KEY=BILINGUAL - MARISA BAUTISTA

FIRST TURKISH READER FOR BEGINNERS

BILINGUAL FOR SPEAKERS OF ENGLISH BEGINNER AND ELEMENTARY (A1 A2)

Audiologo There are simple and funny Turkish texts for easy reading. The book consists of Beginner and Elementary courses with parallel Turkish-English texts. The author maintains learners' motivation by funny stories about real life situations such as meeting people, studying, job searches, working etc. The ALARM Method (Approved Learning Automatic Remembering Method) utilize natural human ability to remember words used in texts repeatedly and systematically. The author composed each sentence using only words explained in previous chapters. The second and the following chapters of the Beginner course have only about thirty new words each. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

A STUDENT GRAMMAR OF TURKISH

APPLIED PSYCHOLINGUISTICS AND MULTILINGUAL COGNITION IN HUMAN CREATIVITY

IGI Global Multilingualism is becoming a social phenomenon governed by the needs of globalization and cultural openness. Owing to the ease of access to information facilitated by the internet, individuals'

exposure to multiple languages is becoming increasingly frequent, thereby promoting a need to acquire successful methods in understanding language. *Applied Psycholinguistics and Multilingual Cognition in Human Creativity* is an essential reference source that discusses the psychological and neurobiological factors that enable humans to acquire, use, comprehend, and produce language, as well as its applications in human development, the social sciences, communication theories, and infant development. Featuring research on topics such as international business, language processing, and organizational research, this book is ideally designed for linguists, psychologists, humanities and social sciences researchers, managers, and graduate-level students seeking coverage on language acquisition and communication.

THE ASSESSMENT OF BILINGUAL APHASIA

The author presents and explores the results of participant interviews conducted with 10 students with varied cultural and linguistic backgrounds.

THE LITTLE PRINCE

Samaira Book Publishers

THE DELIGHTS OF LEARNING TURKISH

A SELF-STUDY COURSE BOOK FOR LEARNERS OF TURKISH

Createspace Independent Publishing Platform 'The Delights of Learning Turkish' is a self-study course book that takes the learner from the beginner level to the intermediate level in Turkish. It is designed for English speakers, targeting adult and young adult learners; especially for those planning to settle and live in Turkey or visiting Turkey for business or pleasure. It is a comprehensive, explanatory approach to Turkish language teaching how to construct and use the language both in formal and colloquial forms with dialogues, examples, grammar points, vocabulary and exercises. It shows the grammatical structures in detail with examples, which enables the learners to make their own sentences instead of depending on off-the-shelf phrases. In the book, you can also find general information about the Turkish alphabet and Turkish language as well as notes on Turkish culture in daily life. Covering so many language points, this book is also a grammar reference that targets a wide range of audience including advanced learners. At the end of the book, you will find the keys to the exercises. There are also Turkish - English and English - Turkish glossary sections as well as Turkish proverbs and idioms added to the book with explanations.

STARTING ENGLISH FOR TURKISH SPEAKERS

Milet Limited A thoroughly fresh, contemporary, lively and accessible introduction to learning English for young and adult Turkish speakers. The first bilingual title in the Starting English series, which will include more bilingual editions aimed at speakers of other languages. With a clear, attractive format and beautiful, modern illustrations, Starting English for Turkish Speakers focuses on real, practical English for everyday situations.

AN INTRODUCTION TO LANGUAGE AND LINGUISTICS

Cambridge University Press This accessible textbook is the only introduction to linguistics in which each chapter is written by an expert who teaches courses on that topic, ensuring balanced and uniformly

excellent coverage of the full range of modern linguistics. Assuming no prior knowledge the text offers a clear introduction to the traditional topics of structural linguistics (theories of sound, form, meaning, and language change), and in addition provides full coverage of contextual linguistics, including separate chapters on discourse, dialect variation, language and culture, and the politics of language. There are also up-to-date separate chapters on language and the brain, computational linguistics, writing, child language acquisition, and second-language learning. The breadth of the textbook makes it ideal for introductory courses on language and linguistics offered by departments of English, sociology, anthropology, and communications, as well as by linguistics departments.

ALICE IN WONDERLAND

ENGLISH AS A GLOBAL LANGUAGE

Cambridge University Press David Crystal's classic *English as a Global Language* considers the history, present status and future of the English language, focusing on its role as the leading international language. English has been deemed the most 'successful' language ever, with 1500 million speakers internationally, presenting a difficult task to those who wish to investigate it in its entirety. However, Crystal explores the subject in a measured but engaging way, always backing up observations with facts and figures. Written in a detailed and fascinating manner, this is a book written by an expert both for specialists in the subject and for general readers interested in the English language.

