SHE READS TRUTH

HOLDING TIGHT TO PERMANENT IN A WORLD THAT'S PASSING AWAY

B&H Publishing Group She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to

see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

WOMAN EVOLVE

BREAK UP WITH YOUR FEARS AND REVOLUTIONIZE YOUR LIFE

Thomas Nelson **A New York Times bestseller! With life lessons she's learned and new insights from the story of Eve, Sarah Jakes Roberts shows you how past disappointments, struggles, and even mistakes can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In Woman Evolve, Sarah helps you understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn't do better. With scriptural lessons, Eve as the framework, and Sarah as your guide you will discover and work through: Past issues and insecurities that haunt you Seeing yourself as God sees you and trusting Him with who you really are How to come out of darkness and pursue a real relationship with God Why it's important to truly care for yourself Setting in motion the beautiful seed that God planted in you Your fears and insecurities may**

have changed how you viewed God, others, and yourself, but in *Woman Evolve*, you can break through and use past mistakes to revolutionize your life. Like Eve, you don't have to live your future defined by your past.
