In groups, lionesses become a creative and strategic force to be reckoned with, acting as one to change the world around them. You too are a lioness. Women, it's time to... AWAKEN... God did not save you to tame you. AWAKEN... to a life of fierce passion. AWAKEN... To dangerous prayer, stunning power, and teamed purpose. AWAKEN... Your response could very well change your world. A LION CALLED CHRISTIAN

THE TRUE STORY OF THE REMARKABLE BOND BETWEEN TWO FRIENDS AND A LION

Crown NEW YORK TIMES BESTSELLER • “A stirring tale of a rare bond formed between humans and an animal.”—Time Two men. One baby lion. What could go wrong? A Lion Called Christian tells the remarkable story of how Anthony “Ace” Bourke and John Rendall, visitors to London from Australia in 1969, bought a boisterous lion cub in the pet department of Harrods. For several months, the three of them shared a flat above a furniture shop on London’s King’s Road, where the charismatic and intelligent Christian quickly became a local celebrity, cruising the streets in the back of a Bentley, popping in for lunch at a local restaurant, even posing for a fashion advertisement. But the lion cub was growing up—fast—and soon even the walled church garden where he went for exercise wasn’t large enough for him. How could Ace and John avoid having to send Christian to a zoo for the rest of his life? A coincidental meeting with English actors Virginia McKenna and Bill Travers, stars of the hit film Born Free, led to Christian being flown to Kenya and placed under the expert care of the “father of lions” George Adamson. Incredibly, when Ace and John returned to Kenya to see Christian a year later, they received a loving welcome from their lion, who was by then fully integrated into Africa and a life with other lions. A video of this reunion has become a YouTube classic. Originally published in 1971, and now fully revised and updated with more than 50 photographs of Christian from cuddly cub in London to magnificent lion in Africa, A Lion Called Christian is a touching and uplifting true story of an indelible human-animal bond. It is destined to become one of the great classics of animal literature.

THE BOOK OF THE LION

Ravenio Books On Safari, B.E.A., 16th October 1909. To Sir Alfred E. Pease. Dear Sir Alfred,—I am very much pleased that you are to write a book about lion-hunting. Very, very few people have an experience which better justifies such a book. It is the king of all sports when carried on as you have carried it on, especially when you gallop the lion, and then kill him on foot as he charges or prepares to charge as a lion thus rounded up will generally do. I am peculiarly pleased to have you write the book, for it was under your guidance that I first tried lion-hunting. Sincerely yours, Theodore Roosevelt. This hunting classic contains the following chapters: Foreword by Theodore Roosevelt I. Lions and Lion Land II. About Courage III. Of the Courage of Lions IV. Of Dangerous Game V. Of Sport VI. The Lion VII. The Distribution of Lions VIII. Lion Cubs and Tame Lions IX. The Haunts of Lions X. The Lion’s Voice and the Lion’s Eye XI. Some Ways of Lions XII. In the Lion’s Jaw XIII. The Food and Drink of Lions XIV. Lion-Hunting XV. Hunting with Dogs and Hunting with Horses XVI. Night-Shooting XVII. Hints for the Beginner

GODMOTHERS

WHY YOU NEED ONE. HOW TO BE ONE.

Revel! There is a role unique to women that we abandon easily. We live near each other, but not with each other--and not for each other. We don't want to intrude or judge and, maybe, we don't want to see each other truly succeed. And the world is happy with this unhappy state for women--one that pushes us to conform to a pattern of distrust, disengagement, and competition. It's no wonder we've lost ourselves, and our way. In her most personal, powerful book yet, New York Times bestselling author Lisa Bevere offers a catalytic, transformative vision for women of a different way to live--one that embraces the presence of a godmother--the older, wiser women you can go to and learn from, the strong women who partner with us through life. And everyone needs one! Drawing from her own life, biblical women, and the world of fairy tales, Lisa will show you how to transform what you have into what God wants you to have, push you forward during seasons of doubt, and love you enough to speak truth about God's larger, expansive view of your life. Lisa's candid, compassionate words are your best first step to living as a daughter of God, surrounded by strong relationships and confidence in your calling.

