KEY=CANNABIS - SANAA PETERSON

THE RENEWAL OF PAGAN ANTIQUITY

CONTRIBUTIONS TO THE CULTURAL HISTORY OF THE EUROPEAN RENAISSANCE

Getty Publications A collection of essays by the art historian Aby Warburg, these essays look beyond iconography to more psychological aspects of artistic creation: the conditions under which art was practised; its social and cultural contexts; and its conceivable historical meaning.

IL NUOVISSIMO CODICE DEGLI APPALTI

AGGIORNATO A GIUGNO 2017

Mario Canton Rispetto alla 1ª edizione, si è proceduto: ad aggiornare il testo con le disposizione del decreto legislativo n. 56 del 19 aprile 2017 (in G.U. n.103 del 5 maggio 2017 - Suppl. Ordinario n. 22); a sostituire i testi delle linee guida ancora in consultazione o comunque provvisori alla data della 1ª edizione (Settembre 2016) con i testi definitivi; a inserire tutta la normativa di attuazione non ancora emanata alla data della 1ª edizione o i testi della stessa, variati successivamente; a evidenziare le variazioni al testo base del d. lgs. 50/2016 (con testo in grassetto) mantenendo (con testo barrato) le precedenti formulazioni; a modificare e aggiornare i materiali di ausilio operativo, in particolare la guida ai metodi di calcolo automatico dell'anomalia delle offerte; ad aggiornare il titolo del Codice, diventato «Codice degli Appalti» in luogo della precedente formulazione.

IL NUOVO CODICE DEGLI APPALTI E DELLE CONCESSIONI

Mario Canton Il profluvio di norme in materia di appalti emanato nelle ultime decadi mette a dura prova la memoria e l'operatività degli addetti al settore. Ogni nuovo atto normativo porta con sé infiniti rimandi e i periodi transitori sono particolarmente difficili da gestire senza scivolare in errori sempre possibili. Per venire incontro alle esigenze di rapida consultazione quotidiana si è pensato di produrre uno strumento che consenta di tenere sotto mano tutte le disposizioni e confrontarle agevolmente. Questo e-book riporta il testo del nuovo «Codice degli Appalti e delle Concessioni», approvato con decreto legislativo n. 50 del 18.4.2016, pubblicato nel supplemento ordinario n. 10/L alla Gazzetta Ufficiale - serie generale - n. 91 del 19 aprile 2016, con le correzioni apportate dal comunicato pubblicato nella Gazzetta Ufficiale - serie generale, n. 164 del 15 luglio 2016. Al testo integrale del Codice - comprensivo di tutti gli allegati - sono collegate tutte le norme - legislative e tecniche - citate nell'articolo del testo (circa 150 provvedimenti «esterni»). Sono inoltre collegate tutte le norme previgenti, le disposizioni di delega e le norme attuate delle direttive 2014/23/UE, 2014/24/UE e 2014/25/UE secondo la tabella di concordanza pubblicata dal Ministero delle Infrastrutture e dei Trasporti nel supplemento ordinario n. 11 alla Gazzetta Ufficiale - serie generale - n. 91 del 19.4.2016. Al testo del Codice sono inoltre collegate tutte le linee guida sull'attuazione del medesimo, sin'ora approvate dall'Anac dopo il periodo di consultazione pubblica nonché l'elenco di tutti gli altri provvedimenti di attuazione previsti, con riportato il testo integrale di quelli già emanati all'atto della pubblicazione dell'e-book. Completano il materiale alcune tabelle riepilogative e/o esplicative di norme sparse nell'articolo, raggruppate per argomento e riguardanti termini, soglie, procedure, categorie, classifiche e raggruppamenti. Inoltre, è sembrato opportuno provvedere alla specifica individuazione della normativa tecnica, qualora sia citata dal Codice in forma generica. Questo e-book, strutturato in forma di ipertesto, consente di passare agevolmente da un blocco di informazioni all'altro e viceversa, consentendo la consultazione mobile dei dati su qualsivoglia dispositivo elettronico, dallo smartphone all'e-reader, dal tablet al personal computer. Tutta la normativa specifica sarà così immediatamente disponibile e facilmente

consultabile per venire incontro alle esigenze di ogni giorno.

