A NEW EARTH

AWAKENING TO YOUR LIFE'S PURPOSE

Penguin *The 10th anniversary edition of A New Earth with a new preface by Eckhart Tolle. With his bestselling spiritual guide The Power of Now, Eckhart Tolle inspired millions of readers to discover the freedom and joy of a life lived "in the now." In A New Earth, Tolle expands on these powerful ideas to show how transcending our ego-based state of consciousness is not only essential to personal happiness, but also the key to ending conflict and suffering throughout the world. Tolle describes how our attachment to the ego creates the dysfunction that leads to anger, jealousy, and unhappiness, and shows readers how to awaken to a new state of consciousness and follow the path to a truly fulfilling existence. Illuminating, enlightening, and uplifting, A New Earth is a profoundly spiritual manifesto for a better way of life—and for building a better world.*

THE THINGS OF EARTH

TREASURING GOD BY ENJOYING HIS GIFTS

Crossway *God's world is full of good things. Ice-cold lemonade. The laughter of children. College football. Scrambled eggs and crispy bacon. A late night with old friends around a blazing campfire. God certainly knows how to give good gifts to his children. But where is the line when it comes to enjoying all the pleasurable things our world affords? In The Things of Earth, professor Joe Rigney offers perplexed Christians a breath of fresh air by lifting the burden of false standards and impossible expectations related to the Christian life—freeing readers to gratefully embrace every good thing we receive from the hand of God. Helping us avoid our tendency to*

forget the Giver on the one hand and neglect his gifts on the other, this much-needed book reminds us that God's blessings should drive us to worship and that a passion for God's glory can be as wide as the world itself.

DAYS OF HEAVEN UPON EARTH

Binker North *THE DAYS OF HEAVEN* The days of heaven are peaceful days, Still as yon glassy sea; So calm, so still in God, our days, As the days of heaven would be. The days of heaven are holy days, From sin forever free Two little words are found in the Greek version here. They are translated "_ton kairon_" in the revised version, "Buying up for yourselves the opportunity." The two words _ton kairon_ mean, literally, the opportunity. They do not refer to time in general, but to a special point of time, a juncture, a crisis, a moment full of possibilities and quickly passing by, which we must seize and make the best of before it has passed away.

In doing so, the authors synthesize information from astronomy, biology, and paleontology, and apply it to what we know about the rise of life on Earth and to what could possibly happen elsewhere in the universe. Everyone who has been thrilled by the recent discoveries of extrasolar planets and the indications of life on Mars and the Jovian moon Europa will be fascinated by Rare Earth, and its implications for those who look to the heavens for companionship.

LETTERS FROM THE EARTH

Youcanprint The Creator sat upon the throne, thinking. Behind him stretched the illimitable continent of heaven, steeped in a glory of light and color; before him rose the black night of Space, like a wall. His mighty bulk towered rugged and mountain-like into the zenith, and His divine head blazed there like a distant sun. At His feet stood three colossal figures, diminished to extinction, almost, by contrast -- archangels -- their heads level with His ankle-bone. When the Creator had finished thinking, He said, "I have thought. Behold!" He lifted His hand, and from it burst a fountain-spray of fire, a million stupendous suns, which clove the blackness and

soared, away and away and away, diminishing in magnitude and intensity as they pierced the far frontiers of Space, until at last they were but as diamond nailheads sparkling under the domed vast roof of the universe. At the end of an hour the Grand Council was dismissed. They left the Presence impressed and thoughtful, and retired to a private place, where they might talk with freedom. None of the three seemed to want to begin, though all wanted somebody to do it.

THE JOY OF THE GOSPEL

EVANGELII GAUDIUM

Image *The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage**

THE SIBYLLINE ORACLES (ANNOTATED EDITION)

Jazybee Verlag *This is the extended and annotated edition including * an extensive annotation of almost 10.000 words about the oracles in religion * an interactive table-of-contents * perfect formatting for electronic reading devices THE Sibyls occupy a conspicuous place in the traditions and history of ancient Greece and Rome. Their fame was spread abroad long before the beginning of the Christian era. Heraclitus of Ephesus, five centuries before Christ, compared himself to the Sibyl "who, speaking with inspired mouth, without a smile, without ornament, and without perfume, penetrates through centuries by the power of the gods." The ancient traditions vary in reporting the number and the names of these weird prophetesses, and much of what has been handed down to us is legendary. But whatever opinion one may hold respecting the various legends, there can be little doubt that a collection of Sibylline Oracles was at one time preserved at Rome. There are, moreover, various oracles, purporting to have been written by ancient Sibyls, found in the writings of Pausanias, Plutarch, Livy, and in other Greek and Latin authors.*

Whether any of these citations formed a portion of the Sibylline books once kept in Rome we cannot now determine; but the Roman capitol was destroyed by fire in the time of Sulla (B. C. 84), and again in the time of Vespasian (A. D. 69), and whatever books were at those dates kept therein doubtless perished in the flames. It is said by some of the ancients that a subsequent collection of oracles was made, but, if so, there is now no certainty that any fragments of them remain.

TAO TE CHING: AN INSIGHTFUL AND MODERN TRANSLATION BY J. H. MCDONALD

This 1996 translation is a beautiful expression in contemporary language of the original ideas. It stands out when compared to other translations in simplicity and clarity. The 81 poems of the Tao Te Ching were not numbered or titled in early copies of the text. They were in two groups, 37 Tao poems and 44 Te poems. In that spirit this edition omits page numbers and displays only one poem on each pair of pages. The space invites the opportunity for awareness of what we may bring to the text. The Foreword by Tekson Teo is a beautiful, inviting welcome to the text. It is an honor to be able to include it for you. Tekson has combined practicing qigong with studying the Tao Te Ching for decades. He understands well how doing both complement each other. In addition to his qigong students, Tekson brings his deep understanding and practice to his work as a business consultant to clients around the world. We are fortunate that Tekson has made it his life's passion to help everyone understand the wisdom in this great text. On an auspicious occasion is a perfect time to present a gift. This edition was published as a gift in honor of the guests on Qigong Vacations' first trip, The Farm Adventure at East Hill Farm in Troy, NH. This is a gift that helps you along your path in life. It has been cherished for millenniums. It points the way to a deeper understanding. It was created for you with love.

GILGAMESH EPIC AND OLD TESTAMENT PARALLELS

With the same careful scholarship shown in his previous volume, The Babylonian Genesis, Heidel interprets the famous Gilgamesh Epic and other related Babylonian and Assyrian documents.
