The Demonologist: The Extraordinary Career of Ed and Lorraine Warren *Graymalkin Media* If you think ghosts are only responsible for hauntings, think again. The Demonologist reveals the grave religious process behind supernatural events and how it can happen to you. Used as a text in seminaries and classrooms, this is one book you can't put down. For over five decades Ed and Lorraine Warren have been considered America's foremost experts on demonology and exorcism. With over 3,000 investigations to their credit, they reveal what actually breaks the peace in haunted houses. Expertly written by Gerald Daniel Brittle, a nonfiction writer with advanced degrees in literature and psychology specializing in mystical theology. Don't miss the Warrens in the new movie "The Conjuring." **House of Darkness House of Light The True Story Volume Three** *AuthorHouse* Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead. **Conjuring the Real The Role of Architecture in Eighteenth- and Nineteenth-Century Fiction** *U of Nebraska Press* Collection of lectures by distinguished scholars about the uses of architecture in literature, film, and theater. **American Hauntings The True Stories Behind Hollywood's Scariest Movies--From the Exorcist to the Conjuring** *Praeger* This work provides an accurate, in-depth examination and scientific evaluation of the most famous hauntings in American history as depicted in popular films and television programs. * Supplies a balanced approach to the subject of the paranormal and social psychology that explores both sides of the issue and evaluates the evidence as a scientist would * Examines subject matter that is of universal, natural interest to students, teachers, and the general public, and supplies interdisciplinary coverage of religion, history, sociology, social psychology, folklore, critical thinking, pseudoscience, and media/film studies * Provides an ideal resource for students writing reports and research papers **The Conjuring** *Liverpool University Press* In 2013 an apparently simple, back-to-basics scary movie transformed horror cinema for the rest of the decade. Based on the allegedly true story of the Perron family haunting and subsequent investigation by ghost hunters Ed and Lorraine Warren, The Conjuring has to-date spawned six sequels and prequels, making up a Conjuring 'universe' that has taken over a billion dollars around the world. The New York Times called The Conjuring 'a fantastically effective haunted-house movie' which, following his earlier film Insidious, established director James Wan as a force in horror cinema. In this Devil's Advocates, horror scholar Kevin Wetmore examines what elements in the film are truly terrifying, how the filmmakers' claims of being based on a true story hold up against the actual history of the haunting and the Warrens, and the relationship between The Conjuring and the many films in its universe. Along the way this book also considers how games, toys and dolls play an important role in the series, offers a critique of gender roles in the films, and asks the question, what is actually 'conjured' in The Conjuring? The delightful result is an in-depth, close reading of a film that uses standard horror tropes masterfully to create a truly scary film. **The Devil in Connecticut** The true story that is the basis for The Conjuring 3: The Devil Made Me Do It opening in theaters June 4, 2021. It began with the lust of demons and the corruption of a young boy named David Glatzel. It ended with a murder trial that made headlines across the country--the trial of Arne Cheyenne Johnson, accused of brutally knifing a friend to death. Johnson's defense startled the nation: not guilty, by reason of demonic possession. Here is the horrifying true story of what happened on a terrible summer in the sleepy town of Brookfield, Connecticut. How the Glatzels, an average suburban family, came under a terrifying demonic attack that changed their lives. How their eleven-year-old son, David,

suffered monstrous visitations by an entity he could only identify as "the Beast." How a close friend, Arne Cheyenne Johnson, became the tragic victim of forces beyond anyone's control...and how the Glatzels' ordeal has still not ended. **DC Horror Presents: The Conjuring: The Lover (2021-) #1 DC Comics** The terrifying debut of the tie-in to *The Conjuring: The Devil Made Me Do It* begins here, with a story that's bursting at the seams with clues about the new film. Meet Jessica. Jessica just returned to her freshman year of college after winter break, bringing with her the anxieties of last semester's poor grades, the awkwardness of facing a boy she wishes she'd never slept with, and an undeniably unnerving feeling of being watched. She soon comes to realize that something evil made her its target, and it will not rest until it has her in its unholy grip. But why did this sinister presence set its sights on a seemingly normal college freshman? Read this nerve-racking tale, creepily crafted by *Conjuring* screenwriter David L. Johnson-McGoldrick and Rex Ogle with heart-stopping art from Garry Brown and chill-inducing covers by Bill Sienkiewicz, to find out!