CODICE DEGLI APPALTI E NORME COLLEGATE

AGGIORNATO AL 1° GENNAIO 2018

Mario Canton Rispetto alla 2ª edizione, si è proceduto, con nuove revisioni: • ad aggiornare i testi delle linee guida ANAC: - n. 3 (RUP, Responsabile Unico del Procedimento), - n. 6 (circostanze di esclusione), - n. 7 (affidamenti in house, - n. 8 (affidamento di servizi infungibili). • a inserire le modifiche al regolamento unico in materia di esercizio del potere sanzionatorio da parte dell'ANAC; • a inserire i chiarimenti dell'Anac in merito al requisito di iscrizione all'albo dei gestori ambientali; • a inserire i chiarimenti dell'Anac in merito agli accorpamenti da effettuare nel calcolo del «taglio delle ali» delle offerte anomale; • ad aggiornare le linee guida sulla tracciabilità dei flussi finanziari; • a inserire i decreti ministeriali sui CAM (Criteri Ambientali Minimi) per l'illuminazione pubblica; • a inserire la versione aggiornata (2017) delle linee guida del GPP (Green Public Procurement); • a inserire il nuovo regolamento sugli appalti pubblici di lavori riguardanti i beni culturali tutelati; • a inserire le nuove norme sulle imprese sociali e sugli enti del terzo settore; • inserire le modifiche apportate dall'ultima Legge di Bilancio e in vigore dal 1° gennaio 2018. Come avvertenza finale, si precisa che, alla data di pubblicazione del presente libro è stata annunciata la pubblicazione dei seguenti provvedimenti, che saranno riportati - nel loro testo definitivo - dal prossimo aggiornamento: • Decreto del Ministero dell'Infrastrutture e dei Trasporti di approvazione delle Linee Guida recanti «Modalità di svolgimento delle funzioni di Direttore dei Lavori e di Direttore dell'Esecuzione dei contratti relativi a servizi e forniture» (art. 111, co. 1 del d.lgs. 50/2016); • Decreto del Ministero dell'Infrastrutture e dei Trasporti di definizione, per gli appalti di lavori e le concessioni di lavori, delle modalità e dei tempi di progressiva introduzione, da parte delle stazioni appaltanti, delle amministrazioni concedenti e degli operatori economici, dell'obbligatorietà dei metodi e strumenti elettronici specifici, quali quelli di modellazione per l'edilizia e le infrastrutture (art. 23, co. 13 del d.lgs. 50/2016) (BIM - Building Information Modeling).

DISCOURSE ON THE STATE OF THE JEWS

BILINGUAL EDITION

Walter de Gruyter GmbH & Co KG In 1638, a small book of no more than 92 pages in octavo was published “appresso Gioanne Calleoni” under the title “Discourse on the State of the Jews and in particular those dwelling in the illustrious city of Venice.” It was dedicated to the Doge of Venice and his counsellors, who are labelled “lovers of Truth.” The author of the book was a certain Simone (Simḥa) Luzzatto, a native of Venice, where he lived and died, serving as rabbi for over fifty years during the course of the seventeenth century. Luzzatto’s political thesis is simple and, at the same time, temerarious, if not revolutionary: Venice can put an end to its political decline, he argues, by offering the Jews a monopoly on overseas commercial activity. This plan is highly recommendable because the Jews are “wellsuited for trade,” much more so than others (such as “foreigners,” for example). The rabbi opens his argument by recalling that trade and usury are the only occupations permitted to Jews. Within the confines of their historical situation, the Venetian Jews became particularly skilled at trade with partners from the Eastern Mediterranean countries. Luzzatto’s argument is that this talent could be put at the service of the Venetian government in order to maintain - or, more accurately, recover - its political importance as an intermediary between East and West. He was the first to define the role of the Jews on the basis of their economic and social functions, disregarding the classic categorisation of Judaism’s alleged privileged religious status in world history. Nonetheless, going beyond the socio-economic arguments of the book, it is essential to point out Luzzatto’s resort to sceptical strategies in order to plead in defence of the Venetian Jews. It is precisely his philosophical and political scepticism that makes Luzzatto’s texts so unique. This edition aims to grant access to his works and thought to English-speaking readers and scholars. By approaching his texts from this point of view, the editors hope to open a new path in research into Jewish culture and philosophy that will enable other scholars to develop new directions and new perspectives, stressing the interpenetration between Jews and the surrounding Christian and secular cultures.

