Jailbird

A Novel

Dial Press Trade Paperback “[Kurt Vonnegut] has never been more satirically on-target. . . . Nothing is spared.”—People
Jailbird takes us into a fractured and comic, pure Vonnegut world of high crimes and misdemeanors in government—and in the heart. This wry tale follows bumbling bureaucrat Walter F. Starbuck from Harvard to the Nixon White House to the penitentiary as Watergate’s least known co-conspirator. But the humor turns dark when Vonnegut shines his spotlight on the cold hearts and calculated greed of the mighty, giving a razor-sharp edge to an unforgettable portrait of power and politics in our times. Praise for Jailbird “[Vonnegut] is our strongest writer . . . the most stubbornly imaginative.”—John Irving “A gem . . . a mature, imaginative novel—possibly the best he has written . . . Jailbird is a guided tour de force of America. Take it!”—Playboy “A profoundly humane comedy . . . Jailbird definitely mounts up on angelic wings—in its speed, in its sparkle, and in its high-flying intent.”—Chicago Tribune Book World “Joyously inventive . . . gleams with the loony magic Vonnegut alone can achieve.”—Cosmopolitan “Vonnegut is our great apocalyptic writer, the closest thing we’ve had to a prophet since . . . Lenny Bruce.”—Chicago Sun-Times “Vonnegut at his impressive best. . . . His imaginative leaps alone . . . are worth the price of admission. . . . His far-reaching metaphysical and cultural concerns . . . are ultimately serious and worth our contemplation.”—The Washington Post

Slaughterhouse-Five

A Novel

Dial Press Trade Paperback **A special fiftieth anniversary edition of Kurt Vonnegut’s masterpiece, “a desperate, painfully honest attempt to confront the monstrous crimes of the twentieth century” (Time), featuring a new introduction by Kevin Powers, author of the National Book Award finalist The Yellow Birds Selected by the Modern Library as one of the 100 best novels of all time Slaughterhouse-Five, an American classic, is one of the world’s great antiwar books. Centering on the infamous World War II firebombing of Dresden, the novel is the result of what Kurt Vonnegut described as a twenty-three-year struggle to write a book about what he had witnessed as an American prisoner of war. It combines historical fiction, science fiction, autobiography, and satire in an account of the life of Billy Pilgrim, a barber’s son turned draftee turned optometrist turned alien abductee. As Vonnegut had, Billy experiences the destruction of Dresden as a POW. Unlike Vonnegut, he experiences time travel, or coming “unstuck in time.” An instant bestseller, Slaughterhouse-Five made Kurt Vonnegut a cult hero in American literature, a reputation that only strengthened over time, despite his being banned and censored by some libraries and schools for content and language. But it was precisely those elements of Vonnegut’s writing—the political edginess, the genre-bending inventiveness, the frank violence, the transgressive wit—that have inspired generations of readers not just to look differently at the world around them but to find the confidence to say something about it. Authors as wide-ranging as Norman Mailer, John Irving, Michael Crichton, Tim O’Brien, Margaret Atwood, Elizabeth Strout, David Sedaris, Jennifer Egan, and J. K. Rowling have all found inspiration in Vonnegut’s words. Jonathan Safran Foer has described Vonnegut as “the kind of writer who made people—young people especially—want to write.” George Saunders has declared Vonnegut to be “the great, urgent, passionate American writer of our century, who offers us . . . a model of the kind of compassionate thinking that might yet save us from ourselves.” Fifty years after its initial publication at the height of the Vietnam War, Vonnegut’s portrayal of political disillusionment, PTSD, and postwar anxiety feels as relevant, darkly humorous, and profoundly affecting as ever, an enduring beacon through our own era’s uncertainties. “Poignant and hilarious, threaded with compassion and, behind everything, the cataract of a thundering moral statement.”—The Boston Globe**

Sanity Plea

Schizophrenia in the Novels of Kurt Vonnegut

University of Alabama Press In this revised edition of a volume originally published in 1989, Lawrence Broer extends his comprehensive critique of the body of writing by Kurt Vonnegut. Broer offers a broad psychoanalytic study of Vonnegut's works from *Player Piano* to *Hocus Pocus*, taking a decisively new approach to the work of one of America's most important, yet often misinterpreted writers. A compelling and original analysis, *Sanity Plea*, explores how Vonnegut incorporates his personal experiences into an art that is not defeatist, but rather creatively therapeutic and life-affirming.

