### The Shamanic Witch

## Spiritual Practice Rooted in the Earth and Other Realms

*Weiser Books* Shamanic practice seeks healing and wisdom from realms that overlap the everyday world. The use of plant and animal medicines, vision quests, trance work, and ceremonies to heal one's self and others are the foundations of shamanism. So too, Wicca and witchcraft use the magic and medicine of plants, animals, and other realms. By learning to incorporate the practices of shamanism, the witch can enhance his or her natural abilities as healer and creator of positive change. The Shamanic Witch outlines the many similarities between the art of shamanism and the craft of the Witch and explores how the overlapping of these two traditions can be used to enhance one's practice. Where witchcraft brings the belief and religion, Shamanism brings the skills. Sections include: Understanding the World of the shaman, Creatures and Spirits of Other Realms, Developing a Shamanic Practice, The Toolkit of the Shamanic Practitioner, The Realms of the Witch, and Melding Worlds: Becoming the Witch-Shaman.

### Interviews From the Fairy Realm

*Wild Wisdom Media* ★A BOOK THAT BRINGS YOU CLOSER TO THE REAL WORLD OF FAIRIES★ Since 2004, sisters Natalie and Susan Hajjar have had an extraordinary connection with a group of Elves known as the Elves of Fyn. Growing up, both sisters felt connected to other worlds, but neither gave the fairy realm or Elves much thought until they burst into their lives, making their presence known through a series of showy events and mischief. In this fascinating book, you will learn how the sisters went from not even thinking about fairies, to knowing about them in great detail. You will also get to know Mr. E, the kind and generous spokesperson for the Elves of Fyn, who is an important contributor to the book. After discovering how much misinformation existed about the fairy realm and those who live there, the sisters and Mr. E wanted to let the fae residents speak for themselves through Susan's ability to channel. In this book, fourteen fae beings from beyond our world came forward to speak of their lives and their people. With the perfect combination of Susan's channeling, Natalie's interviews, and Mr. E's insight, this book creates an amazingly accurate window into their world. It goes beyond all the mystique and falsehoods and offers a rare glimpse into the fascinating world of real fairies!

Will she survive to see her daughter grow up, or will time and fate be irreparably damaged, throwing not just earth, but all worlds into chaos?

### Rhetoric's Earthly Realm

## Heidegger, Sophistry, and the Gorgian Kairos

*Parlor Press LLC* Plato privileges the realm of absolute reality and truth above and beyond the world of language, discourse, and rhetoric. For Plato, earth harbors the façade of mere appearances and the evils of the bewitching powers of language. In RHETORIC'S EARTHLY REALM: HEIDEGGER, SOPHISTRY, AND THE GORGIAN KAIROS, Bernard Alan Miller counters this intellectual legacy with an innovative and thoroughly conceived theory of rhetoric, one concerned with "earth" in its Heideggerian aspect, complex and multifaceted, at the root of a phenomenology placing the focus on earth as the power of Being itself, whereby it is manifest purely as language.

### Father, Friend, and Judge

## Three Dimensions of Prayer that Receive Answers from Heaven

*Destiny Image Publishers* Discover Prayer as a Supernatural Portal to Spiritual Dimensions! Many believers prayers go unanswered because they never fully enter the spiritual realms that their prayers open up! Apostolic leader and author, Robert Henderson, is world-renowned for his bestselling series on The Courts of Heaven. In this new work on prayer, Robert provides Biblical strategies for every believer to unleash the full power of their prayers, and see them answered! God gave us prayer as more than a religious ritual. In fact, prayer is a supernatural portal through which we encounter God in multiple spiritual dimensions! In the Gospels, Jesus presented three different dimensions of prayer. Each one is connected to a specific identity of God: Father: We encounter God the Father in the Secret Place and Throne of Grace. Friend: We take our place as Friends of God when we operate as intercessors. Judge: We come before the Judge when we are dealing with an adversary who resists our breakthrough. When Christians learn how to operate in each of these spiritual dimensions, they can align their prayers with Gods will, and release His power for miraculous results!