THE LIONESS

A NOVEL

Doubleday **NEW YORK TIMES BEST SELLER** • A luxurious African safari turns deadly for a Hollywood starlet and her entourage in this riveting historical thriller from the New York Times bestselling author of *The Flight Attendant*. "The best possible combination of Hemingway and Agatha Christie — a gorgeously written story about the landscape and risks of Africa, whose edge-of-your-seat plot makes it impossible to put down." —Jodi Picoult, #1 New York Times bestselling author of *Wish You Were Here Tanzania, 1964*. When Katie Barstow, A-list actress, and her new husband, David Hill, decide to bring their Hollywood friends to the Serengeti for their honeymoon, they envision giraffes gently eating leaves from the tall acacia trees, great swarms of wildebeests crossing the Mara River, and herds of zebras storming the sandy plains. Their glamorous guests—including Katie's best friend, Carmen Tedesco, and Terrance Dutton, the celebrated Black actor who stars alongside Katie in the highly controversial film *Tender Madness*—will spend their days taking photos, and their evenings drinking chilled gin and tonics back at camp, as the local Tanzanian guides warm water

for their baths. The wealthy Americans expect civilized adventure: fresh ice from the kerosene-powered ice maker, dinners of cooked gazelle meat, and plenty of stories to tell over lunch back on Rodeo Drive. What Katie and her glittering entourage do not expect is this: a kidnapping gone wrong, their guides bleeding out in the dirt, and a team of Russian mercenaries herding their hostages into Land Rovers, guns to their heads. As the powerful sun gives way to night, the gunmen shove them into abandoned huts and Katie Barstow, Hollywood royalty, prays for a simple thing: to see the sun rise one more time. A blistering story of fame, race, love, and death set in a world on the cusp of great change, *The Lioness* is a vibrant masterpiece from one of our finest storytellers.

CLASSIC SAFARI CAMPS OF AFRICA

Classic Safari camps of Africa was started 11 years ago as an association of independent, privately-operated camps and lodges -each situated in some of the finest and most unusual wildlife destinations in Southern and East Africa. THE OTHER WES MOORE

ONE NAME, TWO FATES

One World **NEW YORK TIMES BESTSELLER** • The “compassionate” (People), “startling” (Baltimore Sun), “moving” (Chicago Tribune) true story of two kids with the same name from the city: One went on to be a Rhodes Scholar, decorated combat veteran, White House Fellow, and business leader. The other is serving a life sentence in prison. In development as a feature film executive produced by Stephen Curry, who selected the book as his “Underrated” Book Club Pick with Literati The chilling truth is that his story could have been mine. The tragedy is that my story could have been his. In December 2000, the Baltimore Sun ran a small piece about Wes Moore, a local student who had just received a Rhodes Scholarship. The same paper also ran a series of articles about four young men who had allegedly killed a police officer in a spectacularly botched armed robbery. The police were still hunting for two of the suspects who had gone on the lam, a pair of brothers. One was named Wes Moore. Wes just couldn’t shake off the unsettling coincidence, or the inkling that the two shared much more than space in the same newspaper. After following the story of the robbery, the manhunt, and the trial to its conclusion, he wrote a letter to the other Wes, now a convicted murderer serving a life sentence without the possibility of parole. His letter tentatively asked the questions that had been haunting him: Who are you? How did this happen? That letter led to a correspondence and relationship that have lasted for several years. Over dozens of letters and prison visits, Wes discovered that the other Wes had had a life not unlike his own: Both had had difficult childhoods, both were fatherless; they’d hung out on similar corners with similar crews, and both had run into trouble with the police. At each stage of their young lives they had come across similar moments of decision, yet their choices would lead them to astonishingly different destinies. Told in alternating dramatic narratives that take readers from heart-wrenching losses to moments of surprising redemption, *The Other Wes Moore* tells the story of a generation of boys trying to find their way in a hostile world. **BONUS:** This edition contains a new afterword and a *The Other Wes Moore* discussion guide.

EXTINCT ANIMALS: AN ENCYCLOPEDIA OF SPECIES THAT HAVE DISAPPEARED DURING HUMAN HISTORY

AN ENCYCLOPEDIA OF SPECIES THAT HAVE DISAPPEARED DURING HUMAN HISTORY

Greenwood Everyone is familiar with the dodo and the woolly mammoth, but how many people have heard of the scimitar cat and the Falkland Island fox? Extinct Animals portrays over 60 remarkable animals that have been lost forever during the relatively recent geological past. Each entry provides a concise discussion of the history of the animal—how and where it lived, and how it became extinct—as well as the scientific discovery and analysis of the creature. In addition, this work examines what led to extinction—from the role of cyclical swings in the Earth's climate to the spread of humans and their activities. Many scientists believe that we are in the middle of a mass extinction right now, caused by the human undermining of the earth's complex systems that support life. Understanding what caused the extinction of animals in the past may help us understand and prevent the extinction of species in the future. Extinct Animals examines the biology and history of some of the most interesting creatures that have ever lived, including: The American Terror Bird, which probably became extinct over 1 million years ago, who were massive predators, some of which were almost 10 feet tall; the Rocky Mountain Locust, last seen in 1902, formed the most immense animal aggregations ever known, with swarms estimated to include over 10 trillion insects; the Giant Ground Sloth, which was as large as an elephant; and the Neandertals, the first Europeans, which co-existed with prehistoric Homo sapiens. Extinct Animals includes illustrations—many created for the work—that help the reader visualize the extinct creature, and each entry concludes with a list of resources for those who wish to do further research.

