### THE GIFT

*Lulu.com* **THE GIFT** is the author's first-person account of the loss of his first-born son to Sudden Infant Death Syndrome (SIDS). His thirty-year search for an answer has produced scientifically verifiable data that completely upends the paradigm held by the medical/scientific communities by revealing the phenomenon to be "spiritual" in nature, rather than "medical." - - Those findings yield three unprecedented, huge things at once: 1. The Solution to the Sudden Infant Death Syndrome (SIDS) phenomenon 2. Proof of the Existence of Angels 3. Proof of the existence of God - - Yes, the study results contained within, and the journey that led to the coming forth of the study are "incredible," but here the reader is counseled to remember the great scientist and renowned thinker Fred Hoyle's admonition when he wrote, "I don't see the logic of rejecting data just because they seem incredible." -- Remember, "With God nothing shall be impossible." (Luke 1:37)

### MORMONISM: A GUIDE FOR THE PERPLEXED

*Bloomsbury Publishing* **Mormonism: A Guide for the Perplexed** explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion. As The Church of Jesus Christ of Latter-day Saints continues to grow in the United States and especially in other countries (with a total membership of over 15 million, more than 50% of which is outside the US), and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity, this distinctive religious tradition has become increasingly an object of interest and inquiry. This book is the ideal companion to the study of this perplexing and often misunderstood religion. Covering historical aspects, this guide takes a careful look at the whole of Mormonism, its tenets and practices, as well as providing an insight into a Mormon life.

### DISCOVERING YOUR DIVINE IDENTITY

### DNA PLUS OTHER DYNAMIC TOPICS ANCIENT EASTERN HEBREWS CHINA & ALL ASIAN PEOPLE

*Dog Ear Publishing* Dale, I read the chapter tying Chinese peoples to Hebrew origins through Joktan. It was most interesting and fairly convincing. I was particularly struck by the figure on a throne or chair that was found in both China and Egypt. Wow! That is a tremendous tying figure. Thanks for sharing. ~ John K. Carmack, Attorney, LDS Emeritus General Authority Los Angeles and Salt Lake City Dale, I read your paper about eternal man. It is profound and mind boggling. You have done a lot of research and have thought deeply about the subject. Are you going to publish it? I think most of us have little idea who we really are. The discussion about DNA is very compelling. Thank you so much for sharing such deep and wonderful thoughts with me. ~ Jack Rushton, Educator, CES, Quadriplegic for 26 yrs. Irvine, California Fascinating thoughts! Eastern Hebrew origins that link China and Asian people of God together, even DNA. Dale has introduced a unique view of the scattering of great populations throughout the world that has the potential to help many of us to re-think such events. A worth-while read for any-one interested in the early peoples of the earth and the connection between peoples, including pre-mortality. ~ Douglas Patterson, Business Entrepreneur, Washington, Florida - Currently in Arizona DNA— there's an interesting paradox within the DNA. [It is] there are so many bits of information [in there] that it is absolutely very easy to identify you as a unique individual, different than any other individual that has ever lived on the earth or who will ever live on the earth. Each of you is truly a unique creation. But also locked within the DNA are pieces of DNA that you share with your most immediate ancestors, with your brothers and your sisters and your parents and your grandparents. ~ Dr. Scott Woodward, Geneticist, Molecular Genealogy Salt Lake City, Utah

### THE JAPAN JOURNALS

### 1947-2004

*Stone Bridge Press* "Richie should be designated a living national treasure."—Library Journal "Wonderfully evocative and full of humor... honest, introspective, and often poignant."—New York Times "No one has written with more concentration about the peculiar quality of exile enjoyed by the gaijin, the foreigner in Japan."—London Review of Books "To read [The Donald Richie Reader and The Japan Journals] is like diving for pearls. Dip into any part of them and you will surely find treasures about the cinema, literature, traveling, writing. The passages are evocative, erotic, playful, and often profound."—Japanese Language and Literature Donald Richie has been observing and writing about Japan from the moment he arrived on New Year's Eve, 1946. Detailing his life, his lovers, and his ideas on matters high and low, The Japan Journals is a record of both a nation and an evolving expatriate sensibility. As Japan modernizes and as the author ages, the tone grows elegiac, and The Japan Journals—now in paperback after the critically acclaimed hardcover edition—becomes a bittersweet chronicle of a complicated life well lived and captivatingly told. Donald Richie, the eminent film historian, novelist, and essayist, still lives in Tokyo.

