Crystals and Stones A Complete Guide to Their Healing Properties North Atlantic Books **Crystals and Stones: A Complete Guide to Their Healing Properties** helps readers to incorporate the healing power of stones into daily life. Aimed at both beginners and experts, the book showcases nearly 200 crystals and stones, describing their impact on human beings' physical, mental, emotional, and spiritual states. The book begins with historical background and practical considerations, such as how stones work and how to clean and recharge their energy. The relationship of stones to chakras is explored, as are practices such as channeling via certain powerful crystals. The heart of the book is an A to Z guide covering everything from amber to zoisite that explains which stones are most effective for particular medical conditions, emotional and energy blockages, and spiritual impasses. Stones and crystals have been important tools for health and spiritual transformation for millennia. This book shows modern readers how to best utilize those tools. "If we could follow the step by step transformation of coal into diamond, we would discover what enabled Prince Siddhartha to 'awaken' and become this Being of Light known to this day as the Buddha."—from the book **Crystal Basics The Energetic, Healing, and Spiritual Power of 200 Gemstones** Simon and Schuster A full-color practical handbook of essential techniques with an in-depth directory of healing stones • Offers guidance on selecting your crystals and gemstones and step-by-step instructions on how to cleanse, charge, activate, and program them • Includes templates for crystal grids and healing layouts, recipes for crystal elixirs, and directions for crystal meditations and energy clearing with crystals • The full-color directory includes 200 different rocks, minerals, gemstones, and crystal formations, organized alphabetically and featuring the physical, psychological, and spiritual healing qualities for every stone In this in-depth yet easy-to-follow guide, crystal healing teacher Nicholas Pearson offers a full-color compendium of 200 crystals and gemstones as well as a hands-on practical handbook on crystal healing, perfect for those just beginning their crystal journey as well as long-time stone lovers seeking an all-in-one reference. The handbook of crystal use opens with a thorough explanation of crystal energy, including its interactions with the human energy field, and teaches readers how to extrapolate what a crystal does based on its composition, crystal structure, formation process, and other properties. In the chapters on techniques, Pearson offers guidance on selecting your crystals and gemstones, then step-by-step instructions on how to cleanse, charge, activate, and program them. He explains how to make crystal grids and healing layouts, including templates for both, and also discusses the numerology and geometry of crystal grids. He explores the essentials of crystal elixirs, complete with elixir recipes, and details how to perform crystal meditations, clear the energy centers and the aura, and practice more advanced techniques, such as engaging with the crystal devas, creating sacred space, and practices for spiritual hygiene and protection. The compendium includes 200 rocks, minerals, gemstones, and crystal formations, organized alphabetically and featuring full-color photographs. Each entry includes geological information and the physical, psychological, and spiritual healing qualities for every stone. Some stones, such as jasper and quartz, have multiple varieties, each given their own entries to provide a thorough reference guide for crystal healers and collectors. The very ground we walk on is made up of crystals and metals that are vibratory in nature and affect our very being. By learning the properties and vibratory qualities of different stones and metals, we can partner with them to adjust our own personal vibration, align with the pulse of the earth, heal ourselves, and live more authentically. The usefulness of these stones is due to the vibrational frequency they contain -- in the form of light and color. Just like the color spectrum is measured in density of light, so do stones contain trapped light frequencies, as well as various minerals, which add to their vibratory properties. Since we are made up of vibration, the use of gemstones can assist us in raising our vibration and moving toward a state of health and healing. Learn more about a variety of healing crystals and stones -- including some traditional ones, like emeralds, as well as some that might be new to you, like boji stones. Find out what each stone is commonly used for and how to use it in your life. You can also read about individual experiences with some of these stones. We've also included a Zodiac birthstone guide that indicates which birthstones are associated with each sign of the Zodiac. This guide isn't only useful to help teach you more about your own birthstone, but can be used to rotate through different stones year round in accordance with the best astrological support for each one's strengths. See how much your year can change if you spend time with these 12 different stones and the intention to evolve. *Touchstones: Manual for the Crystal Therapist* Lulu.com *Touchstones Manual for the Crystal Therapist* is essential reading for anyone who loves crystals, whether you are training as a Crystal Therapist or an enthusiastic hobbyist. A witch-friendly guide to working magic with gemstones and crystals. The energy contained within stones is a mysterious and invisible power as old as the earth itself, perhaps even older. It is also an energy that, when properly