#### ARCHETYPES THAT SHAPE MEN'S LIVES

---

Harper Paperbacks In this enlightening companion volume to the bestselling *Goddesses in Everywoman*, Jean Shinoda Bolen introduces men's inner patterns in the guise of eight archetypal gods. From the authoritarian, power-seeking gods (Zeus, Poseidon) to the gods of creativity (Apollo, Hephaestus), from the sensual Dionysus to Hermes, the communicator and a archetype of the man on the move, Dr. Bolen shows men how to identify their ruling gods, how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes in order to enrich and strengthen their lives. She stresses the importance of understanding which gods you are attracted to and which are incompatible with your expectations, uncovers the origins of the often-difficult father-son relationship, and explores society's deep conflict between nurturing behavior and the need to foster masculinity. In *Gods in Everyman*, Dr. Bolen presents us with a compassionate and lucid male psychology that will help all men and women to better understand themselves and their relationships with their fathers, sons, brothers, and lovers.

#### ARCHETYPES THAT SHAPE MEN'S LIVES

---

Harper Collins In this challenging and enlightening companion volume to the bestselling *Goddesses in Everywoman*, Jean Shinoda Bolen turns her attention to the powerful inner patterns--or archetypes--that shape men's personalities, careers, and personal relationships. Viewing these archetypes as the inner counterparts of the outer world of cultural stereotypes, she demonstrates how men and women can gain an invaluable sense of wholeness and integration when what they do is consistent with who they are. Dr. Bolen introduces these patterns in the guise of eight archetypal gods, or personality types, with whom the reader will identify. From the authoritarian power-seeking gods (Zeus, Poseidon) to the gods of creativity (Apollo, Hephaestus) to the sensual Dionysus, Dr. Bolen shows men how to identify their ruling gods, how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes in order to enrich and strengthen their lives. She also stresses the importance of understanding which gods you are attracted to and which are compatible with your expectations, uncovers the origins of the often-difficult father-son relationship, and explores society's deep conflict between nurturing behavior and the need to foster masculinity. In *Gods in Everyman* Dr. Bolen presents us with a compassionate and lucid male psychology that will help all men and women to better understand themselves and their relationships with their fathers, their sons, their brothers, and their lovers.

### ARTEMIS

---

---

#### THE INDOMITABLE SPIRIT IN EVERYWOMAN

---

Conari Press In Jean Shinoda Bolen's best-selling, game-changing *Goddesses in Everywoman*, myths came to life in a whole new way that resonated with our own lives. Even fictional character Bridget Jones was reading that book. Now comes *Artemis: The Indomitable Spirit in Everywoman*, a groundbreaking new book that explores the archetype of the activist. Indomitable means untamed, unsubdued. It is the one-in-herself quality in girls and women who will not be victims, no matter what. To bring the Artemis archetype to life, Dr. Bolen delves deeply into the myth of Atalanta, the famous hunter and runner in ancient Greek mythology, a mortal woman who is identified with Artemis the Greek Goddess of the Hunt and Moon. Atalanta began life abandoned and left to die because she was born a girl. She faced the Calydon Boar and drew first blood; she was the runner who would demand to be beaten in a footrace by the man who could claim her as his bride. Atalanta exemplifies the indomitable spirit in competent, courageous girls and in the women they become. This is grit, the passion and persistence to go the distance, to survive, and to succeed. Dr. Bolen paints a vivid picture of Artemis women in current media, including Princess Merida from the animated film *Brave* and Katniss Everdeen from *The Hunger Games*. In all these examples and those of real-life women who grow into their Artemis spirit, she provides the means through which readers can navigate their own personal exploration to become their authentic selves. Bolen dedicates this book to women and girls who embody the archetype of Artemis, who discover her uncrushable spirit in themselves or others.