THE GENUS ECHINOCEREUS

PARLIAMO ITALIANO!

Houghton Mifflin College Division The Second Edition of Parliamo italiano! instills five core language skills by pairing cultural themes with essential grammar points. Students use culture—the geography, traditions, and history of Italy—to understand and master the language. The 60-minute Parliamo italiano! video features stunning, on-location footage of various cities and regions throughout Italy according to a story line corresponding to each unit's theme and geographic focus.

BREAKING DAWN

Little, Brown Books for Young Readers In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, *Midnight Sun*: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

HIPPOCRATES IN CONTEXT

PAPERS READ AT THE XITH INTERNATIONAL HIPPOCRATES COLLOQUIUM (UNIVERSITY OF NEWCASTLE UPON TYNE, 27-31 AUGUST 2002)

BRILL This collection of papers studies the Hippocratic writings in their relationship to the intellectual, social, cultural and literary context in which they were written, as well as the impact and reception of Hippocratic thought in later antiquity and the early modern period.

THE WORKS OF ELENA FERRANTE

RECONFIGURING THE MARGINS

Springer This book is the first dedicated volume of academic analysis on the monumental work of Elena Ferrante, Italy's most well-known contemporary writer. *The Works of Elena Ferrante: Reconfiguring the Margins* brings together the most exciting and innovative research on Ferrante's treatment of the intricacies of women's lives, relationships, struggles, and dilemmas to explore feminist theory in literature; questions of gender in twentieth-century Italy; and the psychological and material elements of marriage, motherhood, and divorce. Including an interview from Ann Goldstein, this volume goes beyond "Ferrante fever" to reveal the complexity and richness of a remarkable oeuvre.

PATIENT ENGAGEMENT

A CONSUMER-CENTERED MODEL TO INNOVATE HEALTHCARE

Walter de Gruyter GmbH & Co KG Patient engagement should be envisaged as a key priority today to innovate healthcare services delivery and to make it more effective and sustainable. The experience of engagement is a key qualifier of the exchange between the demand (i.e. citizens/patients) and the supply process of healthcare services. To understand and detect the strategic levers that sustain a good quality of patients' engagement may thus allow not only to improve clinical outcomes, but also to increase patients' satisfaction and to reduce the organizational costs of the delivery of services. By assuming a relational marketing perspective, the book offers practical insights about the developmental process of patients' engagement, by suggesting concrete tools for assessing the levels of patients' engagement and strategies to sustain it. Crucial resources to implement these strategies are also the new technologies that should be (1) implemented according to precise guidelines and (2) designed according to a user-centered design process. Furthermore, the book describes possible fields of patients' engagement application by describing the best practices and experiences matured in different fields

MODERN ITALIAN GRAMMAR

A PRACTICAL GUIDE

Psychology Press This new edition of the *Modern Italian Grammar* is an innovative reference guide to Italian, combining traditional and function-based grammar in a single volume. With a strong emphasis on contemporary usage, all grammar points and functions are richly illustrated with examples. Implementing feedback from users of the first edition, this text includes clearer explanations, as well as a

greater emphasis on areas of particular difficulty for learners of Italian. Divided into two sections, the book covers: traditional grammatical categories such as word order, nouns, verbs and adjectives language functions and notions such as giving and seeking information, describing processes and results, and expressing likes, dislikes and preferences. This is the ideal reference grammar for learners of Italian at all levels, from beginner to advanced. No prior knowledge of grammatical terminology is needed and a glossary of grammatical terms is provided. This Grammar is complemented by the Modern Italian Grammar Workbook Second Edition which features related exercises and activities.

