THE DRAMA IS COMING NOW

THE THEATER CRITICISM OF RICHARD GILMAN, 1961-1991

Yale University Press This engrossing book presents the first collection in more than three decades of one of America's finest drama critics. Richard Gilman chronicles a major period in American theater history, one that witnessed the birth or spread of Off-Broadway, regional theater, nonprofit companies, and avant-garde performance, as well as growing interest in plays by women and minorities and in world drama. His writing, however, is more than a revealing look at an era. It is criticism for the ages. Insightful, provocative, and impassioned, the articles represent the full range of Gilman's interests. There are essays, profiles, and book reviews dealing with such topics as the "new naturalism" in theater, Brecht's collected plays, and the legacy of Stanislavski. There is also a generous sampling of Gilman's comments on plays by O'Neill, Miller, Chekhov, Albee, Ibsen, Anouilh, Beckett, Ionesco, Pinter, Fugard, and many others.

WHAT DID THE ALTERNATIVES EVER DO FOR US?

A FIVE-PART DRAMA SERIES, WITH COMMENTARY, EXPLORING THE EMERGENCE OF ALTERNATIVE COMEDY

THE ENGLISH TEACHER'S DRAMA HANDBOOK

FROM THEORY TO PRACTICE

Routledge The English Teacher's Drama Handbook is a rich, thought-provoking introduction to teaching drama within the English classroom. Divided into two sections, the first part of the book explores deological influences that have shaped drama's relationship with English over the past 250 years and aims to help you locate your own practice within a theoretical and historical context. Starting with Rousseau's seminal text Emile, it considers the theories of key thinkers and practitioners and a range of complex issues including the construction of 'childhood', children's play, the teacher and student relationship, the implications of linking drama and English and the impact of national curricula on drama and English teaching. The second half of the book offers a collection of comprehensive, practical schemes of work to inspire and support you and your students to realise the power of drama in bringing English language and literature vividly to life. Suitable for a range of ages and abilities, each activity makes explicit links to the key thinkers and issues explored in the first part of the book and explores a particular aspect of work in English - from grammar and spelling to poetry and play texts. Together with guidance on how to begin and progress the activities, each sequence includes ideas for exploring issues further in the English classroom. Written for English teachers at any stage of their career, The English Teacher's Drama Handbook offers new ways of looking at drama and English that will ensure meaningful and enjoyable teaching and learning.

TEACHING CLASSROOM DRAMA AND THEATRE

PRACTICAL PROJECTS FOR SECONDARY SCHOOLS

Routledge This revised and updated edition of Teaching Classroom Drama and Theatre will be an essential text for anyone teaching drama in the modern classroom. It presents a model teachers can use to draw together different methodologies of drama and theatre studies, exemplified by a series of contemporary, exciting practical units. By re-appraising the different traditions and approaches to drama teaching in schools, it offers innovative, contemporary projects and lessons suitable for a wide range of teachers and learners. Divided into eight units with each one offering photocopiable resources and exploring a different theme, this book has been updated to reflect current trends in drama teaching and important themes in contemporary society such as: Myths and urban folklore Moral decisions Asylum seekers The transition from primary to secondary school Conflict resolution and propaganda Protest and resistance Medieval plays Transportation Crime and punishment. Each unit provides ideas and lesson plans which can be used as they are or adapted to suit your own particular needs. This book will be an invaluable resource for anyone who teaches - or is learning to teach - drama in secondary schools as well as those who work with young people in other drama settings.

FORM AND MEANING IN DRAMA

A STUDY OF SIX GREEK PLAYS AND OF HAMLET

Routledge Analysing six Greek tragedies - the Orestes trilogy, Ajax, Antigone and Philoctetes - and Hamlet, this book also contains a chapter on the Greek and the Elizabethan dramatic forms and one on religious drama. This is an important work from an author respected for a constructive and sensitive quality of criticism.

EXPLORING MOVIE CONSTRUCTION AND PRODUCTION

WHAT'S SO EXCITING ABOUT MOVIES?