NATURE GIRL

Vintage Crime/Black Lizard Honey Santana—impassioned, willful, possibly bipolar, self-proclaimed "queen of lost causes"—has a scheme to help rid the world of irresponsibility, indifference, and dinnertime sales calls. She's taking rude, gullible Relentless, Inc., telemarketer Boyd Shreave and his less-than-enthusiastic mistress, Eugenie—the fifteen-minute-famous girlfriend of a tabloid murderer—into the wilderness of Florida's Ten Thousand Islands for a gentle lesson in civility. What she doesn't know is that she's being followed by her Honey-obsessed former employer, Piejack (whose mismatched fingers are proof that sexual harassment in the workplace is a bad idea). And he doesn't know he's being followed by Honey's still-smitten former drug-running ex-husband, Perry, and their wise-and-protective-way-beyond-his-years twelve-year-old-son, Fry. And when they all pull up on Dismal Key, they don't know they're intruding on Sammy Tigertail, a half white-half Seminole failed alligator wrestler, trying like hell to be a hermit despite the Florida State coed who's dying to be his hostage . . . Will Honey be able to make a mensch of a "greedhead"? Will Fry be able to protect her from Piejack—and herself? Will Sammy achieve his true Seminole self? Will Eugenie ever get to the beach? Will the Everglades survive the wild humans? All the answers are revealed in the delectably outrageous mayhem that propels this novel to its Hiaasen-of-the-highest-order climax. BONUS: This edition includes an excerpt from Carl Hiaasen's Bad Monkey.

LION HEARTED

THE LIFE AND DEATH OF CECIL & THE FUTURE OF AFRICA'S ICONIC CATS

Simon and Schuster "Until the lion has its own storyteller, tales of the lion hunt will always glorify the hunter." —Zimbabwean proverb In 2015, an American hunter named Walter Palmer shot and killed a lion named Cecil. The lion was one of dozens slain each year in Zimbabwe, which legally licenses the hunting of big cats. But Cecil's death sparked unprecedented global outrage, igniting thousands

*of media reports about the peculiar circumstances surrounding this hunt. At the center of the controversy was Dr. Andrew Loveridge, the zoologist who had studied Cecil for eight years. In *Lion Hearted*, Loveridge pieces together, for the first time, the fascinating life and murky details of this beloved lion's slaying. In the tradition of *Born Free* and *Gorillas in the Mist*, *Lion Hearted* chronicles Loveridge's long acquaintance with a host of charismatic lions that his team has tracked, often from birth to death. Born and raised in Zimbabwe, Loveridge learned to love predators at the knee of his father, an eminent herpetologist who stored baby crocodiles in the family bathtub. After earning his doctorate at Oxford, he seized an invitation to study the lions of Zimbabwe's Hwange National Park. There he meets Stumpy Tail, who, despite her name, has the dignity of the Queen of the Animal Kingdom; Dynamite, a venerable coalition leader who, muscled out by younger males, sets off on an incredible thirty-seven-day, 137-mile journey to find a new home; and Kataza, who escapes another lion's claws, and whom Loveridge twice saves from death at the hands of humans. And, of course, there is Cecil. Dethroned in an epic battle, he forms an alliance with a former rival. He also becomes a favorite of photographers and tourists—until the fateful night when a Minnesota dentist and his hunting guide entice the trusting cat with a free meal. Loveridge unravels the complexities of lion society and the dangers the cats face both within their ranks and from the outside world. Despite their ruthless reputation, lions can form deep emotional bonds—females live in prides, a sisterhood of mothers, daughters, sisters, and aunts that can exhibit military precision when hunting in formation; males band together in coalitions to vie for control of territory and the female prides. They also display a wide range of emotional behavior, including mourning the loss of their mates, partners, and cubs. Africa's lion population is estimated to have shrunk by 43 percent in the last twenty years. There may now be as few as 20,000 wild lions across the entire continent—far fewer than the number of elephants. While deploring the killing of lions for sport, Loveridge does not believe that banning trophy hunting, by itself, will halt the decline of Africa's lion populations. He sees greater threats in human population growth, the loss of habitat to agriculture, and the illegal trade in lion body parts for use in traditional medicines. And he offers concrete proposals for averting the lion's extinction. More than a gripping detective story, *Lion Hearted* is an exploration of humanity's relationship with the natural world and an attempt to keep this majestic species from disappearing. "Lions are one of the most beloved animals on the planet," Loveridge observes. "They are the national symbol of no fewer than fifteen countries. . . . Surely, we can think of a better way to save the wild animals we love besides killing them."*