Slaughterhouse Five Or the Children's Crusade

A Duty Dance With Death

Dell Publishing Company Billy Pilgrim survives capture by the Germans in World War II, the Dresden bombings, and the struggle for financial success only to be kidnapped in a flying saucer and taken to the planet Tralfamadore.

Player Piano

A Novel

Dial Press "A funny, savage appraisal of a totally automated American society of the future."—*San Francisco Chronicle* Kurt Vonnegut's first novel spins the chilling tale of engineer Paul Proteus, who must find a way to live in a world dominated by a supercomputer and run completely by machines. Paul's rebellion is vintage Vonnegut—wildly funny, deadly serious, and terrifyingly close to reality. Praise for *Player Piano* "An exuberant, crackling style . . . Vonnegut is a black humorist, fantasist and satirist, a man disposed to deep and comic reflection on the human dilemma."—*Life* "His black logic . . . gives us something to laugh about and much to fear."—*The New York Times Book Review*

The Novels of Kurt Vonnegut

Imagining Being an American

Greenwood Press This book is the first scholarly study to discuss all of Vonnegut's novels against the background of his other writing, events of the 20th century, and the vast array of Vonnegut scholarship. In his novels he speaks eloquently and succinctly for his generation of Americans--the central generation of 20th-century Americans--thus making him the representative 20th-century American writer. Morse discusses how Vonnegut's novels reflect the major traumatic public and private events that have gone into imagining being an American during that century, including the Great Depression, World War II, the Bomb, Vietnam, the weakening of social institutions, the vicissitudes of marriage and family, divorce, growing old, experiencing loss, and anticipating death.

God Bless You, Dr. Kevorkian

Seven Stories Press From Slapstick's "Turkey Farm" to *Slaughterhouse-Five*'s eternity in a Tralfamadorean zoo cage with Montana Wildhack, the question of the afterlife never left Kurt Vonnegut's mind. In *God Bless You, Dr. Kevorkian*, Vonnegut skips back and forth between life and the Afterlife as if the difference between them were rather slight. In thirty odd "interviews," Vonnegut trips down "the blue tunnel to the pearly gates" in the guise of a roving reporter for public radio, conducting interviews: with Salvatore Biagini, a retired construction worker who died of a heart attack while rescuing his schnauzer from a pit bull, with John Brown, still smoldering 140 years after his death by hanging, with William Shakespeare, who rubs Vonnegut the wrong way, and with socialist and labor leader Eugene Victor Debs, one of Vonnegut's personal heroes. What began as a series of ninety-second radio interludes for WNYC, New York City's public radio station, evolved into this provocative collection of musings about who and what we live for, and how much it all matters in the end. From the original portrait by his friend Jules Feiffer that graces the cover, to a final entry from Kilgore Trout, *God Bless You, Dr. Kevorkian* remains a joy.

Sun Moon Star

RosettaBooks *Sun Moon Star* is the story of the birth of Jesus—as told by Kurt Vonnegut. This children's book takes the newborn Jesus' perspective, offering beautiful and insightful descriptions of the world from someone newly born into it. In this book, we follow Jesus and meet the people most important to his life—presented in new and surprising ways. A powerful departure from Vonnegut's more adult work, *Sun Moon Star* gives readers a rare glimpse of the writer's talent in a format that's unique and unexpected. This book's well-crafted simplicity is sure to make it a favorite—with both children and adult readers who are Vonnegut fans.

The Vonnegut Effect

Univ of South Carolina Press Kurt Vonnegut is one of the few American writers since Mark Twain to have won and sustained a great popular acceptance while boldly introducing new themes and forms on the literary cutting edge. This is the "Vonnegut effect" that Jerome Klinkowitz finds unique among postmodernist authors. In this innovative study of the author's fiction, Klinkowitz examines the forces in American life that have made Vonnegut's works possible. Vonnegut shared with readers a world that includes the expansive timeline from the Great Depression, during which his family lost their economic support, through the countercultural revolt of the 1960s, during which his fiction first gained prominence. Vonnegut also explored the growth in recent decades of America's sway in art, which his fiction celebrates, and geopolitics, which his novels question. A pioneer in Vonnegut studies, Jerome Klinkowitz offers *The Vonnegut Effect* as a thorough treatment of the author's fiction—a canon covering more than a half century and comprising twenty books. Considering both Vonnegut's methods and the cultural needs they have served, Klinkowitz explains how those works came to be written and concludes with an assessment of the author's place in American fiction.