THE DIVINE COMEDY

INFERNO: COMMENTARY

Princeton University Press Dante's classic is presented in the original Italian as well as in a new prose translation, and is accompanied by commentary on the poem's background and allegory.

PROFESSORS, PHYSICIANS AND PRACTICES IN THE HISTORY OF MEDICINE

ESSAYS IN HONOR OF NANCY SIRAI SI

Springer This book presents essays by eminent scholars from across the history of medicine, early science and European history, including those expert on the history of the book. The volume honors Professor Nancy Siraisi and reflects the impact that Siraisi's scholarship has had on a range of fields. Contributions address several topics ranging from the medical provenance of biblical commentary to the early modern emergence of pathological medicine. Along the way, readers may learn of the purchasing habits of physician-book collectors, the writing of history and the development of natural history. Modeling the interdisciplinary approaches championed by Siraisi, this volume attests to the enduring value of her scholarship while also highlighting critical areas of future research. Those with an interest in the history of science, the history of medicine and all related fields will find this work a stimulating and rewarding read.

THE UNDIVINE COMEDY

DETHEOLOGIZING DANTE

Princeton University Press Accepting Dante's prophetic truth claims on their own terms, Teodolinda Barolini proposes a "detheologized" reading as a global new approach to the Divine Comedy. Not aimed at excising theological concerns from Dante, this approach instead attempts to break out of the hermeneutic guidelines that Dante structured into his poem and that have resulted in theologized readings whose outcomes have been overdetermined by the poet. By detheologizing, the reader can emerge from this poet's hall of mirrors and discover the narrative techniques that enabled Dante to forge a true fiction. Foregrounding the formal exigencies that Dante masked as ideology, Barolini moves from the problems of beginning to those of closure, focusing always on the narrative journey. Her investigation--which treats such topics as the visionary and the poet, the One and the many, narrative and time--reveals some of the transgressive paths trodden by a master of mimesis, some of the ways in which Dante's poetic adventuring is indeed, according to his own lights, Ulyssean.

A COMPANION TO PIETRO ARETINO

BRILL An interdisciplinary exploration of one of the most prolific and controversial figures of early modern Europe. This volume is comprised of seven sections, each devoted to a specific aspect Aretino's life and works.

TITIAN REMADE

REPETITION AND THE TRANSFORMATION OF EARLY MODERN ITALIAN ART

Getty Publications This insightful volumes the use of imitation and the modern cult of originality through a consideration of the disparate fates of two Venetian painters - the canonised master Titian and his artistic heir, the little-known Padovanino.

INVASIVE ALIEN PLANTS

IMPACTS ON DEVELOPMENT AND OPTIONS FOR MANAGEMENT

Cabi Invasives Invasive alien plants pose a major threat to agriculture, the natural environment and livelihoods worldwide and create challenges for development. This is especially the case for those who live and work in rural areas. This book, for the first time, brings together a wide range of invasive plant specialists from the Asia-Pacific region who share their experience in addressing the problem and delivering solutions. *Mikania micrantha* is used as case study in the book as it exemplifies many of the issues that need to be addressed. This neotropical vine is a major weed across the tropical humid zones of the region, where it smothers agroforestry, home gardens, natural forests and plantation production systems. The book emphasises the social and economic implications of plant invasion, and discusses direct impacts on livelihoods and biodiversity. It explains how various approaches to management including traditional ecological knowledge and classical biological control can be keys to the delivery of sustainable solutions, focusing on experiences in India, Nepal, Papua New Guinea and China. The use of policy frameworks in biological control and other management measures are also described. Key features: ♦ Empirical work from a wide range of geographical areas ♦ Examines the wide scale multi-sector impacts of individual invasive species ♦ Considers the practicalities of policy development and implementation ♦ Shows how management solutions to invasive species are achievable This book will be of value to management practitioners, researchers, students and officials in policy, quarantine, and agriculture departments who wish to understand the importance of alien plant invasions in their countries.

