This section provides a detailed listing of (a) the disclosure requirements (FASB ASC Section 50) and (b) those key presentation requirements (FASB ASC Section 45) that are relevant to enhance compliance with and better understand the disclosure requirements. This section also provides specific references to the FASB ASC paragraphs that prescribe the specific disclosure or key presentation requirement. Some of the items included in this section do not refer to any specific authoritative literature. These disclosures or presentation items are generally accepted by accountants and auditors and, accordingly, are referenced as "Generally accepted practice" in this section.
4. Examples of Financial Statement Disclosures. This section contains specific examples of disclosures that cover different situations, circumstances, assumptions, and so on.
