The Monsters Know What They're Doing Combat Tactics for Dungeon Masters

Simon and Schuster From the creator of the popular blog The Monsters Know What They're Doing comes a compilation of villainous battle plans for Dungeon Masters. In the course of a Dungeons & Dragons game, a Dungeon Master has to make one decision after another in response to player behavior—and the better the players, the more unpredictable their behavior! It's easy for even an experienced DM to get bogged down in on-the-spot decision-making or to let combat devolve into a boring slugfest, with enemies running directly at the player characters and biting, bashing, and slashing away. In The Monsters Know What They're Doing, Keith Ammann lightens the DM's burden by helping you understand your monsters' abilities and develop battle plans before your fifth edition D&D game session begins. Just as soldiers don't whip out their field manuals for the first time when they're already under fire, a DM shouldn't wait until the PCs have just encountered a dozen bullywugs to figure out how they advance, fight, and retreat. Easy to read and apply, The Monsters Know What They're Doing is essential reading for every DM.

Tales From the Yawning Portal

Wizards of the Coast Within this tome are seven of the most compelling dungeons from the 40+ year history of Dungeons & Dragons. D&D's most storied dungeons are now part of your modern repertoire of adventures. Enjoy, and remember to keep a few spare character sheets handy. **DREAD TALES TOLD IN THE DEAD OF NIGHT** When the shadows grow long in Waterdeep and the fireplace in the taproom of the Yawning Portal dims to a deep crimson glow, adventurers from across the Forgotten Realms, and even from other worlds, spin tales and spread rumors of dark dungeons and lost treasures. Some of the yarns overheard by Durnan, the barkeep of the Yawning Portal, are inspired by places and events in far-flung lands from across the D&D multiverse, and these tales have been collected into a single volume. For use with the fifth edition Player's Handbook®, Monster Manual®, and Dungeon Master's Guide®, this book provides fans with adventures, magic items and deadly monsters, all of which have been updated to the fifth edition rules. Explore seven deadly dungeons in this adventure supplement for the world's greatest roleplaying game. **Tales from the Yawning Portal Includes the Following Adventures:** Against the Giants Dead in Thay Forge of Fury Hidden Shrine of Tamoachan Sunless Citadel Tomb of Horrors White Plume Mountain

The Adventure Zone: Here There Be Gerblins

First Second Books Okay. Harken to my tale. Once upon a time (a couple of years ago) there were these brothers who had a bunch of really successful podcasts, and they decided to do a new podcast with their dad, where they all played D&D together as a family, and lo, this new podcast was called The Adventure Zone, and verily did it get downloaded over 10 million times, and wow did it totally eat the brains of all who listened, because: It was just. That. Rad. AND THEN did these guys team up with artist Carey Pietsch, and make a graphic novel where the weirdly sweet and brilliant but also super SUPER vulgar and honestly kind of bizarre story of The Adventure Zone got adapted into a goofy, innovative, and compelling graphic novel! Let no man deny that it was the best idea ever, right? Reader, we're publishing it.

Craft Lessons

Teaching Writing K-8

Stenhouse Pub Since its publication in 1998 Craft Lessons has become a mainstay of writing teachers, both new and experienced. Readers value the pithy, practical lessons—each printed on one page—and appreciate the instructional language geared to three grade-level groupings: K-2, 3-4, and 5-8. In the decade since Craft Lessons' publication the world has changed in many ways, yet one thing has remained constant: teachers continue to feel starved for time. With new curriculum mandates, daily specials, "pull-outs," and precious time devoted to test preparation, the situation has never been worse, and the need for a succinct resource like Craft Lessons has never been greater. The features that made Craft Lessons so valuable have been augmented. This edition includes: Seventeen brand new craft lessons; many based on veteran teachers' observations about typical student writing. Revisions to other craft lessons: model texts that have gone out of print have been replaced with current titles, and the resource materials sections have been expanded. New thinking about teaching elements of craft and the reading-writing connection. Two new indexes: a handy subject index to make it easier to find specific craft lessons, and an index that shows how these craft lessons can be integrated into Ralph and JoAnn's curriculum resource on the "qualities of writing"—Ideas, Design, Language, and Presentation. The 95 lessons in this book provide a wealth of information for teaching leads, character, endings, stronger verbs, and much more. This new edition reestablishes Craft Lessons as the crucial "desert island book" for harried writing teachers everywhere.