## **POWERFUL ARCHETYPES IN WOMEN'S LIVES**

---

Harper Collins A classic work of female psychology that uses seven archetypal goddesses as a way of describing behavior patterns and personality traits is being introduced to the next generation of readers with a new introduction by the author. Psychoanalyst Jean Bolen's career soared in the early 1980s when Goddesses in Everywoman was published. Thousands of women readers became fascinated with identifying their own inner goddesses and using these archetypes to guide themselves to greater self-esteem, creativity, and happiness. Bolen's radical idea was that just as women used to be unconscious of the powerful effects that cultural stereotypes had on them, they were also unconscious of powerful archetypal forces within them that influence what they do and how they feel, and which account for major differences among them. Bolen believes that an understanding of these inner patterns and their interrelationships offers reassuring, true-to-life alternatives that take women far beyond such restrictive dichotomies as masculine/feminine, mother/lover, careerist/housewife. And she demonstrates in this book how understanding them can provide the key to self-knowledge and wholeness. Dr. Bolen introduced these patterns in the guise of seven archetypal goddesses, or personality types, with whom all women could identify, from the autonomous Artemis and the cool Athena to the nurturing Demeter and the creative Aphrodite, and explains how to decide which to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better "heroine" in one's own life story.

---

## **URGENT MESSAGE FROM MOTHER**

---

## **GATHER THE WOMEN, SAVE THE WORLD**

---

Conari Press In its original edition, this culmination of Jean Shinoda Bolen's life's work sold over 25,000 copies. Now in paperback for the first time Urgent Message from Mother is a call to action for all the women of the world. This unique combination of visionary thinking and practical how-to seeks to galvanize the power of women acting together in order to save our world. Bolen outlines the lessons we can learn from the women's movement, draws on Jungian psychology and the sacred feminine, and gives powerful examples of women coming together all over the globe and making a significant impact.

---

## **GODDESSES IN OLDER WOMEN**

---

## **ARCHETYPES IN WOMEN OVER FIFTY**

---

Harper At some point after fifty, every woman crosses a threshold into the third phase of her life. As she enters this uncharted territory -- one that is generally uncelebrated in popular culture -- she can choose to mourn what has gone before, or she can embrace the juicy crone years. In this celebration of Act 3, Jungian analyst Jean Shinoda Bolen names the powerful new energies and potentials, or archetypes, that come into the psyche at this momentous time, suggesting that women getting older have profound and exciting reasons for welcoming the other side of fifty. As Bolen has explained in her remarkable body of work, there are goddesses in every woman, deep archetypal sources of wisdom, authenticity and spirituality that, once tapped, energize us and give us a sense of meaning and self-acceptance. The knowledge of which archetypes are active within us at each phase of life--maiden, mother (or matron), and crone--supports us in making choices that are true to who we are instead of conforming to others' ideas of who we should be. In Bolen's bestselling Goddesses in Everywoman, the classic work of the women's spirituality movement, the Greek goddesses personified these archetypes as they affected the first two phases of a woman's adult life. Now she explains that in the third stage, marked physiologically by menopause, there emerges a whole new cast of inner archetypes that a woman can draw on for guidance, creativity, personal integration, and joy. Once we learn to recognize these forces, we can feel empowered and wise, introspective and spiritual, sexually bold and full of mirth. For it is in the "wisewoman" years, when a woman has lived long enough to resolve the tasks of younger and middle adulthood, that she can fully and authentically become who she deeply is. The generation of women who are approaching or who have reached the crone years is historically unique. Influenced by the women's movement, they have benefited from educational opportunities, women's support networks, and economic resources as excellent preparation for decades of active postmenopausal life. By recognizing the goddess archetypes that emerge in this phase, women of this special generation will be enabled to transform the crone years into the best years of their lives.

## **GODDESSES IN EVERYWOMAN: THIRTIETH ANNIVERSARY EDITION**

---

### **POWERFUL ARCHETYPES IN WOMEN'S LIVES**

---

Harper Paperbacks Myths are fascinating stories that become even more intriguing when we realize that they can reveal intimate truths about ourselves and others. Jean Shinoda Bolen brings the Greek pantheon to life as our inner archetypes and applies the power of myth to our personal lives. Once we understand the natural progression from myth to archetype to personal psychology, and realize that positive gifts and negative tendencies are qualities associated with a particular goddess within, we gain powerful insights. Depending on which goddess is more active within, one woman might be more committed to achieving professional success, while another more fulfilled as a wife and mother. Bolen teaches women how to decide which qualities to cultivate and which to overcome, and how to tap the power of these enduring archetypes to become a better heroine in their own life stories.