COLLOQUIAL TURKISH (EBOOK AND MP3 PACK)

THE COMPLETE COURSE FOR BEGINNERS

Routledge *Colloquial Turkish* is the ideal introduction to the language! Written by experienced teachers of the language, *Colloquial Turkish* offers a step-by-step approach to Turkish as it is spoken and written today. No previous knowledge of the language is required. What makes this course your best choice for language learning? * Ideal for independent study and class use * Varied, dialogue-based exercises with thorough answer key * Up-to-date vocabulary, including computer terms * Jargon-free grammar notes * Extensive Turkish-English, English-Turkish glossaries By the end of this lively and accessible course, you will be able to communicate confidently and effectively in Turkish in a broad range of everyday situations. Two 60-minute cassettes are available to accompany *Colloquial Turkish*. Recorded by native speakers, they will help your pronunciation, listening and speaking skills. For the eBook and MP3 pack, please find instructions on how to access the supplementary content for this title in the Prelims section.

THE ROLE OF CONTEXT IN LANGUAGE TEACHERS' SELF DEVELOPMENT AND MOTIVATION

PERSPECTIVES FROM MULTILINGUAL SETTINGS

Multilingual Matters This book unpacks data from conversations with bi-/multilingual EFL teachers whose L1s are languages other than English and who are from understudied contexts - Argentina, Egypt, Estonia, Senegal, Turkey, Ukraine, and Vietnam - to provide insights into the formation of ideal teacher selves. The author discusses the complexities surrounding the development of the teachers' selves and motivation, as well as their intertwinement with the sociopolitical realities of their individual contexts. The work reveals how these realities, and the specific social interactions that occur therein, influence the language learning and teaching processes; it also challenges the notions of and the need for a native/non-native speaker dichotomy in the field. Expanding on Ushioda's (2009) person-in-context approach and reflecting on the multilingual settings of the teachers, the integration of the context-specific politics of language learning and teaching is a fresh approach to work in motivation.

BILINGUAL CHILDREN

A PARENTS' GUIDE

Cambridge University Press This practical and reassuring guide will enable readers to make informed decisions about how to raise their child bilingually.

IKIGAI

THE JAPANESE SECRET TO A LONG AND HAPPY LIFE

Penguin Los Angeles Times bestseller • More than 1.5 million copies sold "Workers looking for more fulfilling positions should start by identifying their ikigai." —Business Insider "One of the

unintended—yet positive—consequences of the [pandemic] is that it is forcing people to reevaluate their jobs, careers, and lives. Use this time wisely, find your personal ikigai, and live your best life.” —Forbes *And from the same authors, don't miss *The Book of Ichigo Ichie*—about making the most of every moment in your life.* * * * Find your ikigai (pronounced ee-key-guy) and bring meaning and joy to all your days. “Only staying active will make you want to live a hundred years.” —Japanese proverb According to the Japanese, everyone has an ikigai—a reason for living. And according to the residents of the Japanese village with the world's longest-living people, finding it is the key to a happier and longer life. Having a strong sense of ikigai—where what you love, what you're good at, what you can get paid for, and what the world needs all overlap—means that each day is infused with meaning. It's the reason we get up in the morning. It's also the reason many Japanese never really retire (in fact there's no word in Japanese that means retire in the sense it does in English): They remain active and work at what they enjoy, because they've found a real purpose in life—the happiness of always being busy. In researching this book, the authors interviewed the residents of the Japanese village with the highest percentage of 100-year-olds—one of the world's Blue Zones. Ikigai reveals the secrets to their longevity and happiness: how they eat, how they move, how they work, how they foster collaboration and community, and—their best-kept secret—how they find the ikigai that brings satisfaction to their lives. And it provides practical tools to help you discover your own ikigai. Because who doesn't want to find happiness in every day? A PENGUIN LIFE TITLE

CANDIDE

A flamboyant and controversial personality of enormous wit and intelligence, Voltaire remains one of the most influential figures of the eighteenth-century Enlightenment. *Candide*, his masterpiece, is a brilliant satire of the theory that our world is “the best of all possible worlds.” The book traces the picaresque adventures of the guileless Candide, who is forced into the army, flogged, shipwrecked, betrayed, robbed, separated from his beloved Cunegonde, tortured by the Inquisition, et cetera, all without losing his resilience and will to live and pursue a happy life. This Modern Library edition, published to celebrate the seventy-fifth anniversary of Random House, is a facsimile of the first book ever released under the Random House colophon. It includes the timeless illustrations by Rockwell Kent, a twentieth-century artist whose wit and genius serve as a counterpart and compliment to Voltaire's.

