Gifts of the Heart

[Penguin](#) **Beloved author-illustrator Patricia Polacco's** holiday story is a wonderful ode to the magic of family, Christmas, and giving the right kind of gifts—gifts filled with love. **Richie and Trisha** want to buy Christmas gifts for their family, but they don't have enough money. Enter Kay Lamity, a new housekeeper . . . but is that all she is? She comes into their lives like a whirlwind, brimming with positive energy and a can-do attitude. Kay not only straightens them out when it comes to whether or not Santa Claus is real, she teaches them something about gifts: the just-good-enough kind that come from the pocketbook and the unforgettable kind that come from the heart. Because of Kay, Trisha and Richie—and the family—have a Christmas morning they will never forget. Celebrating the joy of homemade gifts, Patricia Polacco introduces readers to a new character who is truly a force of nature in this story reminiscent of Christmas Tapestry and An Orange for Frankie. This is a magical Christmas story the author swears is true, right down to the sleigh tracks on the farmhouse roof!

The Deliberate Dumbing Down of America

A Chronological Paper Trail

In this book you will discover "how good teachers across America have been forced to use controversial, non-academic methodology in their classrooms; how "school choice" is being used to further dangerous reform goals, and how home schooling and private education are especially vulnerable; how workforce training (school-to-work) is an essential part of an overall plan for a global economy, and how this plan will shortcircuit your child's future career plans and opportunities; [and] how the international, national, regional, state and local agendas for education reform are all interconnected and have been for decades. The deliberate dumbing down of America is a chronological history of the past 100+ years of education reform. Each chapter takes a period of history and recounts the significant events, including important geopolitical and societal contextual information. Citations from government plans, policy documents, and key writings by leading reformers record the rise of the modern education reform movement"--Website: <http://www.deliberatedumbingdown.com/book.htm>.
