BIG BAD WOLF

A NOVEL OF THE OTHERS

St. Martin's Paperbacks *Big Bad Wolf* by bestseller Christine Warren is “another hot and spicy novel from a master of paranormal romance.” —*Night Owl Romance* Missy Roper's fantasies have revolved around Graham Winters since the moment they met. But the imposing leader of the Silverback werewolf clan always seemed oblivious to Missy's existence. At least he was, until Missy collides with him at a party and then abruptly runs away—arousing Graham's interest...and wild desires. Lupine law decrees that every Alpha must have a mate, and all Graham's instincts tell him that the sensual, beguiling Missy is his. Trouble is, Missy is human—every delectable inch of her. Convincing his clan that she's his destined mate, and keeping her safe from his enemies, will be the biggest challenge Graham has ever faced. And now that he is determined to have her—as his lover and as his mate—Missy's world is changing in ways she never imagined...

BAD WOLF

A NOVEL

Minotaur Books *She looked at herself in the mirror, touched her fingertips to the little red hood on her head, and laughed. The dress was a real dirndl, with a short skirt and apron. Papa had plaited her hair into two braids, and she really looked exactly like Little Red Riding Hood in her fairy-tale book. He always brought presents—it was a secret that she and Papa shared, because he never brought anything for the others. Only for her. She was his favorite. The door opened, and she uttered a frightened cry when she saw the wolf. But then she had to laugh. It wasn't a real wolf after all; it was only Papa, who had put on a costume. How lovely it was that she was the only one to share this secret with Papa. Too bad she could never remember anything afterward. On a hot June day, the body of a sixteen-year-old girl washes up on a riverbank outside of Frankfurt. She has been brutally murdered and shows signs of long-term abuse, but no one comes forward with any information as to her identity. Even weeks later, the local police have not been able to find out who she is. Then a new case comes in: A popular television host is attacked, raped, and locked in the trunk of her own car. She survives, barely, and is able to supply only vague hints to the police, having to do with her recent investigations into an organization whose members are from the highest echelons of society, and the potential uncovering of a shocking history they'd prefer to keep from the public eye. As the two cases collide, Inspectors Pia Kirchoff and Oliver von Bodenstern dig deep into the past and underneath the veneer of bourgeois society to come up against a terrible secret that is about to impact their personal lives as well. It is almost too late for a person very close to Pia before she and Oliver finally track down the big bad wolf. . . . In Nele Neuhaus's second U.S. publication of her enormously popular series, tensions run high both inside and outside police headquarters, and a complex and unpredictable plot propels her characters forward at breakneck speed.*

Little, Brown *Alex Cross battles the most ruthless and powerful killer he has ever encountered: a predator known only as the Wolf. Alex Cross's first case since joining the FBI has his new colleagues baffled. Across the country, men and women are being kidnapped in broad daylight and then disappearing completely. And it looks as if a shadowy figure called the Wolf-a master criminal who has brought a new reign of terror to organized crime-is behind this business. Even as he admires the FBI's vast resources, Alex grows impatient with the Bureau's clumsiness and caution when it's time to move. A lone wolf himself, he has to go out on his own in order to track the Wolf and try to rescue some of the victims while they are still alive. As the case boils over, Alex is in hot water at home too. THE BIG BAD WOLF IN MY HOUSE

Groundwood Books Ltd *A young girl describes what it's like when her mom's new friend comes to stay — a moving story about domestic violence that ends on a hopeful note. The young girl tells us that her mom's new friend is just like the big bad wolf. At first the wolf is sweet and kind to her mom, though the girl notices the wolf's cold eyes from the very beginning. When her mom arrives home late one day, the wolf suddenly hurls angry words and terrible names at her. From that day on her mother doesn't smile anymore. The girl is careful to clean her room and brush her teeth and do everything to keep the peace, but the wolf is unpredictable, throwing plates on the floor, yelling at her mother and holding the girl's arm so tightly she is left with bruises. Whenever the yelling begins, she hides under the covers in her room. How will she and her mom cope as the wolf becomes increasingly fierce? Valérie Fontaine and Nathalie Dion have created a powerful, moving story about violence in the home that ends on a note of hope. BIG BAD WOLF