The Demonologist A Novel *Simon and Schuster* ****WINNER OF THE 2014 THRILLER AWARD FOR BEST NOVEL**** Fans of *The Historian* won't be able to put down this spellbinding literary horror story in which a Columbia professor must use his knowledge of demonic mythology to rescue his daughter from the Underworld. Professor David Ullman is among the world's leading authorities on demonic literature, with special expertise in Milton's *Paradise Lost*. Not that David is a believer—he sees what he teaches as a branch of the imagination and nothing more. So when the mysterious Thin Woman arrives at his office and invites him to travel to Venice and witness a "phenomenon," he turns her down. She leaves plane tickets and an address on his desk, advising David that her employer is not often disappointed. That evening, David's wife announces she is leaving him. With his life suddenly in shambles, he impulsively whisks his beloved twelve-year-old daughter, Tess, off to Venice after all. The girl has recently been stricken by the same melancholy moods David knows so well, and he hopes to cheer her up and distract them both from the troubles at home. But what happens in Venice will change everything. First, in a tiny attic room at the address provided by the Thin Woman, David sees a man restrained in a chair, muttering, clearly insane... but could he truly be possessed? Then the man speaks clearly, in the voice of David's dead father, repeating the last words he ever spoke to his son. Words that have left scars—and a mystery—behind. When David rushes back to the hotel, he discovers Tess perched on the roof's edge, high above the waters of the Grand Canal. Before she falls, she manages to utter a final plea: Find me. What follows is an unimaginable journey for David Ullman from skeptic to true believer. In a terrifying quest guided by symbols and riddles from the pages of *Paradise Lost*, David must track the demon that has captured his daughter and discover its name. If he fails, he will lose Tess forever.

Satan's Harvest A Shocking Case of Demonic Possession *Graymalkin Media* The shocking true case of demonic possession from the reporters who first covered it in the *Boston Herald*. The case was discussed and you can watch the real exorcism footage in the blockbuster horror film *The Conjuring*. When terrifying, bizarre things kept happening to a hard-working Massachusetts farmer, he did what anyone would do. First he went to the local police chief. Then he went to his priest. And then he went to Ed and Lorraine Warren, the world's most famous demonologists who investigated the "The Amityville Horror" and other terrifying cases of demonic possession. It was the Warrens who called in one of America's most renowned exorcists, Bishop Robert McKenna. What they all experienced is described in this extraordinary book. Absolutely terrifying. Absolutely true. Don't miss the Warrens' new film "Annabelle" (October, 2014).

The Amityville Horror *Gallery Books* "A fascinating and frightening book" (*Los Angeles Times*)—the bestselling true story about a house possessed by evil spirits, haunted by psychic phenomena almost too terrible to describe. In December 1975, the Lutz family moved into their new home on suburban Long Island. George and Kathleen Lutz knew that, one year earlier, Ronald DeFeo had murdered his parents, brothers, and sisters in the house, but the property—complete with boathouse and swimming pool—and the price had been too good to pass up. Twenty-eight days later, the entire Lutz family fled in terror. This is the spellbinding, shocking true story that gripped the nation about an American dream that turned into a nightmare beyond imagining—"this book will scare the hell out of you" (*Kansas City Star*).

Perron Family Haunting The Ghost Story That Inspired Horror Movies The Perron family received this advice from the previous homeowner of their Rhode Island farmhouse: "For the sake of your family, leave the lights on at night!" A ghostly witch named Bathsheba led the haunting of the Perron family, physically and psychologically tormenting them. This legendary ghost story eventually became the subject of the movie *The Conjuring*, and continued to haunt the Perron family for years to come.

