A Skeleton in God's Closet [Thomas Nelson Inc](#) When an ancient manuscript that seems to undermine the story of the Resurrection is followed by an archaeological discovery that seems to support it, Dr. Jonathan Weber, a Harvard biblical scholar, is determined to find out whether they are part of an elaborate hoax. **The Skeletons in God's Closet The Mercy of Hell, the Surprise of Judgment, the Hope of Holy War** [Thomas Nelson](#) How can a loving God send people to hell? Isn't it arrogant to believe Jesus is the only way to God? What is up with holy war in the Old Testament? Many of us fear God has some skeletons in the closet. Hell, judgment, and holy war are hot topics for the Christian faith that have a way of igniting fierce debate far and wide. These hard questions leave many wondering whether God is really good and can truly be trusted. *The Skeletons in God's Closet* confronts our popular caricatures of these difficult topics with the beauty and power of the real thing. Josh Butler reveals that these subjects are consistent with, rather than contradictory to, the goodness of God. He explores Scripture to reveal the plotlines that make sense of these tough topics in light of God's goodness. From fresh angles, Josh deals powerfully with such difficult passages as: *The Lake of Fire Lazarus and the Rich Man The Slaughter of Canaanites in the Old Testament Ultimately, The Skeletons in God's Close uses our toughest questions to provoke paradigm shifts in how we understand our faith as a whole. It pulls the "skeletons out of God's closet" to reveal they were never really skeletons at all.* **Pontius Pilate A Novel** [Kregel Publications](#) This dramatic historical fiction offers a behind-the-scenes story of an ambitious Roman politician whose fateful decision changed the course of history. Guaranteed fiction! **Fahrenheit 451 A Novel** [Simon and Schuster](#) A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit. **The Flames of Rome A Novel** [Kregel Publications](#) A madman who murders his way into power lusts for ever-greater glory and domination. A capital city awash with corruption, sensuality, and political intrigue is at the flash point. And caught between the crushing currents of history are a new but growing religious group known as the followers of The Way. Award-winning historian and best-selling author Paul L. Maier has created a compelling style of documentary fiction, using only known historical events and persons to bring to life first-century Rome in all its excess, treachery, and insanity. This is the Rome that the apostle Paul visits, where he's placed on trial, and which is forever changed by his testimony and witness. Maier takes readers into the courtroom of imperial justice and into the homes of the people struggling with the new faith they've encountered to answers questions such as: How did Christianity first reach Rome? Why did Paul have to wait two years for trial and was he condemned or set free? Why does the New Testament account in Acts end so abruptly? Who set fire to Rome and why did Nero persecute Christians so horribly? Following the the family of Flavius Sabinus, mayor of Rome under Nero Maier captures all the drama and tension of the political conflicts that precede and follow the Great Fire of Rome, and the epic political and religious clashes of the world's capital. This is the sensational story of pagans at their worst—and Christians at their best. Readers won't want to put it down. **Skeleton in the Closet And Other Scary Stories** A collection of scary stories for kids and young adults. It's gripping, frightening and, ultimately, beautiful" (*San Francisco Chronicle*). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. **The Pursuing God A Reckless, Irrational, Obsessed Love That's Dying to Bring Us Home** [Thomas Nelson](#) Is God lost? Many of us feel that way. It's as if God's gone missing, out in the universe somewhere—and we must pick up the hunt, following any trail of breadcrumbs he may have left to go out and find him. We speak of "searching for God," "exploring spirituality," and "finding faith." But what if we have it backward? What if God is the one pursuing us? What if our job is not to go out and find God, but simply to stop running and hiding? Not to earn God's love, but to receive it? Not to turn on the light, but to step out of the shadows? Jesus reveals a God on the

