Day Bang

How to Casually Pick Up Girls During the Day

[CreateSpace](#) **Day Bang** is a 201-page book that teaches you how to pick up women during the day, primarily in a coffee shop, clothing store, bookstore, grocery store, subway, or on the street. It contains 51 openers, 23 long dialogue examples with commentary, and dozens of additional lines that teach by example. Day Bang includes... -The optimal day game mindset that leads to the most amount of success-An easy mental trick to prevent your brain from going into a flight-or-fight response when it's time to approach a woman you're attracted to-A detailed breakdown of how to use the "elderly opener," an easy style of approach that reliably starts conversations with women-2 ways to tell if a girl will be receptive to your approach-How to avoid the dreaded "interview vibe"-10 common mistakes guys make that hurt their chances of getting a number Day Bang shares tons of tips and real examples on having successful conversations. It teaches you... -How to use my bait system to get the girl engaged and interested in you-How to segue out of the initial opening topic into a more personal chat where you'll get to know the girl on a deeper level-How to take the interesting things you've done (your accomplishments, hobbies, and experiences) and morph them into bait hooks that gets the girl intrigued enough to want to go out with you-My "Galnuc" method to seamlessly get a girl's number-An easy hack at the end of your interactions that will reduce the chance of a flake and prime the girl for going out with you-Ways to open up a conversation on a girl who isn't giving you much to work with Day Bang goes into painstaking detail on how to approach women in a variety of common environments... -How to open a girl in coffee shops when she has a book, laptop, mp3 player, cell phone, research paper, crossword or Sudoku puzzle, or nothing at all-Two methods for approaching a girl on the street, depending on if she's moving or not, with a diagram to explain all the approach variations-How to approach in a retail store or mall environment, with openers to use on customers or sales clerks-How to approach in bookstores, with specific tips on how to customize your approaches in the cafe, magazine section, or general book aisles-How to meet women in public transportation, on both the bus and subway-How to meet women in grocery stores-How to approach girls in secondary venues like a beach, casino, concert, gym, hair salon, handicraft fair, museum, art show, park, public square, or wine festival Dozens of additional topics are logically organized into 12 chapters... -Preparation. How to reduce your approach anxiety-Opening. How to deliver your opener in a way that doesn't scare women away-Rambling. How to have conversations that make women interested in you-Closing. How to get a number in a way that reduces the chance she'll flake-The Coffee Shop. How to pick up in coffee shops and cafes-The Street. How to pick up outdoors-The Clothing Shop. How to pick up in retail shops, malls, and big box stores-The Bookstore. How to pick up in bookstores-Public Transportation. How to pick up in the bus, subway, or long distance transportation-The Grocery Store. How to pick up in grocery stores-Other Venues. How to pick up just about anywhere else women can be found-Putting It All Together. How to maximize your day game potential The lessons taught in this 75,000 word, no-fluff textbook will help you meet women during the day. If you need tips on what to do after getting her number, consult my other book Bang, which contains an A-to-Z banging strategy. Day Bang focuses exclusively on daytime approaching.

American Pilgrim

What happens when a pickup artist suddenly receives God's grace after teaching a lifestyle of fornication for over a decade to a worldwide audience? *American Pilgrim* is a memoir that shares the first-year journey of a man upon his decision to repent from a life of evil to serve Jesus Christ. He travels across the United States to deliver his testimony in person through a series of lectures while chronicling the temptations that attempt to bring him back to Satan, the spiritual labors that deepen his faith as a new Christian, and the lamentable state of America on the cusp of great upheaval.

Poosy Paradise

[CreateSpace](#) **One man's search for poosy paradise** led him to a grisly city in Eastern Romania that had a plentiful supply of beautiful girls. It's a place that no sane man would voluntarily live in had it not contained the best fruit of what the human female species can offer. After blanketing Romanian television and newspapers as the "famous American sex writer" and a "world Don Juan," the author was determined to leverage the temporary fame with his existing game to experience nonstop adventure with the world's most beautiful women. The result was not exactly what he expected. This is the true story of a man's two month adventure in Eastern Romania, a place he believed all his dreams would come true.