Black Magic Religion and the African American Conjuring Tradition *Univ of California Press* "Chireau has written a marvelous text on an important dimension of African American religious culture. Expanding beyond the usual focus of scholarship on Christianity, she describes and analyzes the world of magical-medical-religious practice, challenging hallowed distinctions among "religion" and "magic." Anyone interested in African American religion will need to reckon seriously with Chireau's text on conjure."—Albert J. Raboteau, Princeton University "Deprived of their own traditions and defined as chattel, enslaved Africans formed a new orientation in America. Conjuring—operating alongside of and within both the remnants of African culture and the acquired traditions of North America—served as a theoretical and practical mode of deciphering and divining within this, enabling them to create an alternate meaning of life in the New World. Chireau's is the first full-scale treatment of this important dimension of African American culture and religion. A wonderful book!"—Charles H. Long, Professor of History of Religions University of California, Santa Barbara and author of *Significations: Signs, Symbols and Images in the Interpretation of Religion*

Disappearing Tricks Silent Film, Houdini, and the New Magic of the Twentieth Century *University of Illinois Press* *Disappearing Tricks* revisits the golden age of theatrical magic and silent film to reveal how professional magicians shaped the early history of cinema. Where others have called upon magic as merely an evocative metaphor for the wonders of cinema, Matthew Solomon focuses on the work of the professional illusionists who actually made magic with moving pictures between 1895 and 1929. The first to reveal fully how powerfully magic impacted the development of cinema, the book combines film and theater history to uncover new evidence of the exchanges between magic and filmmaking in the United States and France during the silent period.