### THE DESCENT OF MAN

---

*Penguin* What does it mean to be male in the 21st Century? Award-winning artist Grayson Perry explores what masculinity is: from sex to power, from fashion to career prospects, and what it could become—with illustrations throughout. In this witty and necessary new book, artist Grayson Perry trains his keen eye on the world of men to ask, what sort of man would make the world a better place? What would happen if we rethought the macho, outdated version of manhood, and embraced a different ideal? In the current atmosphere of bullying, intolerance and misogyny, demonstrated in the recent Trump versus Clinton presidential campaign, *The Descent of Man* is a timely and essential addition to current conversations around gender. Apart from gaining vast new wardrobe options, the real benefit might be that a newly fitted masculinity will allow men to have better relationships—and that's happiness, right? Grayson Perry admits he's not immune from the stereotypes himself—yet his thoughts on everything from power to physical appearance, from emotions to a brand new Manifesto for Men, are shot through with honesty, tenderness, and the belief that, for everyone to benefit, updating masculinity has to be something men decide to do themselves. They have nothing to lose but their hang-ups.

### RECLAIMING OUR HEALTH

---

---

---

#### A GUIDE TO AFRICAN AMERICAN WELLNESS

---

*Yale University Press* "An interactive and empowering book" to help African American men and women create a new vision of better health and navigate the health care system (BET.com). According to the federal Office of Minority Health, African Americans "are affected by serious diseases and health conditions at far greater rates than other Americans." In fact, African Americans suffer an estimated 85,000 excess deaths every year from diseases we know how to prevent: heart disease, stroke, cancer, high blood pressure, and diabetes. In this important and accessible book, Dr. Michelle Gourdine provides African Americans with the knowledge and guidance they need to take charge of their wellbeing. *Reclaiming Our Health* begins with an overview of the primary health concerns facing African Americans and explains who is at greatest risk of illness. Expanding on her career and life experiences as an African American physician, Dr. Gourdine presents key insights into the ways African American culture shapes health choices—how beliefs, traditions, and values can influence eating choices, exercise habits, and even the decision to seek medical attention. She translates extensive research into practical information and presents readers with concrete steps for achieving a healthier lifestyle, as well as strategies for navigating the health-care system. This interactive guide with illustrations is a vital resource for every African American on how to live a healthier and more empowered life, and an indispensable handbook for health-care providers, policy makers, and others working to close the health gap among people of color. Says Gourdine, "I wrote this book to empower our community to solve our own health problems and save our own lives."

### ENCOUNTER

---

---

---

#### RECEIVE CHRIST'S FREEDOM

---

*Joel Comiskey* Christ's death on the cross offers victory over bitterness, addictions, occult bondage, and debilitating strongholds. *Encounter! Receive Christ's Freedom* will show you how to apply Christ's victory to your own life. This book is an excellent resource for someone who is bound by sinful habits or who simply needs to live an abundant life. It explains clearly how to receive the fullness of the Holy Spirit and then to walk in the Spirit's power. It's a great resource to use individually or in a retreat setting. In the back of the book, there's a coach's section to help guide someone else through the contents of this book. Topics include: Repentance and forgiveness; The power of the cross over sin, Satan, and demonic strongholds; How to receive inner healing; Freedom from the fear of death; How to be filled with the Spirit.

### WHERE ALL LIGHT TENDS TO GO

---

*Penguin* A Finalist for the Edgar Award for Best First Novel "Remarkable . . . This isn't your ordinary coming-of-age novel, but with his bone-cutting insights into these men and the region that bred them, Joy makes it an extraordinarily intimate experience."—Marilyn Stasio, *The New York Times Book Review* "Lyrical, propulsive, dark and compelling. Joy knows well the grit and gravel of his world, the soul and blemishes of the place."—Daniel Woodrell In the country-noir tradition of *Winter's Bone* meets *'Breaking Bad,'* a savage and beautiful story of a young man seeking redemption. The area surrounding Cashiers, North Carolina, is home to people of all kinds, but the world that Jacob McNeely lives in is crueller than most. His father runs a methodically organized meth ring, with local authorities on the dime to turn a blind eye to his dealings. Having dropped out of high school and cut himself off from his peers, Jacob has been working for this father for years, all on the promise that his payday will come eventually. The only joy he finds comes from reuniting with Maggie, his first love, and a girl clearly bound for bigger and better things than their hardscrabble town. Jacob has always been resigned to play the cards that were dealt him, but when a fatal mistake changes everything, he's faced with a choice: stay and appease his father, or leave the mountains with the girl he loves. In a place where blood is thicker than water and hope takes a back seat to fate, Jacob wonders if he can muster the strength to rise above the only life he's ever known.