Cloud Atlas

Vintage Canada **By the New York Times bestselling author of The Bone Clocks | Shortlisted for the Man Booker Prize A postmodern visionary and one of the leading voices in twenty-first-century fiction, David Mitchell combines flat-out adventure, a Nabokovian love of puzzles, a keen eye for character, and a taste for mind-bending, philosophical and scientific speculation in the tradition of Umberto Eco, Haruki Murakami, and Philip K. Dick. The result is brilliantly original fiction as profound as it is playful. In this groundbreaking novel, an influential favorite among a new generation of writers, Mitchell explores with daring artistry fundamental questions of reality and identity. Cloud Atlas begins in 1850 with Adam Ewing, an American notary voyaging from the Chatham Isles to his home in California. Along the way, Ewing is befriended by a physician, Dr. Goose, who begins to treat him for a rare species of brain parasite. . . . Abruptly, the action jumps to Belgium in 1931, where Robert Frobisher, a disinherited bisexual composer, contrives his way into the household of an infirm maestro who has a beguiling wife and a nubile daughter. . . . From there we jump to the West Coast in the 1970s and a troubled reporter named Luisa Rey, who stumbles upon a web of corporate greed and murder that threatens to claim her life. . . . And onward, with dazzling virtuosity, to an inglorious present-day England; to a Korean superstate of the near future where neocapitalism has run amok; and, finally, to a postapocalyptic Iron Age Hawaii in the last days of history. But the story doesn't end even there. The narrative then boomerangs back through centuries and space, returning by the same route, in reverse, to its starting point. Along the way, Mitchell reveals how his disparate characters connect, how their fates intertwine, and how their souls drift across time like clouds across the sky. As wild as a videogame, as mysterious as a Zen koan, Cloud Atlas is an unforgettable tour de force that, like its incomparable author, has transcended its cult classic status to become a worldwide phenomenon. Praise for Cloud Atlas "[David] Mitchell is, clearly, a genius. He writes as though at the helm of some perpetual dream machine, can evidently do anything, and his ambition is written in magma across this novel's every page."—The New York Times Book Review "One of those how-the-holy-hell-did-he-do-it? modern classics that no doubt is—and should be—read by any student of contemporary literature."—Dave Eggers "Wildly entertaining . . . a head rush, both action-packed and chillingly ruminative."—People "The novel as series of nested dolls or Chinese boxes, a puzzle-book, and yet—not just dazzling, amusing, or clever but heartbreaking and passionate, too. I've never read anything quite like it, and I'm grateful to have lived, for a while, in all its many worlds."—Michael Chabon "Cloud Atlas ought to make [Mitchell] famous on both sides of the Atlantic as a writer whose fearlessness is matched by his talent."—The Washington Post Book World "Thrilling . . . One of the biggest joys in Cloud Atlas is watching Mitchell sashay from genre to genre without a hitch in his dance step."—Boston Sunday Globe "Grand and elaborate . . . [Mitchell] creates a world and language at once foreign and strange, yet strikingly familiar and intimate."—Los Angeles Times**

The Palgrave Handbook of Gendered Violence and Technology

Springer Nature **This handbook provides a comprehensive treatise of the concepts and nature of technology-facilitated gendered violence and abuse, as well as legal, community and activist responses to these harms. It offers an inclusive and intersectional treatment of gendered violence including that experienced by gender, sexuality and racially diverse victim-survivors. It examines the types of gendered violence facilitated by technologies but also responses to these harms from the perspectives of victim advocates, legal analyses, organisational and community responses, as well as activism within civil society. It is unique in its recognition of the intersecting drivers of inequality and marginalisation including misogyny, racism, colonialism and homophobia. It draws together the expertise of a range of established and globally renowned scholars in the field, as well as survivor-advocate-scholars and emerging scholars, lending a combination of credibility, rigor, currency, and innovation throughout. This handbook further provides recommendations for policy and practice and will appeal to academics and students in Criminology, Criminal Justice, Law, Socio-Legal Studies, Politics, as well as Women's and/or Gender Studies.**

Violence and Trolling on Social Media

History, Affect, and Effects of Online Vitriol

[Amsterdam University Press](#) 'Trolls for Trump', virtual rape, fake news - social media discourse, including forms of virtual and real violence, has become a formidable, yet elusive, political force. What characterizes online vitriol? How do we understand the narratives generated, and also address their real-world - even life-and-death - impact? How can hatred, bullying, and dehumanization on social media platforms be addressed and countered in a post-truth world? This book unpicks discourses, metaphors, media dynamics, and framing on social media, to begin to answer these questions. Written for and by cultural and media studies scholars, journalists, political philosophers, digital communication professionals, activists and advocates, this book makes the connections between theoretical approaches from cultural and media studies and practical challenges and experiences 'from the field', providing insight into a rough media landscape.