## A JOURNEY OF THE FATED CONQUEROR PART 1: MORTAL REALM

### VOLUME:1, CHAPTER:1-10

*SOURYOURER* there is a person who is all powerful but no one know this person yet everyone says her name every time and every day do you know her? this person is called "fate" who is most kind and cruel with many different personalities and many names like lady fate, lady luck, fortuna, maha maya,...etc.there is one sentence to describe this person's power "no matter if you are THE GOD or THE DEVIL, one can never cross fate unless she gave you the way". what if a person propose his love to fate? "oh! you love me, so what, what qualification do you have, but since you have the guts to propose to me then prove me your worth". "conquer all the worlds under me and find all the pieces of me in the world and conquer them from level zero without your current power to finally reach this fate realm then we can see your worth". this started the journey of the conqueror to conquer the

world and fate where there are many adventures in many realms, forming a huge harem, refining pills, weapons crafting, charm making, formation building, monster taming, and many and unknown things with a marvelous game system that shake's the world. THIS NOVEL IS MY FIRST NOVEL since English is not my mother tongue grammar will be a little off but as the story goes on the grammar will improve as well this is proved through the comments of my successful publishing through other platforms thank you readers

## Plant Intelligence and the Imaginal Realm

### Beyond the Doors of Perception into the Dreaming of Earth

*Simon and Schuster* A manual for opening the doors of perception and directly engaging the intelligence of the Natural World • Provides exercises to directly perceive and interact with the complex, living, self-organizing being that is Gaia • Reveals that every life form on Earth is highly intelligent and communicative • Examines the ecological function of invasive plants, bacterial resistance to antibiotics, psychotropic plants and fungi, and the human species In *Plant Intelligence and the Imaginal Realm*, Stephen Harrod Buhner reveals that all life forms on Earth possess intelligence, language, a sense of I and not I, and the capacity to dream. He shows that by consciously opening the doors of perception, we can reconnect with the living intelligences in Nature as kindred beings, become again wild scientists, nondomesticated explorers of a Gaian world just as Goethe, Barbara McClintock, James Lovelock, and others have done. For as Einstein commented, "We cannot solve the problems facing us by using the same kind of thinking that created them." Buhner explains how to use analogical thinking and imaginal perception to directly experience the inherent meanings that flow through the world, that are expressed from each living form that surrounds us, and to directly initiate communication in return. He delves deeply into the ecological function of invasive plants, bacterial resistance to antibiotics, psychotropic plants and fungi, and, most importantly, the human species itself. He shows that human beings are not a plague on the planet, they have a specific ecological function as important to Gaia as that of plants and bacteria. Buhner shows that the capacity for depth connection and meaning-filled communication with the living world is inherent in every human being. It is as natural as breathing, as the beating of our own hearts, as our own desire for intimacy and love. We can change how we think and in so doing begin to address the difficulties of our times.

### Earth's Ascension - Nibiru and the Spirit Realm

*Lulu.com* This book, written by a traditional minister, turned metaphysical researcher and channeler over 40 years ago is to: identify trends and possibilities and inform, inspire and give hope by answering questions such as listed below: What is planetary and personal Ascension? Do I have a role to play in it? If so, what is that role? What forces and beings are working to both hinder and assist in the Ascension process? What can be expected to happen, short term and long term? How to prepare for the passage of the planet Nibiru? In addition, you will find suggestions on how to raise Indigo/Crystal children, what a human really is, a different perspective on the creation of our universe and its creator, the ultimate lesson to be learned on planet earth and communicating and working with the spirit realm. The information of these complex and mystifying topics is written in an easily understood format with reasons and sources given to support the authors' conclusions.

## Journeys to the Underworld and Heavenly Realm in Ancient and Medieval Literature

*McFarland* Concepts of heaven and hell are among the oldest, most widespread religious beliefs in history. In Western literature, they are frequently embedded in stories of underworld explorations and celestial journeys—stories examining the nature of the universe, life on earth and the existence of the gods. The author analyzes tales of wonder in both ancient and medieval European literature. Other-worldly narratives appeared in literary contexts in the ancient world, including mythology, poetry and philosophical writings. In medieval times, they remained a popular form of literary expression. These stories are primarily religious in nature, describing fantastic worlds filled with miracles and supernatural beings.

