AmGov

Long Story Short

CO Press All the fundamentals. No fluff. Learn more with less! A truly revolutionary American Government textbook, Christine Barbour's AmGov: Long Story Short, responds to the needs of today's students and instructors through brevity and accessibility. The succinct ten chapters are separated by tabs that make it easy to skim, flip, revisit, reorient, and return to content quickly. Reading aids like bullets, annotations and arrows walk students through important facts and break up the material in short, engaging bites of information that highlight not only what is important but why it's important. Though brief, this core book is still robust enough to provide everything that students need to be successful in their American Government course. Whether for the on-the-go student who doesn't have time to read and digest a lengthy chapter, or the instructor who wants a book that will stay out of their way and leave room for plenty of supplementary reading and activities, AmGov provides a perfectly simplified foundation for a successful American Government course.

Hot Rod Empire

Robert E. Petersen and the Creation of the World's Most Popular Car and Motorcycle Magazines

Motorbooks Hot Rod Empire details Robert E. Petersen's creation of Hot Rod Magazine in the 1940s and the Petersen Publishing empire that grew to the mainstream juggernaut we know today. The end of World War II marked the release of pent-up war-years energy and the desire to live. For many this meant indulging in long-denied purchases, like a new car. For another group, including young vets, it meant a return to car building and racing. Money, exciting new cars, and speed parts all flowed freely in post-war America. Robert Petersen, a young SoCal-based photographer and Army Air Corps vet, noted the rapidly growing hot rod scene in and around Los Angeles. His first move was to organize the Los Angeles Hot Rod Exhibition in 1948. His second, and brilliant, move was to launch at the same event the first edition of Hot Rod magazine. From this launch pad, Petersen Publishing Company would grow to become the most influential enthusiast publisher in America. Petersen's magazines were rallying points for all aspects of the car, truck, and motorcycle hobbies, well as nurturing and promoting all aspects from car building to racing to show events. Hot Rod, Motor Trend, Car Craft, Motorcyclist, Off-Road and Four Wheel Drive and some 75 other enthusiast titles dominated magazine racks and provided substantial influence over transportation and numerous other hobbies. Hot Rod Empirecelebrates the birth and explosive growth of the transportation hobby under Petersen's watch.

Warnings Unheeded

Twin Tragedies at Fairchild Air Force Base

WU Press The true story of two mass-casualty incidents that occurred within days of each other at a US Air Force base. Using the words of the people who experienced the tragedies, the book provides in-depth look at the before, during and after of a preventable active-shooter incident and an avoidable fatal plane crash. The base psychiatrist knew the airman was dangerous. "This is the kind of patient who ... one day ... he's going to come back and kill you." Aircrews knew the rogue pilot was dangerous. "We predicted the worst air-show disaster in history when we found out that he was gonna fly." Written by Andy Brown, the man who ended the killing spree, the result of more than seven years of research. Brown "masterfully weaves" the two stories together in a powerful narrative. He also reveals the preparations he made that enabled him to end a pistol-versus-rifle gunfight with a 70 yard shot from his handgun. Part true crime, part law-enforcement biography memoir and part military history. Warnings Unheeded is presented in an objective style that shows what can happen when authorities become complacent, when the precursors of violence are ignored and the lessons from history are forgotten.

1001 Quotations to Inspire You Before You Die

Weidenfeld & Nicolson 1001 Quotations To Inspire You Before You Die is full of smart remarks - not just sassy one-liners (although there are plenty of those), but also more considered, philosophical epigrams that make us pause and reflect on a range of profound topics. Each quotation is accompanied by an insightful account of its meaning and the historical context in which it was first uttered or written. Some famous quotations are straightforward, but many need contextualising - it's often not exactly what was said, but who said it, and in what context, that is more important. Many oft-quoted remarks open up whole new worlds of thought and interpretation. What, for example, did Voltaire mean when he wrote 'If God did not exist, it would be necessary to invent him'? - was he hinting at his own atheism (unlikely, given the age in which he lived) or making a more subtle point about the difficulty of apprehending the Almighty? This book looks into these and a host of other such questions, and takes the reader from the source material into illuminating discussions of its wider significance. We all love quotations - we use them to make our points, to plead our cases and to justify our opinions, as well as to honour, glorify, motivate, incite, besmirch, bewitch and beguile. 1001 Quotations To Inspire You Before You Die will help you do all that and more.

