FRIDAY HARBOR SERIES BOOKS 1-4

CHRISTMAS EVE AT FRIDAY HARBOR, RAINSHADOW ROAD, DREAM LAKE, AND CRYSTAL COVE

St. Martin's Griffin Here together for the first time in a convenient ebook bundle, the first four books in New York Times bestselling author Lisa Kleypas' Friday Harbor series: Christmas Eve at Friday Harbor Three lonely people. Three lives at the crossroads. Three people who are about to discover that Christmas is the time of year when anything is possible, and when wishes have a way of finding the path home... Rainshadow Road Lucy Marinn is a glass artist living in Friday Harbor, Washington, with a boyfriend who she believes is her soul mate. She has always had a magical side—a gift that finds its way into the glasswork she creates—and she struggles to keep it contained. But then Lucy is blindsided when her boyfriend leaves her and his new lover is none other than Lucy's own sister. Questions about love, loyalty, old patterns, mistakes, and new beginnings are explored as Lucy learns that some things in life—even after being broken—can be re-made into something beautiful. And that it is only by discovering who you really are that you can find the one who truly deserves you. Dream Lake One of three Nolan brothers who call Friday Harbor home, Alex Nolan, is about as bitter and cynical as they come. He battles his demons with the help of a whiskey bottle, and he lives in his own private hell. And then, a ghost shows up. Only Alex can see him. Has he finally crossed over the threshold to insanity? When Zoë Hoffman meets the startlingly gorgeous Alex Nolan, all her instincts tell her to run. But she somehow manages to open his mind to the possibility that old ghosts can breathe the new life into a broken soul—and that love can reach beyond time, space, and reason to take hold of hearts that yearn for it. . . Crystal Cove As the proprietor of a successful boutique hotel, Justine Hoffman has the life she has always wanted. But there is still something missing: Love. A spell was cast on Justine when she was born, with the result that she will never find her soul mate. But she is nothing if not determined and eventually Justine finds a way to break the enchantment—never dreaming of the dangerous complications that will follow...

CRYSTAL COVE

St. Martin's Press When she finds a way to break the spell that prevents her from finding true love, Justine Hoffman falls for the mysterious Jason Black, unleashing a dangerous passion that could destroy everything.

CRYSTAL COVE

Piatkus Books Lucy Marinn is a glass artist living in beautiful, inspiring Friday Harbour, Washington. Creatively fulfilled and in love, she is content with her life, until she is stunned by the worst kind of betrayal: her boyfriend Kevin announces he's leaving Lucy to be with her younger sister. Facing the disapproval of Lucy's parents, Kevin asks his friend Sam Nolan, one of the owners of the Rainshadow vineyard, to 'romance' Lucy and help her get over her anger. But when Sam and Lucy begin to fall in love, things become complicated, especially when Kevin starts to have second thoughts. And when Lucy discovers that the new relationship in her life began under false pretences, her world is shattered, and she is forced to question everything.

CHRISTMAS EVE AT FRIDAY HARBOR

St. Martin's Press When his sister dies, Mark Nolan is left in charge of her six-year-old daughter, Holly, who refuses to speak after her mother's death, until she makes a connection with widowed toy shop owner Maggie Collins.

DREAM LAKE

A FRIDAY HARBOR NOVEL

St. Martin's Griffin In New York Times bestselling author Lisa Kleypas's Dream Lake, readers well enter the world of Friday Harbor, an enchanting town in the Pacific Northwest where things are not quite as they seem and where true love might just have a ghost of a chance... They say that opposites attract. But what happens when one of them has been devastated by betrayal and the other is so damaged and jaded that his heart is made of stone? Alex Nolan is about as bitter and cynical as they come. One of three Nolan brothers who call Friday Harbor home, he's nothing like Sam or Mark. They actually believe in love; they think the risk of pain is worth the chance of happiness. But Alex battles his demons with the help of a whiskey bottle, and he lives in his own private hell. And then, a ghost shows up. Only Alex can see him. Has Alex finally crossed over the threshold to insanity? Zoë Hoffman is as gentle and romantic as they come. When she meets the startlingly gorgeous Alex Nolan, all her instincts tell her to run. Even Alex tells her to run. But something in him calls to Zoë, and she forces him to take a look at his life with a clear eye and to open his mind to the possibility that love isn't for the foolish. The ghost has been existing in the half-light of this world for decades. He doesn't know who he is, or why he is stuck in the Nolans' Victorian house. All he knows is that he loved a girl once. And Alex and Zoë hold the key to unlocking a mystery that keeps him trapped here. Zoë and Alex are oil and water, fire and ice, sunshine and shadow. But sometimes it takes only a glimmer of light to chase away the dark, and sometimes love can reach beyond time, space, and reason to take hold of hearts that yearn for it...