Contacting Aliens

An Illustrated Guide to David Brin's Uplift Universe

[Bantam](#) The award-winning Uplift novels comprise one of the greatest achievements in science fiction history. Dramatic, thought-provoking, and inventive, these books describe a fully realized world rich in character, detail, and ideas. Now Uplift author David Brin collaborates with acclaimed artist Kevin Lenagh to compile the definitive guide to the species, societies, and technology of one of the greatest feats of literary world-building ever accomplished. CONTACTING ALIENS Here in the form of a handbook for Terran field agents is a detailed look at Uplift's many alien races--from the friendly Tymbrimi to the warlike Tandru, from the wise and enigmatic Kanten to the fiercely reptilian Soro, from the bureaucratic Hoon to the manipulative Thennanin--their physiology, psychology, history; their clans and alliances; and their shifting attitudes toward Earth and its representatives. Here, too, is a history of Earth's contact and challenging interactions with the mysterious and powerful Civilization of Five Galaxies, a look at its institutions, languages, and customs, plus a time line of momentous events going back 3 billion years. For the millions of fans of the Uplift novels, this long-awaited guide will be an essential reference work, filled with vital information and never-before-seen illustrations that reveal, for the first time in one volume, the keys to the ambitious vision and bold speculation of the Uplift universe.

Lady

How to Meet and Keep a Good Man for Love and Marriage

Lady helps women find love, long-term relationships, and marriage in a modern environment where most men seem to only want casual sex. It shares the habits, values, and behaviors of a woman who is most likely to settle down with her ideal man while providing useful tips to reduce the anxiety and stress that are the root causes of wasting time with bad men, alcohol, and consumerism. Lady is divided into three books: -Book You helps you understand the true side of your female nature and why the feminist movement is making it difficult to connect with a man. -Book Men explains what men really want and why most of your relationships seem to go nowhere. It shares advice on how to maximize your value, date successfully, and enter a monogamous relationship with a good man who wants to marry you, even if you're over 30. -Book Relationships describes how to maintain and care for your relationship in a way that encourages a man to marry you. Lady provides practical knowledge and advice for women to identify and attract a good man for a loving relationship without having to sleep around or be needlessly hurt. It will help a woman nurture her feminine side and experience love with a dedicated man who wants to protect and provide for her.

The Predatory Female

Here it is, the ultimate men's guide to women, dating, marriage and divorce! Since it was first published in the early 90s, The Predatory Female has become a manosphere classic, saving the lives and wallets of countless men. Look inside and find out why!

Practical React Native

Build Two Full Projects and One Full Game using React Native

[Apress](#) Discover how to use React Native in the real world, from scratch. This book shows you what React Native has to offer, where it came from, and where it's going. You'll begin with a solid foundation of practical knowledge, and then build on it immediately by constructing three different apps. You'll learn how to use each feature of React by working on two full projects and one full game. These aren't just simple React Native Hello World examples (although you'll naturally start there!) but are apps that you can, if you so choose, install on your mobile devices and use for real. Throughout this book, you'll gain real-world familiarity with React Native as well as supporting components from Expo, NativeBase, React Navigation and the Redux and Lodash libraries. You'll also build server-side code for a mobile React Native app to talk to using the popular Node.js and Socket.io library, providing you a holistic view of things even beyond React Native. And, you'll see many helpful tips, tricks and gotchas to watch out for along the way! Practical React Native offers practical exercises that will give you a solid grasp of building apps with React Native, allowing you to springboard into creating more advanced apps on your own. Creating a game with React Native will allow you to see a whole other perspective on what React Native can do. What You'll Learn Master the basics of React Native Create a logically structured project Review interface elements, such as widgets, controls, and extensions Build layouts Work with Expo, an open source toolchain Who This book Is For The primary audience is mobile developers and anyone looking to build for multiple mobile platforms and trying to do so with a codebase that is largely the same across all. Readers will need a decent foundation, but not necessarily be experts in, HTML, CSS, and JavaScript, but I'll assume little beyond that.