Cat's Cradle

A Novel

Dial Press "A free-wheeling vehicle . . . an unforgettable ride!"—The New York Times *Cat's Cradle* is Kurt Vonnegut's satirical commentary on modern man and his madness. An apocalyptic tale of this planet's ultimate fate, it features a midget as the protagonist, a complete, original theology created by a calypso singer, and a vision of the future that is at once blackly fatalistic and hilariously funny. A book that left an indelible mark on an entire generation of readers, *Cat's Cradle* is one of the twentieth century's most important works—and Vonnegut at his very best. "[Vonnegut is] an unimitative and inimitable social satirist."—Harper's Magazine "Our finest black-humorist . . . We laugh in self-defense."—Atlantic Monthly

Understanding Kurt Vonnegut

Understanding Kurt Vonnegut is a critical analysis of Vonnegut's fiction as a point of entrance for students and general readers alike. In close readings of Vonnegut's novels, William Rodney Allen examines the distinctive stylistic, thematic, and formally innovative elements that earned Vonnegut (1922-2007) a mass following, especially among young readers, as well as critical respect among scholars.

Mother Night

A Novel

Dial Press "Vonnegut is George Orwell, Dr. Caligari and Flash Gordon compounded into one writer . . . a zany but moral mad scientist."—Time *Mother Night* is a daring challenge to our moral sense. American Howard W. Campbell, Jr., a spy during World War II, is now on trial in Israel as a Nazi war criminal. But is he really guilty? In this brilliant book rife with true gallows humor, Vonnegut turns black and white into a chilling shade of gray with a verdict that will haunt us all. "A great artist."—Cincinnati Enquirer "A shaking up in the kaleidoscope of laughter . . . Reading Vonnegut is addictive!"—Commonweal

Pity the Reader

On Writing with Style

Rosetta Books "A rich, generous book about writing and reading and Kurt Vonnegut as writer, teacher, and friend . . . Every page brings pleasure and insight."—Gail Godwin, New York Times bestselling author Here is an entirely new side of Kurt Vonnegut, Vonnegut as a teacher of writing. Of course he's given us glimpses before, with aphorisms and short essays and articles and in his speeches. But never before has an entire book been devoted to Kurt Vonnegut the teacher. Here is pretty much everything Vonnegut ever said or wrote having to do with the writing art and craft, altogether a healing, a nourishing expedition. His former student, Suzanne McConnell, has outfitted us for the journey, and in these 37 chapters covers the waterfront of how one American writer brought himself to the pinnacle of the writing art, and we can all benefit as a result. Kurt Vonnegut was one of the few grandmasters of American literature, whose novels continue to influence new generations about the ways in which our imaginations can help us to live. Few aspects of his contribution have not been plumbed—fourteen novels, collections of his speeches, his essays, his letters, his plays—so this fresh view of him is a bonanza for writers and readers and Vonnegut fans everywhere. "Part homage, part memoir, and a 100% guide to making art with words, *Pity the Reader: On Writing with Style* is a simply mesmerizing book, and I cannot recommend it highly enough!"—Andre Dubus III, #1 New York Times bestselling author "The blend of memory, fact, keen observation, spellbinding descriptiveness and zany characters that populated

Vonnegut's work is on full display here."—James McBride, National Book Award-winning author

Armageddon in Retrospect

Penguin The New York Times bestseller from the author of *Slaughterhouse-Five*—a “gripping” posthumous collection of Kurt Vonnegut’s previously unpublished work on the subject of war and peace. A fitting tribute to a literary legend and a profoundly humane humorist, *Armageddon in Retrospect* is a collection of twelve previously unpublished writings. Imbued with Vonnegut's trademark rueful humor and outraged moral sense, the pieces range from a letter written by Vonnegut to his family in 1945, informing them that he'd been taken prisoner by the Germans, to his last speech, delivered after his death by his son Mark, who provides a warmly personal introduction to the collection. Taken together, these pieces provide fresh insight into Vonnegut's enduring literary genius and reinforce his ongoing moral relevance in today's world. Includes an Introduction by Mark Vonnegut

Timequake

Penguin The author's first full-length novel in seven years, a hilarious moral satire features a science fiction writer, Kilgore Trout, who manages to turn time back a decade, insisting that everyone repeat it exactly the same way. Reprint.