THE WOLF OF WALL STREET

Bantam *NEW YORK TIMES BESTSELLER* • Now a major motion picture directed by Martin Scorsese and starring Leonardo DiCaprio By day he made thousands of dollars a minute. By night he spent it as fast as he could. From the binge that sank a 170-foot motor yacht and ran up a \$700,000 hotel tab, to the wife and kids waiting at home and the fast-talking, hard-partying young stockbrokers who called him king, here, in Jordan Belfort's own words, is the story of the ill-fated genius they called the Wolf of Wall Street. In the 1990s, Belfort became one of the most infamous kingpins in American finance: a brilliant, conniving stock-chopper who led his merry mob on a wild ride out of Wall Street and into a massive office on Long Island. It's an extraordinary story of greed, power, and excess that no one could invent: the tale of an ordinary guy who went from hustling Italian ices to making hundreds of millions—until it all came crashing down. Praise for *The Wolf of Wall Street* "Raw and frequently hilarious."—*The New York Times* "A rollicking tale of [Jordan Belfort's] rise to riches as head of the infamous boiler room Stratton Oakmont . . . proof that there are indeed second acts in American lives."—*Forbes* "A cross between Tom Wolfe's *The Bonfire of the Vanities* and Scorsese's *GoodFellas* . . . Belfort has the Midas touch."—*The Sunday Times (London)* "Entertaining as pulp fiction, real as a federal indictment . . . a hell of a read."—*Kirkus Reviews*

THE CANDY HOUSE

A NOVEL

Simon and Schuster Named a Most Anticipated Book of the Year by *Time*, *Entertainment Weekly*, *Vogue*, *Good Housekeeping*, *Oprah Daily*, *Glamour*, *USA TODAY*, *Parade*, *Bustle*, *San Francisco Chronicle*, *The Seattle Times*, *The Boston Globe*, *Tampa Bay Times*, *BuzzFeed*, and *Vulture* “A compelling read that showcases Egan’s masterful storytelling.” —*Time* “Dazzling.” —*Vogue* “Radiant, exhilarating.” —*Slate* “Mesmerizing...A thought-provoking examination of how and why we change.” —*People* From one of the most celebrated writers of our time comes an “inventive, effervescent” (*Oprah Daily*) novel about the memory and quest for authenticity and human connection. *The Candy House* opens with the staggeringly brilliant Bix Bouton, whose company, *Mandala*, is so successful that he is “one of those tech demi-gods with whom we’re all on a first name basis.” Bix is forty, with four kids, restless, and desperate for a new idea, when he stumbles into a conversation group, mostly Columbia professors, one of whom is experimenting with downloading or “externalizing” memory. Within a decade, Bix’s new technology, “Own Your Unconscious”—which allows you access to every memory you’ve ever had, and to share your memories in exchange for access to the memories of others—has seduced multitudes. In the world of Egan’s spectacular imagination, there are “counters” who track and exploit desires and there are “eluders,” those who understand the price of taking a bite of the Candy House. Egan introduces these characters in an astonishing array of narrative styles—from omniscient to first person plural to a duet of voices, an epistolary chapter, and a chapter of tweets. Intellectually dazzling, *The Candy House* is also a moving testament to the tenacity and transcendence of human longing for connection, family, privacy, and love. “A beautiful exploration of loss, memory, and history” (*San Francisco Chronicle*), “this is minimalist maximalism. It’s as if Egan compressed a big 19th-century novel onto a flash drive” (*The New York Times*).

THE SACRED ECHO

Zondervan "Don't Listen For the Voice of God. Listen for His Echo." When God really wants to get your attention, he doesn't just say something once. He echoes. He speaks through a Sunday sermon, a chance conversation with a friend the next day, even a random email. The same theme, idea, impression, or lesson will repeat itself in surprising and unexpected ways until you realize that maybe, just maybe, God is at work. According to author Margaret Feinberg, the repetitive nature of a sacred echo gives us confidence that God really is prompting, guiding, or leading. The sacred echo reminds us to pay close attention - something important may be going on here. The sacred echo challenges us to prayerfully consider how God is at work in our life as well as in the lives of those around us. The sacred echo is an invitation to spiritual awakening. Margaret writes, "I want a relationship with God where prayer is as natural as breathing. If God is the one in whom we are to live and move and have our being, then I want my every inhale infused with his presence, my every exhale an extension of his love." If that's your desire too, let Sacred Echo be your guide to a deeper, more

rewarding relationship with the God of the universe.