RAINSHADOW ROAD

A NOVEL

St. Martin's Griffin Rainshadow Road is the second book in Lisa Kleypas's popular Friday Harbor series. Lucy Marinn is a glass artist living in mystical, beautiful, Friday Harbor, Washington. She is stunned and blindsided by the most bitter kind of betrayal: her fiancé Kevin has left her. His new lover is Lucy's own sister. Lucy's bitterness over being dumped is multiplied by the fact that she has constantly made the wrong choices in her romantic life. Facing the severe disapproval of Lucy's parents, Kevin asks his friend Sam Nolan, a local vineyard owner on San Juan Island, to "romance" Lucy and hopefully loosen her up and get her over her anger. Complications ensue when Sam and Lucy begin to fall in love, Kevin has second thoughts, and Lucy discovers that the new relationship in her life began under false pretenses. Questions about love, loyalty, old patterns, mistakes, and new beginnings are explored as Lucy learns that some things in life—even after being broken—can be made into something new and beautiful.

THE DEVIL IN WINTER

Harper Collins "I'm Sebastian, Lord St. Vincent. I can't be celibate. Everyone knows that." Desperate to escape her scheming relatives, Evangeline Jenner has sought the help of the most infamous scoundrel in London. A marriage of convenience is the only solution. No one would have ever paired the shy, stammering wallflower with the sinfully handsome viscount. It quickly becomes clear, however, that Evie is a woman of hidden strength—and Sebastian desires her more than any woman he's ever known. Determined to win her husband's elusive heart, Evie dares to strike a bargain with the devil: If Sebastian can stay celibate for three months, she will allow him into her bed. When Evie is threatened by a vengeful enemy from the past, Sebastian vows to do whatever it takes to protect his wife . . . even at the expense of his own life. Together they will defy their perilous fate, for the sake of all-consuming love.

LOVE IN THE AFTERNOON

St. Martin's Press Love in the Afternoon continues the Hathaways series by Victorian romance author Lisa Kleypas. As a lover of animals and nature, Beatrix Hathaway has always been more comfortable outdoors than in the ballroom. Even though she participated in the London season in the past, the classic beauty and free-spirited Beatrix has never been swept away or seriously courted...and she has resigned herself to the fate of never finding love. Has the time come for the most unconventional of the Hathaway sisters to settle for an ordinary man—just to avoid spinsterhood? Captain Christopher Phelan is a handsome, daring soldier who plans to marry Beatrix's friend, the vivacious flirt Prudence Mercer, when he returns from fighting abroad. But, as he explains in his letters to Pru, life on the battlefield has darkened his soul—and it's becoming clear that Christopher won't come back as the same man. When Beatrix learns of Pru's disappointment, she decides to help by concocting Pru's letters to Christopher for her. Soon the correspondence between Beatrix and Christopher develops into something fulfilling and deep...and when Christopher comes home, he's determined to claim the woman he loves. What began as Beatrix's innocent deception has resulted in the agony of unfulfilled love—and a passion that can't be denied...