ON ANCIENT MEDICINE

Library of Alexandria

CONTAINMENT SYSTEMS

A DESIGN GUIDE

IChemE As the manufacture of new toxic pharmaceutical products grows, it is necessary to handle more compounds of increasing toxicity in the workplace. For this reason, and because the expectation of better employee protection and improved working procedures is growing, there is an increasing demand for better containment systems and a better understanding of those systems.

A FRIDAY IN AUGUST

A NOVEL

Exile Editions, Ltd. A filmmaker who makes documentaries on hit-men, Fabrizio Notti is invited to show his latest piece, a work of fiction, at a film festival in Montreal. The reviews have been mixed and his family is in trouble. The trip to his hometown also serves as a pretext for an existential pilgrimage towards love and belonging. His search leads him, on a Friday in August, back through time, through this vast, moving landscape that is memory, to his first love and, ultimately, to himself.

DANTE'S INFERNO (ILLUSTRATED BY DORE)

MODERN ENGLISH VERSION

CreateSpace Most English translations of INFERNO are full of colorful, but meaningless language based on today's modern standards. Some translations are so elaborate that they are as difficult to read as the original Italian version. This translation uses the Longfellow translation as a base, but replaces the obscure or antiquated verbiage with the language of Modern English. This translation could easily be read and understood by today's reader. Adding the illustrations by Gustave Dore brings this classic work to life.

DEVILS IN PARADISE

WRITINGS ON POST-EMIGRANT CULTURE

Guernica Editions In these essays Pasquale Verdicchio stresses the need to view the cultural works of minority groups not solely from the perspective of their immigrant roots, but primarily as post-emigrant products. Through writings on diverse figures such as Antonio Gramsci, the Super Mario Brothers, or Spike Lee, and on subjects that range from literature to sculpture and photography, the author closes in on a possible intellectual synthesis for what might be considered the most complex question of this end of century: What is the identity and place of a minority individual?

WORLD DEVELOPMENT REPORT 2019

THE CHANGING NATURE OF WORK

World Bank Publications Work is constantly reshaped by technological progress. New ways of production are adopted, markets expand, and societies evolve. But some changes provoke more attention than others, in part due to the vast uncertainty involved in making predictions about the future. The 2019 World Development Report will study how the nature of work is changing as a result of advances in technology today. Technological progress disrupts existing systems. A new social contract is needed to smooth the transition and guard against rising inequality. Significant investments in human capital throughout a person's lifecycle are vital to this effort. If workers are to stay competitive against machines they need to train or retool existing skills. A social protection system that includes a minimum basic level of protection for workers and citizens can complement new forms of employment. Improved private sector policies to encourage startup activity and competition can help countries compete in the digital age. Governments also need to ensure that firms pay their fair share of taxes, in part to fund this new social contract. The 2019 World Development Report presents an analysis of these issues based upon the available evidence.

THE YEARS OF ALIENATION IN ITALY

FACTORY AND ASYLUM BETWEEN THE ECONOMIC MIRACLE AND THE YEARS OF LEAD

Springer The Years of Alienation in Italy offers an interdisciplinary overview of the socio-political, psychological, philosophical, and cultural meanings that the notion of alienation took on in Italy between the 1960s and the 1970s. It addresses alienation as a social condition of estrangement caused by the capitalist system, a pathological state of the mind and an ontological condition of subjectivity. Contributors to the edited volume explore the pervasive influence this multifarious concept had on literature, cinema, architecture, and photography in Italy. The collection also theoretically reassesses the notion of alienation from a novel perspective, employing Italy as a paradigmatic case study in its pioneering role in the revolution of mental health care and factory work during these two decades.