Palm Sunday

An Autobiographical Collage

Dial Press “[Kurt Vonnegut] is either the funniest serious writer around or the most serious funny writer.”—Los Angeles Times Book Review In this self-portrait by an American genius, Kurt Vonnegut writes with beguiling wit and poignant wisdom about his favorite comedians, country music, a dead friend, a dead marriage, and various cockamamie aspects of his all-too-human journey through life. This is a work that resonates with Vonnegut's singular voice: the magic sound of a born storyteller mesmerizing us with truth. “Vonnegut is at the top of his form, and it is wonderful.”—Newsday

God Bless You, Mr Rosewater, Or, Pearls Before Swine

Love, Kurt

The Vonnegut Love Letters, 1941-1945

Random House A never-before-seen collection of deeply personal love letters from Kurt Vonnegut to his first wife, Jane, compiled and edited by their daughter “A glimpse into the mind of a writer finding his voice.”—The Washington Post “If ever I do write anything of length—good or bad—it will be written with you in mind.” Kurt Vonnegut’s eldest daughter, Edith, was cleaning out her mother’s attic when she stumbled upon a dusty, aged box. Inside, she discovered an unexpected treasure: more than two hundred love letters written by Kurt to Jane, spanning the early years of their relationship. The letters begin in 1941, after the former schoolmates reunited at age nineteen, sparked a passionate summer romance, and promised to keep in touch when they headed off to their respective colleges. And they did, through Jane’s conscientious studying and Kurt’s struggle to pass chemistry. The letters continue after Kurt dropped out and enlisted in the army in 1943, while Jane in turn graduated and worked for the Office of Strategic Services in Washington, D.C. They also detail Kurt’s deployment to Europe in 1944, where he was taken prisoner of war and declared missing in action, and his eventual safe return home and the couple’s marriage in 1945. Full of the humor and wit that we have come to associate with Kurt Vonnegut, the letters also reveal little-known private corners of his mind. Passionate and tender, they form an illuminating portrait of a young soldier’s life in World War II as he attempts to come to grips with love and mortality. And they bring to light the origins of Vonnegut the writer, when Jane was the only person who believed in and supported him supported him, the young couple having no idea how celebrated he would become. A beautiful full-color collection of handwritten letters, notes, sketches, and comics, interspersed with Edith’s insights and family memories, *Love, Kurt* is an intimate record of a young man growing into himself, a fascinating account of a writer finding his voice, and a moving testament to the life-altering experience of falling in love.

Bluebeard

A Novel

Dial Press “Ranks with Vonnegut’s best and goes one step beyond . . . joyous, soaring fiction.”—The Atlanta Journal and Constitution Broad humor and bitter irony collide in this fictional autobiography of Rabo Karabekian, who, at age seventy-one, wants to be left alone on his Long Island estate with the secret he has locked inside his potato barn. But

then a voluptuous young widow badgers Rabo into telling his life story—and Vonnegut in turn tells us the plain, heart-hammering truth about man's careless fancy to create or destroy what he loves. Praise for *Bluebeard* "Vonnegut is at his edifying best."—*The Philadelphia Inquirer* "The quicksilver mind of Vonnegut is at it again. . . . He displays all his talents—satire, irony, ridicule, slapstick, and even a shaggy dog story of epic proportions."—*The Cincinnati Post* "[Kurt Vonnegut is] a voice you can trust to keep poking holes in the social fabric."—*San Francisco Chronicle* "It has the qualities of classic Bosch and *Slaughterhouse Vonnegut*. . . . *Bluebeard* is uncommonly feisty."—*USA Today* "Is *Bluebeard* good? Yes! . . . This is vintage Vonnegut—good wine from his best grapes."—*The Detroit News* "A joyride . . . Vonnegut is more fascinated and puzzled than angered by the human stupidities and contradictions he discerns so keenly. So hop in his rumble seat. As you whiz along, what you observe may provide some new perspectives."—*Kansas City Star*

Player Piano

Kurt Vonnegut's first novel *Player Piano*, published in 1952, heralded the beginning of one of the most diverting and provocative adventures in modern American fiction. Vonnegut went on to write novels that perhaps had greater formal skill and technique, but *Player Piano* is a tour de force of imaginative insight into modern life and a shrewd satire of American progress.