### Merchant of Alyss (Legends of the Realm Book #2)

*Revell* Life for Hyam is bittersweet. Admired by the citizens of Falmouth for his heroic rescue mission, he cherishes these peaceful days with Joelle by his side. Yet grief over the loss of his magical skills during the great Battle of Emporis threatens to engulf him. Sometimes he even wishes he had never known magic at all. When Hyam comes into possession of an ancient Milantian scroll, he is thrilled to feel the surge of power that courses through him whenever he touches it. But what he discerns in the text could mean war. He embarks upon another journey to determine its true meaning and forestall any attack. But as Hyam is seeking answers, he is unaware that the merchant of Alyss is seeking him . . .

### Flyn Starman and the Realm of the Seventh Sense

*Balboa Press* After their bus breaks down on a remote road while heading to a school camp and their phones stop working, Flyn Starman, four other students, and their teachers soon realize they are lost. While desperately searching for a way back home, they are unwittingly drawn into a bizarre world where the normally invisible can be seen and thoughts can be heard by others. As they are immersed in the strange world, the group meets extraordinary characters who explain that they have entered the mystical Realm of the Seventh Sense, and that they must go deeper into it in order to be able to leave. When their individual seventh senses are awakened, they all fall under the spell of the beauty and magic of the realm and their own power in it. But there is an underlying dark side to this mysterious reality, and peril lurks in the shadows. All that they thought they knew and believed to be real is challenged and overturned. Will they ever find a way out of this mystical realm that holds them in its grip? In this captivating adventure, a group of lost students and their teachers must conquer their fears in a bizarre, mystical world or face oblivion.

## Meaning and Power in a Southeast Asian Realm

*Princeton University Press* The ruler in the Indic States of Southeast Asia was seen not as the "head of state" but as the center or navel of the world. Like polities, persons and houses were and are viewed as centered spaces (locations) where spiritual potency can gather. Shelly Errington explores the politics of constituting and maintaining such centered socio-political spaces in a former Indic State called Luwu, which lies in South Sulawesi (Celebes), Indonesia. The meaning of political life and the ways its cultural forms were and are sustained depend on locally construed ideas of "power" or spiritual potency and "the person," which the author explores in detail. She views the polity neither as a frame in which political actors pursue advantage nor as a structure for extracting wealth but as a hierarchical system of signs ultimately backed by force—but force which was not fully centralized and whose import must be understood within ideas about spiritual potency widespread in the region. Although focused on Luwu, the book's theoretical scope is wide, and it ranges comparatively over a broad geographical area, making a contribution to ethnographic, historical, and regional studies as well as to the study of politics in nonsecular societies. Part One traces how the person, the house, and the polity are constituted symbolically in everyday practices as centered spaces. Part Two examines how centers can be de-centered, while Part Three explores the structure that tended to hold centers together in Luwu and other Indic States. The introduction and the three conclusions (each of the three being broader than the last in comparative scope) locate the author's views with respect to other current theoretical approaches to power and culture. Originally published in 1989. ### The Realms of Ancient Collection

*ECW Press* Discover the intricately plotted, action-packed, animal-based fantasy series that New York Times #1 bestselling author KELLY ARMSTRONG calls "A thrilling tale." Scion of the Fox: The Realms of Ancient, Book 1 Roan Harken considers herself a typical high school student — dead parents, an infected eyeball, and living in the house of her estranged, currently comatose grandmother (well, maybe not so typical) — but she's uncovering the depth of the secrets her family left behind. Saved from the grasp of Death itself by a powerful fox spirit named Sil, Roan must harness mysterious ancient power... and quickly. Zabor lies in wait in the bed of the frozen Assiniboine River, a snake-monster hungry for the sacrifice of spirit-blood in exchange for keeping the flood waters at bay. Thrust onto an ancient battlefield, Roan soon realizes that to maintain the balance of the world, she will have to sacrifice more than her life in order to take her place as Scion of the Fox. Children of the Bloodlands: The Realms of Ancient, Book 2 The dazzling second book in S.M. Beiko's Realms of Ancient series follows Roan and her four friends as they part ways to fight new battles across the globe. A wicked monster called Seela has risen from the ashy Bloodlands and is wreaking havoc on the world while children in Edinburgh are afflicted by a strange plague; Eli travels to Seoul to face judgment and is nearly murdered; Natti endures a taxing journey with two polar bears; Phae tries desperately to obtain the key to the Underworld; and Barton joins a Family-wide coalition as the last defense against an enemy that will stop at nothing to undo Ancient's influence on Earth — before there is no longer an Earth to fight for. Darkness, death, and the ancient powers that shape the world will collide as our heroes discover that some children collapse under their dark inheritance, and those who don't are haunted by blood. The Brilliant Dark: The Realms of Ancient, Book 3 In the final installment of S.M. Beiko's thrilling YA fantasy trilogy, Roan Harken must decide if she's willing to pay the ultimate price to protect the family she's found. But nothing is ever that simple. The Brilliant Dark is the final, thrilling chapter in this series about gods, monsters, and the people who must decide if they're willing to pay the ultimate price to protect the family they found... in a world that may not be worthy of saving.

