FAITH-THE MYSTERY OF THE MISSING GIRL

BOOK I

Neelkanth Publishers Shirin, a fifty-year old woman claims that she has a daughter called Faith, who has gone missing after her marriage to an erstwhile royal in Jaisalmer. But her family and friends know that Shirin and her husband never had any children. Shirin is convinced something is not right. Despite all the resistance and threats from her husband and other members of the family, she travels to Jaisalmer to search for her daughter Faith. Shirin narrates her story to inspector Kewal Singh who is in-charge of a small police station in Jaisalmer. Why is every one denying the existence of Faith? Will inspector Kewal Singh help Shirin? Will Shirin be able to find Faith? Join Shirin as she embarks on a perilous quest across the desert of Rajasthan to find her daughter and convince the world about her truth in this exciting saga.

PERCY HEARS THE SECRET

Balboa Press This book attempts to boost self-confidence in young children through the story of Percy the Peacock. Percy is a peacock who is the best dancer at his school. As his performance at the talent show approaches Percy begins to worry about what others would think about him and his performance. The anxiety is so intense that he freezes on stage and considers turning away without performing his routine. He eventually hears the whispered advice of the kid who was everywhere all at once. This awakens his confidence and a new wisdom in him to believe in himself. He then goes on to perform his routine with joy and to a standing ovation.

PERSPECTIVES ON INDIAN WRITING IN ENGLISH

This book consists of twenty four critical papers written by eminent scholars on leading writers such as R.K. Narayan, Kamala Markandaya, Raja Rao, Anita Desai, Arun Joshi, Arundhati Roy, Khushwant Singh, Jhumpa Lahiri, Girish Karnad, Shashi Deshpande, Shobha De and Nissim Exekiel. The contributors have examined fictional art, philosophy, history, religion, sex, feminism and many other aspects related to the works of the above writers. The book presents selected study of the works of the writers with an eye on the popular creation or the awarded literary work. On the whole it adds new criticism and dimension to the works of Indian Writers in English. This is equally useful for the students, teachers and researchers.

AN IMPERIAL DISASTER

THE BENGAL CYCLONE OF 1876

Oxford University Press The storm came on the night of 31 October. It was a full moon, and the tides were at their peak; the great rivers of eastern Bengal were full of monsoon rain. In the early hours the inhabitants of the coast and islands were overtaken by an immense wave from the Bay of Bengal -- a wall of water that reached a height of 40 feet in some places. The wave swept away everything in its path, drowning around 215,000 people. At least another 100,000 died in the cholera epidemic and famine that followed. It was the worst calamity of its kind in recorded history. Such events are often described as "natural disasters." Kingsbury turns that interpretation on its head, showing that the cyclone of 1876 was not simply a "natural" event, but one shaped by all-too-human patterns of exploitation and inequality -- by divisions within Bengali society, and the enormous disparities of political and economic power that characterized British rule on the subcontinent. With Bangladesh facing rising sea levels and stronger, more frequent storms, there is every reason to revisit this terrible calamity. An Imperial Disaster is troubling but essential reading: history for an age of climate change.

AMNESTY

A NOVEL

Simon and Schuster An “urgent and significant book [that] speaks to our times” (The New York Times Book Review) from the bestselling, Man Booker Prize-winning author of *The White Tiger* and *Selection Day* about a young illegal immigrant who must decide whether to report crucial information about a murder—and thereby risk deportation. Danny—formerly Dhananjaya Rajaratnam—is an illegal immigrant in Sydney, Australia, denied refugee status after he fled from Sri Lanka. Working as a cleaner, living out of a grocery storeroom, for three years he’s been trying to create a new identity for himself. And now, with his beloved vegan girlfriend, Sonja, with his hidden accent and highlights in his hair, he is as close as he has ever come to living a normal life. But then one morning, Danny learns a female client of his has been murdered. The deed was done with a knife, at a creek he’d been to with her before; and a jacket was left at the scene, which he believes belongs to another of his clients—a doctor with whom Danny knows the woman was having an affair. Suddenly Danny is confronted with a choice: Come forward with his knowledge about the crime and risk being deported? Or say nothing, and let justice go undone? Over the course of this day, evaluating the weight of his past, his dreams for the future, and the unpredictable, often absurd reality of living invisibly and undocumented, he must wrestle with his conscience and decide if a person without rights still has responsibilities. “Searing and inventive,” Amnesty is a timeless and universal story that succeeds at “illuminating the courage of displaced peoples and the cruelties of those who conspire against them” (Star Tribune, Minneapolis).

