This series of lectures was delivered by Abraham Kuyper at the Princeton Theological Seminary in 1898. Over the course of the lectures, he discusses Calvinism and the way it pertains to many aspects of life including politics, science, and art. According to Kuyper, Calvinism has a natural affinity for scientific investigation, because like scientific inquiry, Calvinism seeks to unify the cosmos under universal laws. Predestination, he says, proves that a set of laws exist to govern the world, and science is merely trying to figure them out. When it comes to art, Kuyper launches into a defense of Calvinism, which is often maligned as a religion that seeks to stamp out art and its significance. Readers will find here a thorough and elegant explanation of Calvinism and its particular outlook on life. Anyone wanting to know how the religion is unique among the many Christian sects will find it an enjoyable and informative read. **Dutch theologian ABRAHAM KUYPER (1837-1920)** was prime minister of the Netherlands from 1901 to 1905. He developed Neo-Calvinism, which emphasizes the sovereignty of Jesus over all mental pursuits and supports the idea that there exists a grace given by God to all things in order to sustain the continued unfolding of creation. Kuyper wrote a number of books including *Conservatism and Orthodoxy* (1870), *The Social Question and the Christian Religion* (1891), and *Common Grace* (1902). **Humble Calvinism And If I Know the Five Points, But Have Not Love ...** Understanding Calvinism in our hearts as well as in our heads **Debating Calvinism Five Points, Two Views** Multnomah Are you curious about how Calvinism stands up to the test of scrutiny? Enjoy a lively debate about its five primary doctrines. **The Joy of Calvinism** Knowing God's Personal, Unconditional, Irresistible, Unbreakable Love Crossway The Bible's command to "rejoice continually" seems impossible and, frankly, unreasonable. Yet despite the apparent difficulty in fulfilling this commandment, Gregory Forster argues that Calvinism holds the key—namely that “real Calvinism is all about joy.” Forster passionately holds to this belief, and systematically demonstrates it by addressing popular misconceptions of what Calvinism is and is not. Dismantling negative expressions of Calvinist theology, Forster positively reiterates its fundamental tenets, showing how God's love is the driving force behind every facet of Calvin's doctrine of salvation. Written accessibly, *The Joy of Calvinism* is an important addition to the conversation surrounding Calvinism and its advocates. Skeptics and those who have had negative perceptions of Calvinism, as well as Calvinists themselves, will find this a helpful resource for clearing up the controversies and grasping the winsomeness of the doctrines of grace. **The Five Points of Calvinism** Banner of Truth The distinctives of the Reformed understanding of the gospel. **Calvinism in the Las Vegas Airport** Making Connections in Today's World Zondervan What do the Canons of Dort mean to people in the Las Vegas airport—and does anyone there even care? In the movie *Hardcore*, a pious Calvinist elder tries unsuccessfully to explain the TULIP theology of his Dutch Reformed faith to a prostitute in the Las Vegas airport. This incongruous conversation demonstrates how Calvinism is often perceived today: irrelevant, harsh, even disrespectful. Beginning with this movie scene, *Calvinism in the Las Vegas Airport* addresses the weaknesses of Calvinism and points to its strengths. How does Calvinism shed light on today? Instead of reciting the Canons of Dort, what's a more compassionate way to relate to nonbelievers? What might it look like to live out the doctrines of TULIP with gentleness and respect? Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. **What Is Reformed Theology?** is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace. **What Love Is This? Calvinism's Misrepresentation of God** Many sincere, Bible-believing Christians are Calvinists only by default. Thinking that the only choice is between Calvinism (with its presumed doctrine of eternal security) and Arminianism (with its teaching that salvation can be

lost), and confident of Christ's promise to keep eternally those who believe in Him, they therefore consider themselves to be Calvinists. It takes only a few simple questions to discover that most Christians are largely unaware of what John Calvin and his early followers of the sixteenth and seventeenth centuries actually believed and practiced. Nor do they fully understand what most of today's leading Calvinists believe. Although there are disputed variations of the Calvinist doctrine, among its chief proponents (whom we quote extensively in context) there is general agreement on certain core beliefs. Many evangelicals who think they are Calvinists will be surprised to learn of Calvin's belief in salvation through infant baptism and of his grossly un-Christian behavior, at times, as the "Protestant Pope" of Geneva, Switzerland. Most shocking of all, however, is Calvinism's misrepresentation of God, who "is love." It is our prayer that this volume will enable readers to examine more carefully the vital issues involved and to follow God's holy Word--not man's teachings. "The first edition of this book was greeted by fervent opposition and criticism from Calvinists. In this enlarged and revised edition I have endeavored to respond to the critics." --Dave Hunt What's So Great about the Doctrines of Grace? Reformation Trust Publishing Do Christians choose to have faith, or is faith a supernatural work of God? Far from an abstract intellectual exercise, this question has vast implications for the hope, joy, and assurance of the Christian life. When the truth of God's sovereign grace breaks into our minds and hearts, it changes everything. In What's So Great about the Doctrines of Grace? Dr. Richard D. Phillips takes