To Catch an Heiress

Harper Collins When Caroline Trent is kidnapped by Blake Ravenscroft, she doesn't even try to elude this dangerously handsome agent of the crown. After all, she's been running from unwanted marriage proposals. Yes, Blake believes she's a notorious spy named Carlotta De Leon, but for six weeks until her twenty-first birthday, when she'll gain control of her fortune, hiding out in the titillating company of a mysterious captor is awfully convenient -- and maybe just a little romantic, too. Blake Ravenscroft's mission is to bring "Carlotta" to justice, not to fall in love. His heart has been hardened by years of intrigue, but this little temptress proves oddly disarming and thoroughly kissable. And suddenly the unthinkable becomes possible -- that this mismatched Couple might be destined for love.

How to Marry a Marquis

The Lost Duke of Wyndham

Harper Collins Jack Audley has been a highwayman. A soldier. And he has always been a rogue. What he is not, and never wanted to be, is a peer of the realm, responsible for an ancient heritage and the livelihood of hundreds. But when he is recognized as the long-lost son of the House of Wyndham, his carefree life is over. And if his birth proves to be legitimate, then he will find himself with the one title he never wanted: Duke of Wyndham. Grace Eversleigh has spent the last five years toiling as the companion to the dowager Duchess of Wyndham. It is a thankless job, with very little break from the routine . . . until Jack Audley lands in her life, all rakish smiles and debonair charm. He is not a man who takes no for an answer, and when she is in his arms, she's not a woman who wants to say no. But if he is the true duke, then he is the one man she can never have . . .

Brighter Than the Sun

Harper Collins When Charles Wycombe, the dashing and incorrigible Earl of Billington, toppled out of a tree and landed at Ellie's feet, neither suspected that such an inauspicious meeting would lead to marriage. But Charles must find a bride before his thirtieth birthday or he'll lose his fortune. And Ellie needs a husband or her father's odious fiancée will choose one for her. And so they agree to wed, even though their match appears to have been made somewhere hotter than heaven ... Ellie never dreamed she'd marry a stranger, especially one with such a devastating combination of rakish charm and debonair wit. She tries to keep him at arm's length, at least until she discovers the man beneath the handsome surface. But Charles can be quite persuasive -- even tender -- when he puts his mind to it, and Ellie finds herself slipping under his seductive spell. And as one kiss leads to another, this unlikely pair discovers that their marriage is not so inconvenient after all ... and just might lead to love.

Everything and the Moon

Harper Collins It was indisputably love at first sight. But Victoria Lyndon was merely the teenaged daughter of a vicar. . .while Robert Kemble was the dashing young earl of Macclesfield. Surely what their meddling fathers insisted must have been true-that he was a reckless seducer determined to destroy her innocence. . . and she was a shameless fortune hunter. So it most certainly was for the best when their plans to elope went hopelessly awry. Even after a seven-year separation, Victoria-now a governess-still leaves Robert breathless. But how could he ever again trust the raven-haired deceiver who had shattered his soul? And Victoria could never give her heart a second time to the cad who so callously trampled on it the first. But a passion fated will not be denied, and vows of love yearn to be kept. . . even when one promises the moon.

The Ladies Most...

The Collected Works: The Lady Most Likely/The Lady Most Willing

HarperCollins Three bestselling authors. Two delightful novels. One terrific collection! From Julia Quinn, author of the Bridgerton series, now streaming on Netflix—writing along with close friends and popular authors Eloisa James and Connie Brockway—comes *THE LADIES MOST...* a duo of cleverly crafted novels, *The Lady Most Likely* and *The Lady Most Willing*, together for the first time. *THE LADY MOST LIKELY* Hugh Dunne, the Earl of Briarly, needs a wife, so his sister hands him a list of delectable damsels and promises to invite them—and a few other gentlemen—to her country house for what is sure to be the event of the season. Hugh will have time to woo whichever lady he most desires. Unless someone else snatches her first. The invitation list includes: The always outspoken Miss Katherine Peyton The impossibly beautiful (and painfully shy) Miss Gwendolyn Passmore The widowed Lady Georgina Sorrell (who has no plans to marry, ever) And your hostess, Lady Carolyn Finchley, an irrepressible matchmaker with romantic plans for every last one of them—especially *THE LADY MOST LIKELY* to marry an eligible Earl. *THE LADY MOST WILLING* Taran Ferguson, laird of his clan, is determined that his ancient (if not so honorable) birthright be secured before he dies. When both his nephews refuse to wed, he takes matters into his own hands, raiding an English lord's Christmas ball and making off with four lovely potential brides (and one very irate duke). When his nephews, the Comte de Rocheforte and the Earl of Oakley, arrive for their annual holiday visit, they are drawn into a matchmaking party, of sorts. Among the unwitting guests are: Miss Fiona Chisholm, a beauty with a scandalous past Lady Cecily Tarleton, a lovely heiress—but she's English Miss Catriona Burns, a lady with no name or fortune, so clearly someone made a mistake! As the snow piles up outside the highland castle, and the guests are forced to pass the time together, the initial dismay turns to unanticipated attractions and then irresistible passions - and indeed, there might be one *LADY MOST WILLING* to marry a Scottish lord.

A Mixture of Thoughts

iUniverse I strongly believe that neither stories nor verse should be written in any choice of words that are beyond the vocabulary of prospective readers. It is irritating to read fiction with a dictionary by one's side, nor should it be necessary. The late Sir Winston Churchill, a master of the English language, won the hearts of his fellow country men and women during World War 2 because in his speeches he chose a language known to every level of education. He did not want anybody to marvel at his vocabulary, then wonder what it meant. He wanted them all to understand his vocabulary and feel the depth of it in its simplicity and sincerity. As a child I admired his ability to reach every English man, woman, or child who heard him speak. So I rarely use words that are stumbling blocks to the pleasure of reading. In this book I have tried to touch on the sentiments that could be in any of us. Apart from the poetry, there are three stories of varying lengths, and they each take us into very different minds. Filton Hebbard.

Where's My Hero?

Harper Collins Dear Avon Books, Where are my heroes? Whenever I'm reading a book by one of my favorite authors I find I'm falling for the wrong guy -- not the hero, but the other man -- and what I really want is for him to have his own story. Like Jake Linley, from *Someone to Watch Over Me* by Lisa Kleypas...that doctor could sit by my bedside if I ever got sick. And Ned Blyden in *Splendid* by Julia Quinn...he makes me want to learn to waltz! I never thought living in a drafty castle would be much fun until *Simon of Ravenswood in Master of Desire* by Kinley MacGregor came along. Anyway, I just wanted to let you know that these are my men -- when do they get their stories? Sincerely, A Romance Fan Some books are so special that there is more than one hero to love, but only a single story is told. So if you find yourself asking, "Where is my hero?" you'll discover the answer right here in this delicious collection by New York Times bestseller Lisa Kleypas, New York Times bestseller Julia Quinn and USA Today bestseller Kinley MacGregor.
