can't help but fall in love with and will have you cheering on until the very end! Strong scientific and religious undertones swirl together with the stunning imagery to bring us on a journey of discovery and possibilities."--Christine Chavez **The Politics of Black Hair Online Course Book** [Lulu.com](#) *This book is a collection of the discussions of the online politics of black hair course that took place starting July 19, 2010 to the end of August of 2010 and still continues today. **Shift of Fate A Wolfguard Protectors Novel** [Nokay Press, LLC](#) *I am the thing that stands between this woman and the evil she cannot see. Pages: 21. Chapters: List of Nip/Tuck characters, Kimber Henry, Sean McNamara, Matt McNamara, Christian Troy, Carver, Julia McNamara, Ava Moore, Gina Russo, Escobar Gallardo, Liz Cruz, Annie McNamara, Quentin Costa, Grace Santiago. Excerpt: This is a list of characters in the American television medical drama series Nip/Tuck. For full character details and histories, see the articles for each character. Kimber Henry is a fictional character in the American television series Nip/Tuck, portrayed by Kelly Carlson. Kimber is a one-time model, pornographic actress, and pornography director and producer. She is one of six series regulars, usually at the center of the show's sometimes boundary-pushing and controversial storylines. Originally a guest star in the pilot episode, Kimber was promoted to a recurring character for the show's first two seasons before finally becoming a series regular in season three, in part due to both critical and audience acclaim for actress Kelly Carlson's performance. A troubled blonde bombshell, with an anachronistic hairstyle inspired by Marilyn Monroe, Kimber was initially envisaged as a blond, "tarty" model from South Beach until Carlson instilled vulnerability into her performance, ultimately rendering Kimber empathetic. Carlson is also responsible for some of Kimber's quirks and self-exploration, and has said she enjoys playing a character who is trying to find herself. Series creator Ryan Murphy has noted Kimber's many "incarnations" through each additional season, her constant reinvention reflective of the series itself. In an interview with Entertainment Weekly published online a day after the airing of Kimber's suicide episode, actress Kelly Carlson confirmed Kimber's death, but promised that she reappears in visions, and as Christian's conscience. Aspiring model Kimber meets Christian Troy at a... **Alpha's Vow** [Midnight Romance, LLC](#) The sweet human is pregnant with my pup. We had one night together, and then she ghosted. Apparently, I'm not part of her 'life plan'. Whatever, angel. Plans change. She thinks I'm a player. That I won't stick around. She thinks I don't have what it takes to be a dad. That I won't drop everything and dedicate my life to our baby. To our family. To her. She's wrong. She thinks I'll walk away? She has no idea what she's in for. A wolf never walks away from his mate, and he always protects his pups. I may not have marked her yet, but I will. And if she tries to run, I'll follow. I'll hunt my beautiful female to the ends of the Earth. **Savage Moon Wolf Shifter Romance** [Nokay Press, LLC](#) When there's trouble in Wild Lake, pack enforcer Alec Martel's the guy who rushes in where other wolves fear to tread. He is one tough, hot, ass-kicking shifter who knows how to get things done and keep all the packs in line. This time, the biggest threat to pack harmony comes from Kane, a vengeful Alpha thirsty for power. When Alec goes to investigate, he meets Olivia Lord. Her luscious curves and tough girl attitude has his inner Alpha howling. The only problem is, she's Kane's mate. If Alec wants to claim Olivia for himself, he may have to start a pack war to do it. Bear shifter's daughter Olivia Lord is trapped. Mated to a dangerous Alpha wolf he controls every aspect of her life and keeps her away from the people she trusts the most. But a chance meeting with Alec leaves her breathless, speechless, and panting for more. He's sexy, virile, and has Alpha written all over him, even if he doesn't want to admit it. As Olivia starts to fall for him, she knows their forbidden love could spell disaster for them both. With Alec and Olivia's very hearts and way of life on the line, one thing's for sure . . . Wild Lake will never be the same. Reader's Note: Each book in the Wild Lake Wolves series is a full length, standalone, cliffhanger free, super sexy, werewolf shifter romance. botanist, Robin Wall Kimmerer has been trained to ask questions of nature with the tools of science. As a member of the Citizen Potawatomi Nation, she embraces the notion that plants and animals are our oldest teachers. In *Braiding Sweetgrass*, Kimmerer brings these two lenses of knowledge together to take us on “a journey that is every bit as mythic as it is scientific, as sacred as it is historical, as clever as it is wise” (Elizabeth Gilbert). Drawing on her life as an indigenous scientist, and as a woman, Kimmerer shows how other living beings—asters and goldenrod, strawberries and squash, salamanders, algae, and sweetgrass—offer us gifts and lessons, even if we've forgotten how to hear their voices. In reflections that range from the