## KEY=LAST - BRENDAN LACI

---

### THE LAST ENEMY

---

Michael O'Mara Books This is the true story of Second World War fighter pilot, Richard Hillary. After being shot down in September 1940, Hillary spent several months in hospital, undergoing numerous operations; a member of Archibald McIndoe's 'Guinea Pig Club'. Originally published in 1942, just months before he died in a second crash, *The Last Enemy* recounts the struggles and successes of a young man in the Royal Air Force. Told through Hillary's eyes, this incredible story shows that even in our darkest moments there is a glimmer of enduring hope.

### LAST ENEMY

---

The Floating Press Part of H. Beam Piper's popular Paratime series, "Last Enemy" follows the work of researcher Dallona of Hadron, who is attempting to determine whether any aspect of the mind, body or soul survives the process of death. However, when her experiments suggest that sentience does outlast the physical body, and she uncovers a link between this immortality and time travel, Dallona is faced with unforeseen consequences she never expected.

### ON WAR

---

### THE ART OF WAR

---

Lulu.com an ancient military treatise by Sun Tzu on warfare, statesmanship thinking and tactical methods, business tactics, countertactics, negotiation, dialogue, cooperation plans, approach strategies, diplomacy, and diplomatic manoeuvres *The Art of War* is an ancient Chinese military treatise attributed to Sun Tzu a high-ranking military general, strategist and tactician, and it was believed to have been compiled during the late Spring and Autumn period or early Warring States period. The text is composed of 13 chapters, each of which is devoted to one aspect of warfare. It is commonly known to be the definitive work on military strategy and tactics of its time. It has been the most famous and influential of China's Seven Military Classics, and for the last two thousand years it

### EGO IS THE ENEMY

---

Penguin The instant Wall Street Journal, USA Today, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." —from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. *Ego Is the Enemy* draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, "you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you've set out to achieve."

### CLOSING WITH THE ENEMY

---

### HOW GIS FOUGHT THE WAR IN EUROPE, 1944-1945

---

'Unflinchingly objective. Doubler makes a convincing case for seeing the GI as an amateur who learned quickly and well and who, by the end of the war, had turned himself into a formidable enemy.' -- John Keegan in the Washington Times

### THE 48 LAWS OF POWER

---

Profile Books THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. \_\_\_\_\_ (From the Playboy interview with Jay-Z, April

2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In *The 48 Laws of Power*, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, *Volume Three*, was wack. People set higher standards for me, and I love it.

## THE ENEMY

---

### A BOOK ABOUT PEACE

---

Random House Digital, Inc. After watching an enemy for a very long time during an endless war, a soldier finally creeps out into the night to the other man's hole and is surprised by what he finds there.

### AN ENEMY OF THE PEOPLE

---

Faber & Faber The strongest man in the world is he who stands most alone. Dr Stockmann attempts to expose a water pollution scandal in his home town which is about to establish itself as a spa. When his brother conspires with local politicians and the newspaper to suppress the story, Stockmann appeals to a public meeting - only to be shouted down and reviled as 'an enemy of the people'. Ibsen's explosive play reveals his distrust of politicians and the blindly held beliefs of the masses. Christopher Hampton's version of Ibsen's classic was first staged at the National Theatre, London, in 1997.

### THE ENEMY OF MY ENEMY

---

Penguin Special agent James Cronley Jr. finds that fighting both ex-Nazis and the Soviet NKGB can lead to strange bedfellows, in the dramatic new *Clandestine Operations* novel about the birth of the CIA and the Cold War. A month ago, Cronley managed to capture two notorious Nazi war criminals, but not without leaving some dead bodies and outraged Austrian police in his wake. He's been lying low ever since, but that little vacation is about to end. Somebody--Odessa, the NKGB, the Hungarian Secret Police?--has broken the criminals out of jail, and he must track them down again. But there's more to it than that. Evidence has surfaced that in the war's last gasps, Heinrich Himmler had stashed away a fortune to build a secret religion, dedicated both to Himmler and to creating the Fourth Reich. That money is still out there in the hands of Odessa, and that infamous organization seems to have acquired a surprising--and troubling--ally. Cronley is fast finding out that the phrase "the enemy of my enemy is my friend" can mean a lot of different things, and that it is not always clear which people he can trust and which are out to kill him.

### INVENTING THE ENEMY

---

### ESSAYS

---

Houghton Mifflin Harcourt This essay collection by the revered public intellectual displays his "profound erudition, lively wit, and passion for ideas of all shapes and sizes" (Booklist). In these fourteen essays, Umberto Eco examines many of the ideas that have inspired his provocative and illuminating fiction. From the title essay—a disquisition of the notion that every country needs an enemy—he takes readers on an exploration of lost islands, mythical realms, and the medieval world. His topics range from indignant reviews of James Joyce's *Ulysses* by fascist journalists, to an examination of Saint Thomas Aquinas's notions about the soul of an unborn child, to censorship, violence and WikiLeaks. Here are essays full of passion, curiosity, and probing intellect by one of the world's most esteemed scholars and critically acclaimed, best-selling novelists. "True wit and wisdom coexist with fierce scholarship inside Umberto Eco, a writer who actually knows a thing or two about being truly human." — Buffalo News

