The Lost Princess Of Oz By L. Frank

Baum AKA Edith Van Dyne)

BEYOND BOOKS HUB Princess Ozma is missing! When Dorothy awakens one morning to discover that the beloved ruler of the Land of Oz has disappeared, all of the Emerald City's most celebrated citizens join in the search for the lost princess. But Ozma isn't all that's gone missing. The magical treasures of Oz have disappeared, too, including the Magic Picture, the Wizard's black bag, and even Glinda's Great Book of Records. With no clues to guide them, Ozma's friends separate into four search parties and spread out across their vast country in a desperate quest for their absent ruler. Deep in the Winkle Country, Dorothy's search party is soon joined by Cayke the Cookie Cook, who has lost a magic gold dishpan, and the amazing Frogman, a man-sized frog who walks on his hind legs. Together with these new allies, Ozma's friends learn that their valued possessions aren't missing but have been stolen by a mysterious villain. If their new foe is powerful enough to steal Princess Ozma and all of their magical treasures, how will they defeat him with no magic of their own? In this 1917 addition to the Oz series, L. Frank Baum delights readers of all ages with a spellbinding mystery that involves nearly every one of the amazing cast of characters that populate America's favorite fairyland. This handsome new edition--featuring all twelve of Oz artist John R. Neill's beautiful color plates and nearly one hundred black-and-white drawings--is the perfect way to join Dorothy and her friends on this exciting journey through the endlessly intriguing Land of Oz. When Dorothy awakens one morning to discover that the beloved ruler of the Land of Oz has disappeared, all of the Emerald City's most celebrated citizens join in the search for the lost princess. This exciting mystery -- featuring the twelve original color plates and one hundred drawings -- involves nearly every one of the amazing cast of characters that populate America's favorite fairyland.

A Fairy Tale

The Viking Princess (Novel Study)

Rainbow Horizons Publishing The Viking Princess is about a twelve-year-old girl named Edith Valgardsdottir, who is expected to tend the family's sheep and clear

rocks from her father's fields. But Edith dreams of exploring glorious new worlds, and becoming a leader of her people. Trapped aboard a Viking ship, Edith suddenly has the unwelcomed opportunity of being among the first of her village to explore the far-off coast of Markland (Labrador). That is, if she can survive her first encounters with the crew of the *Signe*. Capture first-hand the flavor and spirit of life with the Norsemen. This Novel Study provides a teacher and student section with a variety of activities, chapter questions, crossword, word search, and answer key to create a well-rounded lesson plan.

Edith Summerskill

The Life and Times of a Pioneering

Feminist Labour MP

Bloomsbury Publishing Edith Summerskill was a remarkable politician, feminist, physician, campaigner and writer. At a time when there were few powerful women in public life, Dr Edith, as she was known, served in Clement Attlee's transformational post-war Labour government and oversaw the National Insurance scheme which solidified the welfare state in Britain. Here, Labour MEP Mary Honeyball, provides the first biography of this remarkable early pioneer for women in politics. Honeyball shows how Edith Summerskill's direct campaigning was instrumental in promoting women's causes throughout her life and lays out her remarkable achievements in securing the equal rights of housewives and divorced women over property. This is an uplifting and enlightening account of a forgotten Labour hero.

The Chap-book

Edith

The Rogue Rockefeller McCormick

Southern Illinois University Press Chicago's quirky patron saint This thrilling story of a daughter of America's foremost industrialist, John D. Rockefeller, is complete with sex, money, mental illness, and opera divas—and a woman who strove for the independence to make her own choices. Rejecting the limited gender role carved out for her by her father and society, Edith Rockefeller McCormick forged her own path, despite pushback from her family and ultimate financial ruin. Young Edith and her siblings had access to the best educators in the world, but the girls were not taught how to handle the family money; that responsibility was reserved for their younger brother. A parsimonious upbringing did little to prepare Edith for life after marriage to Harold McCormick, son of the Reaper King Cyrus McCormick. The rich young couple spent lavishly. They purchased treasures like the jewels of Catherine the Great, entertained in grand style in a Chicago mansion, and contributed to the city's cultural uplift, founding the Chicago Grand Opera. They supported free health care for the poor, founding and supporting the John R. McCormick Memorial Institute for Infectious Diseases. Later, Edith donated land for what would become Brookfield Zoo. Though she lived a seemingly enviable life, Edith's disposition was ill-suited for the mores of the time. Societal and personal issues—not least of which were the deaths of two of her five children—caused Edith to experience phobias and panic attacks. Dissatisfied with rest cures, she ignored her father's expectations, moved her family to Zurich, and embarked on a journey of education and self-examination. Edith pursued analysis with then-unknown Carl Jung. Her generosity of spirit led Edith to become Jung's leading patron. She also supported up-and-coming musicians, artists, and writers, including James Joyce as he wrote Ulysses. While Edith became a Jungian analyst, her husband, Harold, pursued an affair with an opera star. After returning to Chicago and divorcing Harold, Edith continued to deplete her fortune.

