A NUTS-AND-BOLTS APPROACH TO TEACHING NURSING

Springer Publishing Company This small book is written in a very clear and succinct manner - allowing for a great deal of content to be presented in a rather small space. It's a good resource of information for those trying to figure out (and survive) the academic work setting. - on the 1st edition, Nursing and Health Care. Here is the revised and updated edition of this down-to-earth survival manual for those who are teaching for a brief time, for those who are new to teaching, and for those who need a quick refresher course. Brimming with practical pointers and dozens of timesaving tables and checklists, this precise volume delineates strategies you will need to make clinical assignments, select the right textbook, construct and analyze student tests, facilitate student learning of technology, prepare and present lectures and much more.