Scorched Eggs

Penguin "In Laura Childs's New York Times bestselling mystery series, Suzanne, Petra, and Toni--co-owners of the Cackleberry Club Café are equally good at serving up breakfast and serving up justice. This time they turn up the heat on a deadly firebug ... As Suzanne is getting her hair colored at Root 66, she's stunned to witness the County Services office next door suddenly go up in flames. Concerned neighbors throng the streets, and the fire department does their best. Unfortunately, their best isn't enough to save longtime civil service worker--and friend to the Cackleberry Club--Hannah Venable. Soon enough, it's discovered that an accelerant was used to fan the flames. Someone set the fire on purpose--was Hannah the intended victim? Suzanne, Petra, and Toni vow to smoke out the culprit. Unfortunately, the list of suspects is as varied as the Cackleberry Club's menu. When Suzanne finds a possible connection between the fire and the nearby Prairie Star Casino, she comes to realize that the arsonist wanted something very big and bad kept secret. And if the ladies aren't careful, they may be the ones gambling with their lives."--

Hotter Than Hell

Number 3 in series

Hachette UK Daunuan was never the ambitious type. There's so much to love about his job just the way it is - mind-blowing sexual prowess, the power to seduce any human, excellent dental plan. But now Pan, the King of Lust, has offered to make Daun his right-hand incubus - a position other demons would give their left horn for. All he has to do is entice a soul destined for heaven into a damnable act of lust. Should take, oh, seven minutes, tops. Then he meets his target, Virginia Reed. She's cute. Funny. Smart. Unfathomably resistant to his charms. He can't understand it. But Duan has centuries of seduction to his credit. Sooner or later, he tells himself, he'll transform this polar ice-cap of a female into a pool of molten desire...Meanwhile, he has to deal with a plague of rogue demons. Hell-bent on taking him down, sent by an unknown enemy with a serious grudge. And one other problem: the dawning realisation that he's falling in love - that unholyest of four-letter words - with the woman he's about to doom for all eternity...

Development Through the Lifespan

Pearson College Division Laura Berk's Development Through the Lifespan is relied upon in classrooms worldwide for its clear, engaging writing style, exceptional multicultural and cross-cultural focus, cutting-edge consideration of the interrelationships between heredity and environment, rich examples, and long-standing commitment to presenting the most up-to-date scholarship. This new edition continues to offer students research-based practical applications that they can relate to their personal and professional lives. Laura Berk, renowned professor and researcher, has revised the text with new pedagogy, a heightened emphasis on the interplay between heredity and environment, and an enhanced focus on many social policy issues, while emphasizing the lifespan perspective throughout. The latest theories and findings in the field are made accessible to students in a manageable and relevant way. Berk's signature storytelling style invites students to actively learn beside the text's "characters." Students are provided with an especially clear and coherent understanding of the sequence and underlying processes of human development, emphasizing the interrelatedness of all domains- physical, cognitive, emotional, social-throughout the text narrative and in special features. Berk also helps students connect their learning to their personal and professional areas of interest. Her voice comes through when speaking directly about issues students will face in their future pursuits as parents, educators, health care providers, social workers, and researchers. As members of a global and diverse human community, students are called to intelligently approach the responsibility of understanding and responding to the needs and concerns of both young and old. While carefully considering the complexities of human development, Berk presents classic and emerging theories in an especially clear, engaging writing style, with a multitude of research-based, real-world, cross-cultural, and multicultural examples. Strengthening the connections among developmental domains and of theory and research with applications, this edition's extensive revision brings forth the most recent scholarship, representing the changing field of human development. I-Spy Aircraft

Twin Passions

Book three in the Wizard Twins series. Astra Al'madere betrayed all. Those she loved. Those she swore to protect. And all for the Dark Wizards whose passion and heat she can't live without. A Sorceress can sense her Twins, the men destined to join her in her power to strengthen the planet of Sentmar, and Astra has sensed for a while-the Delmari are hers. She can't turn her back on them, deliver them to justice, even though they'd turned from her many years ago. A pain that still rips her heart in two. Torran and Rhydan knew the road to claiming their Consortress would not be an easy one. After all, a painful lie had driven her away, causing her to believe they didn't burn for her. Weren't consumed by her. But when she chooses to save them rather than honor her duty, the Wizards have the chance to show Astra she's always been the only one they desire.

The Africana Bible

Reading Israel's Scriptures from Africa and the African Diaspora

A landmark volume, The Africana Bible gathers multicultural and interdisciplinary perspectives on every book in the Hebrew Bible. It opens a critical window onto the world of interpretation on the African continent and in the multiple diasporas of African peoples, including the African-American experience, with attention to Africana histories, literatures, cultures, and backgrounds for understanding biblical literature. The Africana Bible features a critical commentary on every book of the Hebrew Bible, the Apocrypha, and Pseudepigrapha that are authoritative for many in African and African-diasporan communities worldwide. It highlights issues of concern to the global Black community (such as globalization and the colonial legacy) and the distinctive norms of interpretation in African and African Diasporan settings.