Open SUNY Textbooks Exploring Movie Construction & Production contains eight chapters of the major areas of film construction and production. The discussion covers theme, genre, narrative structure, character portrayal, story, plot, directing style, cinematography, and editing. Important terminology is defined and types of analysis are discussed and demonstrated. An extended example of how a movie description reflects the setting, narrative structure, or directing style is used throughout the book to illustrate building blocks of each theme. This approach to film instruction and analysis has proved beneficial to increasing students' learning, while enhancing the creativity and critical thinking of the student.

CULTIVATING STRONG GIRLS: LIBRARY PROGRAMMING THAT BUILDS SELF-ESTEEM AND CHALLENGES INEQUALITY

ABC-CLIO An essential "how-to" book for youth services librarians who are interested in effecting social change and offering a dynamic, relevant program for girls. • Presents complete, low-cost program instructions and recommended resources for librarians who want to offer relevant and dynamic programming for girls • Suggests extension activities, including peer mentoring and community service opportunities for girls who complete the program • Addresses programming concerns and potential pain points • Encourages librarians to develop meaningful and lasting relationships with patrons

THE DRAMA; ITS HISTORY, LITERATURE AND INFLUENCE ON CIVILIZATION: BRITISH DRAMA

THE ANCIENT BRITISH DRAMA

RHETORIC AND DRAMA IN THE JOHANNINE LAWSUIT MOTIF

Mohr Siebeck George L. Parsenius explores the legal character of the Gospel of John in the light of classical literature, especially Greek drama. Johannine interpreters have explored with increasing interest both the legal quality and the dramatic quality of the Fourth Gospel, but often do not connect these two ways of reading John. Some interpreters even assume that the one approach excludes the other, and that John is either legal or dramatic, but not both. Legal rhetoric and tragic drama, however, were joined throughout antiquity in a complex pattern of mutual influence. To connect John to drama, therefore, is to connect John to legal rhetoric, and doing so helps to see even more clearly the pervasiveness of the legal motif in the Gospel of John. Tracing the legal character of seeking in Sophocles' Oedipus Rex, for example, sheds new light on the legal character of seeking in the Fourth Gospel, especially in the enigmatic comment of Jesus at John 8:50. New insights are also offered regarding the evidentiary character of the signs of Jesus, based on comparison with Aristotle's comments about signs and rhetorical evidence in both the Poetics and Rhetoric, as well as by comparison with plays by Aeschylus, Sophocles and Euripides. To call the signs of Jesus evidence, however, does not remove them from the dialectical tension inherent in Johannine theology. If the signs are evidence, they are evidence in a world in which the basis of forming judgments has been problematized by the appearance of the Word in the flesh.

BIBLICAL READING DRAMAS

20 BIBLE STORIES TO PRESENT ON YOUR CHURCH STAGE WITH JUST ONE REHEARSAL

This is a book of dramas, but the conversations of the actors make for good reading. So read it and enjoy it as a book of true stories or read it and pick your favorite story and present it in your church as a drama. Some of these dramas were written when I was in charge of drama productions at Millar College of the Bible. After school finished in the spring we would travel to about 15 churches and present them. Some of these dramas were written for a local church where I pastored. I usually worked with young people, but some older people, even retired people, had the courage to participate. This book is a book of reading dramas. The lines could be memorized like students did at Millar, but finding people who will do all that work for one production would be nearly impossible. Allowing people to participate while reading and with only one rehearsal is possible. No memorization would be required. The drama would involve the church people in an active way. Each page of the drama requires 1 to 2 minutes. Requirements of the drama leader; Be able to picture how the drama could be presented in your church setting. Select actors that are best suited to the part. Give out the scripts. Get a commitment to attend the rehearsal and presentation. Ask a capable person to become familiar with the drama who can fill in if sickness etc. leaves a hole. Organize a rehearsal and talk it through, walk it through, and then rehearse it until the actors understand their part. The home church does not expect professional quality from its children, teens and adults, but do your best. They will love it even if it is not perfect. The main thing is that the characters of the Bible come alive as people watch people they know. There are videos and downloads that do a more professional job of portraying Scripture. That is good, but people sit passively and watch. In these dramas people are actively involved, living on the edge, but loving it. People thrive as they participate, and parents love to see their child or teenager portraying a Bible lesson.