MARRIED BY MORNING

St. Martin's Press Married by Morning continues Lisa Kleypas's Hathaways beloved series set in Victorian London. For two years, Catherine Marks has been a paid companion to the Hathaway sisters—a pleasant position, with one caveat. Her charges' older brother, Leo Hathaway, is thoroughly exasperating. Cat can hardly believe that their constant arguing could mask a mutual attraction. But when one quarrel ends in a sudden kiss, Cat is shocked at her powerful response—and even more so when Leo proposes a dangerous liaison. Leo must marry and produce an heir within a year to save his family home. Catherine's respectable demeanor hides a secret that would utterly destroy her. But to Leo, Cat is intriguing and infernally tempting, even to a man resolved never to love again. The danger Cat tried to outrun is about to separate them forever—unless two wary lovers can find a way to banish the shadows and give in to their desires...

TEMPT ME AT TWILIGHT

St. Martin's Paperbacks Tempt Me at Twilight, the third book in Lisa Kleypas's popular Victorian romance series. Poppy Hathaway loves her unconventional family, though she longs for normalcy. Then fate leads to a meeting with Harry Rutledge, an enigmatic hotel owner and inventor with wealth, power, and a dangerous hidden life. When their flirtation compromises her own reputation, Poppy shocks everyone by accepting his proposal—only to find that her new husband offers his passion, but not his trust. Harry was willing to do anything to win Poppy—except to open his heart. All his life, he has held the world at arm's length...but the sharp, beguiling Poppy demands to be his wife in every way that matters. Still, as desire grows between them, an enemy lurks in the shadows. Now if Harry wants to keep Poppy by his side, he must forge a true union of body and soul, once and for all.

CHRISTMAS EVE AT FRIDAY HARBOUR

NUMBER 1 IN SERIES

Hachette UK The Friday Harbour series of women's fiction novels is set in San Juan Island just off of the Washington State Coast - romantic and varied, with rocky shores, sandy beaches, rich woodlands and pasture land - and the prosperous Friday Harbour area. The series is centered around the Nolan family, consisting of two brothers and a sister, the owners of an island vineyard and restaurant. The Nolans' mother Jessica has just passed away, and a mysterious stranger attends the funeral. He reveals that he is an illegitimate child Jessica had given birth to, and given up for adoption, before she married. This family secret leads to many new questions and challenges, which test the bonds of love and loyalty, and ultimately show the Nolans what family is all about.

CHRISTMAS HE LOVED HER

Sourcebooks, Inc. "Will appeal to readers of Cathie Linz and Susan Elizabeth Phillips."—Booklist All he wants this Christmas is her... In the small town of Crystal Lake, Christmas is a time for sledding, hot chocolate, and cozying up to the fire with those you love. For Jake Edwards, it's also time to come home and face the music. He thought there would never be anything harder than losing his brother. Turns out there is: falling in love with his brother's widow, Raine. Ever since they were little, Jesse was the Edwards brother who was always there for her, and Jake was the one who knew just how to push her buttons. Raine can't imagine a life without them, which is why it was doubly decimating when Jake left town after his brother's sudden death. Now he's back and she doesn't know whether to be mad or thrilled. Maybe both. Or maybe it will be the perfect chance for both of them to finally find happiness again.

SUDDENLY YOU

Harper Collins She was unmarried, untouched and almost thirty, but novelist Amanda Briars wasn't about to greet her next birthday without making love to a man. When he appeared at her door, she believed he was her gift to herself, hired for one night of passion. Unforgettably handsome, irresistibly virile, he tempted her in ways she never thought possible...but something stopped him from completely fulfilling her dream. Jack Delvin's determination to possess Amanda became greater when she discovered his true identity. But gently-bred Amanda craved respectability more than she admitted, while Jack, the cast-off son of a nobleman and London's most notorious businessman, refused to live by society's rules. Yet when fate conspired for them to marry, their worlds collided with a passionate force neither had expected...but both soon craved.