creation of Turtle Island to the forces that threaten its flourishing today, she circles toward a central argument: that the awakening of ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world. For only when we can hear the languages of other beings will we be capable of understanding the generosity of the earth, and learn to give our own gifts in return. **A Place on Water Essays** [Tilbury House Pub](#) In A PLACE ON WATER, a trio of wonderful, long essays, three quite different writers - one a nature and outdoor writer, another a poet, and the third an essayist and novelist - let us sit in on their friendship and what draws them, inexorably, to the same small pond in Maine. **Perfect Prepositions A Real Life Guide to Using English Prepositions** As high frequency words, prepositions are one of the most dynamic parts of speech. *Perfect Prepositions* shows the meanings and usage of prepositions in Modern English. Used in unstressed syllables and pronounced fast and softly in oral speech, prepositions are often barely distinguishable to the listener. Prepositions can also pose communication problems for English learners and even native speakers. Author Galina Kimber provides general and specific information on the meanings of prepositions as well as ideas on usage as they are applied today. Living languages constantly evolve over time, and reference books like *Perfect Prepositions* reflect these changes. *Perfect Prepositions* details different ways of defining the meanings of almost one hundred prepositions written in semantic categories and subcategories that are easy to understand and use in daily life. It's a useful resource for those desiring to improve their communication skills. **The Alpha's Mark Wolf Shifter Romance** [Nokay Press, LLC](#) One dark night. One fatal turn. A wild passion hotter than anything she's ever known. College freshman, Neve Dalton is about to crash head on into something that will turn her world upside down. On her way to school, Neve hopes a fresh, new start will put the pain of losing her parents behind her. But a fatal accident on a lonely highway puts her in the path of dark, dangerous Alpha wolf, Tucker McGraw. With a single touch and a flash of silver in his eyes, Tucker stirs a passion in Neve that leaves her shaken and begging for more. This Alpha's mark runs deep and triggers a hunger in Neve she can't explain. The minute he lays eyes on Neve, Tucker knows she's his fated mate. The trouble is, a rival pack wants her dead for what happened on that rain-slick highway. But, Tucker didn't become Alpha on his drop dead sexy looks alone. He's fierce, ruthless and deadly. He'll do anything to claim and protect Neve even if it means fighting the battle of his life. Dear Readers: This is part one of a five part paranormal werewolf shifter romance serial. The chapters focus on key areas of career development and advancement that can enhance both individual growth and institutional change to better support mid-career faculties. The mid-career stage is the longest segment of the faculty career and it contains the largest cohort of faculty. Also, mid-career faculty are tasked with being the next generation of faculty leaders and mentors on their respective campuses, with little to no supports to do so effectively, at a time when higher education continues to face unprecedented challenges while managing continued goal of

diversifying both the student and faculty bodies. The stories, examples, data, and resources shared in this book will provide inspiration--and reality checks--to the administrators, faculty developers, and department chairs charged with better supporting their faculties as they engage in academic work. Current and prospective faculty members will learn about trends in mid-career faculty development resources, see examples of how to create such supports when they are lacking on their campuses, and gain insights on how to strategically advance their own careers based on the realities of the professoriate. The book features a variety of institution types: community colleges, regional/comprehensive institutions, liberal arts colleges, public research universities, ivy league institutions, international institutions, and those with targeted missions such as HSI/MSI and Jesuit. Topics include faculty development for formal and informal leadership roles; strategies to support professional growth, renewal, time and people management; teaching and learning as a form of scholarship; the role of learning communities and networks as a source of support and professional revitalization; global engagement to support scholarship and teaching; strategies to recruit, retain, and promote underrepresented faculty populations; the policy-practice connection; and gender differences related to key mid-career outcomes. While the authors acknowledge that the challenges facing the mid-career stage are numerous and varying, they offer a counter narrative by looking at ways that faculty and/or institutions can assert themselves to find opportunities within challenging contexts. They suggest that these challenges highlight priority mentoring areas, and support the creation of new and innovative faculty development supports at institutional, departmental, and individual levels.