THE ROUTLEDGE COMPANION TO DRAMA IN EDUCATION

Taylor & Francis The Routledge Companion to Drama in Education is a comprehensive reference guide to this unique performance discipline, focusing on its process-oriented theatrical techniques, engagement of a broad spectrum of learners, its historical roots as a field of inquiry and its transdisciplinary pedagogical practices. The book approaches drama in education (DE) from a wide range of perspectives, from leading scholars to teaching artists and school educators who specialise in DE teaching. It presents the central disciplinary conversations around key issues, including best practice in DE, aesthetics and artistry in teaching, the histories of DE, ideologies in drama and education, and concerns around access, inclusivity and justice. Including reflections, lesson plans, programme designs, case studies and provocations from scholars, educators and community arts workers, this is the most robust and comprehensive resource for those interested in DE's past, present and future.

THE BRITISH DRAMA: COMEDIES. 2 V

THE BROADVIEW ANTHOLOGY OF RESTORATION AND EARLY EIGHTEENTH CENTURY DRAMA: CONCISE EDITION

Broadview Press The Broadview Anthology of Restoration and Early Eighteenth-Century Drama, Concise Edition, with twenty-one plays, is half the length of the full anthology without compromising its breadth. Concentrating on plays from the heyday of 1660-1737, it focuses on Restoration drama proper and Revolution drama, with a selection from the early Georgian period and the later Georgian period's "laughing comedy." Seven of the nine sub-genres (personal tragedy, tragicomic romance, social comedy, subversive comedy, corrective satire, menippean satire, and laughing comedy) of the full anthology are represented, with the preponderance of exposure given to the jewel of this theatre, its comedy. Each play is fully annotated and prefaced with an historical introduction. Also included are a general introduction, a statement of procedures, and a glossary.

STORY DRAMA IN THE SPECIAL NEEDS CLASSROOM

STEP-BY-STEP LESSON PLANS FOR TEACHING THROUGH DRAMATIC PLAY

Jessica Kingsley Publishers Introducing drama to the learning experience is guaranteed to enrich a child's development, and is an especially effective approach for children with special educational needs, including those with autism spectrum disorders. This practical handbook offers teachers an array of simple and easy-to-implement theatrical techniques that will enhance students' learning and encourage artistic expression. The author demonstrates how dramatic play doesn't have to be restricted to drama lessons and can be applied to a diverse range of school subjects and recreational settings. 'The Little Red Hen', for example, covers themes that are relevant to literacy (rhyming and rhythm), maths (counting seeds), science (discussing farming), and art lessons (designing costumes). Step-by-step lesson plans take teachers through every aspect of running fun and engaging story dramas, including warm ups, movement, songs and props. Handy tips throughout suggest ideas for developing the plays further and ways to adapt them according to the needs of the group. This book will be an essential and comprehensive guide for anyone interested in drama as an educational tool in inclusive or special needs settings.

THE BRITISH DRAMA: PT. 1-2. TRAGEDIES

THE MASTERPIECES OF MODERN DRAMA ...: FOREIGN

FEMALE MOURNING IN MEDIEVAL AND RENAISSANCE ENGLISH DRAMA

FROM THE RAISING OF LAZARUS TO KING LEAR

Ashgate Publishing, Ltd. Looking at the plays of Shakespeare, Kyd, and Webster this book presents a new perspective on early modern drama grounded upon three original interrelated points. The author explores how the motif of the mourning woman on the early modern stage embodies the cultural trauma of the Reformation in England; brings to light the extent to which the figures of early modern drama recall those of the recent medieval past; and addresses how these representations embody actual mourning practices that were, after the Reformation, increasingly viewed as disturbing.