A DECISION FRAMEWORK FOR INTERVENTIONS TO INCREASE THE PERSISTENCE AND RESILIENCE OF CORAL REEFS

National Academies Press Coral reefs are critical to ocean and human life because they provide food, living area, storm protection, tourism income, and more. However, human-induced stressors, such as overfishing, sediment, pollution, and habitat destruction have threatened ocean ecosystems globally for decades. In the face of climate change, these ecosystems now face an array of unfamiliar challenges due to destructive rises in ocean temperature, acidity and sea level. These factors lead to an increased frequency of bleaching events, hindered growth, and a decreasing rate of calcification. Research on interventions to combat these relatively new stressors and a reevaluation of longstanding interventions is necessary to understand and protect coral reefs in this changing climate. Previous research on these methods prompts further questions regarding the decision making process for site-specific interventions. *A Decision Framework for Interventions to Increase the Persistence and Resilience of Coral Reefs* builds upon a previous report that reviews the state of research on methods that have been used, tested, or proposed to increase the resilience of coral reefs. This new report aims to help coral managers evaluate the specific needs of their site and navigate the 23 different interventions described in the previous report. A case study of the Caribbean, a region with low coral population plagued by disease, serves as an example for coral intervention decision making. This report provides complex coral management decision making tools, identifies gaps in coral biology and conservation research, and provides examples to help individuals and communities tailor a decision strategy to a local area.

CHRISTMAS IN LUCKY HARBOR

SIMPLY IRRESISTIBLE/THE SWEETEST THING

Forever Love awaits you in Lucky Harbor . . . *Simply Irresistible* After losing her boyfriend and her job, Maddie leaves L.A. to claim her inheritance—a ramshackle inn nestled in the little town of Lucky Harbor, Washington. Until she meets a sexy, green-eyed sailor determined to keep her hot, bothered, and in his bed. When her ex reappears, Tara must confront her past and decide what she really wants. If the sisters are lucky, they might just find that everything their hearts desire is right here in Lucky Harbor.

DASH (DOGS OF WORLD WAR II)

Scholastic Inc. New from Newbery Honor author Kirby Larson, the moving story of a Japanese-American girl who is separated from her dog upon being sent to an incarceration camp during WWII. Although Mitsi Kashino and her family are swept up in the wave of anti-Japanese sentiment following the attack on Pearl Harbor, Mitsi never expects to lose her home - or her beloved dog, Dash. But, as World War II rages and people of Japanese descent are forced into incarceration camps, Mitsi is separated from Dash, her classmates, and life as she knows it. The camp is a crowded and unfamiliar place, whose dusty floors, seemingly endless lines, and barbed wire fences begin to unravel the strong Kashino family ties. With the help of a friendly neighbor back home, Mitsi remains connected to Dash in spite of the hard times, holding on to the hope that the war will end soon and life will return to normal. Though they've lost their home, will the Kashino family also lose their sense of family? And will Mitsi and Dash ever be reunited? "This emotionally satisfying and thought-provoking book will have readers pulling for Mitsi and Dash." -KIRKUS REVIEWS, starred review

A NIGHT TO SURRENDER

Harper Collins Welcome to Spindle Cove, where the ladies with delicate constitutions come for the sea air, and men in their prime are . . . nowhere to be found. Or are they? Spindle Cove is the destination of choice for certain types of well-bred young ladies: the painfully shy, young wives disenchanted with matrimony, and young girls too enchanted with the wrong men; it is a haven for those who live there. Victor Bramwell, the new Earl of Rycliff, knows he doesn't belong here. So far as he can tell, there's nothing in this place but spinsters . . . and sheep. But he has no choice, he has orders to gather a militia. It's a simple mission, made complicated by the spirited, exquisite Susanna Finch—a woman who is determined to save her personal utopia from the invasion of Bram's makeshift army. Susanna has no use for aggravating men; Bram has sworn off interfering women. The scene is set for an epic battle...but who can be named the winner when both have so much to lose?

FLYGIRL

Penguin During World War II, a light-skinned African American girl "passes" for white in order to join the Women Airforce Service Pilots.