---

### **THE TAO OF PSYCHOLOGY**

---

Harper Collins Understanding the Moments That Touch and Transform Our Lives Who hasn't experienced that eerie coincidence, that sudden, baffling insight, that occasional flash of extrasensory perception that astonishes? Can these events be dismissed as mere chance, or do they have some deeper significance for us? The twenty-fifth anniversary edition of this classic explores the inter-relationship between these meaningful coincidences and our intuitive sense that we are part of some deep oneness with the universe -- a oneness called Tao in Eastern philosophy and synchronicity in Jungian psychology. By relating the concepts of Tao and synchronicity, Dr. Bolen reveals important links between psychology and mysticism, right brain and left, the individual and the external world. The Tao of Psychology provides the key for each individual to interpret the synchronistic events in his or her life and gives fresh insight into the relationships, dreams, and flashes of perception that transform our existence.

---

### **THE TAO OF PSYCHOLOGY**

---

### **SYNCHRONICITY AND THE SELF**

---

Harper San Francisco Examines coincidental events that individuals find significant, but which cannot be rationally explained, suggesting ways of using the resulting feelings of universal unity in Jungian therapies and Taoist introspection

### **SACRED PATHS FOR MODERN MEN**

---

### **A WAKE UP CALL FROM YOUR 12 ARCHETYPES**

---

Llewellyn Worldwide Roar Rule Laugh Create Destroy Love ...And lay claim to your true masculine nature and spiritual heritage. According to Dagonet Dewr, a writer and activist in the men's pagan spirituality movement: "We have forgotten how to cry, to scream, to hunt, to love, to honor, to teach, to initiate." Hip, funny, and direct, this pagan belief guide explores twelve powerful male archetypes and their relevance for men today: Divine Child, Lover, Warrior, Trickster, Green Man, Guide, Craftsman, Magician, Destroyer, King, Healer, and Sacrificed One. Stories of characters from mythology, fantasy, and pop culture illustrate different expressions of masculine energy. With pagan rituals and magickal workings, this pagan book offers a visceral, hands-on way to connect with archetypal energies and honor male rites of passage such as coming of age, seeking a partner in love, or becoming a father.

---

### **LIKE A TREE**

---

### **HOW TREES, WOMEN, AND TREE PEOPLE CAN SAVE THE PLANET**

---

Mango Media Inc. The internationally known author and speaker provides an insightful look into the fusion of ecological issues and global gender politics. This book on the importance of trees grew out of Bolen's experience mourning the loss of a Monterey pine that was cut down in her neighborhood. That, combined with her practice of walking among tall trees, led to her deep connection with trees and an understanding of their many complexities. She expertly explores the dynamics of ecological activism, spiritual activism, and sacred feminism. And, she invites us to join the movement to save trees. While there is still much work to be done to address environmental problems, there are many stories of individuals and organizations rising up to make a change and help save our planet. The words and stories that Bolen weaves throughout this book are both inspirational and down-to-earth, calling us to realize what is happening to not only our trees, but our people. In Like a Tree learn more about: The dynamic nature of trees — from their anatomy to their role as an archetypal symbol Pressing social issues such as deforestation, global warming, and overpopulation What it means to be a "tree person" "You will never again see [a tree] without knowing it has a novel inside, it's supporting your life, and it's more spiritual than any church, temple or mosque. Like a Tree is the rare book

that not only informs, but offers a larger consciousness of life itself.” —Gloria Steinem