DANTE'S DIVINE COMEDY IN PLAIN AND SIMPLE ENGLISH (TRANSLATED)

BookCaps Study Guides Taking a literary journey through hell certainly sounds intriguing enough--and it is! If you can understand it! If you don't understand it, then you are not alone. If you have struggled in the past reading the ancient classic, then BookCaps can help you out. This book is a modern translation with a fresh spin. The original text is also presented in the book, along with a comparable version of the modern text. We all need refreshers every now and then. Whether you are a student trying to cram for that big final, or someone just trying to understand a book more, BookCaps can help. We are a small, but growing company, and are adding titles every month.

CORPORATE GOVERNANCE STRENGTHENING LATIN AMERICAN CORPORATE GOVERNANCE THE ROLE OF INSTITUTIONAL INVESTORS

THE ROLE OF INSTITUTIONAL INVESTORS

OECD Publishing This report reflects long-term, in-depth discussion and debate by participants in the Latin American Roundtable on Corporate Governance.

GIOVANNI BOCCACCIO

A BIOGRAPHICAL STUDY

BOUND BY DISTANCE

RETHINKING NATIONALISM THROUGH THE ITALIAN DIASPORA

Fairleigh Dickinson Univ Press Bound by Distance takes its place among a growing body of scholarship the goal of which is to challenge the kind of thinking that reproduces the "West" as a stable and homogenous political and discursive entity. The Italian nation, with its peculiar process of formation, the continuous tensions between its own northern and southern regions, and its history of emigration, provides an important case for complicating and reassessing concepts of national, racial, economic, and cultural dominance. The author analyzes the interactive space of the history of Italian state formation, Italian subaltern literature, Italian emigrant writing, and the current situation of North African and Asian immigrants to Italy, in order to contest the "feigned homogeneity" of the Italian nation

and to complicate and reassess concepts of national, racial, economic, and cultural dominance.

HOW IS YOUR MPA DOING?

A GUIDEBOOK OF NATURAL AND SOCIAL INDICATORS FOR EVALUATING MARINE PROTECTED AREA MANAGEMENT EFFECTIVENESS

IUCN Guidebook which aims to improve MPA management by providing a framework that links the goals and objectives of MPAs with indicators that measure management effectiveness. The framework and indicators were field-tested in 18 sites around the world, and results of these pilots were incorporated into the guidebook. Published as a result of a 4-year partnership of IUCN's World Commission on Protected Areas-Marine, World Wildlife Fund, and the NOAA National Ocean Service International Program Office.

THE PARTY'S OVER

OIL, WAR AND THE FATE OF INDUSTRIAL SOCIETIES

New Society Publishers The world is about to run out of cheap oil and change dramatically. Within the next few years, global production will peak. Thereafter, even if industrial societies begin to switch to alternative energy sources, they will have less net energy each year to do all the work essential to the survival of complex societies. We are entering a new era, as different from the industrial era as the latter was from medieval times. In *The Party's Over*, Richard Heinberg places this momentous transition in historical context, showing how industrialism arose from the harnessing of fossil fuels, how competition to control access to oil shaped the geopolitics of the twentieth century and how contention for dwindling energy resources in the twenty-first century will lead to resource wars in the Middle East, Central Asia and South America. He describes the likely impacts of oil depletion and all of the energy alternatives. Predicting chaos unless the United States—the world's foremost oil consumer—is willing to join with other countries to implement a global program of resource conservation and sharing, he also recommends a "managed collapse" that might make way for a slower-paced, low-energy, sustainable society in the future. More readable than other accounts of this issue, with fuller discussion of the context, social implications and recommendations for personal, community, national and global action, Heinberg's updated book is a riveting wake-up call for human-kind as the oil era winds down, and a critical tool for understanding and influencing current US foreign policy.