THE ACQUISITION OF TURKISH IN CHILDHOOD

John Benjamins Publishing Company *The Acquisition of Turkish in Childhood* presents recent research on the nature of language acquisition by typically and atypically developing monolingual and bilingual Turkish-speaking children. The book summarises the most recent research findings on the acquisition of Turkish in childhood, with a focus on (i) the acquisition of phonology, morphology, syntax and semantics, (ii) the acquisition of discourse skills, (iii) literacy development and (iv) atypical vs. typical development. The book also provides the reader with a unique perspective on cross-learner comparative research on the acquisition of Turkish, demonstrating how similar issues can be investigated in a range of various acquisition contexts. By grouping together the recent research on the acquisition of Turkish within a single volume, this book provides a unique opportunity for readers to review the general developmental tendencies and the most prominent hypotheses put forward by scholars.

MORE PARALLEL, PLEASE!

BEST PRACTICE OF PARALLEL LANGUAGE USE AT NORDIC UNIVERSITIES: 11 RECOMMENDATIONS

Nordic Council of Ministers *More parallel, please* is the result of the work of an Inter-Nordic group of experts on language policy financed by the Nordic Council of Ministers 2014-17. The book presents all that is needed to plan, practice and revise a university language policy which takes as its point of departure that English may be used in parallel with the various local, in this case Nordic, languages. As such, the book integrates the challenge of internationalization faced by any university with the wish to improve quality in research, education and administration based on the local language(s). There are three layers in the text: First, you may read the extremely brief version of the in total 11 recommendations for best practice. Second, you may acquaint yourself with the extended version of the recommendations and finally, you may study the reasoning behind each of them. At the end of the text, we give some suggestions for further reading in this highly explosive area.

LANGUAGE CONFLICT AND LANGUAGE RIGHTS

ETHNOLINGUISTIC PERSPECTIVES ON HUMAN CONFLICT

Cambridge University Press An overview of language rights issues and language conflicts with detailed examination of many cases past and present around the world.

PRESCHOOL BILINGUAL EDUCATION

AGENCY IN INTERACTIONS BETWEEN CHILDREN, TEACHERS, AND PARENTS

Springer This volume provides an up-to-date collection of key aspects related to current preschool bilingual education research from a socio-linguistic perspective. The focus is on preschool bilingual education in multilingual Europe, which is characterized by diverse language models and children's linguistic backgrounds. The book explores the contemporary perspectives on early bilingual education in light of the threefold theoretical framework of child's, teachers', and parents' agencies in interaction in preschool bilingual education. Five significant theoretical concepts are promoted in this volume: the ecology of language learning, an educational partnership for bilingualism, a notion of agency in early language development and education, language-conducive contexts, and language-conducive strategies. The volume examines preschool bilingual education as embedded in specific socio-cultural contexts on the one hand and highlights its universal features on the other. The book is a fundamental read for scholars and students of second language teaching, preschool education, and bilingual education in multilingual and multicultural societies.

ARMENIA

WITH NAGORNO KARABAGH

Bradt Travel Guides This new, thoroughly updated 5th edition of Bradt's Armenia remains the only standalone guide available to this mountainous post-Soviet republic at the crossroads of Europe. Packed with detailed background information and invaluable practical advice, Bradt's Armenia remains the essential choice for anyone travelling to this beautiful country. New for this edition is coverage of the gastronomic revival in Yerevan, increased coverage of local music and nightlife, and expanded sections on protected areas, particularly the National Parks, including overview maps of their trail networks. Also new is information on the Transcaucasian Trail, hitch-hiking as a mode of transport, volunteering opportunities for longer-term travellers, and Yerevan as a popular base for 'digital nomads' and young diaspora Armenians. In addition, there is a wealth of new details for adventure travellers, including guidance on hiking and trekking, camping, mountain biking, cycle touring, rock climbing, off-road driving, and winter sports including ski touring. New long-distance trails are covered, too. Bradt's Armenia provides all of the information needed for a successful trip and covers all the most popular sights as well as those off-the-beaten track, including Dilijan National Park and the stunning forested mountains of Tavush, a region which is undergoing a renaissance as a place to explore and reconnect with nature; Areni village, one of the birthplaces of wine 6,000 years ago; and Vayots Dzor, the 'valley of woes', whose side valleys are abundant with wildlife-spotting opportunities. Tatev village and proposed National Park are included, as are the Orbelian caravanserai and other remnants of the ancient Silk Road trading route network that once criss-crossed the Caucasus region. Rich in both history and spectacular scenery, Armenia is a truly captivating country. Whether seeking out ancient monasteries dotted within dramatic landscapes, wandering through one of Yerevan's impressive museums or admiring the intricate stone carvings at Noratus, you'll find opportunities to delve into this nation's past at every turn. Add to this the welcoming locals, superb hiking possibilities and abundant bird life, and you'll soon discover why Armenia is worth more than just a fleeting visit.