NUMISMATIC LITERATURE

INDIAN NAVAL STRATEGY IN THE TWENTY-FIRST CENTURY

Routledge This is the first academic study of India’s emerging maritime strategy, and offers a systematic analysis of the interplay between Western military thought and Indian maritime traditions. By a quirk of historical fate, Europe embarked on its Age of Discovery just as the main Asian powers were renouncing the sea, ushering in centuries of Western dominance. In the 21st century, however, Asian states are once again resuming a naval focus, with both China and India dedicating some of their new-found wealth to building powerful navies and coast guards, and drawing up maritime strategies to govern the use of these forces. The United States, like the British Empire before it, is attempting to manage these rising sea powers while preserving its maritime primacy. This book probes how India looks at the sea, what kind of strategy and seagoing forces New Delhi may craft in the coming years, and how Indian leaders may use these forces. It examines the material dimension, but its major premise is that navies represent a physical expression of a society’s history, philosophical traditions, and culture. This book, then, ventures a comprehensive appraisal of Indian maritime strategy. This book will be of interest to students of sea power, strategic studies, Indian politics and Asian Studies in general. James R. Holmes is an Associate Professor of Strategy at the U.S. Naval War College and a former U.S. Navy surface warfare officer. Toshi Yoshihara is an Associate Professor in the Strategy and Policy Department at the Naval War College. Andrew C. Winner is Professor in the Strategic Research Department at the U.S. Naval War College.

DAUGHTER’S DAUGHTER

Penguin Books India

THE JOURNAL OF THE NUMISMATIC SOCIETY OF INDIA

INDIA’S NAVAL DIPLOMACY

CONTOURS AND CONSTRAINTS

Taylor & Francis This book studies India’s evolving naval engagements with other nations of the Indian Ocean region. It traces the growth of the Indian Navy and discusses its role as an instrument of meeting national objectives, particularly for furthering foreign policy. The volume analyses themes such as Indian Navy’s (IN) transition from a brown water to blue water force, Indian maritime debates and doctrines, naval ‘bridge-building’ missions, and Sino-Indian maritime competitions. It examines Indian Navy’s regional roles within the broader framework of its diplomatic objectives in particular regions and looks at how keen regional states are to accept India as a crisis manager and would allow it to build a regional maritime security architecture. The author also discusses state control over naval diplomatic roles and investigates if Indian Navy can effectively hedge extra-regional, mainly Chinese, involvement in the Indian Ocean. An important study of India’s naval prowess, this book will be indispensable to students and researchers of political science, international relations, maritime and naval studies, strategic studies, geopolitics, defence studies, conflict studies, diplomacy, Indian Ocean studies, South Asian studies and those interested in India-China maritime rivalry.

PEACOCK IN THE SNOW

Manjul Publishing Born to privilege and wed to her high school sweetheart Veer, a free-spirited may a feels trapped in a conventional upper-class family in India, weighed down by suffocating patriarchal expectations. Claustrophobic within the dark walls of the mansion in which she lives with Veer, she starts living precariously through the threads of her curiosity. This curiosity leads Maya to unearth a dark family secret – a brutal ancestral murder – which begins to haunt her and also affect her marriage. To escape the malicious spirits lingering in the house, Maya and her family move to Canada and discover the hardship and bounty that the new land offers. As she tries to rebuild her life amidst the struggles of settling in a new country, her relationship with Veer is tested beyond its limits. Not knowing that the ghosts of their past have followed them, Maya is put to a final test. She realizes that the only way to overcome past wrongs is to face them. In a race against time and armed with conviction and hope, Maya sets out to face the dark forces that lie in wait. This is a unique, genre-defying thriller about the power of an eternal love, which survives through three generations of heartbreak, across two continents and speaks about the tireless and infinite capacity of the human spirit to love, hope, strive and succeed despite impossible obstacles.

BABA AMTE, A BIOGRAPHY

This comprehensive biography of Baba Amte has been written by the author after a close association with the Amte family and the communes of Anandwan. She was fortunate to have stayed and closely interacted with the ailing Baba Amte and his family for long periods, during many of her visits to the ashram. The biography is an attempt to narrate the awesomely motivational story of Baba Amte to the urban youth who are straying westwards for inspiration while icons like Baba Amte have remained obscure to them.

