### Pearls Hogs the Road

### A Pearls Before Swine Treasury

**Andrews McMeel Publishing** The Pearls gang returns with characteristically misanthropic humor (but with more leather): no self-aggrandizing is too flagrant for Rat, no subject is too erudite for Goat, and no sensory input is too basic for Pig. All topics are fair game for Stephan Pastis and his brass-knuckle punch lines. Comic strip censors, apathetic baristas, and IRS employees are all strongly advised to laugh or get out of the way. Pearls Hogs the Road also features three comic strips illustrated by the legendary Bill Watterson of *Calvin and Hobbes*, who ended a 19-year hiatus from the comics page to collaborate with Pastis.

Conari Press In this paperback edition is a foreword by activist and author John Robbins and a reader's group study guide. This ground-breaking work, voted one of the top ten books of 2010 by VegNews Magazine, offers an absorbing look at why and how humans can so wholeheartedly devote ourselves to certain animals and then allow others to suffer needlessly, especially those slaughtered for our consumption. Social psychologist Melanie Joy explores the many ways we numb ourselves and disconnect from our natural empathy for farmed animals. She coins the term "carnism" to describe the belief system that has conditioned us to eat certain animals and not others. In Why We Love Dogs, Eat Pigs, and Wear Cows Joy investigates factory farming, exposing how cruelly the animals are treated, the hazards that meatpacking workers face, and the environmental impact of raising 10 billion animals for food each year. Controversial and challenging, this book will change the way you think about food forever.

## A Memoir

Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
