## **KEY=THE - JOSHUA QUENTIN**

---

---

### **REFORMATION**

---

---

#### **EUROPE'S HOUSE DIVIDED 1490-1700**

---

*Penguin UK* **The Reformation was the seismic event in European history over the past 1000 years, and one which tore the medieval world apart. Not just European religion, but thought, culture, society, state systems, personal relations - everything - was turned upside down. Just about everything which followed in European history can be traced back in some way to the Reformation and the Counter-Reformation which it provoked. The Reformation is where the modern world painfully and dramatically began, and MacCulloch's great history of it is recognised as the best modern account.**

---

#### **HISTORY OF REFORMATION PERIOD**

---

---

#### **CHRISTIAN HEBRAISM IN THE REFORMATION ERA (1500-1660)**

---

---

#### **AUTHORS, BOOKS, AND THE TRANSMISSION OF JEWISH LEARNING**

---

*BRILL* **The Reformation transformed Christian Hebraism from the pursuit of a few into an academic discipline. This book explains that transformation by focusing on how authors, printers, booksellers, and censors created a public discussion of Hebrew and Jewish texts.**

---

#### **HISTORICAL METHOD AND CONFSSIONAL IDENTITY IN THE ERA OF THE REFORMATION**

---

---

#### **(1378 - 1615)**

---

*BRILL* **Betr. u.a. Sebastian Castellio und den Druck bzw. die Rezeption von Werken der Kirchenväter in Basel.**

---

## **HISTORY OF THE REFORMATION OF THE SIXTEENTH CENTURY**

---

### **LITERATURE AND POLITICS IN THE ENGLISH REFORMATION**

---

*Manchester University Press* **Literature and politics in the English Reformation is a study of the English Reformation as a political and literary event. Focusing on an eclectic group of texts, unified by their articulation of the key elements of the cultural history of the period 1510-80, the book unravels the political, poetic and religious themes of the era. --book jacket.**

---

### **CRISIS AND RENEWAL**

---

#### **THE ERA OF THE REFORMATIONS**

---

*Westminster John Knox Press* **This latest volume in the Westminster History of Christian Thought series introduces readers to the events and ideas that propelled the various religious reformations of sixteenth-century Europe. A splendid introduction to this momentous period, Crisis and Renewal examines the historical and theological developments that dramatically changed the religious landscape of Europe and continue to have important effects today. Discussion questions and other aids make this an excellent book for classroom use. Designed particularly for undergraduate courses in theology and religion, the Westminster History of Christian Thought series offers reliable and accessible introductions to Christian thought for each major period in Christian history--the early church, the medieval era, the Reformation, the modern age, and the contemporary period--and concludes with a volume on American religious thought.**

---

### **WOMEN AND THE REFORMATION**

---

*John Wiley & Sons* **Women and the Reformation gathers historical materials and personal accounts to provide a comprehensive and accessible look at the status and contributions of women as leaders in the 16th century Protestant world. Explores the new and expanded role as core participants in Christian life that women experienced during the Reformation Examines diverse individual stories from women of the times, ranging from biographical sketches of the ex-nun Katharina von Bora Luther and Queen Jeanne d'Albret, to the prophetess Ursula Jost and the learned Olimpia Fulvia Morata Brings together social history and theology to provide a groundbreaking volume on the theological effects that these women had on Christian life and spirituality Accompanied by a website at [www.blackwellpublishing.com/stjerna](http://www.blackwellpublishing.com/stjerna) offering student's access to the writings by the women featured in the book**