She hoped to create something of lasting value, such as a utopian community and affordable homes for the middle class. Edith's goals caused further difficulties in her relationship with her father and are why he and her brother cut her off from the family funds even after the 1929 stock market crash ruined her. Edith's death from breast cancer three years later was mourned by thousands of Chicagoans. Respectful and truthful, Andrea Friederici Ross presents the full arc of this amazing woman's life and expertly helps readers understand Edith's generosity, intelligence, and fierce determination to change the world

Between Women

Friendship, Desire, and Marriage in Victorian England

Princeton University Press Women in Victorian England wore jewelry made from each other's hair and wrote poems celebrating decades of friendship. They pored over magazines that described the dangerous pleasures of corporal punishment. A few had sexual relationships with each other, exchanged rings and vows, willed each other property, and lived together in long-term partnerships described as marriages.

*But, as Sharon Marcus shows, these women were not seen as gender outlaws. Their desires were fanned by consumer culture, and their friendships and unions were accepted and even encouraged by family, society, and church. Far from being sexless angels defined only by male desires, Victorian women openly enjoyed looking at and even dominating other women. Their friendships helped realize the ideal of companionate love between men and women celebrated by novels, and their unions influenced politicians and social thinkers to reform marriage law. Through a close examination of literature, memoirs, letters, domestic magazines, and political debates, Marcus reveals how relationships between women were a crucial component of femininity. Deeply researched, powerfully argued, and filled with original readings of familiar and surprising sources, *Between Women* overturns everything we thought we knew about Victorian women and the history of marriage and family life. It offers a new paradigm for theorizing gender and sexuality--not just in the Victorian period, but in our own.*

The Shadow Queen

A Novel of Wallis Simpson, Duchess of Windsor

*Crown King Edward VIII abdicated his throne for her in one of the world's great love stories – but who was Wallis Simpson? Born into a poor southern family but taken in by rich relatives, Wallis Simpson was raised as a socialite. Between family conflicts and debutante balls, she and her friends dream of their future husbands, and like millions of girls worldwide, dream of Prince Edward, the heir to the British throne who would someday be king. Beloved author Rebecca Dean imagines the early life of Wallis Simpson, her triumphs and heartbreaks, and the making of the twice divorced, nearly destitute woman who captured a king's heart and changed the course of history. Set against a background of high society, royal circles, and diplomatic intrigue, *The Shadow Queen* features one of the most fascinating and controversial women of the 20th century.*

Edith Cavell and her Legend

Springer This book examines the myriad identities and portrayals of Edith Cavell, as they have been constructed and handed down by propagandists, biographers and artists. Cavell was first introduced to the British public through a series of Foreign Office statements which claimed to establish the "facts" of her case. Her own voice, along with those of her family, colleagues and friends, were muted, as a monolithic image of a national heroine and martyr emerged. The book identifies two main areas of tension in her commemoration: firstly, the contrast between complexity of her own behaviour and motivations and the simplicity of the "Cavell Legend" that was constructed around her; and, secondly, the mismatch between the attempts of individuals and professional organisations to commemorate her life and work, and the public construction of a "heroine" who could be of value to the nation state.

The Purple Strangers, the Original Short Story

(Edith Nesbit Masterpiece Collection)

CreateSpace THE Princess and the gardener's boy were playing in the back yard. "What will you do when you grow up, Princess?" asked the gardener's boy. "I should like to marry you, Tom," said the Princess. "Would you mind?" "No," said the gardener's boy. "I shouldn't mind much. I'll marry you if you like - if I have time." For the gardener's boy meant, as soon as he was grownup, to be a general and a poet and a Prime Minister and an admiral and a civil engineer. Meanwhile he was top of all his classes at school, and tip-top of the geography class.

Dodo Wonders

Read Books Ltd Dodo is one of Benson's most loved characters, a queen of London high society who in this volume must come face to face with the challenges and changes of the First World War. This book was originally published in 1921. We are republishing it here with a new introductory biography of the author.

The Secret to Southern Charm

Simon and Schuster A 2018 Spring Okra Pick USA TODAY Happy Ever After's Best Women's Fiction Southern Living's Most Anticipated Beach Reads of 2018 Deep South Magazine's Summer Reading List Raleigh News & Observer's "The Best Reads of Summer" Charlotte Observer's "Summer's Best Books" New York Live's "Ashley's A-List" Pick Leaving fans "practically [begging] for a sequel" (Bookpage), critically acclaimed author Kristy Woodson Harvey returns with the second novel in her beloved Peachtree Bluff series, featuring a trio of sisters and their mother who discover a truth that will change not only the way they see themselves, but also how they fit together as a family. After finding out her military husband is missing in action, middle sister Sloane's world crumbles as her worst nightmare comes true. She can barely climb out of bed, much less summon the strength to be the parent her children deserve. Her mother, Ansley, provides a much-needed respite as she puts her personal life on hold to help Sloane and her grandchildren wade through their new grief-stricken lives. But between caring for her own aging mother, her daughters, and her grandchildren, Ansley's private worry is that secrets from her past will come to light. But when Sloane's sisters, Caroline and Emerson, remind Sloane that no matter what, she promised her husband she would carry on for their young sons, Sloane finds the support and courage she needs to chase her biggest dreams—and face her deepest fears. Taking a cue from her middle daughter, Ansley takes her own leap of faith and realizes that, after all this time, she might finally be able to have it all. Harvey's signature warmth and wit make this a charming and poignant story of first loves, missed opportunities, and second chances and proves that she is "the next major voice in Southern fiction" (Elin Hilderbrand, New York Times bestselling author).