THE FABULOUS LOST AND FOUND AND THE LITTLE TURKISH MOUSE

HEARTWARMING & FUN BILINGUAL ENGLISH TURKISH BOOK FOR KIDS

Neu Westend Press A little mouse has lost something precious, but can only speak Turkish. Can you help Mr and Mrs Frog figure out what's gone missing. Laugh as you learn 50 Turkish words with this fun, heartwarming story book that is a unique and charming way to introduce kids to Turkish, or to build confidence of those already learning.

THE HANDBOOK OF BILINGUALISM

John Wiley & Sons The Handbook of Bilingualism provides state-of-the-art treatments of the central issues that arise in consideration of the phenomena of bilingualism ranging from the representation of the two languages in the bilingual individual's brain to the various forms of bilingual education, including the status of bilingualism in each area of the world. Provides state-of-the-art coverage of a wide variety of topics, ranging from neuro- and psycho-linguistic research to studies of media and psychological counseling. Includes latest assessment of the global linguistic situation with particular emphasis on those geographical areas which are centers of global conflict and commerce. Explores new topics such as global media and mobile and electronic language learning. Includes contributions by internationally renowned researchers from different disciplines, genders, and ethnicities.

INTRODUCTION TO INFORMATION RETRIEVAL

Cambridge University Press Class-tested and coherent, this textbook teaches classical and web information retrieval, including web search and the related areas of text classification and text clustering from basic concepts. It gives an up-to-date treatment of all aspects of the design and implementation of systems for gathering, indexing, and searching documents; methods for evaluating systems; and an introduction to the use of machine learning methods on text collections. All the important ideas are explained using examples and figures, making it perfect for introductory courses in information retrieval for advanced undergraduates and graduate students in computer science. Based on feedback from extensive classroom experience, the book has been carefully structured in order to make teaching more natural and effective. Slides and additional exercises (with solutions for lecturers) are also available through the book's supporting website to help course instructors prepare their lectures.

MEMED, MY HAWK

New York Review of Books A tale of high adventure and lyrical celebration, tenderness and violence, generosity and ruthlessness, Memed, My Hawk is the defining achievement of one of the greatest and most beloved of living writers, Yashar Kemal. It is reissued here with a new introduction by the author on the fiftieth anniversary of its first publication. Memed, a high-spirited, kindhearted boy, grows up in a desperately poor mountain village whose inhabitants are kept in virtual slavery by the local landlord. Determined to escape from the life of toil and humiliation to which he has been born, he flees but is caught, tortured, and nearly killed. When at last he does get away, it is to set up as a roving brigand, celebrated in song, who could be a liberator to his people—unless, like the thistles that cover the mountain slopes of his native region, his character has taken an irremediably harsh and unforgiving form.

ATOMIC HABITS

AN EASY & PROVEN WAY TO BUILD GOOD HABITS & BREAK BAD ONES

Penguin The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

BILINGUAL BOOKS

BILITERATE CHILDREN LEARNING TO READ THROUGH DUAL LANGUAGE BOOKS

Trentham Books Limited Set in the context of research and practice in relation to multiliteracy, personal and learner identity, and issues in translation, this title explores dual language books and their use in England since the 1980s. It explores the nature and benefits of biliteracy and offers ideas and strategies for teaching young children languages.

COMPLEMENTIZER SEMANTICS IN EUROPEAN LANGUAGES

Walter de Gruyter GmbH & Co KG Complementizers may be defined as conjunctions that have the function of identifying clauses as complements. In recent years, it has become increasingly clear that they have additional functions. Some of these functions are semantic in the sense that they represent conventional contributions to the meanings of the complements. The present book puts a focus to these semantic complementizer functions.

DEFENDING HUMAN RIGHTS AND DEMOCRACY IN THE ERA OF GLOBALIZATION

IGI Global The era of technology in which we reside has ushered in a more globalized and connected world. While many benefits are gained from this connectivity, possible disadvantages to issues of human rights are developed as well. Defending Human Rights and Democracy in the Era of Globalization is a pivotal resource for the latest research on the effects of a globalized society regarding issues relating to social ethics and civil rights. Highlighting relevant concepts on political autonomy, migration, and asylum, this book is ideally designed for academicians, professionals, practitioners, and upper-level students interested in the ongoing concerns of human rights.