**The Reference Collection From the Shelf to the Web** [Routledge](#) Stay up-to-date with the growing amount of reference resources available online How important is the World Wide Web to information retrieval and communication? Important enough that information professionals have seen students exit from their libraries en masse when Internet service was lost. Internet providers dominate the indexing and abstracting of periodical articles as major publishers now offer nearly all of their reference titles in digital form. Libraries spend increasing amounts of funding on electronic reference materials, and librarians devote an increasing amount of time to assisting in their use. *The Reference Collection: From the Shelf to the Web* is an essential guide to collection development for electronic materials in academic and public libraries. *The Reference Collection: From the Shelf to the Web* tracks the continuing evolution of electronic reference resources-and how they're accessed—in a variety of settings. Librarians representing university, elementary school, and public libraries in the United States and Australia examine how reference collections have evolved over time (and may soon be a thing of the past); how public and school libraries have dealt with the changes; why library research assignments have become more difficult for teachers to make and for students to complete; how to organize online reference sources; and why the nature of plagiarism has changed in the electronic era. The book also examines the use of electronic references from a publisher's perspective and looks at the most important Web-accessible reference tools—both free and subscription—in the areas of humanities, medicine, the social sciences, business, and education. *The Reference Collection: From the Shelf to the Web* also examines: issues of authority, accessibility, cost, comfort, and user education in evaluating electronic resources the formation of purchasing consortia to facilitate the transfer of reference materials from print to online formats current literature and research findings on the state of digital versus print reference collections what electronic publishing means to smaller reference books (dictionaries, almanacs, etc.) the need for increased information literacy among students the nature, extent, and causes of cyber plagiarism the use of federated search tools and includes a selected list of the top 100 free Internet reference sites *The Reference Collection: From the Shelf to the Web* is an essential resource for all reference and collection development librarians, and an invaluable aid for publishing professionals.

Not hearing a single sound. Sure, it's quiet in your house, but you still hear sounds. I would like to think the sensation would be equitable to being underwater, but that would not be a true statement. You can still hear things while being underwater: Waves swishing and people talking above the water - yelling or laughing. Deafness is pure silence. When something big drops to the floor, I "feel" the thump it made. When my dogs bark, I can't hear them, but if they jump on my bed while I'm sleeping, I can feel they are present to wake me for a incoming visitor, burglar, tornado or other natural disaster. This book is a candid, and comical view about hearing loss, Meniere's Disease, vertigo, and the process of undergoing cochlear implant surgery. It also goes into depression and coping mechanisms for all of the above. It is a MUST read for someone or anyone you know (possibly yourself, but you won't admit it), who may be suffering from hearing loss. Progressive hearing loss is subtle. The sounds we often take for granted you no longer hear. Pay attention to your surroundings next time you are outside. Can you still hear the birds? **One Tin Bakes Sweet and simple traybakes, pies, bars and buns** [Kyle Books](#) ONE TIN, 70 BAKES BBC Good Food Best Food Books of 2020 The Guardian Best Food Books of 2020 New York Times Best Cookbooks of 2020 Washington Post Top Cookbooks for 2020 'A brilliant idea for a book' and a 'must-have' Nigella Lawson 'Edd Kimber's One Tin Bakes is a dazzler of a baking book, using one simple tin to make utterly enviable cakes, gorgeous pies, flavour-loaded buns and bars that'll have you swooping in for seconds. Edd's photography and easy style captures in each recipe a beautiful immediacy and freshness that made me linger on every page without exception.' Dan Lepard Whether you want cookies or cakes, pastries or desserts, something fruity, chocolatey, spiced or nutty, baking just got a whole lot easier. From Praline Meringue Cake to Matcha Roll Cake, Peanut Butter Brookies to Tahini Babka Buns, all you need is just one standard 9 x 13in baking tin. Varied and versatile, requiring minimal skill and little equipment, Edd Kimber's delicious treats range from simple bakes to slice and serve to impressive but achievable showstoppers. 