---

## **STEALING FIRE FROM HEAVEN**

---

### **THE RISE OF MODERN WESTERN MAGIC**

---

Oxford University Press The Western magical traditions are currently undergoing an international resurgence. In *Stealing Fire from Heaven*, Nevill Drury offers an overview of the modern occult revival and seeks to explain this growing interest in ancient magical belief systems. Gnosticism and the Hermetica, the medieval Kabbalah, Tarot and Alchemy, and more recently, Rosicrucianism and Freemasonry, collectively laid the basis for the modern magical revival, which first began to gather momentum in Europe at the end of the nineteenth century. Western magic has since become increasingly eclectic, drawing on such diverse sources as classical Greco-Roman mythology, Celtic cosmology, Kundalini yoga and Tantra, shamanism, chaos theory, and the various spiritual traditions associated in many different cultures with the Universal Goddess. Drury traces the rise of various forms of magical belief and practice, from the influential Hermetic Order of the Golden Dawn to the emergence of Wicca and Goddess worship as expressions of contemporary feminine spirituality. He also explores Chaos Magick and the occult practices of the so-called Left-Hand Path, as well as twenty-first-century magical forays into cyberspace. He believes that the rise of modern Western magic stems essentially from the quest for personal spiritual transformation and direct experience of the sacred—a quest which the trance occultist and visionary artist Austin Osman Spare once referred to as “stealing fire from heaven.” Considered in this light, Drury argues, modern Western magic can be regarded as a form of alternative spirituality in which the practitioners seek direct engagement with the mythic realm.

---

## **FINDING MEANING IN THE SECOND HALF OF LIFE**

---

### **HOW TO FINALLY, REALLY GROW UP**

---

Penguin What does it really mean to be a grown up in today’s world? We assume that once we “get it together” with the right job, marry the right person, have children, and buy a home, all is settled and well. But adulthood presents varying levels of growth, and is rarely the respite of stability we expected. Turbulent emotional shifts can take place anywhere between the age of thirty-five and seventy when we question the choices we’ve made, realize our limitations, and feel stuck—commonly known as the “midlife crisis.” Jungian psycho-analyst James Hollis believes it is only in the second half of life that we can truly come to know who we are and thus create a life that has meaning. In *Finding Meaning in the Second Half of Life*, Hollis explores the ways we can grow and evolve to fully become ourselves when the traditional roles of adulthood aren’t quite working for us, revealing a new way of uncovering and embracing our authentic selves. Offering wisdom to anyone facing a career that no longer seems fulfilling, a long-term relationship that has shifted, or family transitions that raise issues of aging and mortality, *Finding Meaning in the Second Half of Life* provides a reassuring message and a crucial bridge across this critical passage of adult development.

---

## **WOMEN IN GAME OF THRONES**

---

### **POWER, CONFORMITY AND RESISTANCE**

---

McFarland *Game of Thrones*, one of the hottest series on television, leaves hundreds of critics divided on how “feminist” the show really is. Certainly the female characters, strong and weak, embody a variety of archetypes—widow queens, warrior women, damsels in distress, career women, priestesses, crones, mothers and maidens. However, the problem is that most of them play a single role without nuance—even the “strong women” have little to do besides strut about as one-note characters. This book analyzes the women and their portrayals one by one, along with their historical inspirations. Accompanying issues in television studies also appear, from the male gaze to depiction of race. How these characters are treated in the series and how they treat themselves becomes central, as many strip for the pleasure of men or are sacrificed as pawns. Some nude scenes or moments of male violence are fetishized and filmed to tantalize, while others show the women’s trauma and attempt to identify with the scene’s female perspective. The key is whether the characters break out of their traditional roles and become multidimensional.

## **THE HERO WITH AN AFRICAN FACE**

---

### **MYTHIC WISDOM OF TRADITIONAL AFRICA**

---

Bantam Retells the ancient legends of Africa, reveals their universal messages, and draws parallels between the symbols of Africa and those of other cultures.