### China Root

### Taoism, Ch'an, and Original Zen

*Shambhala Publications* A beautifully compelling and liberating guide to the original nature of Zen in ancient China by renowned author and translator David Hinton. Buddhism migrated from India to China in the first century C.E., and Ch'an (Japanese: Zen) is generally seen as China's most distinctive and enduring form of Buddhism. In China Root, however, David Hinton shows how Ch'an was in fact a Buddhist-influenced extension of Taoism, China's native system of spiritual philosophy. Unlike Indian Buddhism's abstract sensibility, Ch'an was grounded in an earthy and empirically-based vision. Exploring this vision, Hinton describes Ch'an as a kind of anti-Buddhism. A radical and wild practice aspiring to a deeply ecological liberation: the integration of individual consciousness with landscape and with a Cosmos seen as harmonious and alive. In China Root, Hinton describes this original form of Zen with his trademark clarity and elegance, each chapter exploring in enlightening ways a core Ch'an concept--such as meditation, mind, Buddha, awakening--as it was originally understood and practiced in ancient China. Finally, by examining a range of standard translations in the Appendix, Hinton reveals how this original understanding and practice of Ch'an/Zen is almost entirely missing in contemporary American Zen, because it was lost in Ch'an's migration from China through Japan and on to the West. Whether you practice Zen or not, taking this journey on the wings of Hinton's remarkable insight and powerful writing will transform how you understand yourself and the world.

### NEITHER SWORD NOR SCEPTER

### The Messianic Way in the Economy and Social Affairs

*Texianer Verlag* In his revolutionary book, Neither Sword nor Scepter, Wilhelm Haller (1935-2004) discusses justice in our economic system and in our society. In doing so, he brings into play quite original approaches to solutions based on an almost completely forgotten idea. Known as the inventor of flexitime and as the author of several books and numerous articles on management, economics and theological topics, he saw himself as a student of Martin Büber and Hugh J. Schonfield. But he also speaks from a rich life experience as entrepreneur and founder of several social projects. This book has hitherto only been published in German. This English interpretation now makes it available to a wider range of readers. Although written in the 1990s, its message is just as relevant and pertinent today. It is of interest not only to the manager and business leader but also to politicians and all those who have an interest in the why's and wherefore's of our society.

## The Role of Revelation in the World's Religions

*McFarland* The human reception of divine messages, known as revelation, has often played a central role in world religions. This study explores how spirituality and the personal experience of the divine has been expressed and preserved in various religious traditions. The phenomenon of revelation is explored and interpreted through examples from across the religious spectrum, and six different types of revelation are posited: visions and voices, divination, spirit journey, spirit mediation, mystical union, and divine incarnation.

## The Complete Reiki Handbook Basic Introduction and Methods Of Natural Application (A Complete Guide For Reiki Practice)

*Motilal Banarsidass Publ.* Walter Lubeck describes in a clear concise fashion a method of treatment which--irrespective of all challenges, obstacles or legal restrictions--offers therapeutic possibilities in the face of the challenges confronting naturopathy and empirical medicine today. This book will help to broaden the knowledge thus gained and provide more insight into Reiki so that it may be applied with greater ease and care. This book is especially commendable as it establishes connections between Reiki and biological medicine by pointing out combinations possible with herbal extracts, homeopathic preparations, Schussler salts, and the spagyric remedies which have been rediscovered. The combined action of Reiki energy and natural medicinal substances, some of which have been known from time immemorial, speed up and improve the therapeutic effect to a considerable degree.