Chapters detailing the stage and screen work of Harry Houdini and Georges Méliès show how each transformed theatrical magic to create innovative cinematic effects and thrilling new exploits for twentieth-century mass audiences. The book also considers the previously overlooked roles of anti-spiritualism and presentational performance in silent film. Highlighting early cinema's relationship to the performing body, visual deception, storytelling, and the occult, Solomon treats cinema and stage magic as overlapping practices that together revise our understanding of the origins of motion pictures and cinematic spectacle. **The Devil in Connecticut From the Terrifying Case File that Inspired the Film The Conjuring: The Devil Made Me Do It** *Graymalkin Media* From the terrifying case file that inspired the film *The Conjuring: The Devil Made Me Do It*. From this New York Times bestselling author comes a shocking case of demonic possession, exorcism, and murder starring the legendary demonologists Ed and Lorraine Warren, who battled the Amityville Horror and whose real-life case files inspired *The Conjuring Universe*, which includes *The Conjuring*, *Annabelle*, and *The Nun* films. It was one of the most sensational murder trials of the 1980s. When Arne Cheyenne Johnson stabbed an acquaintance to death with a five-inch folding knife, Johnson presented one of the most shocking legal defenses in history: not guilty by virtue of demonic possession. As the press put it, "the Devil made me do it." Johnson's shocking story began months earlier, when his girlfriend's eleven-year-old brother, David, encountered a spectral figure looming at the foot of the bed and then started showing telltale signs of demonic possession. David suddenly spoke in Latin, levitated, and suffered beatings at the hands of an invisible demon. After a team of Catholic priests failed to drive the demon out, the case was taken up by Ed and Lorraine Warren. The Warrens had fought demons across the globe, but the Connecticut Devil would be one of their greatest challenges, and perhaps their most deadly. Now includes an 8-page photo insert documenting the possession with images from the Glatzel family and the Ed and Lorraine Warren collection. **The Visual Made Verbal A Comprehensive Training Manual and Guide to the History and Applications of Audio Description** *Æ Academic Publishing* Verbal descriptions of life have been around for centuries, but the digital age has made access to those descriptions even more important. Dr. Joel Snyder, an audio description pioneer, has created a book and website offering the first overview of the field, including its history, application to a range of genres, description of training techniques, and list of resources. Audio description brings the visual world to life, making theater productions, television shows, films, visual art and events accessible to people who are blind or have low vision. Describers employ succinct, vivid, imaginative words to convey visual images those with sight take for granted. Although countries worldwide have taken up the cause, the United States has fallen short on research and institutions to study the field. Dr. Snyder's book helps fill in some of those gaps. "For decades, Joel Snyder has combined his astonishing command of language with his keen attention to detail to create word pictures that stir the mind's eye, especially for patrons of the arts whose physical eyes cannot see. [...] His book has been long-awaited, and no doubt will become the standard for prospective audio describers around the world." -Kelsey Marshall, Founding Director of Accessibility, The John F. Kennedy Center for the Performing Arts, Washington, DC Dr. Joel Snyder is known internationally as one of the world's first "audio describers," a pioneer in the field of audio description, making theater events, museum exhibitions, and media accessible to people who are blind or have low vision. Since 1981, he has introduced audio description techniques in 36 states and D.C. and in 35 countries. He holds a PhD in accessibility audio description from the Universitat Autònoma de Barcelona. Dr. Snyder's company, Audio Description Associates, LLC (www.audiodescribe.com) uses audio description to enhance a wide range of arts projects including video and film, museum exhibitions, and live events. As Director of Described Media for the National Captioning Institute, he supervised the production of descriptions for *Sesame Street* and dozens of feature films and nationally broadcast television; his descriptions can be heard at Smithsonian Institution exhibits, the Getty Museum, the Albright-Knox Gallery, and throughout the country at National Park Service visitor centers. As Director of the American Council of the Blind's Audio Description Project (www.acb.org/adp), Dr. Snyder voiced description for network coverage of President Obama's inauguration in 2009 and 2013, and recently produced the first-ever audio-described tour of The White House. The ADP website is the nation's principal provider of information and resources on audio description. **The Tools of Screenwriting A Writer's Guide to the Craft and Elements of a Screenplay** *Macmillan* In *The Tools of Screenwriting*, the authors illuminate the essential elements of cinematic storytelling. These elements are guideposts for the aspiring screenwriter, and they can be used in different ways to accomplish a variety of ends. Questions of dramatic structure, plot, dialogue, character development, setting, imagery, and other crucial topics are discussed as they apply to the special art of filmmaking. **Ghost Tracks Case Files of Ed & Lorraine Warren** *Graymalkin Media* **Orson Welles in Focus Texts and Contexts** *Indiana University Press* Through his radio and film works, such as *The War of the Worlds* and *Citizen Kane*, Orson Welles became a household name in the United States. Yet Welles's multifaceted career went beyond these classic titles and included lesser-known but nonetheless important contributions to television, theater, newspaper columns, and political activism. *Orson Welles in Focus: Texts and Contexts* examines neglected areas of Welles's work, shedding light on aspects of his art that have been eclipsed by a narrow focus on his films. By positioning Welles's work during a critical period of his activity (the mid-1930s through the 1950s) in its larger cultural, political, aesthetic, and industrial contexts, the contributors to this volume examine how he participated in and helped to shape modern media. This exploration of Welles in his totality illuminates and expands our perception of his contributions that continue to resonate today. **A Conjuring of Light Collector's Edition A Novel** *Tor Books* *Kirkus' Best Fiction of 2017* The epic conclusion to the New York Times bestselling *Shades of Magic* series, now in a beautiful collector's edition with exclusive features. With a revamped cover and reading ribbon, this edition will also feature the following bonus material: *End papers featuring stunning fan art *An updated glossary of Arnesian and Antari terms *Original (never before seen!) short story from within the *Shades of Magic* world Londons fall and kingdoms rise while darkness sweeps the Maresh Empire—and the fraught balance of magic blossoms into dangerous territory while heroes and foes struggle alike. The direct sequel to *A Gathering of Shadows*, and the final book in the *Shades of Magic* epic fantasy series, *A Conjuring of Light* sees Schwab reach a thrilling culmination concerning the fate of beloved protagonists—and old enemies. *Shades of Magic* series 1. *A Darker Shade of Magic* 2. *A Gathering of Shadows* 3. *A Conjuring of Light* **The American Midwest in Film and Literature Nostalgia, Violence, and Regionalism** *Indiana University Press* How do works from film and literature—*Sister Carrie*, *Native Son*, *Meet Me in St. Louis*, *Halloween*, and *A History of Violence*, for example—imagine, reify, and reproduce Midwestern identity? And what are the repercussions of such regional narratives and images circulating in American culture? In *The American Midwest in Film and Literature: Nostalgia, Violence, and Regionalism*, Adam R. Ochonicky provides a critical overview of the evolution, contestation, and fragmentation of the Midwest's symbolic and often contradictory meanings. Using the frontier writings of Frederick Jackson Turner as a starting point, this book establishes a succession of Midwestern filmic and