---

## **FACES OF COMPASSION**

---

### **CLASSIC BODHISATTVA ARCHETYPES AND THEIR MODERN EXPRESSION – AN INTRODUCTION TO MAHAYANA BUDDHISM**

---

Simon and Schuster Faces of Compassion introduces us to enlightened beings, the bodhisattvas of Buddhist lore. They're not otherworldly gods with superhuman qualities but shining examples of our own highest potential. Archetypes of wisdom and compassion, the bodhisattvas of Buddhism are powerful and compelling images of awakening. Scholar and Zen teacher Taigen Dan Leighton engagingly explores the imagery and lore of the seven most important of these archetypal figures, bringing them alive as psychological and spiritual wellsprings. Emphasizing the universality of spiritual ideas, Leighton finds aspects of bodhisattvas expressed in a variety of familiar modern personages - from Muhammad Ali to Mahatma Gandhi, from Bob Dylan to Henry Thoreau, and from Gertrude Stein to Mother Teresa. This edition contains a revised and expanded introduction that frames the book as an exciting and broad-scoped view of Mahayana Buddhism. It's updated throughout to make it of more use to scholars and a perfect companion to survey courses of world religions or a 200-level course on Buddhism.

---

## **THE MILLIONTH CIRCLE**

---

### **HOW TO CHANGE OURSELVES AND THE WORLD: THE ESSENTIAL GUIDE TO WOMEN'S CIRCLES**

---

Mango Media Inc. A guide to using female connection and empowerment as a force for change. "Short and poetic . . . a fine resource for building community." —Spirituality & Practice The minds and spirits of women are powerful forces, particularly when harnessed in communion with other women. Women's circles have been around for quite some time, and their presence is a healing and strengthening source for many. Furthermore, author and psychiatrist Jean Shinoda Bolen believes that women's circles act as catalysts for change around the world. In this inspiring and spiritual book for women, Dr. Bolen provides both a guide and vision for women seeking purpose and change. Through her poetic language, Dr. Bolen emphasizes to her readers the importance of using their intuition and drawing upon their own insights. In bringing feminine values such as relationship, nurturing, and equality together, Dr. Bolen shares how women create a space for compassionate and radical growth. By focusing on both the psychological and spiritual, women open the doorway for great change and empower one another to be leaders of positive change in their own lives and beyond. In this way, women empowerment itself acts as a tool for societal and psychospiritual change. After all, when strong women join together, who can stop them? Read *The Millionth Circle: How to Change Ourselves and the World* and find . . . A tool for creating positive change Words of insightful and powerful feminine wisdom A book for women everywhere

## **ADVANCES IN ART THERAPY**

---

John Wiley & Sons Presents new ways in which art therapy is being used. Describes a wealth of cases where art therapy has been used with bereaved children, refugees, psychotics, psychosomatic patients, and many others. Discusses a variety of methods employed by art therapists, including the creative use of photography, video, computers, and psychodrama. Describes ways of introducing art therapy to children, and a new method of working with depressed patients. Also covers training issues, such as countertransference through art-making, using art in supervision, and training in termination.

---

## **TEACHING JUNG**

---

Oxford University Press This book offers a collection of original articles presenting several different approaches to Jung's psychology in relation to religion, theology, and contemporary culture. The contributors describe their teaching of Jung in different academic contexts, with special attention to the pedagogical and theoretical challenges that arise in the classroom.

---

## **MAIDEN, MOTHER, CRONE**

---

### **THE MYTH AND REALITY OF THE TRIPLE GODDESS**

---

Llewellyn Worldwide MAIDEN, MOTHER, CRONE presents the Trinity as ancient symbols of the Goddess, predating Christianity by thousands of years. The book explores longstanding myths and symbols, illuminating ancient, universal human challenges that still exist today. Together with in-depth explanations of goddess archetypes and their relevance to 20th century living, this book will lead you to a state of conscious awareness that can change your life.

---

## **THE LUMINARIES**

---

### **THE PSYCHOLOGY OF THE SUN AND MOON IN THE HOROSCOPE**

---

Weiser Books "The lectures in this volume form the first part of a week-long seminar called *The Inner Planets*, which was given in Zurich in June, 1990"--Introd.