---

#### THE IDENTIFICATION OF BEHAVIORAL, GEOGRAPHIC AND TEMPORAL PATTERNS OF PREPARATORY CONDUCT

---

*DIANE Publishing* This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

### IS MARRIAGE FOR WHITE PEOPLE?

---

---

---

#### HOW THE AFRICAN AMERICAN MARRIAGE DECLINE AFFECTS EVERYONE

---

*Penguin* A distinguished Stanford law professor examines the steep decline in marriage rates among the African American middle class, and offers a paradoxical-nearly incendiary-solution. Black women are three times as likely as white women to never marry. That sobering statistic reflects a broader reality: African Americans are the most unmarried people in our nation, and contrary to public perception the racial gap in marriage is not confined to women or the poor. Black men, particularly the most successful and affluent, are less likely to marry than their white counterparts. College educated black women are twice as likely as their white peers never to marry. *Is Marriage for White People?* is the first book to illuminate the many facets of the African American marriage decline and its implications for American society. The book explains the social and economic forces that have undermined marriage for African Americans and that shape everyone's lives. It distills the best available research to trace the black marriage decline's far reaching consequences, including the disproportionate likelihood of abortion, sexually transmitted diseases, single parenthood, same sex relationships, polygamous relationships, and celibacy among black women. This book centers on the experiences not of men or of the poor but of those black women who have surged ahead, even as black men have fallen behind. There is a story

that has not been told. Empirical evidence documents its social significance, but its meaning emerges through stories drawn from the lives of women across the nation. *Is Marriage for White People?* frames the stark predicament that millions of black women now face: marry down or marry out. At the core of the inquiry is a paradox substantiated by evidence and experience alike: If more black women married white men, then more black men and women would marry each other. This book not only sits at the intersection of two large and well-established markets—race and marriage—it responds to yearnings that are widespread and deep in American society. The African American marriage decline is a secret in plain view about which people want to know more, intertwining as it does two of the most vexing issues in contemporary society. The fact that the most prominent family in our nation is now an African American couple only intensifies the interest, and the market. A book that entertains as it informs, *Is Marriage for White People?* will be the definitive guide to one of the most monumental social developments of the past half century.

#### **HOW FINANCIAL MODELS SHAPE MARKETS**

---

*MIT Press* In *An Engine, Not a Camera*, Donald MacKenzie argues that the emergence of modern economic theories of finance affected financial markets in fundamental ways. These new, Nobel Prize-winning theories, based on elegant mathematical models of markets, were not simply external analyses but intrinsic parts of economic processes. Paraphrasing Milton Friedman, MacKenzie says that economic models are an engine of inquiry rather than a camera to reproduce empirical facts. More than that, the emergence of an authoritative theory of financial markets altered those markets fundamentally. For example, in 1970, there was almost no trading in financial derivatives such as "futures." By June of 2004, derivatives contracts totaling \$273 trillion were outstanding worldwide. MacKenzie suggests that this growth could never have happened without the development of theories that gave derivatives legitimacy and explained their complexities. MacKenzie examines the role played by finance theory in the two most serious crises to hit the world's financial markets in recent years: the stock market crash of 1987 and the market turmoil that engulfed the hedge fund Long-Term Capital Management in 1998. He also looks at finance theory that is somewhat beyond the mainstream—chaos theorist Benoit Mandelbrot's model of "wild" randomness. MacKenzie's pioneering work in the social studies of finance will interest anyone who wants to understand how America's financial markets have grown into their current form.

---

#### **WILD FOR THE NIGHT**

---

*Createspace Independent Publishing Platform* *Naji* is a loose cannon addicted to gunsmoke, fast money, and making it happen at all costs. Nathan is college bound and determined to escape the streets. Gotta be a smooth talking playboy with a sweet tooth for teenage girls. Journey with this family as they rescue Young Savage, encounter beef, internal conflict, and situations that test their love and loyalty to each other.

---

#### **THE MIRANDA OBSESSION**

---

*Byliner Digital Services* She said she was a gorgeous, wealthy, well-connected model and student named Miranda, and she seduced a slew of famous and powerful men—Billy Joel, Warren Beatty, Ted Kennedy, Quincy Jones, Robert DeNiro, Bob Dylan, Buck Henry, Richard Gere, Eric Clapton, and many more—all of them over the phone. In the course of those long, flirtatious conversations some fell madly in love with her. Some became obsessed with her. Some had their hearts broken by her. And then she vanished. In the 12 years since bestselling author Bryan Burrough (Barbarians at the Gate, The Big Rich) first published his story "The Miranda Obsession" in *Vanity Fair*, the legend of Miranda has continued to grow and his article has become a true classic of the genre. On the heels of a just-aired prime-time *Vanity Fair*-CBS "48 Hours" special on enduring Hollywood mysteries, Burrough is republishing his story as an e-book, complete with a new Afterword that brings Miranda's extraordinary tale up to date with the names of still more leading men who fell under her spell, from Bono to Rush Limbaugh. Writes Burrough: "In 30 years in the field...I don't think I've ever come across another [story] like it.... She has much to say about what men want, what men need, and how to keep a man coming back for more."