---

### **KATIE LUTHER, FIRST LADY OF THE REFORMATION**

---

#### **THE UNCONVENTIONAL LIFE OF KATHARINA VON BORA**

---

*Zondervan* **Katharina von Bora. Defiant and determined, refusing to be**

intimidated. . . In many ways, it was this astonishing woman (not even her husband, Martin Luther, could stop her) who set the tone of the Reformation movement. In this compelling historical account of a woman who was an indispensable figure of the German Reformation—who was by turns vilified, satirized, idolized, and fictionalized by contemporaries and commentators—you can make her acquaintance and discover how Katharina's voice and personality still echoes among modern women, wives, and mothers who have struggled to be heard while carving out a career of their own. Author and teacher Ruth Tucker beckons you to visit Katie Luther in her sixteenth-century village life: What was it like to be married to the man behind the religious upheaval? How did she deal with the celebrations and heartaches, housing, diet, fashion, childbirth, and child-rearing of daily life in Wittenberg? What role did she play in pushing gender boundaries and shaping the young egalitarianism of the movement? Though very little is known today about Katharina. Though her primary vocation was not even related to ministry, she was by any measure the First Lady of the Reformation, and she still has much to say to Western women and men of today.

## **A HISTORY OF THE REFORMATION - THE ORIGINAL CLASSIC EDITION**

---

*Tebbo* Finally available, a high quality book of the original classic edition of **A History of the Reformation (Vol. 2 of 2)**. It was previously published by other bona fide publishers, and is now, after many years, back in print. This is a new and freshly published edition of this culturally important work by Thomas M. Lindsay, which is now, at last, again available to you. Get the PDF and EPUB NOW as well. Included in your purchase you have **A History of the Reformation (Vol. 2 of 2)** in EPUB AND PDF format to read on any tablet, eReader, desktop, laptop or smartphone simultaneous - Get it NOW. Enjoy this classic work today. These selected paragraphs distill the contents and give you a quick look inside **A History of the Reformation (Vol. 2 of 2)**: Look inside the book: While it may be said with perfect truth that the churchly ideal in the minds of the leaders in most of the Reformed Churches was to restore the theocratic democracy of the early centuries, and that this was a strong point of contrast between them and Luther, who insisted that the jus episcopale belonged to the civil magistrate, in practice the secular authorities in Switzerland, the Netherlands, the Palatinate, etc., kept almost as tight a hold on the Reformed national Churches as did the Lutheran princes and municipalities. ...One has only to compare the Bishops' Book and the King's Book of the Henrican period in England with the many statements Erasmus has made about the kind of reformation he desired to see, to recognise that they were meant to serve for a reformation in life and morals which would leave untouched the fundamental doctrinal system of the mediaeval Church and its organisation in accordance with the principles laid down by the great Humanist. ...But if originality be the gift to seize, to combine into one organic whole, separate

isolated truths, to see their bearing upon the practical religious life of all men, educated and ignorant, to use the new light to strip the common religious life of all paralysing excrescences, to simplify it and to make it clear that the sum and essence of Christianity is "unwavering trust of the heart in Him who has given Himself to us in Christ Jesus as our Father, personal assurance of faith because Christ with His work undertakes our cause," and to do all this with the tenderest sympathy for every true dumb religiousPg 16 instinct which had made men wander away from the simplicity which is in Christ Jesus, then Luther stands alone in his day and generation, unapproachable by any other