---

## **A GOD WHO LOOKS LIKE ME**

---

---

## **DISCOVERING A WOMAN-AFFIRMING SPIRITUALITY**

---

The author examines the effect of the patriarchal images of early experience which stand in the way of a self-defined spirituality for women and offers a mix of poetry, ritual, story, meditation, and history to help reclaim women's lost power, autonomy, sexuality, wisdom, and divinity.

---

## **HOMOEROTICISM IN THE BIBLICAL WORLD**

---

---

### **A HISTORICAL PERSPECTIVE**

---

Fortress Press Nissinen's award-winning book surveys attitudes in the ancient world toward homoeroticism, that is, erotic same-sex relations. Focusing on the Bible and its cultural environment-Mesopotamia, Greece, Rome, Israel-Nissinen concisely and readably introduces the relevant sources and their historical contexts in a readable way. Homoeroticism is examined as a part of gender identity, i.e., the interplay of sexual orientation, gender identification, gender roles, and sexual practice. In the patriarchal cultures of the biblical world, Nissinen shows, homoerotic practices were regarded as a role construction between the active and passive partners rather than as expressions of an orientation moderns call "homosexuality." Nissinen shows how this applies to the limited acceptance of homoerotic relationships in Greek and Roman culture, as well as to Israel's and the early church's condemnation of any same-sex erotic activity. For readers interested in the ancient world or contemporary debates, Nissinen's fascinating study shows why the ancient texts - both biblical and nonbiblical - are not appropriate for use as sources of direct analogy or argument in today's discussion.

---

## **QUIET WISDOM IN LOUD TIMES**

---

---

### **THE RISE OF THE WOUNDED FEMININE**

---

Brandywine Creek Press In *The Girl Who Played with Fire*, the second story of the Larsson trilogy, Lisbeth Salander, the protagonist, is shot by her father and buried by her half-brother. But at dawn, her hand rises from the grave. Stunning! Here it is: the rise of the wounded feminine despite patriarchy's destructive violence. *Quiet Wisdom in Loud Times* considers her attempted murder by a brutal father and her resurrection despite it, to be the resounding metaphor of our times: we are in a global crisis of an old order of the patriarchy that wants to maintain the status quo of wealth and power. Yet the feminine principle, so wounded by the violence against it, continues to rise up. The wounded feminine principle refers to both women and men. Women have come a long way since the 1960's, but that really isn't the whole story. In fact, the story is not even about women only. It is about men also. It is about something, in fact, beyond both men and women, and that is the rise of the wounded feminine soul energy that needs to be part and parcel of all of us. Why now? We are at a very important time, where there are huge psychic upheavals happening. Right now life is still in patriarchal dominator mode. But this is not about gender. Women can be daughters of a rigid patriarchal structure as much as men can be its sons. Likewise, men, as well as women, can carry the collaborative, partnership model that attends to the feminine, relational aspects of life. *Quiet Wisdom in Loud Times* explores the rise of the wounded feminine principle, as well as its burials in relation to the environment, money, politics, and the media, with particular attention to the Larsson trilogy. By addressing the rise of the wounded feminine, *Quiet Wisdom in Loud Times* can help us face courageously the powers that be, while not collapsing into the indifference and apathy that define letting the patriarchy continue its violent way. This book elucidates how in relationship to one another and to the earth, the wounded feminine shall rise.

---

## **THE GREAT COSMIC MOTHER**

---

---

### **REDISCOVERING THE RELIGION OF THE EARTH**

---

Harper Collins This classic exploration of the Goddess through time and throughout the world draws on religious, cultural, and archaeological sources to recreate the Goddess religion that is humanity's heritage. Now, with a new introduction and full-color artwork, this passionate and important text shows even more clearly that the religion of the Goddess--which is tied to the cycles of women's bodies, the seasons, the phases of the moon, and the fertility of the earth--was the original religion of all humanity.