us on a tour of the doctrines of grace, also known as the five points of Calvinism. With clear biblical exposition, he helps us to see the extent of our corruption in sin, to anchor our faith in the fullness of grace, and to trust in God's promise to finish what He started--the salvation of His people. When we rely on God's all-sufficient grace, we can truly live for His all-consuming glory. The History and Character of Calvinism Oxford University Press A comprehensive history of the Calvinist movement. Chosen by God Tyndale House Publishers, Inc. Nearly 200,000 copies sold! Chosen by God by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn't just for Calvinists. It is a doctrine for all biblical Christians. In this updated and expanded edition of Chosen by God, Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God, but rather paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to see his beauty; we love him because he first loved us. There is mystery in God's ways, but not contradiction. Living for God's Glory An Introduction to Calvinism Reformation Heritage Books In this introduction to Calvinism, Joel Beeke--with contributions from Sinclair Ferguson, Michael A.G. Haykin, Derek W.H. Thomas, and others--displays the biblical, God-centered, comprehensive, and practical nature of Calvinism. In this book, Kevin DeYoung leads us back to the Canons of Dort, a seventeenth-century document originally written to precisely and faithfully define this precious doctrine. The Canons of Dort stand as a faithful witness to the precise nature of God's supernatural, sovereign, redeeming, resurrecting grace—when so many people settle for vague generalities that water down the truth. In three concise sections—covering history, theology, and practical application— DeYoung explores what led to the Canons and why they were needed, the five important doctrines that they explain, and Dort's place in the Christian faith today. Against Calvinism Rescuing God's Reputation from Radical Reformed Theology Zondervan Academic Calvinist theology has been debated and promoted for centuries. But is it a theology that should last? Roger Olson suggests that Calvinism, also commonly known as Reformed theology, holds an unwarranted place in our list of accepted theologies. In Against Calvinism, readers will find scholarly arguments explaining why Calvinist theology is incorrect and how it affects God's reputation. Olson draws on a variety of sources, including Scripture, reason, tradition, and experience, to support his critique of Calvinism and the more historically rich, biblically faithful alternative theologies he proposes. Addressing what many evangelical Christians are concerned about today—so-called "new Calvinism," a movement embraced by a generation labeled as "young, restless, Reformed" —Against Calvinism is the only book of its kind to offer objections from a non-Calvinist perspective to the current wave of Calvinism among Christian youth. As a companion to Michael Horton's For Calvinism, readers will be able to compare contrasting perspectives and form their own opinions on the merits and weaknesses of Calvinism. Calvinism A Southern Baptist Dialogue B&H Publishing Group What impact is the Calvinist/non-Calvinist debate having on the Southern Baptist Convention today? This book holds a theological conversation between followers of Christ about issues on which they often disagree. And while such controversial points of doctrine cannot be ignored, neither should they put up impenetrable walls between groups that are committed to the same essential Christian beliefs. Calvinism: A Southern Baptist Dialogue brings together new presentations from noted Southern Baptists including Daniel Akin, Tom Ascol, David Dockery, Charles Lawless, and Ed Stetzer that address misperceptions, stereotypes, and caricatures of the debate over Reformed theology. Each strives to speak the truth in love and humility while seeking clarity in the presentation of the Gospel, improving the health of our churches, and seeking the kingdom of Christ above all. Endorsements: "What do we have to agree on? The doctrines of what it means for us to be lost, and of how we are saved could not be more important. This book explores how much we can disagree over these things and still work together. If you care about both evangelistic cooperation and doctrinal integrity, this book is a book for you." --Mark Dever, pastor, Capitol Hill Baptist Church and president of 9Marks.org Letters to a Young Calvinist An Invitation to the Reformed Tradition Brazos Press At a time when definitions of Calvinism are hotly contested, this book provides a vision of the Reformed faith that is generous, winsome, and imaginative. Augustine's Calvinism The Doctrines of Grace in Augustine's Writings Puritan Publications Aurelius Augustine (354-430) is one of the most prominently known figures in the history of the Christian church. He was a philosopher and theologian of the highest order, and steadfastly preached on the grace of God. He preached and wrote on the grace of God so extensively to preserve the truth of the gospel (especially against the heretic Pelagius) that he was deemed "the Doctor of Grace." Many today hold to what has become known as the Five Points of Calvinism, or the doctrines of grace. They comprise the five points of Total Depravity, Unconditional Election, Limited Atonement, Irresistible Grace and the Perseverance of the Saints. But did Augustine believe these same "Calvinistic" doctrines? Is Augustine's theological view of sin, election, the death of Christ, regeneration and sanctification the same as the Reformers, the Puritans, or even those who hold to the Gospel of Grace today? This work is a survey of that question and demonstrates from Augustine's works that he was, undoubtedly, a Calvinist. This is not a scan or facsimile, and contains an active table of contents for electronic versions.