### SEARCHING FOR JUSTICE AFTER THE HOLOCAUST

---

### FULFILLING THE TEREZIN DECLARATION AND IMMOVABLE PROPERTY RESTITUTION

---

Oxford University Press The Nazis and their state-sponsored cohorts stole mercilessly from the Jews of Europe. In the aftermath of the Holocaust, returning survivors had to navigate a frequently unclear path to recover their property from governments and neighbors who had failed to protect them and who often had been complicit in their persecution. While the return of Nazi-looted art has garnered the most media attention, and there have been well-publicized settlements involving stolen Swiss bank deposits and unpaid insurance policies, there is a larger piece of Holocaust injustice that has not been adequately dealt with: stolen land and buildings, much of which today still remain unrestituted. This book is about the less publicized area of post-Holocaust restitution involving immovable (real) property confiscated from European Jews and others during World War II. In 2009, 47 countries convened in Prague to deal with the lingering problem of restitution of pre-war private, communal and heirless property stolen in the Holocaust. The outcome was the issuance by 47 states of the Terezin Declaration on Holocaust Era Assets and Related Issues, which aimed, among other things, to "rectify the consequences" of the wrongful property seizures. This book sets forth the legal history of Holocaust immovable property restitution in each of the Terezin Declaration signatory states. It also analyses how each of the 47 countries has fulfilled the standards of the Guidelines and Best Practices of the Terezin Declaration, issued in 2010 in conjunction with the establishment of the European Shoah Legacy Institute (ESLI) to monitor compliance. The book is based on the Holocaust (Shoah) Immovable Property Restitution Study commissioned by ESLI, written by the authors and issued in Brussels in 2017 before the European Parliament.

## THE LAST ENEMY

---

Richard Hillary's book *The Last Enemy* was first published in the UK in 1942 just seven months before his untimely death. It is an extraordinary first-hand account of the experiences of a young man swept into the Battle of Britain as a Spitfire pilot. The book is in two parts, beginning with his time at Trinity College, Oxford, where he was a successful oarsman and carefree student. Joining the RAF Volunteer Reserve he displayed an undisciplined approach towards flying training schools whilst making new acquaintances prompted some reappraisal of his attitude to life. His descriptions of flying a Spitfire are gripping as we share both the horror and excitement of close combat in the air. Shot down over the English Channel on 3 September 1940 he is seriously burned and comes under the care of Archibald McIndoe and his pioneering reconstructive plastic surgery. He writes in graphic detail but with no self-pity of the operations and pain endured during his long stints in hospital at East Grinstead. Towards the end of the book he eloquently portrays his inner struggles and relates an epiphany that inspired him to write this book. *The Last Enemy* is undoubtedly one of the most important and compelling books to have been written during recent wars and will stay with you as you reflect on Hillary's short but eventful life.

## STRATEGIES FROM THE THREE KINGDOMS (2010 EDITION - PDF)

---

Asiapac Books Pte Ltd *The Three Kingdoms*, a foremost Chinese historical novel, has exemplified famous enactments in military strategies: -Leave one side of the net open -Lure the tiger out of the mountain -Murder with a borrowed knife -Chain the enemy with a fleet of boats Such stratagems are also depicted in the award-winning movie production *Red Cliff*, which celebrates the ingenuity of the strategist Zhuge Liang against the schemes and wiles of commander Cao Cao. Not surprisingly, these age-old tactics are the epitome of wisdom and have gained a commanding position in the corporate world. Be it business, science, technology, politics or leisure, each of these strategies will equip you to face the challenges at work, in the marketplace and even in the sports arena.

---

## SAVING MY ENEMY

---

---

## HOW TWO WWII SOLDIERS FOUGHT AGAINST EACH OTHER AND LATER FORGED A FRIENDSHIP THAT SAVED THEIR LIVES

---

Simon and Schuster "A quintessential tale. Once read, never to be forgotten." —Erik Jendersen, lead writer of *Band of Brothers* on HBO *Saving My Enemy* is a "Band of Brothers" sequel like no other. Don Malarkey grew up scrappy and happy in Astoria, Oregon—jumping off roofs, playing pranks, a free-range American. Fritz Engelbert's German boyhood couldn't have been more different. Regimented and indoctrinated by the Hitler Youth, he was introspective and a loner. Both men fought in the Battle of the Bulge, the horrific climax of World War II in Europe. A paratrooper in the U.S. Army, Malarkey served a longer continuous stretch on the bloody front lines than any man in Easy Company. Engelbert, though he never killed an enemy soldier, spent decades wracked by guilt over his participation in the Nazi war effort. On the sixtieth anniversary of the start of the Battle of the Bulge, these two survivors met. Malarkey was a celebrity, having been featured in the HBO miniseries *Band of Brothers*, while Engelbert had passed the years in the obscurity of a remote German village. But both men were still scarred—haunted—by nightmares of war. And finally, after they met, they were able to save each other's lives. *Saving My Enemy* is the unforgettable true story of two soldiers on opposing sides who became brothers in arms.