literary texts stretching from the late-19th century through the beginning of the 21st century and argues that the manifold properties of nostalgia have continually transformed popular understandings and ideological uses of the Midwest's place-identity. Ochonicky identifies three primary modes of nostalgia at play across a set of textual objects: the projection of nostalgia onto physical landscapes and into the cultural sphere (nostalgic spatiality); nostalgia as a cultural force that regulates behaviors, identities, and appearances (nostalgic violence); and the progressive potential of nostalgia to generate an acknowledgment and possible rectification of ways in which the flawed past negatively affects the present (nostalgic atonement). While developing these new conceptions of nostalgia, Ochonicky reveals how an under-examined area of regional study has received critical attention throughout the histories of American film and literature, as well as in related materials and discourses. From the closing of the Western frontier to the polarized political and cultural climate of the 21st century, this book demonstrates how film and literature have been and continue to be vital forums for illuminating the complex interplay of regionalism and nostalgia.

The fictions of Arthur Cravan Poetry, boxing and revolution Manchester University Press The first comprehensive English-language account and critical reading of the legendary poet and boxer Arthur Cravan, a fleeting figure on the periphery of early twentieth-century European avant-gardism.

The Sounds of Early Cinema Indiana University Press The Sounds of Early Cinema is devoted exclusively to a little-known, yet absolutely crucial phenomenon: the ubiquitous presence of sound in early cinema. "Silent cinema" may rarely have been silent, but the sheer diversity of sound(s) and sound/image relations characterizing the first 20 years of moving picture exhibition can still astonish us. Whether instrumental, vocal, or mechanical, sound ranged from the improvised to the pre-arranged (as in scripts, scores, and cue sheets). The practice of mixing sounds with images differed widely, depending on the venue (the nickelodeon in Chicago versus the summer Chautauqua in rural Iowa, the music hall in London or Paris versus the newest palace cinema in New York City) as well as on the historical moment (a single venue might change radically, and many times, from 1906 to 1910). Contributors include Richard Abel, Rick Altman, Edouard Arnoldy, Mats Björkin, Stephen Bottomore, Marta Braun, Jean Châteauevert, Ian Christie, Richard Crangle, Helen Day-Mayer, John Fullerton, Jane Gaines, André Gaudreault, Tom Gunning, François Jost, Charlie Keil, Jeff Klenotic, Germain Lacasse, Neil Lerner, Patrick Loughney, David Mayer, Domi-nique Nasta, Bernard Perron, Jacques Polet, Lauren Rabinovitz, Isabelle Raynaud, Herbert Reynolds, Gregory A. Waller, and Rashit M. Yangirov.

From Caligari to Hitler A Psychological History of the German Film Princeton University Press An essential work of the cinematic history of the Weimar Republic by a leading figure of film criticism First published in 1947, From Caligari to Hitler remains an undisputed landmark study of the rich cinematic history of the Weimar Republic. Prominent film critic Siegfried Kracauer examines German society from 1921 to 1933, in light of such movies as The Cabinet of Dr. Caligari, M, Metropolis, and The Blue Angel. He explores the connections among film aesthetics, the prevailing psychological state of Germans in the Weimar era, and the evolving social and political reality of the time. Kracauer makes a startling (and still controversial) claim: films as popular art provide insight into the unconscious motivations and fantasies of a nation. With a critical introduction by Leonardo Quaresima which provides context for Kracauer's scholarship and his contributions to film studies, this Princeton Classics edition makes an influential work available to new generations of cinema enthusiasts.