Venus on the Half-Shell

Titan Books (US, CA) Simon Wagstaff narrowly escapes the Deluge that destroys Earth when he happens upon an abandoned spaceship. A man without a planet, he gains immortality from an elixir drunk during an interlude with a cat-like alien queen. Now Simon must chart a 3,000-year course to the most distant corners of the multiverse, to seek out the answers to the questions no one can seem to answer.

Kurt Vonnegut and the American Novel

A Postmodern Iconography

Bloomsbury Publishing The novels of Kurt Vonnegut depict a profoundly absurd and distinctly postmodern world. But in this critical study, Robert Tally argues that Vonnegut himself is actually a modernist, who is less interested in indulging in the free play of signifiers than in attempting to construct a model that could encompass the American experience at the end of the twentieth century. As a modernist wrestling with a postmodern condition, Vonnegut makes use of diverse and sometimes eccentric narrative techniques (such as metafiction, collage, and temporal slippages) to project a comprehensive vision of life in the United States. Vonnegut's novels thus become experiments in making sense of the radical transformations of self and society during that curious, unstable period called, perhaps ironically, the 'American Century.' An untimely figure, Vonnegut develops a postmodern iconography of American civilization while simultaneously acknowledging the impossibility of a truly comprehensive representation.

The Red Badge of Courage

Vintage Stephen Crane's immortal masterpiece about the nightmare of war was first published in 1895 and brought its young author immediate international fame. Set during the Civil War, it tells of the brutal disillusionment of a young recruit who had dreamed of the thrill and glory of war, only to find himself fleeing the horror of a battlefield. Shame over his cowardice drives him to seek to redeem himself by being wounded—earning what he calls the "red badge of courage." Praised for its psychological insight and its intense and unprecedented realism in portraying the experience of men under fire, *The Red Badge of Courage* has been a beloved bestseller for more than a century.

Wampeters, Foma & Granfaloon

(Opinions)

Dial Press *Wampeters, Foma & Granfaloon* is a rare opportunity to experience Kurt Vonnegut speaking in his own voice about his own life, his views of the world, his writing, and the writing of others. An indignant, outrageous, witty, deeply felt collection of reviews, essays, and speeches, this is a window not only into Vonnegut's mind but also into his heart. "A book filled with madness and truth and absurdity and self-revelation . . . [Vonnegut is] a great cosmic comedian and rattler of human skeletons, an idealist disguised as a pessimist."—*St. Louis Post-Dispatch* Includes the following essays, speeches, and works: "Science Fiction" "Brief Encounters on the Inland Waterway" "Hello, Star Vega" "Teaching the Unteachable" "Yes, We Have No Nirvanas" "Fortitude" "'There's a Maniac Loose Out There'" "Excelsior! We're Going to the Moon! Excelsior!" "Address to the American Physical Society" "Good Missiles, Good Manners, Good Night" "Why They Read Hesse" "Oversexed in Indianapolis" "The Mysterious Madame Blavatsky" "Biafra: A People Betrayed" "Address to Graduating Class at Bennington College, 1970" "Torture and Blubber" "Address to the National Institute of Arts and Letters, 1971" "Reflections on my Own Death" "In a Manner that Must Shame God Himself" "Thinking Unthinkable, Speaking Unspeakable" "Address at Rededication of Wheaton College"

Library, 1973" "Invite Rita Rait to America!" "Address to P.E.N. Conference in Stockholm, 1973" "A Political Disease"
"Playboy Interview"

The Hapgoods Three Earnest Brothers

University of Virginia Press

Kurt Vonnegut: Novels & Stories 1963-1973 (LOA #216)