---

## **THE HERMETIC LINK**

---

---

### **FROM SECRET TRADITION TO MODERN THOUGHT**

---

Nicolas-Hays, Inc. Hermes is the Greek god of the Word, of thought and magic, the swift-moving messenger of the Divine and guardian of souls in the Afterlife. In Ancient Egypt he was the majestic god Thoth, the Recorder, the lord of measurement and science, the brother/husband of Isis. In Rome, he was of course Mercury, flying through the Empyrean at the speed of idea by the aid of his winged helmet and boots. In this broad survey of the Hermetic arts, author Jacob Slavenburg brings an unparalleled depth of insight to the subject. He examines the historical Hermetic literature and details its relevance to modern occultism, from the symbolism of architecture and art to the mysteries of Freemasonry. The heavenly mysteries of astrology are explored as are the healing arts which derive from the spirit of scientific inquiry embodied by Thoth/Hermes. Slavenburg examines the magical writings of the Greek papyri and their development into the contemporary magical practices of modern adepts. He sheds light on the workings of alchemy and the esoteric philosophy to the world of modern chemistry and physics. He explores the origin of evil and the realm

of the afterlife, and the Hermetic doctrines of reincarnation and karma. In addition, the author provides a wealth of biographical data on the magi of Hermeticism, from Ficino to Agrippa, John Dee to Giordano Bruno.

---

## **ADAM'S TASK**

---

### **CALLING ANIMALS BY NAME**

---

**Skyhorse** A groundbreaking meditation on our human-animal relationships and the moral code that binds it. **Adam's Task**, Vicki Hearne's innovative masterpiece on animal training, brings our perennial discussion of the human-animal bond to a whole new metaphysical level. Based on studies of literary criticism, philosophy, and extensive hands-on experience in training, Hearne asserts, in boldly anthropomorphic terms, that animals (at least those that interact more with humans) are far more intelligent than we assume. In fact, they are capable of developing an understanding of "the good," a moral code that influences their motives and actions. Drawing on an eclectic range of influences—Nietzsche, T. S. Eliot, Disney animal trainer William Koehler, and Genesis from the Bible, among others—Hearne writes in contemplative, exploratory, and brilliant prose as she interweaves personal anecdotes with philosophy. Hearne develops an entirely new system of animal training that contradicts modern animal behavioral research and that, as her examples show, is astonishingly effective. Widely praised, highly influential, and now with a new foreword by New York Times bestselling author Karen Joy Fowler, **Adam's Task** will make every trainer, animal psychologist, and animal-lover stop, think, and question.

---

## **THE ARTEMIS ARCHETYPE IN POPULAR CULTURE**

---

### **ESSAYS ON FICTION, FILM AND TELEVISION**

---

**McFarland** Many female figures in recent fiction, film, and television embody the Artemis archetype, modeled on the Greco-Roman goddess of the hunt. These characters are often identified as heroines and recognized as powerful and progressive pop icons. Some fit the image of the tough, resourceful female in a science fiction or fantasy setting, while others are more relatable, inhabiting a possible future, a recent past, or a very real present. Examining both iconic and lesser-known works, this collection of new essays analyzes the independent and capable female figure as an ideal representation of women in popular culture.

---

## **POWER OF ARCHETYPES**

---

### **HOW TO USE UNIVERSAL SYMBOLS TO UNDERSTAND YOUR BEHAVIOR AND REPROGRAM YOUR SUBCONSCIOUS**

---

**Red Wheel/Weiser** Deep within your mind is a realm filled with powerful symbols that drive your thoughts, behaviors, and actions--often without your knowledge. This is the hidden world of "archetypes": universal symbols responsible for who you are, how the world sees you, and what you believe about yourself and your life's purpose. **The Power of Archetypes** will help you identify, understand, and work with the archetypes that exist beyond your conscious awareness to create your reality "behind the scenes." You will also learn how to clear out old symbols that may be blocking you from the happiness and success you dream of. You will examine: The roles of the subconscious and collective unconscious in shaping your identity, and why it is so hard to change "you." The most common archetypes and what they symbolize. Global archetypes in religion, politics, and pop culture, and how they affect you. Ways to identify archetypes working in your life and the skills to change them and become more authentic. Archetypes reveal your plot and your purpose. The good news is, if you don't like them, you can choose more empowering symbols to create a completely new story of your life.