The Rational Male -

Positive Masculinity

[Createspace Independent Publishing Platform](#) Building once more on the core works of The Rational Male by Rollo Tomassi, Positive Masculinity is the newest supplemental reading in the series designed to give men, not a prescription, but actionable information to build better lives for themselves based on realistic and objective intersexual dynamics between men and women. Rational and pragmatic, the book outlines four key themes: Red Pill Parenting, The Feminine Nature, Social Imperatives and Positive Masculinity. Free of the pop-psychology pablum about parenting today, Red Pill Parenting is primarily aimed at the fathers (and fathers-to-be) who wanted more in depth information about raising their sons and daughters in a Red Pill aware context. While not an instruction manual, it will give men some insight into how to develop a parenting style based on Red Pill principles as well as what they can expect their kids to encounter from a feminine-primary social order determined to 'educate' them. The Feminine Nature is a collection of essays, revised and curated, that specifically address the most predictable aspects of the female psyche. It outlines and explores both the evolutionary and socialized reasons for women's most common behaviors and their motives, and how men can build this awareness into a more efficient way of interacting with them. Social Imperatives details how the female psyche extrapolates into western (and westernizing) cultural narratives, social dictates and legal and political legislation. This is the Feminine Imperative writ large and this section explores how feminism, women's sexual strategy and primary life goals have molded our society into what we take for granted today. Also detailed is the 'women's empowerment' narrative, and the rise of a blank-slate egalitarian equalism masking as a form of female supremacism that has fundamentally altered western cultures. The last section, Positive Masculinity, is comprised of essays, reformed and expanded upon, that will give men a better idea of how to define masculinity for themselves from a conventional and rational perspective. In an era when popular culture seeks to dismiss, ridicule, shame and obscure masculinity, this section and this book is intended to raise men's awareness of how fluid redefinitions of masculinity have been deliberately used to disempower and feminize men by a feminine-primary social order. This book is the third in of series complements to The Rational Male, the fifteen-year core writing of author/blogger Rollo Tomassi from [therationalmale.com](#). Rollo Tomassi is one of the most prominent voices in the globally growing, male-focused online consortium known as the "Manosphere" as well as one of the 'Godfathers' of intersexual Red Pill awareness.

Ctrl-alt-delete

This booklet addresses the origins and rise of the so-called "alt-right," the fascistic movement that grabbed headlines in the months leading up to the 2016 election of Donald Trump as president of the United States. The first essay, Matthew Lyons's "CTRL-ALT-DELETE," is a thorough survey of the origins of the alt-right, a look at its constituent parts and beliefs at the present time, as well as observations about how its future relationship with the Trump administration may play out. Of particular interest, Lyons draws attention to the importance of sexism and misogyny within this movement, to its long-term "metapolitical" strategy, as well as to the tensions between the disparate groups that have found their home under its banner. Supplementing "CTRL-ALT-DELETE" is an essay written by comrades from the Its Going Down website, "The Rich Kids of Fascism." This is a view from activists currently involved in opposing both the far right and the state, on the streets. As its title would imply, "Rich Kids" focuses on the elitist class politics of the alt right, and how that sets it apart from other far right phenomenon like boneheads or militias. Looking at the alt-right's fortunes over the past few years, IGD show the role played by both the media, and white racist fears about the ongoing struggles of Black people and immigrants, in feeding this threat. An appendix, "Notes on Trump," by Bromma, serves not so much as a counterpoint, as a contextualization. Not directly addressing the alt-right itself, Bromma's Notes posit that the election of Trump and the rise of the far right are not simple accidents of history, nor the result of some single failure on our side or success on theirs, but are conjoined expressions of a deep shift within the world economy. As he argues, "What's coming into view, semi-hidden underneath the frenzied soap opera of reactionary populism, is that the tide of globalization has crested and started to recede." The alt right in one expression of this reactionary moment. We must oppose them, but also prepare ourselves to oppose what might come next. Understanding one's enemy can only help in this regard, and indeed a thorough understanding of an opposing political force can also help us prepare for future far right iterations. That is why this booklet is being offered now. A tool for work that needs doing. Let's get started.