Cat's Cradle / Rosewater / Slaughterhouse-Five / Breakfast of Champions

Library of America Like Mark Twain, Kurt Vonnegut (1922-2007) was a Midwestern everyman steeped in the rhythms of American speech whose anger at the way things are was matched only by his love for the best that we can be. His cunningly relaxed delivery was so original, so finely calibrated, and so profound an articulation of the Sixties' spirit that many critics overlooked the moral seriousness behind the standup-comic craftsmanship. Capturing Vonnegut in pyrotechnic mid-career, this first volume of a projected three-volume edition gathers four of his most acclaimed novels. *Cat's Cradle* (1963) is a comedy of the end of the world (it ends with ice). *God Bless You, Mr. Rosewater* (1965) is the tale of a so-called fool, his money, and the lawyer who contrives to part them (it ends with fire). *Slaughterhouse-Five* (1969), Vonnegut's breakout book and one of the iconic masterpieces of twentieth-century American literature, is the tale of Billy Pilgrim, who, being unstuck in time, is doomed to continually relive both the firebombing of Dresden and his abduction by space aliens. And, in a text enhanced by the author's spirited line drawings, *Breakfast of Champions* (1973) describes the fateful meeting of "two lonesome, skinny, fairly old white men," one of whom disastrously believes that everyone else is a robot. The volume is rounded out with three brilliant short stories and revealing autobiographical accounts of the bombing of Dresden. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Kurt Vonnegut

The Complete Novel Set

The ultimate Vonnegut: all 14 novels plus a selection of the best of his stories in a definitive collector's boxed set. The novels of Kurt Vonnegut defined a generation and remain among the most enduringly popular and influential works of the last century. Now, for the first time, they are available in a single collector's edition, featuring authoritative annotated texts. This boxed set includes four Library of America volumes: *Novels & Stories 1950-1962* *Player Piano / The Sirens of Titan / Mother Night* *Novels & Stories 1963-1973* *Cat's Cradle / God Bless You, Mr. Rosewater / Slaughterhouse-Five / Breakfast of Champions* *Novels 1976-1985* *Slapstick / Jailbird / Deadeye Dick / Galapagos* *Novels 1987-1997* *Bluebeard / Hocus Pocus / Timequake* LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing, and keeping permanently in print, America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Fates Worse Than Death

An Autobiographical Collage of the 1980s

Random House This is the second volume of Vonnegut's autobiographical writings—a collage of his own life story, snipped up and stuck down alongside his views on everything from suicidal depression to the future of the planet and Andrew Lloyd Webber. Honest, dark, rambling, funny; this rare glimpse of Vonnegut's soul is a dagger to the heart of Western complacency.

Complete Stories

Seven Stories Press Here for the first time is the complete short fiction of one of the twentieth century's foremost imaginative geniuses. More than half of Vonnegut's output was short fiction, and never before has the world had occasion to wrestle with it all together. Organized thematically—"War," "Women," "Science," "Romance," "Work Ethic versus Fame and Fortune," "Behavior," "The Band Director" (those stories featuring Lincoln High's band director and nice guy George Hemholtz), and "Futuristic"—these ninety-eight stories were written from 1941 to 2007, and include

those Vonnegut published in magazines and collected in *Welcome to the Monkey House*, *Bagombo Snuff Box*, and other books; here for the first time five previously unpublished stories; as well as a handful of others that were published online and read by few. During his lifetime Vonnegut published fewer than half of the stories he wrote, his agent telling him in 1958 upon the rejection of a particularly strong story, "Save it for the collection of your works which will be published someday when you become famous. Which may take a little time." Selected and introduced by longtime Vonnegut friends and scholars Dan Wakefield and Jerome Klinkowitz, *Complete Stories* puts Vonnegut's great wit, humor, humanity, and artistry on full display. An extraordinary literary feast for new readers, Vonnegut fans, and scholars alike.

A Man Without a Country

Seven Stories Press **A Man Without a Country** is Kurt Vonnegut's hilariously funny and razor-sharp look at life ("If I die—God forbid—I would like to go to heaven to ask somebody in charge up there, 'Hey, what was the good news and what was the bad news?"), art ("To practice any art, no matter how well or badly, is a way to make your soul grow. So do it."), politics ("I asked former Yankees pitcher Jim Bouton what he thought of our great victory over Iraq and he said, 'Mohammed Ali versus Mr. Rogers.'"), and the condition of the soul of America today ("What has happened to us?"). Based on short essays and speeches composed over the last five years and plentifully illustrated with artwork by the author throughout, *A Man Without a Country* gives us Vonnegut both speaking out with indignation and writing tenderly to his fellow Americans, sometimes joking, at other times hopeless, always searching.

