#### THE STORY OF MY STRUGGLE WITH MYSELF AFTER IRAQ

---

*iUniverse* When Dennis James Williams returned home after fighting in Iraq, he had a hard time fitting back into society. He was under financial stress and could not communicate with his wife. Much of his time was spent trying to find a place to work so he could provide for his family. But what turned out to be his worst problem was something he didn't want to admit he had—post-traumatic stress disorder. In this gut-wrenching personal account, Williams looks back at a downward spiral that led to alcohol, drugs, and other crutches. Finding a path that led to something better took a lot of work and time. Each time he thought he'd found the way out, he'd realize it was just an illusion. Whether you are a veteran or you know someone who is one, there are signs of post-traumatic stress disorder—you just need to know how to recognize them. After that, it's a matter of accepting the problem and seeking help. Williams met the challenge, and in PTSD and Me, he imparts that there is hope for other soldiers with this disorder.

## WALKER EVANS

---

### CUBA

*J Paul Getty Museum Publications* "As novelist and poet Andrei Codrescu points out in the essay that accompanies this selection of photographs from the Getty Museum's collection, Evans's photographs are the work of an artist whose temperament was distinctly at odds with Beals's impassioned rhetoric. Evans's photographs of Cuba were made by a young, still maturing artist who - as Codrescu argues - was just beginning to combine his early, formalist aesthetic with the social concerns that would figure prominently in his later work."--Jacket.