Darkness Subverted Aboriginal Gothic in Black Australian Literature and Film V&R unipress GmbH English summary: At the heart of the Gothic novel proper lies the discursive binary of self and other, which in colonial literature was quickly filled with representations of the colonial master and his indigenous subject. Contemporary black Australian artists have usurped this colonial Gothic discourse, torn it to pieces, and finally transformed it into an Aboriginal Gothic. This study first develops the theoretical concept of an Aboriginal Gothic and then uses this term as a tool to analyse novels by Vivienne Cleven, Mudrooroo, Kim Scott, Sam Watson, and Alexis Wright as well as films directed by Beck Cole and Tracey Moffatt. It centres on the question of how a genuinely European mode, the Gothic, can be permeated and thus digested by elements of indigenous Australian culture in order to portray the current situation of Aboriginal Australians and to celebrate a recovered cultural identity.

The Restoration of Engravings, Drawings, Books, and Other Works on Paper Getty Publications Ever since its original publication in Germany in 1938, Max Schweidler's Die Instandsetzung von Kupferstichen, Zeichnungen, Buchern usw. has been recognized as a seminal modern text on the conservation and restoration of works on paper. This volume, based on the authoritative revised German edition of 1950, makes Schweidler's work available in English for the first time, in a meticulously edited and annotated scholarly edition. An extensively illustrated appendix presents case studies of eleven Old Master prints that were treated using the techniques Schweidler discusses.

On Film Routledge In this significantly expanded new edition of his acclaimed exploration of the four Alien movies, Stephen Mulhall adds several new chapters on Steven Spielberg's Mission: Impossible trilogy and Minority Report. The first part of the book discusses the four Alien movies. Mulhall argues that the sexual significance of the aliens themselves, and of Ripley's resistance to them, takes us deep into the question of what it is to be human. At the heart of the book is a highly original and controversial argument that films themselves can philosophize. Mulhall then applies his interpretative model to another sequence of contemporary Hollywood movies: the Mission: Impossible series. A brand new chapter is devoted to each of the three films in the series, and to other films by the relevant directors that cast light on their individual contribution to it. In this discussion, the nature of television becomes as central a concern as the nature of cinema; and the shift in generic focus from science fiction to thriller also makes room for a detailed reading of Spielberg's Minority Report. On Film, Second

Edition is essential reading for anyone interested in philosophy, film theory and cultural studies, and in the way philosophy can enrich our understanding of cinema. **Marxism Goes to the Movies** *Routledge* Introducing the key concepts and thinkers within the Marxist tradition, *Marxism Goes to the Movies* demonstrates their relevance to film theory and practice past and present. Author Mike Wayne argues that Marxist filmmaking has engaged with and transformed this popular medium, developing its potential for stimulating revolutionary consciousness. As the crisis of capitalism deepens, this history and these resources are vital for a better future. Marxism is one of the few approaches that can bring together political, economic, formal and cultural analysis into a unified approach of studying film, and how films in turn can help us understand and even critically interrogate these forces. The book examines how filmmakers, who have been influenced by Marxism, have made some of the most significant contributions to film culture globally, and provides historical perspective on the development of Marxism and film. Each chapter covers a broad theme that is broken down into sections that are cross-referenced throughout, providing helpful navigation of the material. Clear and concise in its arguments, this is an ideal introduction for students of Marxism and film, inviting readers to deepen their knowledge and understanding of the subject.