Happy Birthday, Wanda June

A Play

Dial Press Trade Paperback "Richly and often pertinently funny [with] a sure instinct for the carefully considered irrelevance . . . a great deal of incidental hilarity [and] inspired idiocy."—*The New York Times* **Happy Birthday Wanda June** was Kurt Vonnegut's first play, which premiered in New York in 1970 and was then adapted into a film in 1971. It is a darkly humorous and searing examination of the excesses of capitalism, patriotism, toxic masculinity, and American culture in the post-Vietnam War era. Featuring behind-the-scenes photographs from the original stage production, this play captures Vonnegut's brilliantly distinct perspective unlike we have ever seen it before. "A great artist."—*The Cincinnati Enquirer*

The Monkey Wrench Gang

Rosetta Books **A motley crew of saboteurs wreak outrageous havoc on the corporations destroying America's Western wilderness in this classic, comic extravaganza.** When George Washington Hayduke III returns home from war in the jungles of Southeast Asia, he finds the unspoiled West he once knew has been transformed. The pristine lands and waterways are being strip mined, dammed up, and paved over by greedy government hacks and their corrupt corporate coconspirators. And the manic, beer-guzzling, rabidly antisocial ex-Green Beret isn't just getting mad. Hayduke plans to get even. Together with a radical feminist from the Bronx; a wealthy, billboard-torching libertarian MD; and a disgraced Mormon polygamist, Hayduke's ready to stick it to the Man in the most creative ways imaginable. By the time they're done, there won't be a bridge left standing, a dam unblown, or a bulldozer unmolested from Arizona to Utah. Edward Abbey's most popular novel, *The Monkey Wrench Gang* is an outrageous romp with ultra-serious undertones that is as relevant today as it was in the early days of the environmental movement. The author who Larry McMurtry (Lonesome Dove) once dubbed "The Thoreau of the American West" has written a true comedic classic with brains, heart, and soul that more than justifies the call from the *Los Angeles Times Book Review* that we should all "praise the earth for Edward Abbey!"

The Vonnegut Encyclopedia

Revised and updated edition

Delacorte Press **Now expanded and updated, this authorized compendium to Kurt Vonnegut's novels, stories, essays, and plays is the most comprehensive and definitive edition to date.** Over the course of five decades, Kurt Vonnegut created a complex and interconnected web of characters, settings, and concepts. The *Vonnegut Encyclopedia* is an exhaustive guide to this beloved author's world, organized in a handy A-to-Z format. The first edition of this book covered Vonnegut's work through 1991. This new and updated edition encompasses his writing through his death in 2007. Marc Leeds, co-founder and founding president of the Kurt Vonnegut Society and a longtime personal friend of the author's, has devoted more than twenty-five years of his life to cataloging the Vonnegut cosmos—from the birthplace of Kilgore Trout (Vonnegut's sci-fi writing alter ego) to the municipal landmarks of Midland City (the midwestern metropolis that is the setting for Vonnegut's 1973 masterpiece *Breakfast of Champions*). The *Vonnegut Encyclopedia* identifies every major and minor Vonnegut character from Celia Aamons to Zog, as well as recurring images and relevant themes from all of Vonnegut's works, including lesser-known gems like his revisionist libretto for Stravinsky's opera *L'Histoire du soldat* and his 1980 children's book *Sun Moon Star*. Leeds provides expert notes

explaining the significance of many items, but relies primarily on extended quotations from Vonnegut himself. A work of impressive scholarship in an eminently browsable package, this encyclopedia reveals countless connections readers may never have thought of on their own. A rarity among authors of serious fiction, Kurt Vonnegut has always inspired something like obsession in his most dedicated fans. The Vonnegut Encyclopedia is an invaluable resource for readers wishing to revisit his fictional universe—and those about to explore it for the first time. Praise for *The Vonnegut Encyclopedia* “An essential collection for fans of the singular satirist.”—*San Francisco Chronicle* “Indispensable.”—*Publishers Weekly* “If you’re somebody who has read one Kurt Vonnegut book then there’s a chance you’ve read them all. For the devout reader of Vonnegut there’s a voracious sense of completism. And, Marc Leeds and his new [*The Vonnegut*] Encyclopedia are here to guide you through it all. Just don’t blame him if you become unstuck in time while you’re reading.”—*Inverse* “Vonnegut enthusiasts will be delighted with Leeds’s exhaustive, almost obsessive, treatment of the characters, places, events, and tantalizingly mysterious references for which Vonnegut’s five-decade writing career is celebrated. . . . A wonderful and beautifully designed reference source.”—*Booklist* (starred review) “Leeds’s scholarship and genuine love for his subject matter render this encyclopedia a treasure trove for Vonnegut readers.”—*The Nameless Zine*

Welcome to the Monkey House

A Collection of Short Works

Tender stories of love, incisive essays on human greed and misery, and imaginative tales of futuristic happenings reveal Vonnegut's versatility and vision.