prowl, pursuing us, hunting down his world for reconciliation. And the question we're left with is not whether we've pursued hard enough, searched long enough, or jumped high enough . . . The question is, "Do we want to be found?" **The Glass Castle A Memoir** [Simon and Schuster](#) A triumphant tale of a young woman and her difficult childhood, *The Glass Castle* is a remarkable memoir of resilience, redemption, and a revelatory look into a family at once deeply dysfunctional and wonderfully vibrant. Jeannette Walls was the second of four children raised by anti-institutional parents in a household of extremes. **A Little Life A Novel** [Anchor](#) NATIONAL BESTSELLER • A stunning "portrait of the enduring grace of friendship" (NPR) about the families we are born into, and those that we make for ourselves. In 1987, eminent political philosopher Allan Bloom published *The Closing of the American Mind*, an appraisal of contemporary America that "hits with the approximate force and effect of electroshock therapy" (The New York Times) and has not only been vindicated, but has also become more urgent today. In clear, spirited prose, Bloom argues that the social and political crises of contemporary America are part of a larger intellectual crisis: the result of a dangerous narrowing of curiosity and exploration by the university elites. Now, in this twenty-fifth anniversary edition, acclaimed author and journalist Andrew Ferguson contributes a new essay that describes why Bloom's argument caused such a furor at publication and why our culture so deeply resists its truths today. **The Moon Dragon (The Secrets of Droon #26)** [Scholastic Inc.](#) A hidden door. The story of T-Bird Murphy, born in the tumultuous 1960s and raised in the ghettos of Oakland by his mother, who rides with the Hell's Angels, his father, who is an ex-convict, and the father figures who range from musicians to construction workers, East Bay Grease is a novel of dignity, honor, and courage that has been compared to the works of John Steinbeck, Jack London, and Upton Sinclair. Praise for EAST BAY GREASE: "Williamson's writing becomes transcendent. His prose cuts loose in torrid rhythms that evoke the peril and exuberance of jazz." —The New York Times Book Review "A confident debut, an arresting, often harrowing read." —The London Times **A Glorious Dark Finding Hope in the Tension between Belief and Experience** [Baker Books](#) On Thursday as they ate the Passover meal with Jesus, the disciples believed that the kingdom was coming and they were on the front end of a revolution. Then came the tragedy of Friday and, somehow even worse, the silence of Saturday. They ran. They doubted. They despaired. Yet, within the grave, God's power was still flowing like a mighty river beneath the ice of winter. And then there was Sunday morning. Real, raw, and achingly honest, A Glorious Dark meets readers in the ambiguity, doubt, and uncertainty we feel when our beliefs about the world don't match up to reality. Tackling tough questions like Why is faith so hard? Why do I doubt? Why does God allow me to suffer? and Is God really with me in the midst of my pain? A. J. Swoboda puts into sharp focus a faith that is greater than our personal comfort or fulfillment. He invites readers to develop a faith that embraces the tension between what we believe and what we experience, showing that the very tension we seek to eliminate is where God meets us. **The Knowledge of the Holy The Attributes of God, Their Meaning in the Christian Life** [James Clarke & Co.](#) A leading American evangelical argues that our understanding of God's nature has become debased, and that modern Christianity needs to rediscover its concept of the holy and its sense of religious awe. Brilliantly inventive, Wicked offers us a radical new evaluation of one of the most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as Maguire tells us, wasn't nearly as Wicked as we imagined. **All that is Solid Melts Into Air The Experience of Modernity** [Verso](#) The experience of modernization -- the dizzying social changes that swept millions of people into the capitalist world -- and modernism in art, literature and architecture are brilliantly integrated in this account. **Beyond the Fabric of Existence** [Createspace Independent Publishing Platform](#) There have been several scientific books and lecture papers written on the subject of our holographic universe but none have gone far enough as to expand peoples thinking and explain the true nature of reality. Music is a natural consequence of the pure mathematics within nature. Music is a true universal language as Music is vibrational physics and mathematics that is a language understood by the human mind. The silent music of the universe or Aether Physics from the RG Veda is the only ONE science that explains the true perfection of creation and our connection to the holographic universe. Quantum Metrics are from the RG Veda: Quantum Physicist already knowing the answer as they have taken it the RG Veda then creates complicated elongated mathematical equations to derive at their Metric, which they name after themselves. I explain how to calculate all 90 metrics contained in RG Veda using a dividend and divisor and how to apply this system of harmony to devices you can manufacture such as electric motors. I would not dare name any of the yet "undiscovered" Metrics after myself, as no man should claim Gods work as his own. Although I have examples of the RG Vedas and other sources mentioning the Vedic Meter no one to my knowledge as given a full interpretation of them and what they relate to as I have done. I have deciphered and attempted to simplify one of the most ancient of mysteries and show how to apply it. My intention in releasing this information is to enlighten humanity as to assist in the rebuilding of the foundations of science for the advancement of all. We all must aspire to a brighter future and not allow this information to remain the industrial secret of occult societies. These societies have handicapped humanity for long enough and it is time to enter into the light from the darkness and advance our civilization. The zenith is the point in the sky or celestial sphere directly above an observer. God, sees all life in all dimensions and knows all of us, we should all strive for Krsna Consciousness and free ourselves from the illusion of our material world. When there is harmony between the mind, heart and resolution then nothing is impossible. **Hand Of God** [Head of Zeus](#) The beautiful game just got deadly. The freedom from the burden of our sin, the need to be "good enough," anger, jealousy, and envy. Even though we are believers we would be ashamed to say that we don't always experience peace, contentment, and joy in our life. We are looking for the grace that God has so graciously given to us to be real in our life... Breaking Pride is an eBook based on one simple truth: In order to walk in God's grace we need to tear down the the walls of pride. A lot of believers, even though saved by God's grace, are still walking in pride rather than walking in His grace. Knowing what pride is and learning to identify pride in your life is the first step to overcoming a life filled with pride. Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with the Lord, and we long to

have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is blocking the fruit of the spirit from living within us. In *Breaking Pride* you will learn to identify different areas of pride in your life. Filled with encouragement, *Breaking Pride* will take you through a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

Faith God's Answer for Your Disappointments and Suffering What do we do when life goes completely contrary to the way we feel it should? How do we handle life's disappointments, heartaches and let downs? All people suffer but not all respond appropriately to their sufferings. For some, suffering turns to bitterness and unforgiveness towards God. For others it turns to despair and, sometimes, even suicide and we are led to ask the question how does one handle the big (and small) setbacks, hurts and disappointments that we all experience. In 2012 the author entered into a season of suffering unlike any he had experienced before and found himself faced with many questions for which he had no answer: Where was God? Why had He abandoned him? What should he do? Who can help? As he journeyed through the darkest night of his soul he discovered a way of looking at life that not only made sense of the suffering he was experiencing but also helped him to see suffering in a way he had never seen it before as he looked at it through the lens of faith. In this book the author provides hope for every hurting soul, demonstrating that no matter how hurtful your situation has been, there is good behind and in it and though you may have felt like God was nowhere to be found He was there with you all of the time. **The Flames of Rome** Kregel Publications The splendor and pagan excesses of Roman society are confronted by the life-changing faith of Christianity in this historically accurate fiction work.