LINGUISTIC RIVALRIES

TAMIL MIGRANTS AND ANGLO-FRANCO CONFLICTS

Oxford University Press Linguistic Rivalries weaves together anthropological accounts of diaspora, nation, and empire to explore and analyze the multi-faceted processes of globalization characterizing the migration and social integration experiences of Tamil-speaking immigrants and refugees from India and Sri Lanka to Montréal, Québec in the late twentieth and early twenty-first centuries. In Montréal, a city with more trilingual speakers than in any other North American city, Tamil migrants draw on their multilingual repertoires to navigate longstanding linguistic rivalries between anglophone and francophone, and Indian and Sri Lankan nationalist leaders by arguing that Indians speak "Spoken Tamil" and Sri Lankans speak "Written Tamil" as their respective heritage languages. Drawing on ethnographic, archival, and linguistic methods to compare and contrast the communicative practices and language ideologies of Tamil heritage language learning in Hindu temples, Catholic churches, public schools, and community centers, this book demonstrates how processes of sociolinguistic differentiation are mediated by ethnonational, religious, class, racial, and caste hierarchies. Indian Tamils showcase their use of the "cosmopolitan" sounds and scripts of colloquial varieties of Tamil to enhance their geographic and social mobilities, whereas Sri Lankan Tamils, dispossessed of their homes by civil war, instead emphasize the "primordialist" sounds and scripts of a pure "literary" Tamil to rebuild their homeland and launch a "global" critique of racism and environmental destruction from the diaspora. This book uses the ethnographic and archival study of Tamil mobility and immobility to expose the mutual constitution of elite and non-elite global modernities, defined as language ideological projects in which migrants objectify dimensions of time and space through scalar metaphors.

ANNUAL BIBLIOGRAPHY OF INDIAN ARCHAEOLOGY

VOLUME XXII FOR THE YEARS 1967-1969

Springer Science & Business Media When in 1925 the initiative was taken by the Kern Institute Leiden to start the publica tion of an Annual Bibliography of Indian Archaeology, the Board of the Institute could do so with confidence, as it was sure of the assistance of scholars all over the world as to the supply of publications as well as of information. With the help of this material a bibliography could be compiled by a small team of highly skilled archaeologists who could devote part of their time and attention to such a task for the benefit of their colleagues in all parts of the world. Times since then have changed, and circumstances have become less and less favourable. To find classified labour for the compilation and editing of such a bibliography has become extremely difficult, and this the more so as this work cannot be paid in accordance with the standards for this branch of classified documentation. The work has to be done as a part of the daily routine work even a scholar in today's time is expected to perform, and which he cannot but consider as being detrimental to the performing of those parts of his work, that demand the use of those qualifications that actually make him the expert.