THE TURKISH LANGUAGE EXPLAINED FOR ENGLISH SPEAKERS

A TREATISE ON THE TURKISH LANGUAGE AND ITS GRAMMAR

"This treatise on the Turkish language and its grammar explains and answers some of the difficulties that the learner of Turkish may encounter along their way. This book focuses on understanding Turkish grammar and logic. Those who are interested in the whys and wherefores of Turkish will find amongst these pages the key to their particular problem of Turkish grammar and syntax. It covers the basics of Turkish and further expands knowledge and understanding of Turkish by using many examples with explanations"--Publisher's website.

DEVELOPING NARRATIVE COMPREHENSION

MULTILINGUAL ASSESSMENT INSTRUMENT FOR NARRATIVES

John Benjamins Publishing Company Comprehension of texts and understanding of questions is a cornerstone of successful human communication. Whilst reading comprehension has been thoroughly investigated in the last decade, there is surprisingly little research on children's comprehension of picture stories, particularly for bilinguals. This can be partially explained by the lack of cross-culturally robust, cross-linguistic instruments targeting early narration. This book presents an inference-based model of narrative comprehension and a tool that grew out of a large-scale European project on multilingualism. Covering a range of language settings, the book uses the Multilingual Assessment Instrument for Narratives to answer the question which narrative comprehension skills (bilingual) children can be expected to master at a certain age, and explores how such comprehension is affected (or not affected) by linguistic and extra-linguistic factors. Linking theory to method, the book will appeal to researchers in linguistics and psychology and graduate students interested in narrative, multilingualism, and language acquisition.

MY NAME IS RED

*Faber & Faber ** PRE-ORDER NIGHTS OF PLAGUE, THE NEW NOVEL FROM ORHAN PAMUK ** Winner of the Nobel Prize for Literature Winner of the International IMPAC Dublin Award 'Wonderful' The Spectator 'Magnificent' Observer 'Sumptuous' New Yorker 'Unforgettable' Guardian My Name is Red is an unforgettable murder mystery, set amid the splendour of sixteenth century Istanbul, from the Nobel prizewinning author In the late 1590s, the Sultan secretly commissions a great book: a celebration of his life and his empire, to be illuminated by the best artists of the day - in the European manner. At a time of violent fundamentalism, however, this is a dangerous proposition. Even the illustrious circle of artists are not allowed to know for whom they are working. But when one of the miniaturists is murdered, their Master has to seek outside help. Did the dead painter fall victim to professional rivalry, romantic jealousy or religious terror? With the Sultan demanding an answer within three days, perhaps the clue lies somewhere in the half-finished pictures . . . Orhan Pamuk is one of the world's leading contemporary novelists and in My Name is Red, he fashioned an unforgettable tale of suspense, and an artful meditation on love and deception.*

THROUGH THE LANGUAGE GLASS

WHY THE WORLD LOOKS DIFFERENT IN OTHER LANGUAGES

Metropolitan Books A masterpiece of linguistics scholarship, at once erudite and entertaining, confronts the thorny question of how—and whether—culture shapes language and language, culture Linguistics has long shied away from claiming any link between a language and the culture of its speakers: too much simplistic (even bigoted) chatter about the romance of Italian and the goose-stepping orderliness of German has made serious thinkers wary of the entire subject. But now, acclaimed linguist Guy Deutscher has dared to reopen the issue. Can culture influence language—and vice versa? Can different languages lead their speakers to different thoughts? Could our experience of the world depend on whether our language has a word for "blue"? Challenging the consensus that the fundamentals of language are hard-wired in our genes and thus universal, Deutscher argues that the answer to all these questions is—yes. In thrilling fashion, he takes us from Homer to Darwin, from Yale to the Amazon,

from how to name the rainbow to why Russian water—a "she"—becomes a "he" once you dip a tea bag into her, demonstrating that language does in fact reflect culture in ways that are anything but trivial. Audacious, delightful, and field-changing, *Through the Language Glass* is a classic of intellectual discovery.

TURKISH SHORT STORIES FOR BEGINNERS

20 CAPTIVATING SHORT STORIES TO LEARN TURKISH & GROW YOUR VOCABULARY THE FUN WAY!

Do you know what the hardest thing for a Turkish learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Turkish tongue. How *Turkish Short Stories for Beginners* works: - Each story is interesting and entertaining with realistic dialogues and day-to-day situations. - The summaries follow a synopsis in Turkish and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Turkish, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of *Turkish Short Stories for Beginners* and level up your Turkish right now!