harnessed, can enable a person to create powerful magick and reconnect with Mother Nature and the earth. Dunwich's Guide to Gemstone Sorcery is a practical and comprehensive guide to the magickal world of precious and semiprecious stones. Written by a modern Witch with firsthand knowledge of the occult properties of stones, this book is filled with numerous spells and rituals, enchanting Pagan folklore, and useful magickal correspondences. It also explores gemstone curses and cures, and the many ways in which gemstones can be utilized as amulets for magickal workings, as oracles for revealing the future, and as tools for healing one's body, mind, and spirit. With the aid of this book, you will learn how to properly cleanse and charge stones, and also how to make homemade gemstone elixirs. Additionally, you will discover the secrets of using stones to increase your wealth, facilitate clairvoyant abilities, invoke deities, ward off bad luck and evil influences, draw love into your life, and so much more! Dunwich's Guide to Gemstone Sorcery provides you with everything you need to know for transforming yourself into a sorcerer or sorceress of gemstone magick. The Metaphysical Book of Gems and Crystals Healing Arts Press Details the powerful effects of gems as an alternative therapy for physical, psychological, and spiritual healing • Reveals the physical, healing, and astrological properties of over 70 minerals, along with instructions for maintaining and recharging their powers • Examines the "life" energy of stones, their basic vibratory patterns, and how this energy is used therapeutically to treat various disorders • Shows how to use gems in color therapy and to harmonize the chakras Gemstones have been used for both therapeutic and spiritual purposes since the beginning of time and in all traditions. Used properly, they can contribute to and accelerate healing through the practice of lithotherapy, which uses gems and minerals to restore enzymatic functions, and they can energize spiritual development. Alternative medicines such as homeopathy have given prominence to the therapeutic character of certain minerals, but the use of gemstones in expanding awareness or establishing a holistic, energetic connection with the stone itself have scarcely been brought forward. In this reclaiming of ancient wisdom, Florence Mégemont explores the many potent and beneficial dimensions of the mineral world. Over 70 precious and semiprecious stones are inventoried as to their principal deposits, therapeutic applications, and zodiac correspondences. Readers will discover which physical and emotional disorders can be relieved by using which minerals and--with the application of chakra therapy--which gemstones are indispensable to their spiritual health. While not proposing that lithotherapy is a substitute for traditional allopathic treatment, Mégemont shows that it can be a powerful complement to it. Additionally, stones can act preventively, energizing both our health and spiritual resources to a state of balance and attunement. Crystals for Karmic Healing Transform Your Future by Releasing Your Past Destiny Books A detailed guide for using crystals and gemstones to resolve negative karma and discover your soul's purpose • Details the spiritual and chemical interpretations of more than 50 healing stones as well as fossils, flint, and amber • Offers advanced crystal exercises for past-life regression, cutting karmic cords, releasing cellular memories, and accessing the Akashic Records • Demonstrates how to use crystal grids and layouts for healing karma and how to seek assistance from angels and other divine beings As direct geometrical expressions of the Divine, crystals have the ability to work upon the soul at the deepest levels. The more mindfully and conscientiously we spend time with these crystalline forms, the more crystalline we become in terms of our spiritual bodies and their inner, holographic perfection. As potent catalysts of elevated consciousness and overall spiritual growth, crystals and gemstones offer a powerful resource for resolving negative karma patterns and realigning you with the light of your soul's purpose. Detailing the spiritual and chemical interpretations of more than 50 healing stones, as well as fossils, flint, and amber, Nicholas Pearson guides readers through the how and why of resolving karmic knots and obstructions with the help of crystals. He offers hands-on crystal meditations and demonstrates how to use crystal grids and layouts for healing karma. He explains how to cleanse and program stones and shares more advanced crystal exercises for past-life regression, cutting karmic cords, releasing off-world karma and cellular memories, and accessing the Akashic Records to reveal your soul's blueprint and rewrite its contracts with higher powers. Explaining how to incorporate color, chakra therapy, gem elixirs, and dreamwork in your karmic crystal practice, Pearson also explores how to access the Violet Flame of spiritual alchemy, the Seventh Ray, to transmute restrictive karmic patterns. He introduces the Lords of Karma and other spirit guides, gods, goddesses, and angels who can help with karmic healing. He offers guidance on what stones are appropriate for everyday wear and on working with crystal skulls, Lemurian seed crystals, shungite, and time link crystals. The author also explains how crystals can be used to resolve planetary karma, releasing us into the next phase in the collective transformation of humanity. Unveiling the inner teachings of the mineral kingdom, Pearson shows that if you work with crystals consciously, reverently, and humbly, your life will transform.