Save the Cat The Last Book on Screenwriting You'll Ever Need This ultimate insider's guide reveals the secrets that none dare admit, told by a show biz veteran who's proven that you can sell your script if you can save the cat! **A Short History of Film, Third Edition** *Rutgers University Press* With more than 250 images, new information on international cinema—especially Polish, Chinese, Russian, Canadian, and Iranian filmmakers—an expanded section on African-American filmmakers, updated discussions of new works by major American directors, and a new section on the rise of comic book movies and computer generated special effects, this is the most up to date resource for film history courses in the twenty-first century. **In a Dark Place** Shortly after moving into their new home, the Snedeker family is assaulted by a sinister presence that preys one-by-one on their family. Exhausting all other resources, they call up the world-renowned demonologists Ed and Lorraine Warren who have never encountered a case as frightening as this. No one had warned the Snedekers their new house used to be an old funeral home. Their battle with an inexplicable and savage phenomena had only just begun. What started as a simple poltergeist escalated into a full-scale war, an average American family battling the deepest, darkest forces of evil a war this family could not afford to lose. **Disposable Passions Vintage Pornography and the Material Legacies of Adult Cinema** *Bloomsbury Publishing USA* From early twentieth-century stag films to 1960s sexploitation pictures to the boom in 1970s “porno chic,” adult cinema's vintage forms are now being reappraised by a new generation of historians, fans, preservationists, and home video entrepreneurs—all of whom depend on and help shape the archive of film history. But what is the present-day allure of these artifacts that have since become eroticized more for their “pastness” than the explicit acts they show? And what are the political implications of recovering these rare but still-visceral films from a less “enlightened,” pre-feminist past? Drawing on media industry analysis, archival theory, and interviews with adult video personnel, David Church argues that vintage pornography retains its retrospective fascination precisely because these culturally denigrated texts have been so poorly preserved on political and aesthetic grounds. Through these films' ongoing moves from cultural emergence to concealment to rediscovery, the archive itself performs a “striptease,” permitting tangible contact with these corporeally stimulating forms at a moment when the overall physicality of media objects is undergoing rapid transformation. *Disposable Passions* explores the historiographic lessons that vintage pornography can teach us about which materials our society chooses to keep, and how a long-neglected genre is primed for serious rediscovery as more than mere autoerotic fodder. **Towards a Philosophy of Photography** *Reaktion Books* Media philosopher Vilém Flusser proposed a revolutionary new way of thinking about photography. An analysis of the medium in terms of aesthetics, science and politics provided him with new ways of understanding both the cultural crises of the past and the new social forms nascent within them. Flusser showed how the transformation of textual into visual culture (from the linearity of history into the two-dimensionality of magic) and of industrial into post-industrial society (from work into leisure) went hand in hand, and how photography allows us to read and interpret these changes with particular clarity. **A Conjuring of Ravens A Magepunk Progression Fantasy** *Seladore Publishing* In a world where magic is a science, Siobhan Naught is a genius. But even geniuses need schooling. Siobhan has just been banned from the country's only magical university. As the unwitting accomplice to the theft of a priceless magical artifact, she has suddenly become a wanted criminal. There are fates worse than death, and if caught, she will face them. Unwilling to give up on her dream of becoming the world's most powerful sorcerer, she resolves to do whatever it takes to change her fate. Even if it means magically disguising herself as a boy and indebting herself to a gang of criminals to pay for University tuition. With the coppers after her, the pressure of trying to keep her spot in the devilishly competitive magic classes, and the gang calling in favors to repay her debts, Siobhan will need every drop of magic she can channel. **The Filmmaker's Book of the Dead A Mortal's Guide to Making Horror Movies** *CRC Press* Produce, direct, promote and sell your own chilling horror film with real-world advice from award-winning producer/director/writer Danny Draven! Distinct from night, shadows, and artificial light, "artificial darkness" has been overlooked—until now. In fact, controlled darkness was essential to the rise of photography and cinema, science and spectacle, and a century of advanced art and film. Artificial Darkness is the first book to historicize and theorize this phenomenon and map its applications across a range of media and art forms. In exploring how artificial darkness shaped modern art, film, and media, Noam M. Elcott addresses seminal and obscure works alongside their sites of production—such as photography darkrooms, film studios, and laboratories—and their sites of reception, including theaters, cinemas, and exhibitions. He argues that artists, scientists, and entertainers like Étienne-Jules Marey, Richard Wagner, Georges Méliès, and Oskar Schlemmer revolutionized not only images but also everything surrounding them: the screen, the darkness, and the experience of bodies and space. At the heart of the book is "the black screen," a technology of darkness that spawned today's blue and green screens and has undergirded numerous advanced art and film practices to this day. Turning familiar art and film narratives on their heads, Artificial Darkness is a revolutionary treatment of an elusive, yet fundamental, aspect of art and media history.
