KEY=DRAW - JOYCE FULLER

Official Highway Code 2015

When did you last read yours? For over 80 years The Highway Code has been the official guide to using the roads safely and legally. It has contributed enormously to road safety and reliable road transport. However, every day, on average five people are killed and just over 60 people are seriously injured in road collisions. So it is as important as ever that all road users, including drivers, motorcyclists, cyclists, horse riders and pedestrians, should update their knowledge of The Highway Code. The Highway Code - for life, not just for learners.

The Money-box

Ayer Company Pub

The Official DSA Guide to Riding

The Essential Skills

TSO This publication, compiled by the Driving Standards Agency, contains official best practice guidance on the skills required to ride a motorcycle safely, and is suitable for both learners and experienced riders. Topics covered include: the motorcycle rider and the law; choosing a motorcycle; clothing and protection; motorcycle controls; traffic signs; defensive riding; riding in bad weather, at night or on motorways; passengers and loads; basic maintenance; accidents and emergencies; eco-safe riding; dealing with traffic congestion; and travelling in Europe.

Pollyanna (Annotated)

Independently Published The young orphan Pollyanna is sent to live with her stern Aunt in a dour New England town. Refusing to be cast down by her circumstances, Pollyanna begins teaching the town "the glad game", which her father taught her. To play, one must find something to be glad about in every situation. Gradually, the irrepressible girl brings happiness and light to the lives of everyone around her. Pollyanna is a children's literature classic.

Both Feet in the Stirrups

Createspace Independent Publishing Platform Again Bill Huntington holds up the mirror on the past and reflects in his delightful homespun manner unforgettable tales of peoples and places in the West. The West meaning from his birthplace in Nebraska to his early adventures in Wyoming, his intimate association with the bitter winters in Montana, his treks to Utah and Idaho. These vignettes written in Huntington's only particular style are rich in truth and lore of the times and are punctuated with his colorful language. And spicing it all is Bill's only great sense of humor and his philosophy of life. Modern man, raised in the comforts of forced air heating, heated automobiles and air conditioning, whose knowledge of the West is limited to riding he TV range will be overwhelmed with the scope of this book.

For here again are honest-to-goodness cowboys, whose love of cattle and the range made all other employment distasteful and unsatisfying. Here are Indians, not the scalping war-party type, altogether, but Indians when they and the white man were trying to learn to live together amicably. Bill Huntington wasn't always cowboy and rancher. He tells of his life as a wild-west showman and his tours throughout the south and the heartache and laughter that came with the trials of show life. Those of you who met Bill Huntington through "They Were Good Men and Salty Cusses" will welcome this book for it is picturesque in every detail and refreshing in its presentation. This book will not only bring tremendous enjoyment to lovers of the old West but it most likely will be used as a reference for modern writers who wish through research, to authenticate their material. Bill Huntington was an author with a keen mind and memory and his stories sparkle with the warmth of his own personality.