Practical Female Psychology for the Practical Man

[Lulu.com](#)

The Far-Right in Contemporary Australia

[Springer](#) This book is the first to elaborate on radical and extreme right movements in contemporary Australia. It brings together leading scholars to present cutting edge research on various facets and manifestations of Australia's diverse far-right, which has gained unprecedented public presence and visibility since the mid-2010s. The thematic breadth of the chapters in this volume reflects the complexity of the far-right in Australia, ranging from the attitudes of far-right populist party voters and the role of far-right groups in anti-mosque protests, to online messaging and rhetoric of radical and extreme right-wing movements. The contributions are theoretically grounded and come from a range of disciplines, including media and cultural studies, sociology, politics, and urban studies, exploring issue of far-right activism on the micro and macro level, with both qualitative and quantitative research methods.

Not All Dead White Men

Classics and Misogyny in the Digital Age

[Harvard University Press](#) Some of the most controversial and consequential debates about the legacy of the ancients are raging not in universities but online, where alt-right men's groups deploy ancient sources to justify misogyny and a return of antifeminist masculinity. Donna Zuckerberg dives deep to take a look at this unexpected reanimation of the Classical tradition.

The Rise and Fall of the Third Reich

A History of Nazi Germany

[Simon and Schuster](#) Chronicles the Nazi's rise to power, conquest of Europe, and dramatic defeat at the hands of the Allies.

The Rational Male - Preventive Medicine

[CreateSpace](#) Building on the core works of The Rational Male - Preventive Medicine presents a poignant outline of the phases of maturity and the most commonly predictable experiences men can expect from women as they progress through various stages of life. Rational and pragmatic, the book explores the intergender and social dynamics of each stage of women's maturity and provides a practical understanding for men in dealing with women in those phases. Preventive Medicine also provides revealing outlines of feminine social primacy, Hypergamy, the 'Hierarchies of Love' and the importance of understanding the conventional nature of complementary masculinity in a world designed to keep men ignorant of it. The Rational Male - Preventive Medicine seeks to help men who "wish they knew then what they know now." The book is the first in of series complements to The Rational Male, the twelve-year core writing of author/blogger Rollo Tomassi from [therationalmale.com](#). Rollo Tomassi is one of the leading voices in the globally growing, male-focused online consortium known as the "Manosphere".

SJWs Always Lie

Taking Down the Thought Police

Social Justice Warriors have plagued mankind for more than 150 years, but only in the last 30 years has their ideology become dominant in the West. Having invaded one institution of the cultural high ground after another, from corporations and churches to video games and government, there is nowhere that remains entirely free of their intolerant thought and speech policing. Because the SJW agenda of diversity, tolerance, inclusiveness, and equality flies in the face of both science and observable reality, SJWs relentlessly work to prevent normal people from thinking or speaking in any manner that will violate their ever-mutating Narrative. They police science, philosophy, technology, and even history in order to maintain the pretense that their agenda remains inevitable in a modern world that contradicts it on a daily basis. The book is named after the First Law of SJW: SJWs always lie. SJWS ALWAYS LIE is a useful guide to understanding, anticipating, and surviving SJW attacks from the perspective of a man who has not only survived, but thrived, after experiencing multiple attempts by Social Justice Warriors to disqualify, discredit, and disemploy him in the same manner they have successfully attacked Nobel Laureates, technology CEOs, broadcasters, sports commentators, school principals, and policemen. It analyzes well-known SJW attacks as well as the two most successful examples of resistance to the SJW Narrative, #GamerGate and Sad Puppies. Written by Vox Day, Supreme Dark Lord of the Evil Legion of Evil and three-time Hugo nominee who is described as the most hated man in science fiction by Black Gate and The Wall Street Journal, SJWS ALWAYS LIE is a powerful weapon in the cultural war against the thought police.