## **CHURCH HISTORY, VOLUME ONE: FROM CHRIST TO THE PRE-REFORMATION**

---

### **THE RISE AND GROWTH OF THE CHURCH IN ITS CULTURAL, INTELLECTUAL, AND POLITICAL CONTEXT**

---

*Zondervan Academic Church History, Volume One* offers a unique contextual view of how the Christian church spread and grew from its development in the days of Jesus to the years leading up to the Reformation. Looking closely at the integral link between the history of the world and that of the church, Church History paints a portrait of God's people within its setting of times, cultures, and events that both influenced and were influenced by the church. **FEATURES:** Maps, charts, and illustrations spanning the time from the first through the thirteenth centuries. Overviews of the Roman, Greek, and Jewish worlds and how they developed or declined. Insights into the church's relationship to the Roman Empire, with glimpses into pagan attitudes toward Christians. Explanations of the role of art, architecture, literature, and philosophy—both sacred and secular—in the Church. Details on the major theological controversies of the periods. Each chapter also contains callout passages from Scripture to assist in understanding the narrative of the Church, even to the present day, as part of the greater narrative of the Bible. **AUTHOR'S PERSPECTIVE:** Scholar and writer Everett Ferguson wrote this history of the church from the perspective that such a history is the story of the greatest movement and community the world has known. It's a human story of a divinely called people who wanted to live by a divine revelation. It's a story of how they succeeded and how they failed or fell short of their calling. From the Apostle Paul to the apologists and martyrs of the second century to Martin Luther, the historical figures detailed are people who have struggled with the meaning of the greatest event in history—the coming of the Son of God—and with their role in that event and in the lives of God's people.

---

## **ARGULA VON GRUMBACH**

---

### **A WOMAN'S VOICE IN THE REFORMATION**

---

*A&C Black* In 1523, in one of the most daring and remarkable events in the

history of the Reformation, a woman challenged the Catholic establishment to a public debate. The issue was the persecution of a young Lutheran student in Ingolstadt. Argula von Grumbach's writings on this and many other topics were widely circulated: her first publication alone went through sixteen editions. She addressed the Catholic theologians of Ingolstadt, the Dukes of Bavaria and the Councils of Ingolstadt and Regensburg. She also met with and conducted an extensive correspondence with Luther, Osiander and many of the leading reformers. Professor Peter Matheson here provides translations of all her published works together with introductions. He gives a full biographical account of von Grumbach, analyses her use of Scripture and discusses her role as a woman of the Reformation. The rediscovery of Protestantism's first female theologian and author affords a wealth of new insight into the history of the Reformation; the role of women in Church, state and society; and a woman's use of Scripture, which in many ways anticipates the flowering of feminist theology today.

---

### **REFORMATION IN THE LOW COUNTRIES, 1500-1620**

---

*Cambridge University Press* This accessible general history of the Reformation in the Netherlands traces the key developments in the process of reformation - both Protestant and Catholic - across the whole of the Low Countries during the sixteenth century. Synthesizing fifty years' worth of scholarly literature, Christine Kooi focuses particularly on the political context of the era: how religious change took place against the integration and disintegration of the Habsburg composite state in the Netherlands. Special attention is given to the Reformation's role in both fomenting and fuelling the Revolt against the Habsburg regime in the later sixteenth century, as well as how it contributed to the formation of the region's two successor states, the Dutch Republic and the Southern Netherlands. *Reformation in the Low Countries, 1500-1620* is essential reading for scholars and students of early modern European history, bringing together specialized, contemporary research on the Low Countries in one volume.

---

### **THE EUROPEAN REFORMATIONS**

---

*John Wiley & Sons* Rediscover the Reformations in Europe with this insightful and comprehensive new edition of a long-time favorite. Amongst the authoritative works covering the European Reformation, Carter Lindberg's *The European Reformations* has stood the test of time. Widely used in classrooms around the world for over twenty-five years, the first two editions of the book were enjoyed and acclaimed by students and teachers alike. Now, the revised and updated Third Edition of *The European Reformations* continues the author's work to sketch the various efforts to reform received expressions of faith and their social and political effects, both historical and modern. He has expanded his coverage of women in the Reformations and added a chapter on reforms in East-Central Europe.

Comprehensively covering all of Europe, *The European Reformations* provides an in-depth exploration of the Reformations' effects on a wide variety of countries. The author discusses: `div style="margin: 0px; padding: 0px; user-select: text; -webkit-user-drag: none; -webkit-tap-highlight-color: transparent; overflow: visible; cursor: text; clear: both; position: relative; direction: ltr;" div style="margin: 0px; padding: 0px; user-select: text; -webkit-user-drag: none; -webkit-tap-highlight-color: transparent; position: relative;"` The late Middle Ages and the historical context in which the Reformations gained a foothold Martin Luther, the theological and past