HIGH BRIGHTNESS LIGHT EMITTING DIODES

Academic Press Volume 48 in the Semiconductors and Semimetals series discusses the physics and chemistry of electronic materials, a subject of growing practical importance in the semiconductor devices industry. The contributors discuss the current state of knowledge and provide insight into future developments of this important field.

INTEGRATED REPORTING

A NEW ACCOUNTING DISCLOSURE

Springer This book is a timely addition to the fast-growing international debate on Integrated Reporting, which offers a holistic view of the evolution and practice of Integrated Reporting. The book covers the determinants and consequences of Integrated Reporting, as well as examining some of the most relevant issues (particularly in the context of the United States) in the debate about Integrated Reporting.

THE PLASTICS PARADOX

FACTS FOR A BRIGHTER FUTURE

The Plastics Paradox is the first and only book to reveal the truth about plastics and the environment. Based on over 400 scientific articles, it dispels the myths that the public believe today. We are told that plastics are not green when in fact, they are usually the greenest choice according to lifecycle analysis (LCA) We are told that plastics create a waste problem when they are proven to dramatically reduce waste, for example replacing 1lb of plastic requires 3-4lb of the replacement material We are told that plastics take 1000 years to degrade when in fact a plastic bag disintegrates in just one year outdoors We are led to believe that plastic bags and straws are an issue when in fact they barely register in the statistics The list goes on... Everything you believe now is untrue and we are making policies that harm the environment based on bad information. After reading *The Plastics Paradox* you will be able to make wise choices that help create a brighter future for us and for our children.

TRANSLATING CHILDREN'S LITERATURE

Routledge Translating Children's Literature is an exploration of the many developmental and linguistic issues related to writing and translating for children, an audience that spans a period of enormous intellectual progress and affective change from birth to adolescence. Lathey looks at a broad range of children's literature, from prose fiction to poetry and picture books. Each of the seven chapters addresses a different aspect of translation for children, covering: · Narrative style and the challenges of translating the child's voice; · The translation of cultural markers for young readers; · Translation of the modern picture book; · Dialogue, dialect and street language in modern children's literature; · Read-aloud qualities, wordplay, onomatopoeia and the translation of children's poetry; · Retranslation, retelling and reworking; · The role of translation for children within the global publishing and translation industries. This is the first practical guide to address all aspects of translating children's literature, featuring extracts from commentaries and interviews with published translators of children's literature, as well as examples and case studies across a range of languages and texts. Each chapter includes a set of questions and exercises for students. Translating Children's Literature is essential reading for professional translators, researchers and students on courses in translation studies or children's literature.

WRITINGS OF CATHERINE OF SIENA (ANNOTATED)

Upper Room Books With: Historical commentary Biographical info Appendix with further readings For nearly 2,000 years, Christian mystics, martyrs, and sages have documented their search for the divine. Their writings have bestowed boundless wisdom upon subsequent generations. But they have also burdened many spiritual seekers. The sheer volume of available material creates a seemingly insurmountable obstacle. Enter the Upper Room Spiritual Classics series, a collection of authoritative texts on Christian spirituality curated for the everyday reader. Designed to introduce 15 spiritual giants and the range of their works, these volumes are a first-rate resource for beginner and expert alike. Living in turbulent 14th-century Italy, Catherine was driven to submit her will completely to God's will for her. Her intense prayer life led her to write hundreds of letters to friends, other monastics, and heads of state, urging them to turn away from sin and draw closer to God. Catherine's life of total prayer has long inspired admiration.

THIS NOTHING'S PLACE

Revealing the instability of location and the illusory nature of identity, this poetry collection traces the edges where the multidimensional blends, blurs, and merges, envisioning a place where form is formless and perception boundless. Taking its title from Emily Carr's Klee Wyck, which describes a strip of land that belongs to Nothing, this compendium explores the indefinite place where imagination and vitality converge to become creativity.