'A terrifically clever idea - one tin, seventy bakes: From fabulous cakes, cookies and bars to perfect pies and tarts. The recipes are accessible and gorgeous - Edd really knows how to entice - but more importantly, he gives clear instructions for successful bakes. A must-have in your kitchen!' Helen Goh 'This book is a peek inside the mind of one of my favorite bakers, where creativity with butter and sugar is paired with solid technique and downright fun. Edd shares a true world of possibilities - all within a 9x13 tin. This book is an absolute must-have for every home baker.' Joy Wilson 'I've been a fan of Edd's since he won the bake off, not only because of his recipes but because of his character. There are no gimmicks and his passion and energy are contagious. Most of all, he makes me want to bake his recipes. This book is accessible yet elegantly photographed and you always feel like he is speaking directly to you, which is special. Of course, being American, I love a sheet cake and the generosity in these recipes makes me want to go to a picnic or a potluck.' Claire Ptak 'Baking requires skill and perfection and Edd's got it' Mary Berry 'Edd Kimber brings baking back into British homes' Vogue **Sirensong A Faeriewalker Novel** [St. Martin's Griffin](#) When Dana is invited to Faerie to be officially presented at the Seelie Court, it's no easy decision. After all, everyone knows Titania, the Seelie Queen, wants her dead. But Titania claims not to be the one behind the death threats; and her son, Prince Henry, makes the decision a whole lot easier when he suggests Dana might be arrested for (supposedly) conspiring with her aunt Grace to usurp the Seelie throne. So she and her father better do as they're told . . . The journey through Faerie is long—and treacherous. Dana thought it would be a good idea to have friends along, but her sort-of-boyfriend, Ethan, and her bodyguard's son, Keane, just can't seem to get along, and Kimber's crush on Keane isn't making things any easier. When a violent attack separates Dana from their caravan, the sexy Erlking saves her just in the nick of time . . . and makes it clear that he hasn't given up on making her his own. Arriving at Titania's beautiful palace should be a relief. But Dana is soon implicated in an assassination attempt against Titania's granddaughter, and is suddenly a fugitive, forced to leave her father behind as she and her friends flee for their lives. Will she be able to prove her innocence before the forces of the Seelie Court—or, worse, the Erlking—catch up with her? And will she save her father before he pays the ultimate price in her stead? Sirensong is book three in Jenna Black's enchanting Faeriewalker series. **Advanced Nutrition and Dietetics in Diabetes** [John Wiley & Sons](#) Published on behalf of The British Dietetic Association, *Advanced Nutrition and Dietetics in Diabetes* is an exploration of the evidence and practice of nutrition in diabetes, offering a global view of the lifestyle interventions for the prevention and management of diabetes, including management of complications and special population groups. So when he's saddled with his six-year-old nephew for a week, he doesn't think twice about asking Kimber Reynolds to act as live-in nanny. What he doesn't expect is the undeniable attraction to the woman he hasn't seen since they were kids. And not only

does she like him back--she suggests they work their way down a list of extracurricular activities in the bedroom. How can he resist? Kimber wants to prove once and for all that she can love 'em and leave 'em with the best of them. All she has to do is keep her sixteen-year crush on Landon out of the equation. No problem . . . until she realizes she may not be the only one whose heart has gotten completely tangled up in their no-strings agreement."--from cover, p. [4].