---

## **MEDICINE AND THE REFORMATION**

---

*Psychology Press* Charts how both popular and official religion affected orthodox medicine and popular healers, and illustrates the central part played by medicine in Lutheran teachings, the Catholic responses, and the Calvinistic rationalization of disease. The tremendous changes in the role and significance of religion during Reformation and the Catholic Counter-Reformation affected all of society. Yet, there have been few attempts to view medicine and the ideas underpinning it within the context of the period and see what changes it underwent. *Medicine and the Reformation* charts how both popular and official religion affected orthodox medicine as well as more popular healers. Illustrating the central part played by medicine in Lutheran teachings, the Calvinistic rationalization of disease, and the Catholic responses, the contributors offer new perspectives on the relation of religion and medicine in the early modern period. It will be of interest to social historians as well as specialists in the history of medicine.

---

## **THE UNINTENDED REFORMATION**

---

---

### **HOW A RELIGIOUS REVOLUTION SECULARIZED SOCIETY**

---

*Harvard University Press* In a work that is as much about the present as the past, Brad Gregory identifies the unintended consequences of the Protestant Reformation and traces the way it shaped the modern condition over the course of the following five centuries. A hyperpluralism of religious and secular beliefs, an absence of any substantive common good, the triumph of capitalism and its driver, consumerism—all these, Gregory argues, were long-term effects of a movement that marked the end of more than a millennium during which Christianity provided a framework for shared intellectual, social, and moral life in the West. Before the Protestant Reformation, Western Christianity was an institutionalized worldview laden with expectations of security for earthly societies and hopes of eternal salvation for individuals. The Reformation's protagonists sought to advance the realization of this vision, not disrupt it. But a complex web of rejections, retentions, and transformations of medieval Christianity gradually replaced the religious fabric that bound societies

together in the West. Today, what we are left with are fragments: intellectual disagreements that splinter into ever finer fractals of specialized discourse; a notion that modern science—as the source of all truth—necessarily undermines religious belief; a pervasive resort to a therapeutic vision of religion; a set of smuggled moral values with which we try to fertilize a sterile liberalism; and the institutionalized assumption that only secular universities can pursue knowledge. The Unintended Reformation asks what propelled the West into this trajectory of pluralism and polarization, and finds answers deep in our medieval Christian past.

---

### **THE SECOND COMING - TEACHER'S MANUAL PDF**

---

*Zion Christian Publishers* **The Second Coming of Christ** is one of the foremost topics of our day. This anointed study by Dr. Bailey will help to protect us from being deceived and misled by other false doctrines, and will help the Church to be ready for the Second Coming. Some of the topics that will be covered are: A great worldwide spiritual awakening The rise of the ten kings in the restored Roman Empire The appearance of the two great witnesses The appearance of the Antichrist The Great Tribulation The Battle of Armageddon The final siege of Jerusalem The Second Coming of Christ

---

### **THE REFORMATION THEOLOGIANS**

---

### **AN INTRODUCTION TO THEOLOGY IN THE EARLY MODERN PERIOD**

---

*Wiley-Blackwell* **The Reformation Theologians** introduces the theological context, thought, and contributions of selected theologians of the sixteenth-century Reformations to students and scholars of the theology and history of Christianity. The selection intends to provide as inclusive a range of theologians as possible within the limits of a single text of reasonable length. An ideal introduction to the ideas and contribution of key theologians of the sixteenth-century Reformation. Explores a wide range of ideas and theologians within just one volume. The contributors to this volume are internationally established scholars in the fields of historical and systematic theology.

---

### **A COMPANION TO THE REFORMATION WORLD**

---

*John Wiley & Sons* This volume brings together 29 new essays by leading international scholars, to provide an inclusive overview of recent work in Reformation history. Presents Catholic Renewal as a continuum of the Protestant Reformation. Examines Reformation in Eastern and Western Europe, Asia and the Americas. Takes a broad, inclusive approach - covering both traditional topics and cutting-edge areas of debate.