---

## **KING, WARRIOR, MAGICIAN, LOVER**

---

### **REDISCOVERING THE ARCHETYPES OF THE MATURE MASCULINE**

---

**Harper Collins** The bestselling, widely heralded, Jungian introduction to the psychological foundation of a mature, authentic, and revitalized masculinity. Redefining age-old concepts of masculinity, Jungian analysts Robert Moore and Douglas Gillette make the argument that mature masculinity is not abusive or domineering, but generative, creative, and empowering of the self and others. Moore and Gillette clearly define the four mature male archetypes that stand out through myth and literature across history: the king (the energy of just and creative ordering), the warrior (the energy of aggressive but nonviolent action), the magician (the energy of initiation and transformation), and the lover (the energy that connects one to others and the world), as well as the four immature patterns that interfere with masculine potential (divine child, oedipal child, trickster and hero). **King, Warrior, Magician, Lover** is an exploratory journey that will help men and women reimagine and deepen their understanding of the masculine psyche.

---

## **DREAMGATES**

---

### **EXPLORING THE WORLDS OF SOUL, IMAGINATION, AND LIFE BEYOND DEATH**

---

**New World Library** A world-renowned authority on the history, uses, and power of dreaming, Robert Moss guides neophyte and experienced adventurers alike to open their own dreamgates. Through these gates await otherwise inaccessible realms of reality as well as soul remembering — the "recovering of knowledge that belonged to us before we came into this life experience." Exercises, meditations, and the mesmerizing tales of fellow dream travelers outline

Moss's Active Dreaming technique, a kind of shamanic soul-flight that offers "frequent flyers" a passport between worlds. In this world beyond physical reality, Moss points to wellsprings of healing, creativity, and insight. As readers move into these different ways of seeing and knowing, they may also communicate with spiritual guides and departed loved ones in ways that transform their everyday lives.

## **DISCOVER THE POWER WITHIN YOU**

---

### **A GUIDE TO THE UNEXPLORED DEPTHS WITHIN**

---

Harper Collins The Inspirational Classic That Has Sold More Than 250,000 Copies! In this 40th anniversary edition of Eric Butterworth's inspiring tour de force, the author shares the greatest discovery of all time: the ability to see the divine within us all. Jesus saw this divine dimension in every human being, and Butterworth reveals this hidden and untapped resource to be a source of limitless abundance. Exploring this "depth potential," Butterworth outlines ways in which we can release the power locked within us for better health, greater confidence, increased success, and inspired openness to let our "light shine" forth for others.

## **INSIDE THE OTHER SIDE**

---

### **SOUL CONTRACTS, LIFE LESSONS, AND HOW DEAD PEOPLE HELP US, BETWEEN HERE AND HEAVEN**

---

Harper Collins "Concetta Bertoldi is definitely not your run-of-the-mill medium." —actor Billy Baldwin "With her fun loving and sparkling personality, it is no wonder the spirit world wants to speak to her." —James Van Praagh, #1 New York Times bestselling author of Talking to Heaven The New York Times bestselling author of Do Dead People Watch You Shower?, celebrity psychic medium Concetta Bertoldi talks intimately about soul contracts, life lessons, and how dead people help us between here and heaven, as she leads us on an eye-opening tour Inside the Other Side. With the same compassion and wit that inspired Publishers Weekly to praise "the charm of this 'average Jersey girl who talks to the dead,'" Concetta shares, her own experiences with loss, as well as the fascinating and comforting anecdotes of those she's read for over the years. Readers of Sylvia Browne and Alison Dubois, and the avid television audience for John Edward and Lisa Williams will be inspired by Concetta's powerful insights and guidance as she explains how to cope with life's most difficult issues by getting in touch with angels on the Other Side.