**Handbook of Research on Future of Work and Education: Implications for Curriculum Delivery and Work Design Implications for Curriculum Delivery and Work Design** |GI Global| Higher education has changed significantly over time. In particular, traditional face-to-face degrees are being revamped in a bid to ensure they stay relevant in the 21st century and are now offered online. The transition for many universities to online learning has been painful—only exacerbated by the COVID-19 pandemic, forcing many in-person students to join their virtual peers and professors to learn new technologies and techniques to educate. Moreover, work has also changed with little doubt as to the impact of digital communication, remote work, and societal change on the nature of work itself. There are arguments to be made for organizations to become more agile, flexible, entrepreneurial, and creative. As such, work and education are both traversing a path of immense changes, adapting to global trends and consumer preferences. The Handbook of Research on Future of Work and Education: Implications for Curriculum Delivery and Work Design is a comprehensive reference book that analyzes the realities of higher education today, strategies that ensure the success of academic institutions, and factors that lead to student success. In particular, the book addresses essentials of online learning, strategies to ensure the success of online degrees and courses, effective course development practices, key support mechanisms for students, and ensuring student success in online degree programs. Furthermore, the book addresses the future of work, preferences of employees, and how work can be re-designed to create further employee satisfaction, engagement, and increase productivity. In particular, the book covers insights that ensure that remote employees feel valued, included, and are being provided relevant support to thrive in their roles. Covering topics such as course development, motivating online learners, and virtual environments, this text is essential for academicians, faculty, researchers, and students globally.

**Kiss of Midnight A Midnight Breed Novel** Dell He watches her from across the crowded dance club, a sensual black-haired stranger who stirs Gabrielle Maxwell's deepest fantasies. But nothing about this night—or this man—is what it seems. For when Gabrielle witnesses a murder outside the club, reality shifts into something dark and deadly. In that shattering instant she is thrust into a realm she never knew existed—a realm where vampires stalk the shadows and a blood war is set to ignite. Lucan Thorne despises the violence carried out by his lawless brethren. A vampire himself, Lucan is a Breed warrior, sworn to protect his kind—and the unwitting humans existing alongside them—from the mounting threat of the Rogues. Lucan cannot risk binding himself to a mortal woman, but when Gabrielle is targeted by his enemies, he has no choice but to bring her into the dark underworld he commands. Here, in the arms of the Breed's formidable leader, Gabrielle will confront an extraordinary destiny of danger, seduction, and the darkest pleasures of all. . . .

**Ache for You Montlake Romance** In this fairy tale with a sexy twist, she's a penniless San Francisco seamstress. He's the king of Italian couture. Who's got designs on whom? Boutique owner Kimber DiSanto has seen better days. She's been dumped at the altar by Prince Charmless, her business went up in flames (literally), and now she's stuck in Florence, Italy, with an ice-queen stepmother, to try to save her late father's failing dress shop. Only one thing could make it worse: another man in her life. The arrogant Italian fashion tycoon offering to buy her father's shop is as rich as he is sexy, and their attraction is off the charts. But Kimber's not about to get burned again. Women don't say no to Matteo Moretti--and certainly not with Kimber's stinging precision. With all the heat and fury sparking between them, Matteo can't resist baiting the gorgeous American. His plan? Win her over one scorching kiss at a time. Kimber tells herself it's all just a game. That her broken heart isn't in danger, and that Matteo's touch does not make her Lady Land dance with joy. But sometimes it takes the fieriest of enemies to turn a fantasy into a real-life romance.

**Gunfight My Battle Against the Industry that Radicalized America** PublicAffairs A former firearms executive pulls back the curtain on America's multibillion-dollar gun industry, exposing how it fostered extremism and racism, radicalizing the nation and bringing cultural division to a boiling point. As an avid hunter, outdoorsman, and conservationist—all things that the firearms industry was built on—Ryan Busse chased a childhood dream and built a successful career selling millions of firearms for one of America's most popular gun companies. But blinded by the promise of massive profits, the gun industry abandoned its self-imposed decency in favor of hardline conservatism and McCarthyesque internal policing, sowing irreparable division in our politics and society. That drove Busse to do something few other gun executives have done: he's ending his 30-year career in the industry to show us how and why we got here. Gunfight is an insider's call-out of a wild, secretive, and critically important industry. It shows us how America's gun industry shifted from prioritizing safety and ethics to one that is addicted to fear, conspiracy, intolerance, and secrecy. It recounts Busse's personal transformation and shows how authoritarianism spreads in the guise of freedom, how voicing one's conscience becomes an act of treason in a culture that demands sameness and loyalty. Gunfight offers a valuable perspective as the nation struggles to choose between armed violence or healing.