A CARAVAN FROM HINDUSTAN

THE COMPLETE BIRBAL TALES FROM THE ORAL TRADITIONS OF INDIA

Xlibris Corporation For five centuries, Birbal has been one of the best-loved figures in the folklore of India. Polished like gemstones in the river of time, The Birbal Tales wit and insight have delighted children and grownups from Kerala to Kashmir. Now the complete collection comes to the West, after years of loving research and creative, and historically accurate, restoration. Moseleys Birbal Tales have won The National Writers Club First Prize for Fiction and the University of Southern Louisianas First Prize for Juvenile Fiction. This timeless classic is a wonderful gift for children and a treasury of humor and wisdom for adults. Testimonials Absolutely beautiful. I can see why you have a devoted following. - Duval Y. Hecht, President, BOOKS ON TAPE, INC. I have read Moseley's Birbal Tales and must say I was utterly enchanted. The stories are beautifully retold in a style that is not only charming in English but could have come straight from a collection of Persian tales at the Mughal court. Moseley has certainly captured the fantasy court world in which stories of this type are usually cast. He continues in the finest tradition of the Mughal qissagu (storyteller). I trust he will offer more volumes in this collection to the undoubted delight of his readers. - Wheeler M. Thackston, Professor of the Practice in Persian and Other Near Eastern Languages, HARVARD UNIVERSITY Delightful! - Swapna Vora, Editor, INDIAN EXPRESS, North American Edition At a time when thousands of intellectuals and professionals are migrating from India to the USA in search of wealth, Moseley has traveled to India to collect priceless gems from her immortal tradition and folk wisdom. Devoid of any high-sounding Brahmanic dogma, these tales have entertained and taught people of all levels for hundreds of years. Rendered again in the most lucid style, reading these tales is like reliving one's childhood. The book will fill the void for Indians now living in Diaspora and will give a new dimension of India to its Western readers. - Ved Prakash Vatuk, D. Litt, Director FOLKLORE INSTITUTE, Berkeley & Former Professor of Folklore, UC Berkeley It is so rare to have a book that will charm children, please adult readers, satisfy curiosity about foreign folk tales, and inform any reader regarding a different culture. But here is a book that does it all. - Ted Maas, ALLIANCE HOUSE, INC. James Moseleys collection of Birbal Tales capture the wit and wisdom of the famous Indian courtier while maintaining the simple poetry of those told orally for generations across India. - Maryann Mahajan, INDIA POST.COM Moseleysprose evokes the magical world of Akbars courtin witty, charming stories, which are still popular with children in India. Historical notes are appended. - BOOKLIST There are so many wonderful books for very young children, but there is too little good literature for middlelings from age seven to eleven. This book, which adults can enjoy as well as children, brings praises from a Harvard Professor to a Hollywood Producer. Interestingly, although the tales are indeed charming and amusing, they are not fictional, but true stories of a wise man who really lived in long ago India in the palace of the Emperor Akbar. Birbal served his Emperor with wit and wisdom, and he became so renowned that even today parents and grandparents use these clever adventures as morality tales. - IndoLink.com This book is very promising. - Vandana Kumar, Editor, INDIA CURRENTS MAGAZINE, California Traveling throughout India for many years, the author collected many tales from the oral tradition surrounding the 14th-century

Great Mughal Emperor, Akbar, and his wise advisor, the commoner Birbal. These short sto

DYNAMICS OF SOILS AND THEIR ENGINEERING APPLICATIONS

CRC Press The book offers systematic dynamic analysis of soils and their engineering applications, including machine foundations, and aims to develop a clear understanding of the subject. It comprises sixteen chapters. Chapter 1 introduces the reader to the various problems in soil dynamics. In Chapter 2, concepts of theory of vibrations are discussed along with their applications in designing Vibration Absorbers and Pickups. Wave propagation in elastic medium including wave refraction in layered medium is covered in Chapter 3. Chapter 4 deals with the procedure of determining dynamic properties of soils using various laboratory and field tests. Dynamic earth pressures in retaining walls and dynamic bearing capacity of footings are dealt with in Chapters 5 and 6 respectively. Chapters 7 and 8 respectively deal with dynamic behavior of pile foundations and slopes. Causes of liquefaction of soils and prediction of liquefaction potential have been discussed in Chapter 9. In Chapter 10, the procedure of estimating the unbalanced forces in various types of machines are covered. Chapters 11, 12 and 13 deal with the analysis and design of foundations of reciprocating machine, hammer, and turbo-generators respectively. In Chapter 14, problems of vibration isolation and screening are dealt with. Chapter 15 discusses the analysis and design of reinforced earth wall located in seismic areas. A new concept of a conventional rigid retaining wall having reinforced backfill is presented in Chapter 16, giving complete analysis and design procedure considering seismic forces.

MOM SAYS: GET MARRIED

Diamond Pocket Books Pvt Ltd Marriage was always going to be an inescapable eventuality for Ajay Shroff. For a Gujarati, at the age of 26, he is anyways late on the matrimonial circuit. By the time he is 28, he is officially an antique. Everyone around him is doing their best to arrange his marriage. Spearheading the movement is his Mother. Too bad he cannot get over his "gamophobia". He goes weak in the knees thinking about the torture he is subjected to when he meets girls on 'arranged dates'. When he narrates his harrowing incidents to anyone willing to listen (or read), he unfailingly finds his audience on the floor rolling with laughter. The horror of his pre-matrimonial mis-adventures is a source of great entertainment for those around him. The world of bio-datas, internet profiles, photoshoped pictures and oh yes, horoscopes, is fraught with uncertainty, calamity and disaster. If only people could stop laughing at Ajay's plight! How he wishes for a romantic fairy-tale of how he met his wife. How he wishes he wasn't getting married just because his Mom says, "Get Married!"

MOLECULAR AND CELLULAR BIOLOGY OF PATHOGENIC TRYPANOSOMATIDS