České probuzení z amerického snu

Proč a jak se v České republice zabývat Spojenými státy

Charles University in Prague, Karolinum Press Tato kniha přichází s novým pohledem na Spojené státy, který vychází z nutnosti překonat nekriticky obdivné i nekriticky odsuzující přístupy. Nový přístup je založen na hlubším pochopení vnitřní rozmanitosti, rozporuplnosti i rozhádanosti uvnitř americké politiky i společnosti. Tím se jednak otevírají netušené možnosti transatlantické spolupráce v nových oblastech, jednak se obohacuje veřejná debata ohledně směřování České republiky. Z amerického snu je potřeba se probudit, aby nám Spojené státy mohly střízlivě sloužit jako důležitá inspirace, ať už kladná, nebo záporná. Druhotným cílem publikace je ukázat na možnosti, které skýtá nová renaissance teritoriálních studií jako přístupu ke zkoumání světa kolem nás, který dokáže kombinovat historické, politické, ekonomické, sociální a kulturní přístupy při zodpovídání závažných a zároveň složitých otázek. Tyto znalosti v různých teritoriálních kontextech nám mohou výrazně pomoci při našich vlastních volbách - každodenních i osudových.

Canary in a Cat House

Vonnegut's first collection of short stories, includes 12 wickedly funny stories told as only Vonnegut can.

We Are What We Pretend To Be

The First and Last Works

Vanguard Press A double volume of the influential author's first and last written works includes the bitter satire "Basic Training" and the unfinished final novel, "If God Were Alive Today."

Slapstick or Lonesome No More!

A Novel

Dial Press Trade Paperback “Some of the best and most moving Vonnegut.”—*San Francisco Chronicle* Slapstick presents an apocalyptic vision as seen through the eyes of the current King of Manhattan (and last President of the United States), a wickedly irreverent look at the all-too-possible results of today’s follies. But even the end of life-as-we-know-it is transformed by Kurt Vonnegut’s pen into hilarious farce—a final slapstick that may be the Almighty’s joke on us all. “Both funny and sad . . . just about perfect.”—*Los Angeles Times* “Imaginative and hilarious . . . a brilliant vision of our wrecked, wacked-out future.”—*Hartford Courant*

The Writer's Crusade

Kurt Vonnegut and the Many Lives of Slaughterhouse-Five

Abrams **The story of Kurt Vonnegut and Slaughterhouse-Five, an enduring masterpiece on trauma and memory Kurt Vonnegut was twenty years old when he enlisted in the United States Army. Less than two years later, he was captured by the Germans in the single deadliest US engagement of the war, the Battle of the Bulge. He was taken to a POW camp, then transferred to a work camp near Dresden, and held in a slaughterhouse called Schlachthof Fünf where he survived the horrific firebombing that killed thousands and destroyed the city. To the millions of fans of Vonnegut's great novel Slaughterhouse-Five, these details are familiar. They're told by the book's author/narrator, and experienced by his enduring character Billy Pilgrim, a war veteran who "has come unstuck in time." Writing during the tumultuous days of the Vietnam conflict, with the novel, Vonnegut had, after more than two decades of struggle, taken trauma and created a work of art, one that still resonates today. In *The Writer's Crusade*, author Tom Roston examines the connection between Vonnegut's life and Slaughterhouse-Five. Did Vonnegut suffer from Post-Traumatic Stress Disorder? Did Billy Pilgrim? Roston probes Vonnegut's work, his personal history, and discarded drafts of the novel, as well as original interviews with the writer's family, friends, scholars, psychologists, and other novelists including Karl Marlantes, Kevin Powers, and Tim O'Brien. *The Writer's Crusade* is a literary and biographical journey that asks fundamental questions about trauma, creativity, and the power of storytelling.**

Sucker's Portfolio

Amazon.Com Publishing **A previously unpublished collection of six brief fiction stories, one non-fiction essay, and an unfinished science-fiction short story.**
