Scientific and Pastoral Perspectives on Intercessory Prayer

An Exchange Between Larry Dossey, MD, and Health Care Chaplains

[Routledge](#) Many people agree that prayer is a central feature of spiritual life. But what is prayer? Scientific and Pastoral Perspectives on Intercessory Prayer: An Exchange Between Larry Dossey, MD, and Health Care Chaplains explores common questions and concerns about intercessory prayer, or the act of praying for the benefit of others, from several different points of view. Chaplains, priests, ministers, and clergy in the health care profession will learn how prayer is examined from sources other than traditional Christian views, such as parapsychology. From Scientific and Pastoral Perspectives on Intercessory Prayer, you will learn what prayer means to some chaplains and to their ministry and how prayer can make drastic changes in the lives of your parishioners, patients, and their families. Written by eight chaplains, the articles in this text are in response to an essay by Larry Dossey, a nationally known physician who speaks and writes about prayer. The contributors to Scientific and Pastoral Perspectives on Intercessory Prayer discuss his points of view on intercessory prayer, which are based on quantum physics. You will learn if this area of physics can make a difference in how you practice your faith, how you worship, and what you think about or expect from prayer. Scientific and Pastoral Perspectives on Intercessory Prayer examines several other topics related to prayer, including: discovering whether or not intercessory prayer is truly different from other methods of meditation exploring the relationship between intercessory prayer and meditative or praise prayer linking prayers and their results to the expectations or intentions of those who engage in them differentiating between an intercession and a wish deciding for yourself what constitutes evidence or proof when discussing the aspects of prayer how our opinion of prayer relates to how we think about the universe and about God Since Scientific and Pastoral Perspectives on Intercessory Prayer focuses on the cooperation between science and theology, you will discover that, in many instances, people believe that the power of prayer should be taken seriously. This text also shows you how the questions and functions of prayer are shared by everyone, despite religious differences or methods of praying. Encompassing research and personal experiences, Scientific and Pastoral Perspectives on Intercessory Prayer will help you answer questions about religion and its role in the lives of parishioners, patients, and clergy, as well as provide you with evidence to the positive and healing power of prayer.

Water of the Word

Intercession for Her

[Andrew Case](#) A practical prayer-book designed to help husbands intercede for their wives consistently and biblically. "Blessed is the wife whose husband offers prayers on her behalf such as those in this book."-DONALD S. WHITNEY, author of "Spiritual Disciplines for the Christian Life""For husbands, or men desiring to fill God's noble calling to love their wives as Christ loved the church and gave himself up for her, Water of the Word provides not only a biblical framework, replete with verses to focus one's attention and catalyze one's spiritual thinking, but also beautiful prose to stir the soul of devotional prayer. More than a guidebook, it is rather a springboard to a deepening love relationship with God and with one's wife. I have used this book personally, as well as for a devotional guide for the Marriage Enrichment class here at Southern Seminary. A book to savor, reflect on, and then offer prayers from a pure heart and clear conscience."-WILLIAM R. CUTRER M.D., author of "Sexual Intimacy in Marriage""Andrew Case has provided an ingenious and glorious tool for Christian husbands, one that has the potential of binding husbands and wives ever closer together while these prayers seek more intimate relationship between their wives and their God. By employing themes, principles, promises, and pleas from Scripture itself, Case has crafted hundreds of rich and meaningful prayers that any and every Christian husband can pray for his own wife. What power and insight one finds in these prayers, along with beauty and variety. Husbands here are led not only into specific prayers for their wives that focus on the central and most significant needs they have as women, but they are led also to cultivate better the habit of praying for their wives, and through this assisting the spiritual growth of those closest to them in all of life."-BRUCE A. The Breaker Anointing

Discover How Our Gate-Crashing, Wall-Breaking God Brings Victory to Every Area of Life

Jesus is the Breaker who goes before us. There is no route, no wall, no spiritual oppression that God cannot open or break through. The author says that He is a gate-crashing, wall-breaking, obstacle-removing God. Breakthrough is something that we cannot do for ourselves. We need Jesus to do it for us. Strike the Mark

Powerfully Targeted Prayers for Victory and Breakthrough

[Whitaker House](#) Prayers that strike the mark are specific prayers authorized by the Holy Spirit and endowed with divine power to accomplish the will of God in your life and for the needs of the world. On the cross, Jesus fulfilled the ultimate answer to all of our prayers, but He awaits our invitation to come into our situations and circumstances. When people of prayer intercede, they create a meeting place between the heavenly Father and His children. God comes upon the person who is praying and moves them from the natural to the supernatural. Empowered by God, the intercessor has the authority to cut down enemy forces and pick out "targets" for God's lightning bolts of glory, bringing victory and breakthrough. Intercession could be called "extreme prayer" because it links extreme needs with the extraordinary power of God. Inserting ourselves into the gap between God and a need, we call upon the Holy Spirit, our Helper, who is ready to move us from finite ability to infinite ability, take hold of difficult situations, and help accomplish the will of God. We have the great honor of being called to "paint targets" on cities, churches, ministries, family members, contemporary "Sauls" (those who persecute or cause difficulty), and even ourselves. Our believing, persistent prayers will Strike the Mark! "He covers His hands with the lightning, and commands it to strike the mark" (Job 36:32 NASB).

It is my intense desire that intercessors and the church as a whole ascend in prayer for such a time as this. May you ascend the heights in prayer and touch heaven. "As we approach the return of Christ, and as this global movement of heaven-touching prayer continues to impact every part of our planet, I believe God will give the church prayer strategists like Debbie Przybylski who will receive profound insights into the depth and impact of these prayers. Ascending the Heights in Prayer is an excellent guide accomplishing precisely this. I cannot recommend this book more highly. It is a guide prepared through a lifetime of the author's prayer experiences that will provide any intercessor, young or old, rich treasures that will transform his or her prayer life. Ascending the Heights in Prayer reminds all followers of Jesus that prayer is the natural result of a living relationship with God and that from this relationship we each can become world-changers... As you soak in these pages (and I pray you will) I am certain you will be refreshed in your resolve to approach God's throne, ascending ever higher and higher into the riches of His infinite presence... Read this book today. Don't miss another moment. And then invite others to join you on this joyful journey to new heights in the presence of our wonderful Lord. DICK EASTMAN, International President, Every Home for Christ "This is not a manual on how to do prayer. This is a book that is written from the experience, and with the passion of someone who believes in prayer and allows that belief to permeate her life. I don't know of anyone I have shared this book with who has not been touched and encouraged by it." REV. FIDEL PATRON, Pastor, Gibraltar "Yes!--I read the book! And, I plan to read it again, and again, and again!" OLIVIA M. MCDONALD, Professor, School of Communication and the Arts, Regent University