REVIEW OF THE FEDERAL OCEAN ACIDIFICATION RESEARCH AND MONITORING PLAN

National Academies Press The world's ocean has already experienced a 30% rise in acidity since the industrial revolution, with acidity expected to rise 100 to 150% over preindustrial levels by the end of this century. Potential consequences to marine life and also to economic activities that depend on a healthy marine ecosystem are difficult to assess and predict, but potentially devastating. To address this knowledge gap, Congress passed the Federal Ocean Acidification Research and Monitoring (FOARAM) Act in 2009, which, among other things, required that an interagency working group create a "Strategic Plan for Federal Research and Monitoring of Ocean Acidification." Review of the Federal Ocean Acidification Research and Monitoring Plan reviews the strategic plan on the basis of how well it fulfills program elements laid out in the FOARAM Act and follows the advice provided to the working group in the NRC's 2010 report, *Ocean Acidification: A National Strategy to Meet the Challenges of a Changing Ocean*. This report concludes that, overall, the plan is strong and provides a comprehensive framework for improving our understanding of ocean acidification. Potential improvements include a better defined strategy for implementing program goals, stronger integration of the seven broad scientific themes laid out in the FOARAM Act, and better mechanisms for coordination among federal agencies and with other U.S. and international efforts to address ocean acidification.

BRAZEN AND THE BEAST

THE BAREKNUCKLE BASTARDS BOOK II

HarperCollins New York Times Bestselling Author Sarah MacLean returns with the next book in the Bareknuckle Bastards series about three brothers bound by a secret that they cannot escape—and the women who bring them to their knees. The Lady's Plan When Lady Henrietta Sedley declares her twenty-ninth year her own, she has plans to inherit her father's business, to make her own fortune, and to live her own life. But first, she intends to experience a taste of the pleasure she'll forgo as a confirmed spinster. Everything is going perfectly...until she discovers the most beautiful man she's ever seen tied up in her carriage and threatening to ruin the Year of Hattie before it's even begun. The Bastard's Proposal When he wakes in a carriage at Hattie's feet, Whit, a king of Covent Garden known to all the world as Beast, can't help but wonder about the strange woman who frees him—especially when he discovers she's headed for a night of pleasure . . . on his turf. He is more than happy to offer Hattie all she desires...for a price. An Unexpected Passion Soon, Hattie and Whit find themselves rivals in business and pleasure. She won't give up her plans; he won't give up his power . . . and neither of them sees that if they're not careful, they'll have no choice but to give up everything . . . including their hearts.

SUSTAINING OCEAN OBSERVATIONS TO UNDERSTAND FUTURE CHANGES IN EARTH'S CLIMATE

National Academies Press The ocean is an integral component of the Earth's climate system. It covers about 70% of the Earth's surface and acts as its primary reservoir of heat and carbon, absorbing over 90% of the surplus heat and about 30% of the carbon dioxide associated with human activities, and receiving close to 100% of fresh water lost from land ice. With the accumulation of greenhouse gases in the atmosphere, notably carbon dioxide from fossil fuel combustion, the Earth's climate is now changing more rapidly than at any time since the advent of human societies. Society will increasingly face complex decisions about how to mitigate the adverse impacts of climate change such as droughts, sea-level rise, ocean acidification, species loss, changes to growing seasons, and stronger and possibly more frequent storms. Observations play a foundational role in documenting the state and variability of components of the climate system and facilitating climate prediction and scenario development. Regular and consistent collection of ocean observations over decades to centuries would monitor the Earth's main reservoirs of heat, carbon dioxide, and water and provides a critical record of long-term change and variability over multiple time scales. Sustained high-quality observations are also needed to test and improve climate models, which provide insights into the future climate system. Sustaining Ocean Observations to Understand Future Changes in Earth's Climate considers processes for identifying priority ocean observations that will improve understanding of the Earth's climate processes, and the challenges associated with sustaining these observations over long timeframes.

SHADOW AND BONE

Macmillan Orphaned by the Border Wars, Alina Starkov is taken to become the protégée of the mysterious Darkling, who trains her to join the magical elite in the belief that she is the Sun Summoner, who can destroy the monsters of the Fold.

STARGLASS

Simon and Schuster For all of her sixteen years, Terra has lived on a city within a spaceship that left Earth five hundred years ago seeking refuge, but as they finally approach the chosen planet, she is drawn into a secret rebellion that could change the fate of her people.