## A Journey Through The Realm of Numbers

### From Quadratic Equations to Quadratic Reciprocity

*Springer Nature* This book takes the reader on a journey from familiar high school mathematics to undergraduate algebra and number theory. The journey starts with the basic idea that new number systems arise from solving different equations, leading to (abstract) algebra. Along this journey, the reader will be exposed to important ideas of mathematics, and will learn a little about how mathematics is really done. Starting at an elementary level, the book gradually eases the reader into the complexities of higher mathematics; in particular, the formal structure of mathematical writing (definitions, theorems and proofs) is introduced in simple terms. The book covers a range of topics, from the very foundations (numbers, set theory) to basic abstract algebra (groups, rings, fields), driven throughout by the need to understand concrete equations and problems, such as determining which numbers are sums of squares. Some topics usually reserved for a more advanced audience, such as Eisenstein integers or quadratic reciprocity, are lucidly presented in an accessible way. The book also introduces the reader to open source software for computations, to enhance understanding of the material and nurture basic programming skills. For the more adventurous, a number of Outlooks included in the text offer a glimpse of possible mathematical excursions. This book supports readers in transition from high school to university mathematics, and will also benefit university students keen to explore the beginnings of algebraic number theory. It can be read either on its own or as a supporting text for first courses in algebra or number theory, and can also be used for a topics course on Diophantine equations.

### Critical Encounters

*Springer* In this wide-ranging investigation of many prominent issues in contemporary legal, political, and moral philosophy, Matthew Kramer combines penetrating critiques with original theorising as he examines the writings of numerous major theorists (including Ronald Dworkin, H.L.A. Hart, Alan Gewirth, Ronald Coase and Richard Posner). Among the many topics covered by Kramer's essays are the relative merits of legal positivism and natural-law theory, the appropriate understanding of justice, the role of consequences in moral decision-making, and the ultimate foundations of moral judgements.

## The Apple Grower

### Guide for the Organic Orchardist, 2nd Edition

*Chelsea Green Publishing* For decades fruit growers have sprayed their trees with toxic chemicals in an attempt to control a range of insect and fungal pests. Yet it is possible to grow apples responsibly, by applying the intuitive knowledge of our great-grandparents with the fruits of modern scientific research and innovation. Since *The Apple Grower* first appeared in 1998, orchardist Michael Phillips has continued his research with apples, which have been called "organic's final frontier." In this new edition of his widely acclaimed work, Phillips delves even deeper into the mysteries of growing good fruit with minimal inputs. Some of the cutting-edge topics he explores include: The use of kaolin clay as an effective strategy against curculio and borers, as well as its limitations Creating a diverse, healthy orchard ecosystem through understory management of plants, nutrients, and beneficial microorganisms How to make a small apple business viable by focusing on heritage and regional varieties, value-added products, and the "community orchard" model The author's personal voice and clear-eyed advice have already made *The Apple Grower* a classic among small-scale growers and home orchardists. In fact, anyone serious about succeeding with apples needs to have this updated edition on their bookshelf.

### Volume 2: The energy-based Realm of the Elves

*BoD - Books on Demand* We may repeat ourselves, but at the same time we cannot emphasize it enough: This series of books, and with it this book, is not a general passing on information. Rather, it is aimed, consciously, at people who know that they need the content for themselves and their next task. People who have a certain high level of development, a certain high level of awareness and thus a certain high level of integrity. People who are able to receive information in a pure and clear manner and to deal with it with integrity.

### Field of Compassion

### How the New Cosmology Is Transforming Spiritual Life

*Ave Maria Press* The best-selling author of *Radical Amazement* articulates a transforming vision of spirituality that examines the intricate connectedness of the physical and spiritual worlds, a phenomenon she calls the "field of compassion." In the tradition of Teilhard de Chardin and Thomas Berry, Judy Cannato invites spiritual seekers to embrace the way in which an understanding of religion and the spiritual path is informed and illumined by cutting-edge science. Cannato's newest book is a must-read for those interested in how the new cosmology and the Christian story can be understood in harmony with one another. She shows how modern scientific discoveries demonstrate that at the most fundamental of levels all life is connected and that humankind participates in the unfolding of the universe. This book's compelling and radical call to transformation will inspire readers to choose collaboration and peace over competition and conflict.
