As Roland crosses a desert of damnation in a treacherous world that is a twisted image of our own, he moves ever closer to the Dark Tower of his dreams—and nightmares. This stunning, must-have collection includes: The Dark Tower I: The Gunslinger; The Dark Tower II: The Drawing of the Three; The Dark Tower III: The Waste Lands; The Dark Tower IV: Wizard and Glass; The Dark Tower: The Wind Through the Keyhole; The Dark Tower V: Wolves of the Calla; The Dark Tower VI: Song of Susannah; and The Dark Tower VII: The Dark Tower. The perfect keepsake for Stephen King fans, The Dark Tower 8-Book Boxed Set is the most extraordinary and imaginative cycle of tales in the English language from “the reigning King of American popular literature” (Los Angeles Daily News).

## Nineteen Eighty-Four

**epubli** "Nineteen Eighty-Four: A Novel", often published as "1984", is a dystopian social science fiction novel by English novelist George Orwell. It was published on 8 June 1949 by Secker & Warburg as Orwell's ninth and final book completed in his lifetime. Thematically, "Nineteen Eighty-Four" centres on the consequences of totalitarianism, mass surveillance, and repressive regimentation of persons and behaviours within society. Orwell, himself a democratic socialist, modelled the authoritarian government in the novel after Stalinist Russia. More broadly, the novel examines the role of truth and facts within politics and the ways in which they are manipulated. The story takes place in an imagined future, the year 1984, when much of the world has fallen victim to perpetual war, omnipresent government surveillance, historical negationism, and propaganda. Great Britain, known as Airstrip One, has become a province of a totalitarian superstate named Oceania that is ruled by the Party who employ the Thought Police to persecute individuality and independent thinking. Big Brother, the leader of the Party, enjoys an intense cult of personality despite the fact that he may not even exist. The

protagonist, Winston Smith, is a diligent and skillful rank-and-file worker and Outer Party member who secretly hates the Party and dreams of rebellion. He enters into a forbidden relationship with a colleague, Julia, and starts to remember what life was like before the Party came to power.

### An Essay

## The Important Book

**Harper Collins** The important thing about The Important Book -- is that you let your child tell you what is important about the sun and the moon and the wind and the rain and a bug and a bee and a chair and a table and a pencil and a bear and a rainbow and a cat (if he wants to). For the important thing about The Important Book is that the book goes on long after it is closed. What is most important about many familiar things -- like rain and wind, apples and daisies -- is suggested in rhythmic words and vivid pictures. 'A perfect book . . . the text establishes a word game which tiny children will accept with glee.' -- K.

## Remember Who You Truly Are

**Createspace Independent Publishing Platform** This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

## Spiritual Direction from Dante, Volume 2: Ascending Mount Purgatory

**Tan Books** Join Father Paul Pearson of the Oratory as he guides you on a spiritual journey through one of the great classics of Christian literature, Dante's Purgatorio. Purgatory is the least understood of the three possible "destinations" when we die (though unlike heaven or hell it is not an eternal one) and is mysterious to many Christians and even to many Catholics today. As he did in his first volume in the Spiritual Direction from Dante trilogy, Avoiding the Inferno, Father Pearson adroitly draws out the great spiritual insights hidden in The Divine Comedy. Learn how and why: Dante's presentation of Purgatory is something beautifully hopeful. Freedom is the dominant theme here and the rejoicing of captives delivered from their prisons the dominant tone. Purgatory is filled with good people, people well on their way to becoming saints. They are increasingly concerned for one another and generous, the more so the higher on the mountain they climb. They are interested in one another's well-being and rejoice in one another's victories as though they were their own. The sufferings on Mount Purgatory are not something that happens to the souls there; they happen for them. This has all been designed for their benefit, and they are grateful to God for making it possible. Purgatory is God's merciful plan for allowing us to rediscover the joy and freedom of being human, the joy for which we were created but which sin has smothered and distorted. This is what we can be. This is what we can begin to be, even now, if only we will separate ourselves from sin. What are we waiting for? Join Father Pearson in Ascending Mount Purgatory.

## The Artful Wooden Spoon

### How to Make Exquisite Keepsakes for the Kitchen

Vogel offers simple instructions and step-by-step photographs that allow readers to make their own kitchen keepsakes. No expertise is necessary, and very few tools are required. With more than 225 photographs of Vogel's stunning specimens, *The Artful Wooden Spoon* is a compelling invitation to explore an age-old art.

### Wonderstruck

**Scholastic** Ben's story takes place in 1977 and is told in words. Rose's story in 1927 is told entirely in pictures. Ever since his mother died, Ben feels lost. At home with her father, Rose feels alone. When Ben finds a mysterious clue hidden in his mother's room, and when a tempting opportunity presents itself to Rose, both children risk everything to find what's missing. Rich, complex, affecting and beautiful, *WONDERSTRUCK* is a staggering achievement from a uniquely gifted artist.

### In Heaven We'll Meet Again

**Sophia Institute Press** Are loved ones reunited in Heaven? The saints say "Absolutely!" In wise and consoling letters written to a mother sorrowing over the death of her child, Fr. François René Blot, S.J., here summons the Church's greatest saints who testify with one voice that death's wound, though grievous, separates us but for a short while from those who die before us. Acknowledging that profound sorrow at the death of loved ones is appropriate (after all, even Jesus wept for the death of his friend Lazarus), Fr. Blot nonetheless gives us reason to be joyful even in the midst of our sorrow: in heaven our loves and friendships will finally be free of the many hindrances — small and large — that keep them from being perfect in this life. Moreover, the saints say, in heaven we will love and know the love of countless souls we never met on earth, our Guardian Angel, and all the choirs of angels! Soon after it was written, a Catholic Cardinal called this book "a pearl set in the fine gold of the doctrine of the Fathers" and a newspaper declared that it "deserves a distinguished place in all Christian libraries and should be on the table of every pious family that faithfully preserves the memory of its deceased members." Let the saints' testimony in these beautiful pages assuage your grief and renew your hope! Let them increase your gratitude for the sacrifice of Christ whose death on the Cross opened heaven for us, and made these heavenly reunions possible!

## What Stress Can Do

Whether it's your daily dealings at work or a pervasive concern for your physical safety, the stress you regularly experience may actually be more harmful than the threat that triggered it. Not only can it lead to isolation and an erosion of happiness, stress can be biologically harmful, bringing about health issues, such as heart disease, high blood pressure, ulcers, and strokes. In short, successfully managing stress could be nothing less than a life-or-death situation. Now, professional biofeedback practitioner Harry L. Campbell presents "What Stress Can Do," his unprecedented guide to the importance of minimizing everyday stress in order to short-circuit its many serious side effects. What's more, his easy-to-implement recommendations enable you to do so without use of any drugs. Recent data on the prevalence of stress documents that as much as 90 percent of all doctors' office visits are related to stress. However, with the right skills and perspective, you can preempt the physical fallout from the tolls of daily life, and gain new mastery over your mind. The time is right to take a step back, breathe easy, and once and for all address all that ails you.