---

### **ENGLAND'S SECOND REFORMATION**

---

*Cambridge University Press* This compelling new history situates the religious

upheavals of the civil war years within the broader history of the Church of England and demonstrates how, rather than a destructive aberration, this period is integral to (and indeed the climax of) England's post-Reformation history.

---

## **THEOLOGY OF THE REFORMERS**

---

*B&H Publishing Group* Using the writings of the reformers as a foundation, George launches into a fresh interpretive study of the theologies of these great men. A book that will intrigue and inform those concerned with the church in a time of Reformation and how it relates to the church of today. Copyright © Libri GmbH. All rights reserved.

---

## **DOCUMENTS OF THE ENGLISH REFORMATION**

---

*ISD LLC* The Reformation era has long been seen as crucial in developing the institutions and society of the English-speaking peoples, and study of the Tudor and Stuart era is at the heart of most courses in English history. The influence of the Book of Common Prayer and the King James version of the Bible created the modern English language, but until the publication of Gerald Bray's Documents of the English Reformation there had been no collection of contemporary documents available to show how these momentous social and political changes took place. This comprehensive collection covers the period from 1526 to 1700 and contains many texts previously relatively inaccessible, along with others more widely known. The book also provides informative appendixes, including comparative tables of the different articles and confessions, showing their mutual relationships and dependence. With fifty-eight documents covering all the main Statutes, Injunctions and Orders, Prefaces to prayer books, Biblical translations and other relevant texts, this third edition of Documents of the English R

## **NATIONAL SECURITY AND COUNTERINTELLIGENCE IN THE ERA OF CYBER ESPIONAGE**

---

*IGI Global* As technology continues to advance, the threats imposed on these innovations also continue to grow and evolve. As such, law enforcement specialists diligently work to counteract these threats, promote national safety, and defend the individual rights of citizens. National Security and Counterintelligence in the Era of Cyber Espionage highlights technological advancements in intelligence systems and law enforcement in relation to cybercrime and reconnaissance issues. Focusing

on current and emergent threats to national security, as well as the technological advancements being adopted within the intelligence field, this book is an exhaustive reference source for government officials, researchers, graduate-level students, and intelligence and enforcement specialists interested in novel measures in being implemented in the prevention of cybercrime and terrorism.

---

## **THE NECESSITY OF REFORMING THE CHURCH**

---

---

### **THE ENGLISH REFORMATION**

---

*Penn State Press* This book presents a new edition of the classic study of the religious changes that transformed England in the sixteenth century. Henry VIII officially brought the Protestant Reformation to England in the 1530s when he severed the English Church from the Papacy. But the seeds of the movement, according to A.G.Dickens, were planted much earlier. The English Reformation, first published in 1964, follows the movement from its late medieval origins through the settlement of Elizabeth I in 1559 and the rise of Puritanism.

---

### **MARTIN LUTHER'S 95 THESES**

---

*Createspace Independent Publishing Platform* "[...] 53. They are enemies of Christ and of the pope, who bid the Word of God be altogether silent in some Churches, in order that pardons may be preached in others. 54.

Injury is done the Word of God when, in the same sermon, an equal or a longer time is spent on pardons than on this Word. 55. It must be the intention of the pope that if pardons, which are a very small thing, are celebrated with one bell, with single processions and ceremonies, then the Gospel, which is the very greatest thing, should be preached with a hundred bells, a hundred processions, a hundred ceremonies. 56. The "treasures of the Church," out of which the pope grants indulgences, are not sufficiently named or known among the people of Christ. 57. That they are not temporal treasures is certainly evident, for many of the vendors do not pour out such treasures so easily, but only gather them. 58. Nor are they the merits of Christ and the Saints, for even without the pope, these always work grace for the inner man, and the cross, death, and hell for the outward man. 59. St. Lawrence said that the treasures of the Church were the Church's poor, but he spoke according to the usage of the word in his own time.[...]"