The 48 Laws Of Power

[Profile Books](#) THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

Mother Carey's Chickens (Esprios Classics)

Blurb Kate Douglas Wiggin, nee Smith (1856-1923) was an American children's author and educator. She was born in Philadelphia, and was of Welsh descent. She started the first free kindergarten in San Francisco in 1878 (the "Silver Street Free Kindergarten"). With her sister in the 1880s she also established a training school for kindergarten teachers. Her best known books are *The Story of Pasty* (1883), *The Birds' Christmas Carol* (1887), *Polly Oliver's Problem* (1893), *A Cathedral Courtship* (1893), *The Village Watchtoer* (1896), *Marm Lisa* (1897) and *Rebecca of Sunnybrook Farm* (1903).

Too Late, Mate?

A Daygame Memoir

Independently Published Are you a man who has had enough of bars, clubs, and late nights? Are you fed up with online dating? This is a memoir of a lonely singleton who turned his love-life around (and upside down) after he stumbled on DAYGAME, the art of meeting and attracting women during the daytime. "Too Late, Mate?" tells the true story of a singleton and relationship virgin who spent most of his adult life bewildered, struggling to figure out where he was going wrong with women and wondering where he had misplaced his sex life. In the process he had achieved the impressive feat of amassing the largest collection of female friends known to mankind, whilst simultaneously failing to sleep with any one of them. When all else had failed - relationship counseling, psychotherapy, the self-help book industry, secret cults, salsa dancing, tree-hugging - he stumbled on a bunch of renegade dudes who were experts at the art of approaching and attracting women during the daytime. So began an 18-month journey in which he met literally hundreds of girls in the street, went on dozens of dates and even managed to persuade one or two of them back into his bedroom...Reviews of the 1st Edition: By ZV Oct 10, 2019I purchased 'Too Late, Mate' about a year and a half ago. I enjoyed it very much as there are similarities to how I grew up and my experiences in with girls and school as in the book...Great Read! By Leigh Sep 27, 2019An entertaining & honest account of a middle-aged man who after a lifetime of being inept at meeting and dating women, stumbles across Daygame. Think Crazy Stupid Love meets Dostoevsky i.e. a fascinating, funny and sometimes painful story where the processes of learning how to overcome deep-rooted beliefs about women, masculinity, and relationships through practical field training is described together with an introspective analysis. I enjoyed this book as I think it reflects the experience of a lot of men, particularly older men, trying to address this area of their life. I can say that the account of his journey is authentic as I'm of a similar age and got into Daygame about the same time. The book is professionally written which is a rarity in this genre and is equally valid as an entertaining story or a valuable reference piece. By W A Feb 28, 2018I loved this book!! One of the few books on pickup I've ever read cover-to-cover. Regardless of whether you're into pickup or not ("PUA"), this is an engaging, come-from-behind hero tale-- told autobiographically. Mr. Forrest's humanity comes through in a very self-effacing way, as he struggles with the ups-and-downs of learning "game" later in his life. His maturity and self-doubt on the subject stand in sharp relief to the swagger of many PUAs whose youth and brashness consume most of the oxygen on this subject. It's a bit interesting that Mr. Forrest espoused filmmaking interests in this book because it actually has all of the essential storytelling elements of the classic "Hero's Journey" outlined by Joseph Campbell/Christopher Vogler (would make an interesting movie, imo). One of the inherent dangers of books on this subject of seducing women is that a thorough read potentially lulls its male followers into becoming bloviating keyboard theorists, not men of action, as notions delude us into thinking that knowledge somehow supplants or equates to experience. The reason that I strongly gravitate to the work of authors/YT'ers like Alex Forrest (and his impish, gamesome compadre Tom Torero) is that they have a way of inspiring me to confront my fears and approach women in my daily life. And for those gents in their 40's or maybe more, with natural fears about aging and the what-if's of it all, this book addresses this older niche that has heretofore been all but ignored. Bravo, Mr. Forrest, bravo!By Dean Craddock Nov 7, 2017This is a great, high quality read, detailing Alex's journey into the world of pick-up through daygame.