## SECURITY WARRIOR

---

---

## KNOW YOUR ENEMY

---

"O'Reilly Media, Inc." When it comes to network security, many users and administrators are running scared, and justifiably so. The sophistication of attacks against computer systems increases with each new Internet worm. What's the worst an attacker can do to you? You'd better find out, right? That's what *Security Warrior* teaches you. Based on the principle that the only way to defend yourself is to understand your attacker in depth, *Security Warrior* reveals how your systems can be attacked. Covering everything from reverse engineering to SQL attacks, and including topics like social engineering, antiforensics, and common attacks against UNIX and Windows systems, this book teaches you to know your enemy and how to be prepared to do battle. *Security Warrior* places particular emphasis on reverse engineering. RE is a fundamental skill for the administrator, who must be aware of all kinds of malware

that can be installed on his machines -- trojaned binaries, "spyware" that looks innocuous but that sends private data back to its creator, and more. This is the only book to discuss reverse engineering for Linux or Windows CE. It's also the only book that shows you how SQL injection works, enabling you to inspect your database and web applications for vulnerability. Security Warrior is the most comprehensive and up-to-date book covering the art of computer war: attacks against computer systems and their defenses. It's often scary, and never comforting. If you're on the front lines, defending your site against attackers, you need this book. On your shelf--and in your hands.

---

## **ENEMY OF GOD**

---

### **A NOVEL OF ARTHUR**

---

St. Martin's Press With *The Winter King*, the first volume of his magnificent Warlord Chronicles, Bernard Cornwell established himself as the storyteller who could reinvent the legend of King Arthur for our time. Now with *Enemy of God*, Cornwell's magical re-creation continues. Having defeated the last holdouts of civil war in southern Britain, Arthur has secured Mordred's throne. But he must still face raging conflicts between the old ways and the new, as well as foes more powerful and more dangerous--because they pose as friends. Brilliantly written and peopled with the familiar faces of legend along with new ones, *Enemy of God* is an immensely powerful continuation of a modern classic.

### **THEY CALLED US ENEMY - EXPANDED EDITION**

---

Top Shelf Productions The New York Times bestselling graphic memoir from actor/author/activist George Takei returns in a deluxe edition with 16 pages of bonus material! Experience the forces that shaped an American icon -- and America itself -- in this gripping tale of courage, country, loyalty, and love. George Takei has captured hearts and minds worldwide with his magnetic performances, sharp wit, and outspoken commitment to equal rights. But long before he braved new frontiers in STAR TREK, he woke up as a four-year-old boy to find his own birth country at war with his father's -- and their entire family forced from their home into an uncertain future. In 1942, at the order of President Franklin D. Roosevelt, every person of Japanese descent on the west coast was rounded up and shipped to one of ten "relocation centers," hundreds or thousands of miles from home, where they would be held for years under armed guard. *THEY CALLED US ENEMY* is Takei's firsthand account of those years behind barbed wire, the terrors and small joys of childhood in the shadow of legalized racism, his mother's hard choices, his father's tested faith in democracy, and the way those experiences planted the seeds for his astonishing future. What does it mean to be American? Who gets to decide? George Takei joins cowriters Justin Eisinger & Steven Scott and artist Harmony Becker for the journey of a lifetime.

### **MILITARY COURTS, CIVIL-MILITARY RELATIONS, AND THE LEGAL BATTLE FOR DEMOCRACY**

---

### **THE POLITICS OF MILITARY JUSTICE**

---

Routledge The interaction between military and civilian courts, the political power that legal prerogatives can provide to the armed forces, and the difficult process civilian politicians face in reforming military justice remain glaringly under-examined, despite their implications for the quality and survival of democracy. This book breaks new ground by providing a theoretically rich, global examination of the operation and reform of military courts in democratic countries. Drawing on a newly created dataset of 120 countries over more than two centuries, it presents the first comprehensive picture of the evolution of military justice across states and over time. Combined with qualitative historical case studies of Colombia, Portugal, Indonesia, Fiji, Brazil, Pakistan, and the United States, the book presents a new framework for understanding how civilian actors are able to gain or lose legal control of the armed forces. The book's findings have important lessons for scholars and policymakers working in the fields of democracy, civil-military relations, human rights, and the rule of law.

#### **VOLUME ONE**

---

Felix Wantang All proceeds from this book go to charity. The most important component of God's plan for humanity was the gift of His one and only son on the cross for the sins of the world. As Christians, the systematic approach we use to present this gift to the sinful world will determine the effectiveness of our role as followers of Jesus Christ. It is very easy to tell someone that Jesus died for the sins of the world but how do you bring them to that place where they can effectively see Jesus as a personal gift designed to save their soul? This book will help you understand God's unique gift and bring you to that place where you can see the world through the eyes of Jesus Christ.

---

### **GENESIS - TEACHER'S MANUAL PDF**

---

Zion Christian Publishers When Christ was asked questions He would often refer people back to the beginning, to the origin of the plan of our Heavenly Father for His creation. In his commentary on the book of Genesis, Dr. Bailey shows how it is vital to understand God's intentions from the beginning in order to understand God's plan for mankind as well as the many spiritual truths that relate to the life of the believer today.
