An Audio CD (which contains the listening sections of the tests) and an Answer Booklet are also available separately.* **The Death and Life of Great American Cities** [Vintage](#) *Thirty years after its publication, The Death and Life of Great American Cities was described by The New York Times as "perhaps the most*

influential single work in the history of town planning....[It] can also be seen in a much larger context. It is first of all a work of literature; the descriptions of street life as a kind of ballet and the biting satiric account of traditional planning theory can still be read for pleasure even by those who long ago absorbed and appropriated the book's arguments." Jane Jacobs, an editor and writer on architecture in New York City in the early sixties, argued that urban diversity and vitality were being destroyed by powerful architects and city planners. Rigorous, sane, and delightfully epigrammatic, Jacobs's small masterpiece is a blueprint for the humanistic management of cities. It is sensible, knowledgeable, readable, indispensable. The author has written a new foreword for this Modern Library edition. **All that is Solid Melts Into Air The Experience of Modernity** [Verso](#) The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account. **Business Benchmark Upper Intermediate Audio Cassettes BEC Vantage Edition** [Cambridge University Press](#) Business Benchmark helps students get ahead with their Business English vocabulary and skills and gives them grammar practice in business contexts. Preliminary. Self-study practice tests. Hauptw. Cambridge BEC Preliminary 1 Practice Tests from the University of Cambridge Local Examinations Syndicate** [Cambridge University Press](#) Set of 4 authentic BEC practice test papers from Cambridge ESOL **Kid's Box 3 Activity Book** [Cambridge University Press](#) Kid's Box is bursting with bright ideas to inspire you and your pupils! This six-level course gives children a confident start to learning English, and makes lessons a joy for teachers. Perfect for general use, Kid's Box also fully covers the syllabus of the Cambridge Young Learners English (YLE) tests. New language is presented through amusing stories that your students will adore and practised with fantastic songs and activities, making the learning process a delight. Key language is continuously revised and recycled, helping to build children's confidence, and a focus on communicative activities ensures that children use the language they have learned in a fun, 'no-pressure' context. The loveable members of the Star family will delight young learners, while an extensive range of supplementary materials provides the teacher with all the extra activities they need. **Toward the African Revolution Political Essays** [Grove Press](#) Political essays, articles, and notes written between 1952 and 1961. **BEC Preliminary Testbuilder** [Edumond](#) Test that teach: This popular test is designed to help improve students exam performance. The exam-based exercises will familiarise any student with the tasks they will face in the test, boosting their confidence and leading them towards successful results. Ideal for self-study or classroom use. Key features: Four complete practise tests reflecting exactly the level of exam and the types of task the students will face A full range of exam task types Guidance pages and tips for each part of the **The Sumerians Their History, Culture, and Character** [University of Chicago Press](#) The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—*American Journal of Archaeology* "An uncontested authority on the civilization of Sumer, Professor Kramer writes with grace and urbanity."—*Library Journal* **When Breath Becomes Air** [Random House](#) #1 NEW YORK TIMES BESTSELLER • PULITZER PRIZE FINALIST • This inspiring, exquisitely observed memoir finds hope and beauty in the face of insurmountable odds as an idealistic young neurosurgeon attempts to answer the question What makes a life worth living? NAMED ONE OF PASTE'S BEST MEMOIRS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • People • NPR • The Washington Post • Slate • Harper's Bazaar • Time Out New York • Publishers Weekly • BookPage Finalist for the PEN Center USA Literary Award in Creative Nonfiction and the Books for a Better Life Award in Inspirational Memoir At the age of thirty-six, on the verge of completing a decade's worth of training as a neurosurgeon, Paul Kalanithi was diagnosed with stage IV lung cancer. One day he was a doctor treating the dying, and the next he was a patient struggling to live. And just like that, the future he and his wife had imagined evaporated. When *Breath Becomes Air* chronicles Kalanithi's transformation from a naïve medical student "possessed," as he wrote, "by the question of what, given that all organisms die, makes a virtuous and meaningful life" into a neurosurgeon at Stanford working in the brain, the most critical place for human identity, and finally into a patient and new father confronting his own mortality. What makes life worth living in the face of death? What do you do when the future, no longer a ladder toward your goals in life, flattens out into a perpetual present? What does it mean to have a child, to nurture a new life as another fades away? These are some of the questions Kalanithi wrestles with in this profoundly moving, exquisitely observed memoir. Paul Kalanithi died in March 2015, while working on this book, yet his words live on as a guide and a gift to us all. "I began to realize that coming face to face with my own mortality, in a sense, had changed nothing and everything," he wrote. "Seven words from Samuel Beckett began to repeat in my head: 'I can't go on. I'll go on.'" When *Breath Becomes Air* is an unforgettable, life-affirming reflection on the challenge of facing death and on the relationship between doctor and patient, from a brilliant writer who became both. **Business Benchmark Pre-Intermediate to Intermediate Audio CDs BULATS Edition** [Cambridge University Press](#) Business Benchmark helps students get ahead with their Business English vocabulary and skills and gives them grammar practice in business contexts. Teachers can choose from the BEC edition or the BULATS edition at the right level for their students. The Audio CDs contain all the recorded material for the listening activities in both editions of Business Benchmark Pre-intermediate, Intermediate, including BULATS practice test listening. Student's Books, Self-study Books and Teacher's Resource Books are also available. **American Gas-light Journal and Chemical Repertory**