Mikalina It was spur of the moment, maybe reckless, definitely a shock to everyone I knew when I decided to take a trip across the ocean to a foreign country and stay for an undetermined amount of time. Renting out a cottage in a tiny European village whose residents barely spoke English was the perfect escape from overbearing parents, fake friends, and a future that seemed bleak. And helping out an elderly woman with her shopping to earn some extra cash seemed easy enough. Mindless, hour-long walks through the thick woods that surrounded said village also sounded ideal. No Internet. No television. And just the bare basics to get me by. Perfection. Stress-free. Exactly what I needed. Or maybe I was wrong about it all. I felt someone or something watching me from the darkened, dangerous woods. I felt someone-something-stalking me. I didn't know what or who it was, but I knew with certainty it wasn't human... and that it wanted me. Renl wasn't human, not completely. A Lycan-a centuries-old wolf-like creature that was feared by all, stronger than anything on the planet, and who was only ever after one thing. My mate. For over three hundred years, I had one purpose in life. Find her, the one female born to be mine. My female who'd cause the Linking Instinct-that supernatural connection that told me she was mine and I hers-to finally take root and make me whole. And for hundreds of years, I'd been alone, saving myself for my mate, never stopping the search. Until I scented her, saw her, finally felt my heart beat and the blood rush through my veins with hope and anticipation. Mine. She didn't see me, but she sensed me. And she ran. She couldn't possibly know how much the chase turned me on. I didn't know how I'd make her understand I could never let her go, that nothing and no one would stop me from making her mine. Because once a Lycan found his mate... nothing in this world, nothing supernatural or human, could keep him from her.

democratic, matriarchal society. Then savage Roman soldiers swept across Europe, killing and enslaving. The Celts did not succumb without a fight. Their Old Ways survived centuries of ruthless domain until another menace loomed: a tortured god worshiped in cold stone buildings. The sacred shores of Avalon began to drift away, the mists threatened to hide the island from mortal eyes forever. Against the bleak backdrop of war, the gorgeous Scottish Highlands stood tall, sheltering its inhabitants from greedy invaders. Yet the reach of the eagle banners was long and the highlanders turned to the Goddess for protection. However, the sacred groves felt silent and grim as Avalon faded away. Once sad, pealing bells began to sound strangely comforting while the high walls of monasteries offered an alluring barrier from violence. Caught in the middle of this centuries-old war, a young High Priestess might be Avalon's last chance. Wise beyond her years and powerful like no other Priestess in her lifetime, Rowen had served the Goddess faithfully, forsaking her family and the company of her soulmate. When the Lady of the Lake asks for another sacrifice, it might be one too many for her scarred heart. How could she obey the Goddess without betraying Caddaric? Could she trust Eochaid, who embodied everything she despised and hated? Would she be able to fulfill her duties without losing her soul? Caddaric had been Rowen's companion in countless lives; but, now, they existed in different realms. Beautiful Rowen lived in the mortal world while sweet Caddaric remained in the sacred isle of Avalon, watching over her. Could he step aside to allow another man - a flesh and blood man - to become her protector? Eochaid had sworn to protect the Old Ways. The rude warrior never quite understood his faith yet his loyal heart belonged to the Goddess. A gorgeous, fiery High Priestess was not in his plans. He would risk his life to protect Rowen; but, would the Goddess safeguard his heart? Could he defend the bewitching maiden from himself? When stakes were so high that a simple mistake could cost their very world, a priestess, a Druid, and a warrior must learn to trust one another and the mysterious ways of the Goddess. Their success would save Avalon. Their failure would tear the island from the human realm forever, condemning it to oblivion. Failure was not an option. This is a standalone, historical/paranormal romance. Its mature themes - sexual violence, religion, and pagan rituals - might not be appropriate for audiences under 18.

WOLVES IN STREET CLOTHING

HOW ANIMAL BEHAVIOR TEACHES SURVIVAL IN THE ASPHALT JUNGLE

Wolves in Street Clothing: How Animal Behavior Teaches Survival in the Asphalt Jungle will give you a new light in which to see human predatory behavior. As we move farther and farther from our roots insulating ourselves in technology and air conditioned homes we get disconnected from the inherent and innate aspects of understanding the precursors to violent behavior. Violence is not always emotionally bound, often and in the animal kingdom is simply a tool to access a needed resource -or to protect an essential resource. Distance, encroachment, and signals are keys to avoiding a predator. Why would a cougar attack a man after a bike ride? Why would a bear attack a man in a hot tub? Why would a thug rob one person and not another? The predatory animal mind holds many of the keys to the answer to these questions. Learn drills for skills that will help you tune your focus and move through life safer and more aware of your surroundings as sections of *Wolves in Street Clothing* bring old world survival skills into the modern jungle. However, haunted by the public murders of people close to him, he will be forced to choose between his eminent status and loyalty to his own Anglo-Saxon people, and his desire for justice--and revenge. Seen as a villain by many during his lifetime and after, he is surrounded by people who casually employ treachery, and institutions that consistently act in bad faith. In this thoroughly researched novel, David Mullaly tells a story that challenges the traditional narrative about Eadric.*