---

## **RELIGION AND ITS REFORMATION IN AMERICA, BEGINNINGS TO 1730**

---

### **AN ANTHOLOGY OF PRIMARY SOURCES**

---

Beginning with a brief look at what the European colonists were able to make of indigenous beliefs and practices, and ending in 1730--the year before the first published work of the Rev. Jonathan Edwards-- Religion and Its Reformation in America seeks to highlight the distinguishing features of Christianity in the first century of its life in the colonies that would become the United States. The transplanted Church of England in Virginia, the Catholicism of Maryland, and, later on, the Quaker experience of Pennsylvania are well represented, but the heaviest emphasis falls on the Puritans of Massachusetts and Connecticut. Astonishingly, the leaders of a migrant population produced a religious literature that, in both quantity and intellectual acumen, is unmatched in any other colonial venue on record. Drawing on an array of texts written on the Continent, and in some cases on a personal experience of Reformed churches abroad, these so-called Puritans sought a New Church in a providentially provided New England. The general outlines of their story--end-time excitement, the establishment of a radical new ecclesiology (which came to be known as Congregationalism), second- and third-generation confusion and compromise which yet refused to concede that their radicalism had been a mistake--are well known to historians who specialize in this period. Presented here, however, for scholar and student alike, is something approaching a full literary record--not just names and dates and creeds and platforms, but a rich human experience of motive, energy, action, and affect. Religion to be sure, with reform its driving force--but also literature in its best sense, eager to upend prevailing assumptions. --David D. Hall, Bartlett Professor of New England Church History Emeritus, Harvard Divinity School

## RETHINKING OUR STORY

---

---

### CAN WE BE CHRISTIAN IN THE QUANTUM ERA?

---

*Wipf and Stock Publishers* "If it ain't broke, don't fix it." But it's no secret that the Christian church is "broke," and does need fixing. Despite great effort, things are going badly for us. We've tried trendy and tech-savvy, entrepreneurial and coffee-house gritty. They're not helping. Our problem is deeper than that. Our problem is our instincts--instincts informed by our story. There was a time when the Christian church was a powerfully transformative presence in society. It can be again--but it will require radical rethinking of the story that informs our instincts. And it's time! It's been five hundred years since the Reformation, our last major update. Today is a pivotal moment in history. With our worldview upended by quantum physics, history is demanding we renew the Christian story for our times. *Rethinking Our Story* reframes the elements of the Christian narrative for the new era. It explores "quantum" ways of thinking about God, human nature, Jesus, salvation, and the afterlife. The future of the church and the health of our society depend on our willingness to rethink, retell, and live out a better story. We will either update our instincts and contribute to the earth's well-being--or disappear into oblivion.

### THE CAMBRIDGE HISTORY OF REFORMATION ERA THEOLOGY

---

*Cambridge University Press*

---

### REFORMATION OF THE SENSES

---

---

### THE PARADOX OF RELIGIOUS BELIEF AND PRACTICE IN GERMANY

---

*Studies in Sensory History* We see the Protestant Reformation as the dawn of an austere, intellectual Christianity that uprooted a ritualized religion steeped in stimulating the senses--and by extension the faith--of its flock. Historians continue to use the idea as a potent framing device in

presenting not just the history of Christianity but the origins of European modernity. Jacob M. Baum plumbs a wealth of primary source material from the fifteenth and sixteenth centuries to offer the first systematic study of the senses within the religious landscape of the German Reformation. Concentrating on urban Protestants, Baum details the engagement of Lutheran and Calvinist thought with traditional ritual practices. His surprising discovery: Reformation-era Germans echoed and even amplified medieval sensory practices. Yet Protestant intellectuals simultaneously cultivated the idea that the senses had no place in true religion. Exploring this paradox, Baum illuminates the sensory experience of religion and daily life at a crucial historical crossroads. Provocative and rich in new research, *Reformation of the Senses* reevaluates one of modern Christianity's most enduring myths.

## **REFORMATION THOUGHT**

---

---

### **AN INTRODUCTION**

---

*John Wiley & Sons* **Reformation Thought, 4th edition** offers an ideal introduction to the central ideas of the European reformations for students of theology and history. Written by the bestselling author and renowned theologian, Alister McGrath, this engaging guide is accessible to students with no prior knowledge of Christian theology. This new edition of a classic text has been updated throughout with the very latest scholarship Includes greater coverage of the Catholic reformation, the counter-reformation, and the impact of women on the reformation Explores the core ideas and issues of the reformation in terms that can be easily understood by those new to the field Student-friendly features include images, updated bibliographies, a glossary, and a chronology of political and historical ideas This latest edition retains all the features which made the previous editions so popular with readers, while McGrath's revisions have ensured it remains the essential student guide to the subject.

---

### **REMEMBERING THE REFORMATION**

---

---

#### **AN INQUIRY INTO THE MEANINGS OF PROTESTANTISM**

---

*Oxford University Press* **The 500th anniversary of the Reformation in 2017** focuses the mind on the history and significance of Protestant forms of Christianity. It also prompts the question of how the Reformation has been commemorated on past anniversary occasions. **Remembering the Reformation: An Inquiry into the Meanings of Protestantism** explores various meanings attributed to Protestantism by examining past Reformation commemorations, focusing principally on Germany, the cradle of the Reformation.

---

#### **THE EUROPEAN REFORMATION, 1500-1610**

---

*Heinemann* **A study of the European Reformation from 1500 to 1610.** It is designed to fulfil the AS and A Level specifications in place from September 2000. The AS section deals with narrative and explanation of the topic. The A2 section reflects the different demands of the higher level examination.

---

#### **REFORMATION AND THE PRACTICE OF TOLERATION**

---

---

## **DUTCH RELIGIOUS HISTORY IN THE EARLY MODERN ERA**

---

*BRILL* **Reformation and the Practice of Toleration** examines the remarkable religious toleration that characterized Dutch society in the early modern era. It shows how this toleration originated, how it functioned, and how people of different faiths interacted, especially in 'mixed' marriages.

---

## **TRUE AND FALSE REFORM IN THE CHURCH**

---

*Liturgical Press* Archbishop Angelo Roncalli (later Pope John XXIII) read **True and False Reform** during his years as papal nuncio in France and asked, "A reform of the church 'is such a thing really possible?'" A decade later as pope, he opened the Second Vatican Council by describing its goals in terms that reflected Congar's description of authentic reform: reform that penetrates to the heart of doctrine as a message of salvation for the whole of humanity, that retrieves the meaning of prophecy in a living church, and that is deeply rooted in history rather than superficially related to the apostolic tradition. Pope John called the council not to reform heresy or to denounce errors but to update the church's capacity to explain itself to the world and to revitalize ecclesial life in all its unique local manifestations. Congar's masterpiece fills in the blanks of what we have been missing in our reception of the council and its call to "true reform." Yves Congar, OP, a French Dominican who died in 1995, was the most important ecclesiologist in modern times. His writings and his active participation in Vatican II had an immense influence upon the council documents. With a few other contemporaries, Congar pioneered a new style of theological research and writing that linked the great tradition of Scripture and the Fathers to contemporary pastoral questions with lucidity and passion. His key concerns were the unity of the church, lay apostolic life, and a revival of the church's theology of the Holy Spirit. He was named a cardinal by Pope John Paul II in recognition of his profound contributions to the Second Vatican Council. Pal Philibert, OP, has taught pastoral theology in the United States and abroad. He is a Dominican friar of the Southern Province. His translation of a collection of Congar's essays on the liturgy has recently been published by Liturgical Press under the title **At the Heart of Christian Worship**. His book **The Priesthood of the Faithful: Key to a living Church** (Liturgical Press, 2005) reflects the ecclesiology of Yves Congar and his Vision of the apostolic life of the faithful. "
